

1 S.252

2 Representative Donahue of Northfield moves that the House propose to the
3 Senate that the bill be amended as follows:

4 First: In Sec. 22, report; Blueprint for Health, by striking out the remainder
5 of the section following the words “including any” and inserting in lieu thereof
6 proposed evaluation measures and approaches; funding constraints;
7 opportunities; availability of appropriate screening tools and evidence-based
8 interventions for individuals; the additional resources, if any, that would be
9 necessary to ensure adequate access to the interventions identified as needed as
10 a result of the use of the screening tools; and additional security protections
11 that may be necessary for information related to a patient’s adverse childhood
12 experiences.

13 Second: In Sec. 25, report; Department of Health; Green Mountain Care
14 Board, by striking out subdivisions (a)(2) and (3) in their entirety and inserting
15 in lieu thereof new subdivisions (2) and (3) to read:

16 (2) recommendations on the availability of appropriate screening tools
17 and evidence-based interventions for individuals throughout their lives,
18 including expectant parents, and the additional resources, if any, that would be
19 necessary to ensure adequate access to the interventions identified as needed as
20 a result of the use of the screening tools; and

- 1 (3) information about the costs and availability of, and
- 2 recommendations on, additional security protections that may be necessary for
- 3 information related to a patient’s adverse childhood experiences.
