

Cigna response

To be credentialed w/ Cigna in VT, they must have an alcohol and drug counselor (ADC) license, licensed to practice at independent level, and min level of education of 270 hours. In order to be eligible for licensure as an alcohol and drug abuse counselor, an applicant must be awarded an approved counselor credential from the Division of Alcohol and Drug Abuse Programs. In order to renew a substance abuse counselor license, a licensee must renew their certification as an ADC.
