

1 S.202

2 Representative McCormack of Burlington moves that the House propose to
3 the Senate to amend the bill in Sec. 1, 30 V.S.A. § 209, in subdivision
4 (d)(3)(C), by striking out subdivision (iii) and inserting in lieu thereof a new
5 subdivision (iii) to read:

6 (iii) will result in a net reduction in **State energy consumption**
7 **and greenhouse gas emissions on a life-cycle basis and will not have a**
8 **detrimental impact on the environment through other means such as release of**
9 **refrigerants or disposal. **In making a finding under this subdivision, the****
10 **Board shall consider the use of the technology at all times of year and any**
11 **likely new electricity demand created by such use;**
