Total Renter Rebate	13,640	13,545	8,752,163	8,688,163	641.65	641.43

Notes: Tax Year refers to the Income Tax return in which the claim is filed. Property Tax Adjustments are credited against Fiscal Year 2014. This is a summary of returns, profiled by tax year, processed year-to-date. It is not a revenue accounting. It does not reconcile with figures reported by the Department of Finance and Management and may differ from previous years to changes in workload.
