Title 3: Executive

Chapter 25: ADMINISTRATIVE PROCEDURE

3 V.S.A. § 832b. Administrative rules affecting school districts

§ 832b. Administrative rules affecting school districts

If a rule affects or provides for the regulation of public education and public schools, the agency proposing the rule shall evaluate the cost implications to local school districts and school taxpayers, clearly state the associated costs, and report them in a local school cost impact statement to be filed with the economic impact statement on the rule required by subsection 838(c) of this title. An agency proposing a rule affecting school districts shall also consider and include in the local school cost impact statement an evaluation of alternatives to the rule, including no rule on the subject which would reduce or ameliorate costs to local school districts while achieving the objectives or purposes of the proposed rule. The legislative committee on administrative rules may object to any proposed rule if a local school cost impact statement is not filed with the proposed rule, or the committee finds the statement to be inadequate, in the same manner in which the committee may object to an economic impact statement under section 842 of this title.
