

VERMONT ASSEMBLY OF HOME HEALTH AND HOSPICE AGENCIES  
Proposed Amendment  
January 23, 2014  
Senate Health & Welfare Committee

S.234, An act relating to home telemonitoring services

***Proposed amendment is bold faced and italicized.***

Sec. 1 (c)(2) is amended to read:

(2) “Home telemonitoring service” means a health service that requires scheduled remote monitoring of data related to a patient’s health and ***access to the data by transmission of the data to*** a licensed home health agency.
