RE: S. 44 Prior Authorization Bill

The GMCB has reviewed this bill to determine if it will generate any cost savings or increase costs to the health care system. We have no reason to believe this bill will generate significant savings. However, we have no objective data to inform us on this point. We also do not have data to determine if this bill will increase costs.

Please let me know if you have any additional questions regarding the cost implications of this bill.
