

Act No. 47 (H.240). Motor vehicles

An act relating to miscellaneous technical corrections to laws governing motor vehicles, motorboats, and other vehicles

This act makes miscellaneous technical changes to the provisions of Title 23, including correcting incorrect or misleading cross-references; updating laws to be consistent with changes in other laws or with Department of Motor Vehicles practice; repealing provisions of law that have expired or been replaced or that are duplicative; and correcting awkward or grammatically incorrect language.

Effective Date: July 1, 2015
