Hi Shirley and Maria,

This amendment is purely technical – it moves a sentence in order to ensure that its meaning comports with the model. Is Susan’s presence really necessary, or can Maria explain the amendment? DFR obviously supports.

Thanks!
Shannon

Hi,

H.51 – internally active insurance groups and establishment of domestic insurers in Vermont has come back to us from the Senate with an amendment. Bill would like to know if you would be available on Thursday, 4/23, at 9:00 a.m. to talk to us about the Senate amendment.

Shirley Adams, Committee Assistant
House Commerce and Economic Development Committee

ATTENTION - Please email handouts to the committee assistant before your scheduled meeting date and bring 2 hard copies. Please write your name, organization, date and title on each document.

With few exceptions, any documents a witness submits to a committee or to a committee assistant are open to the public.

In addition, a witness’ submission of a document authored by the witness or his or her organization constitutes consent to its posting on the committee’s webpage, unless the witness specifically requests that the document not be posted. Although the committee will honor requests not to post such documents on its webpage, once a witness submits a document to the committee, it is a public record and will be subject to public inspection and copying unless exempt under the Public Records Act.
