Senator Rodgers moves that the Senate propose to the House that the bill be amended in Sec. 31, 10 V.S.A. § 6081, by striking out subdivision (w)(1)(B) in its entirety and inserting in lieu thereof the following:

(B) The range has a lead management plan approved by the Department of Environmental Conservation under chapters 47 and 159 of this title that requires implementation of best management practices to mitigate environmental impacts to soil and water.

(C) The change is for the purpose of one or more of the following:

(i) To improve the safety of range employees, users of the range, or the public.

(ii) To abate noise from activities at the range. A qualified noise abatement professional may certify that a change in a sport shooting range is for this purpose and this certification shall be conclusive evidence that a purpose of the change is to abate noise from activities at the range.

(iii) To remediate, mitigate, or reduce impacts to air or water quality from the range or the deposit or disposal of waste generated by the range or its use.
