I can do it on their behalf if the Chair wants to hear from them- I will only say Bayada does not object to the bill.

Subject: Testify re S.256, CON re home health agencies?

Greetings, Laura—

The H Health Care committee is taking brief testimony next Wed. AM on S.256, Home Health CON.

Do your or Bayada feel the need to testify? It will be brief.

With thanks,

Loring Starr
