Message  Pharmacist Provider Status Questionnaire by State 1.28.16 V2.pdf (82 KB)

Hello Rep. Lippert,

As requested during DVHA's testimony on pharmacists as Medicaid providers on January 22nd, we are providing the attached table with information from other state Medicaid programs.

Earlier this week DVHA polled over states regarding their policy and programs. In total, 28 states responded to a series of questions on the topic. Below is an overview of the responses. The attached document provides greater detail.

Questions	Number of States (of 28 states responding)
Recognize pharmacists as providers:	15
Pharmacists enrolled in Medicaid program:	7, plus 5 states will be enrolling soon or planning to do so
Reimburse pharmacists for clinical services:*	3, plus 2 states planning to do so
Reimburse pharmacies for clinical services:*	9
Actively pursuing similar legislation:	3, plus 4 states that may pursue legislation soon

*Note: Vaccinations not considered a clinical service for this survey.

Thank you,
Lindsay
