

Dear Ms. Grad, Chair and Committee Members of the House Judiciary Committee

It has come to my attention that there appears to be no attempting to negotiate on S.141 for any amendments, this is very disturbing to me.

I respectfully request a consideration for protecting our Veteran's, hunters and shooters with the amendment that was proposed to S.141. After reading the amendment, it actually corrected the bill to be more fair, especially to our Veterans. (If you have the time, I would request that you also look at other states)

If an amendment will not be allowed to S.141, then I am asking that you please vote against S.141.

I could go into detail, but I am sure you are getting a lot of calls and e-mails and I have taken up enough of your time.

Thank you for your time in reading this e-mail.
