

H.40, Net Metering RECs, Sec. 12, Possible Revision, 2/13/15

(H) allows a customer to retain ownership of the environmental attributes of energy generated by the customer's net metering system and of any associated tradeable renewable energy credits or to transfer those attributes and credits to the interconnecting retail provider, and:

(i) if the customer retains the attributes, ~~determines~~ **reduces** the value of the credit provided under this section for electricity generated by the customer's net metering system **by an appropriate amount;** and

(ii) if the customer transfers the attributes to the interconnecting provider, requires the provider to retain them for application toward compliance with sections 8004 and 8005 of this title.
