

Potential Governance Proposal – Minimum SU and District ADM

DATES:

July 1, 2015 = Secretary publishes a list of all districts / SUs that don't meet the minimum ADM requirements (Identified Districts)

#1 = Each district in the State talks to others in its general region

Any district that meets the minimum ADM requirements may submit a declaration to the State Board that it doesn't intend to change

If a district meets the minimum ADM only because it is a member of an SU that meets it, then ALL districts in SU must submit the declaration together

#2 = Identified Districts and any district that didn't submit a declaration by Date #2 must submit a

#3 = If districts are voting to form new district, then the vote of all necessary districts must occur by this date (and to receive incentives, vote must be final by this date)

#4 = Secretary presents proposal to State Board regarding all Remaining Districts

#5 = State Board issues order establishing new districts and new SUs for Remaining Districts"

July 1, 2019 = deadline to meet minimum ADMs / all new districts and SUs are operational
