December 1, 2013

To our medical professional colleagues,

It is with pleasure that we are apprising you that Drs. Grunert and Mahoney, from Green Mountain Urology, will be joining the University of Vermont Medical Group's Division of Urology at Fletcher Allen Health Care as full time faculty as of December 1, 2013.

Drs. Grunert and Mahoney will continue to see patients at both the existing Colchester/Fanny Allen Medical Office Building and Middlebury locations. Dr. Grunert will also be seeing patients at our existing location in St. Albans in the Doctor's Office Commons.

Please be assured that I, the entire faculty in the Division of Urology and Fletcher Allen leadership appreciate and will strongly support Drs. Grunert and Mahoney's depth and breadth of expertise. We welcome them to our Division in its pursuit of the highest level of integrated patient care, student and resident education as well as meaningful basic and clinical research.

New patient appointments can be made by calling 802-655-4900 (Colchester), 802-388-3899 (Middlebury) or 802-524-0719 (St. Albans). Please feel free to contact me at 802-847-2884 with any questions.

Sincerely,

Mark K. Plante, MD, FRCS(C), FACS
Chief - Division of Urology, Department of Surgery
Program Director - Urology Residency Program
Associate Vice Chair of Surgical Research
Director of Urologic Research
Associate Professor of Surgery
University of Vermont College of Medicine
