# Giving Back

Chroma carries our mission into the communities in which we live and work, sharing the responsibility and the rewards for the better of the whole.

Annually lead the Overflow the Opera House food drive, donating hundreds of pounds of food, and over \$4000 in cash.

Continue to organize and run our annual Secret Santa program, supporting 189 Kids from 7 schools.

Multiple annual blood drives.

Donate profit share ( \$250,000 / year) to different state and local organizations.

Bellows Falls Middle school microscopes

An employee-owner donation match program, matching donations to local non-profits 2:1.

*Students learning how to use the microscopes*
