

# DOC Correctional Facilities – HVAC Programming, Schematic Design, and Design Documents: Project Update

Presented by:  
Jennifer M. V. Fitch, P.E.  
Commissioner  
Department of Buildings and General Services  
March 14, 2023

# DOC Correctional Facilities – Air Conditioning

Challenge: Only 2 of 6 correctional facilities are fully air conditioned:

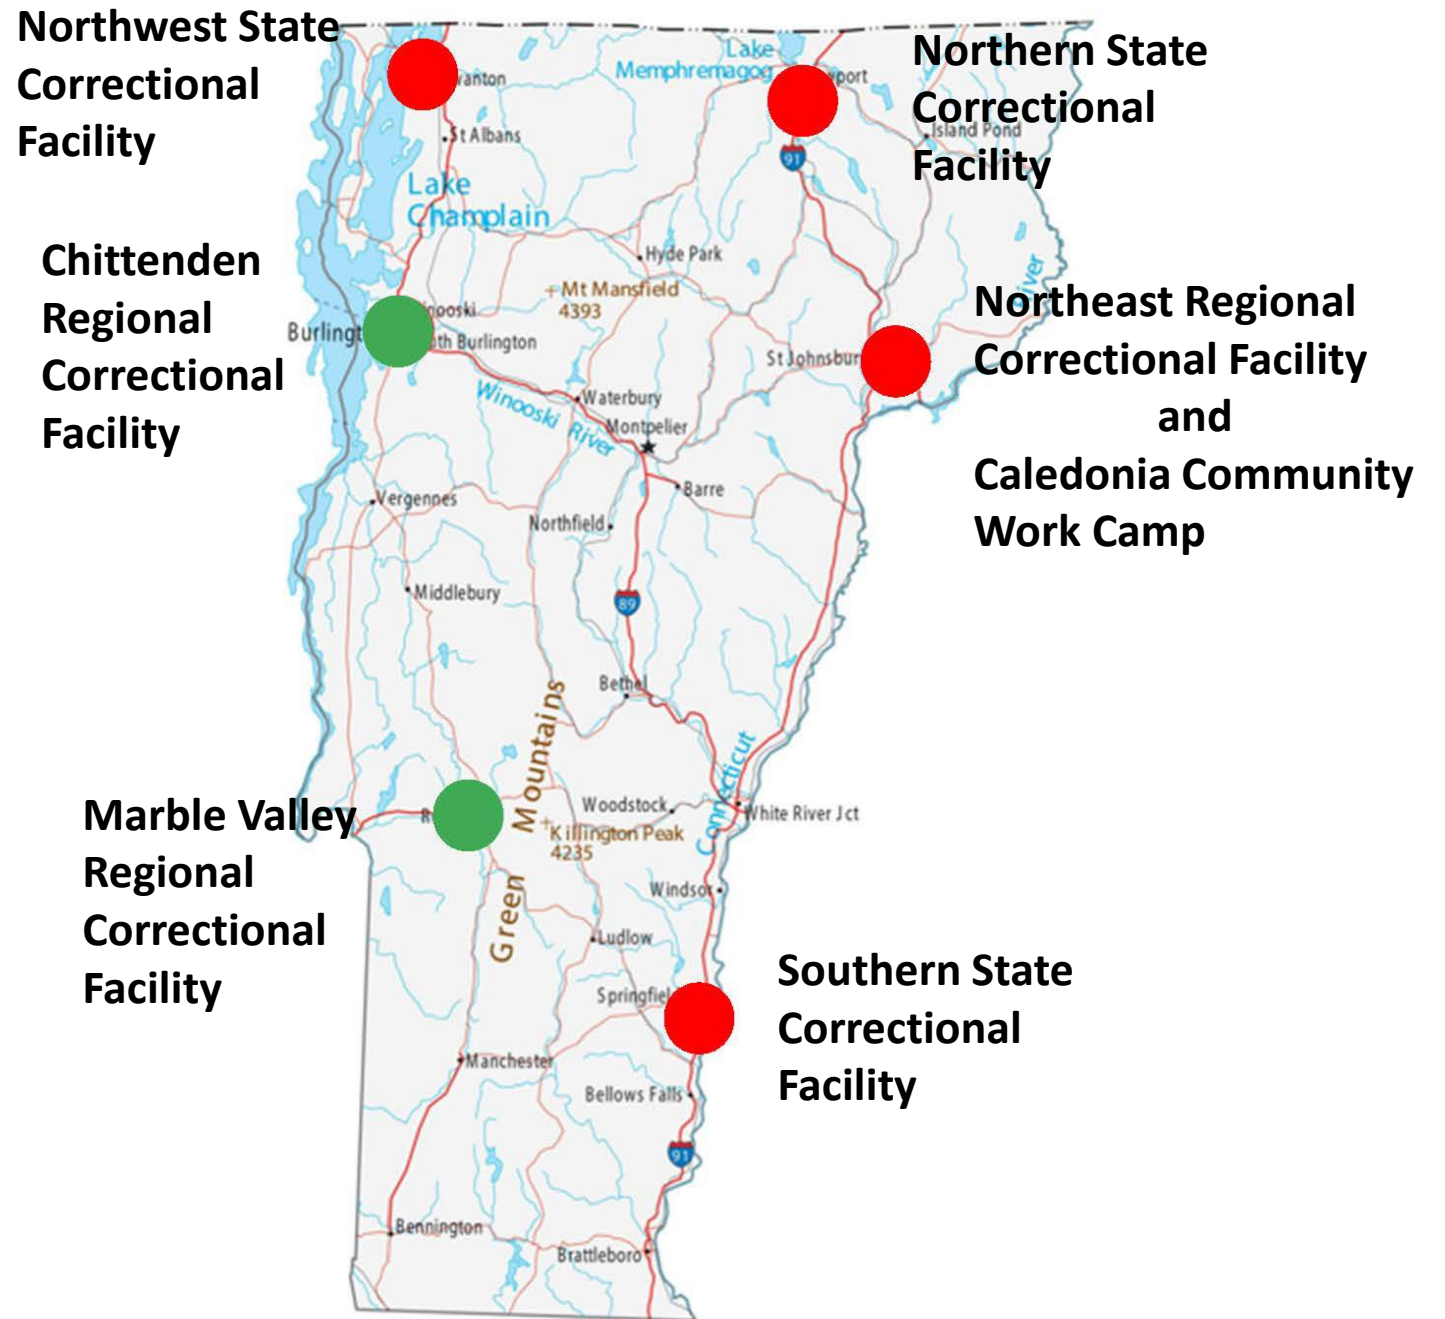

- Chittenden Regional Correctional Facility
- Marble Valley Regional Correctional Facility

FY22-FY23 Capital Budget Adjustment authorized \$500,000 for programming, schematic design, and design documents.

Project scope: Design air conditioning for the following correctional facilities:

- Northwest State Correctional Facility
- Northern State Correctional Facility
- Northeast Regional Correctional Facility and Caledonia Community Work Camp
- Southern State Correctional Facilities

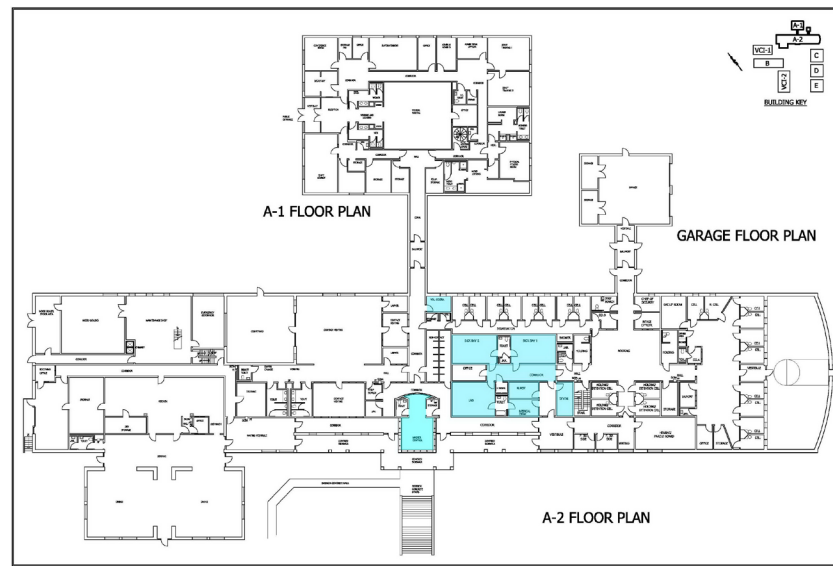

2022 Project Estimate: \$18,618,900

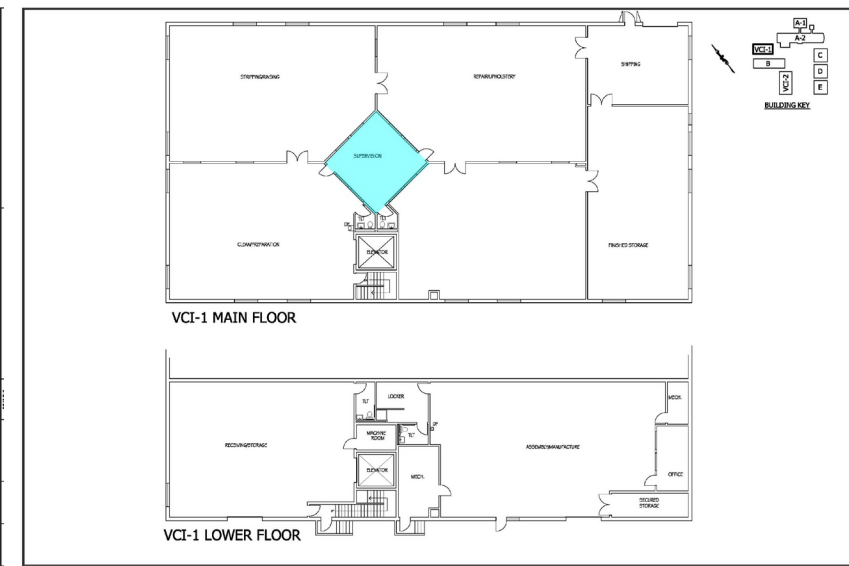

# Northern State Correctional Facility

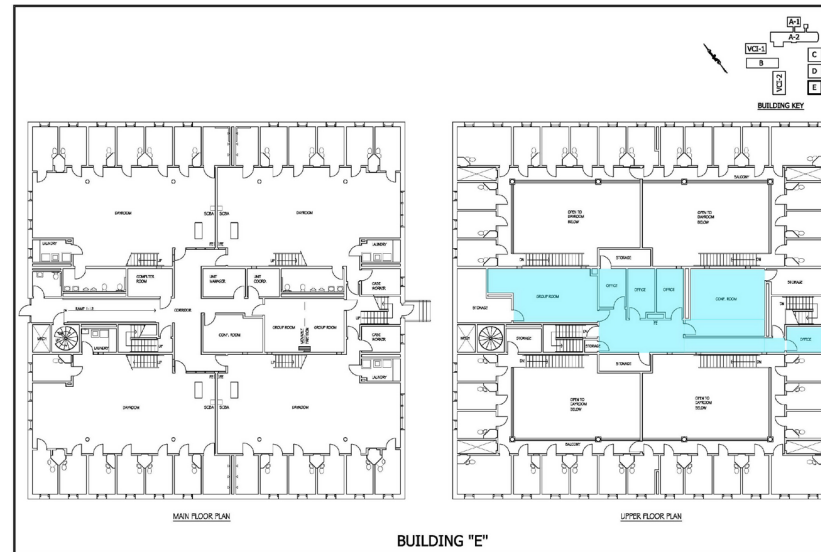

- Estimated Cost: \$5.55M
