

WASTEWATER

National Pollutant Discharge Elimination System (NPDES) Permits

All municipal, industrial and commercial facilities that discharge wastewater directly from a point source into a receiving waterbody are issued an NPDES permit, which are listed below.

Click on a permit number to access current permits, letters for permits administratively continued pursuant to 3 V.S.A. section 814, and orders issued pursuant to 10 V.S.A. section 1272 since 1/1/2021 for a facility.

Number of currently issued permits: **176**
