

## **DAIL proposed mark-up for H.171 APS Bill**

### **Proposed additional definition as discussed with VT Legal Aid**

**6902**

“Screen out” means a process by which a report is not accepted for assessment or investigation based on the lack of an allegation of abuse, neglect or exploitation of a vulnerable adult or because the report is duplicative or lacks information necessary to proceed or does not meet other established criteria to be accepted as a report.
