

Initial Report of the Land Access Opportunity Board (LAOB) Recommends \$1.2 m for SFY'24

- VHCB would continue to support LAOB in SFY'24 (and beyond)
- Budget recommendations would support two full time, dedicated staff
- Programmatic investments to include equity assessment of relevant state programs and policies, technical assistance and organizational support grants, new reparative grant programs, and increase compensation for LAOB members
- Outreach and education to community stakeholders will be conducted equitably, with opportunities for compensation to participating community members
- Total ask for base budget over 4 years: \$4,800,000

Long Term Priority Objectives for LAOB

- To address historical barriers that continue to exist within systems of legal oppression and exclusion, economic domination of people, and exploitation of land
- To promote opportunities to access land, home security, and welcoming communities for Vermonters from historically marginalized and disadvantaged communities, and all those living at the intersections of marginalization
- To seek out, create, fund, and build alternative models for land access, finding home, and mobilizing a network of safe, welcoming communities
- To create the economic and social conditions to make Vermont a haven where individuals, families, and collectives of historically marginalized and disadvantaged communities can live, grow, and thrive

Created by the Vermont General Assembly in Act 182 of 2022

History:

- Underlying bill, H.273, was introduced to promote racial and social equity in land access and property ownership as part of comprehensive campaign to eradicate systemic racism
- Initial appropriation for SFY'23 of \$200,000.00 is being administered on behalf of LAOB by VHCB
- LAOB meetings scheduled twice per month (beginning last July)
