3 It is hereby enacted by the General Assembly of the State of Vermont:

4 \* \* \* Purpose, Definitions, Legend \* \* \*

5 Sec. A.100 SHORT TITLE

6 (a) This bill may be referred to as the BIG BILL – Fiscal Year 2025  
7 Appropriations Act.

8 Sec. A.101 PURPOSE

9 (a) The purpose of this act is to provide appropriations for the operations of  
10 State government and for capital appropriations not funded with bond proceeds  
11 during fiscal year 2025. It is the express intent of the General Assembly that  
12 activities of the various agencies, departments, divisions, boards, and  
13 commissions be limited to those that can be supported by funds appropriated in  
14 this act or other acts passed prior to June 30, 2024. Agency and department  
15 heads are directed to implement staffing and service levels at the beginning of  
16 fiscal year 2025 so as to meet this condition unless otherwise directed by  
17 specific language in this act or other acts of the General Assembly.

18 Sec. A.102 APPROPRIATIONS

19 (a) It is the intent of the General Assembly that this act serves as the  
20 primary source and reference for appropriations for the operations of State

1 government and for capital appropriations not funded with bond proceeds for  
2 fiscal year 2025.

3 (b) The sums herein stated are appropriated for the purposes specified in  
4 the following sections of this act. When no time is expressly stated during  
5 which any of the appropriations are to continue, the appropriations are single-  
6 year appropriations and only for the purpose indicated and shall be paid from  
7 funds shown as the source of funds. If in this act there is an error in either  
8 addition or subtraction, the totals shall be adjusted accordingly. Apparent  
9 errors in referring to section numbers of statutory titles within this act may be  
10 disregarded by the Commissioner of Finance and Management.

11 (c) Unless codified or otherwise specified, all narrative portions of this act  
12 apply only to the fiscal year ending on June 30, 2025.

13 Sec. A.103 DEFINITIONS

14 (a) As used in this act:

15 (1) “Capital appropriation” means an appropriation for tangible capital  
16 investments or expenses that are eligible to be funded from general obligation  
17 debt financing and are allowed under federal laws governing the use of State  
18 bond proceeds as described in 32 V.S.A. § 309.

19 (2) “Encumbrances” means a portion of an appropriation reserved for  
20 the subsequent payment of existing purchase orders or contracts. The

1 Commissioner of Finance and Management shall make final decisions on the  
2 appropriateness of encumbrances.

3 (3) “Grants” means subsidies, aid, or payments to local governments, to  
4 community and quasi-public agencies for providing local services, and to  
5 persons who are not wards of the State for services or supplies and means cash  
6 or other direct assistance, including pension contributions.

7 (4) “Operating expenses” means property management; repair and  
8 maintenance; rental expenses; insurance; postage; travel; energy and utilities;  
9 office and other supplies; equipment, including motor vehicles, highway  
10 materials, and construction; expenditures for the purchase of land and  
11 construction of new buildings and permanent improvements; and similar items.

12 (5) “Personal services” means wages and salaries, fringe benefits, per  
13 diems, and contracted third-party services, and similar items.

14 Sec. A.104 RELATIONSHIP TO EXISTING LAWS

15 (a) Except as specifically provided, this act shall not be construed in any  
16 way to negate or impair the full force and effect of existing laws.

17 Sec. A.105 OFFSETTING APPROPRIATIONS

18 (a) In the absence of specific provisions to the contrary in this act, when  
19 total appropriations are offset by estimated receipts, the State appropriations  
20 shall control, notwithstanding receipts being greater or less than anticipated.

1       Sec. A.106 FEDERAL FUNDS

2           (a) In fiscal year 2025, the Governor, with the approval of the General  
3           Assembly or the Joint Fiscal Committee if the General Assembly is not in  
4           session, may accept federal funds available to the State of Vermont, including  
5           block grants in lieu of, or in addition to, funds herein designated as federal.  
6           The Governor, with the approval of the General Assembly or the Joint Fiscal  
7           Committee if the General Assembly is not in session, may allocate all or any  
8           portion of such federal funds for any purpose consistent with the purposes for  
9           which the basic appropriations in this act have been made.

10          (b) If, during fiscal year 2025, federal funds available to the State of  
11          Vermont and designated as federal in this and other acts of the 2024 session of  
12          the Vermont General Assembly are converted into block grants or are  
13          abolished under their current title in federal law and reestablished under a new  
14          title in federal law, the Governor may continue to accept such federal funds for  
15          any purpose consistent with the purposes for which the federal funds were  
16          appropriated. The Governor may spend such funds for such purposes for not  
17          more than 45 days prior to General Assembly or Joint Fiscal Committee  
18          approval. Notice shall be given to the Joint Fiscal Committee without delay if  
19          the Governor intends to use the authority granted by this section, and the Joint  
20          Fiscal Committee shall meet in an expedited manner to review the Governor's  
21          request for approval.

1 Sec. A.107 NEW POSITIONS

2 (a) Notwithstanding any other provision of law, the total number of  
3 authorized State positions, both classified and exempt, excluding temporary  
4 positions as defined in 3 V.S.A. § 311(a)(11), shall not be increased during  
5 fiscal year 2025 except for new positions authorized by the 2024 session.  
6 Limited service positions approved pursuant to 32 V.S.A. § 5 shall not be  
7 subject to this restriction.
