

1 TO THE HONORABLE SENATE:

2 The Committee on Education to which was referred Senate Bill No. 120  
3 entitled “An act relating to postsecondary schools and sexual misconduct  
4 protections” respectfully reports that it has considered the same and  
5 recommends that the bill be amended by striking out all after the enacting  
6 clause and inserting in lieu thereof the following:

7 Sec. 1. 16 V.S.A. § 184 is added to read:

8 § 184. STUDENT ACCESS TO CONFIDENTIAL SEXUAL

9 MISCONDUCT SUPPORT SERVICES; COLLABORATION WITH

10 EXTERNAL PARTNERS

11 (a) Postsecondary schools shall ensure students have access to confidential  
12 sexual misconduct support services covered by victim and crisis worker  
13 privilege under applicable law, either on or off campus. Nothing in this  
14 subsection shall be construed to prohibit a postsecondary school from also  
15 facilitating student access to support services not covered by a victim and crisis  
16 worker privilege.

17 (b) If a postsecondary school is working with an external provider to  
18 provide confidential support services on its behalf, pursuant to subsection (a)  
19 of this section, and those support services are beyond those the external  
20 provider may provide as a matter of course to the general public, the

1 postsecondary school shall enter into, and maintain, an agreement with the  
2 external provider. Agreements may address:

3 (1) assistance in development or delivery of programming and training  
4 regarding sexual misconduct involving students;

5 (2) collaborative marketing to make the campus community aware of  
6 the availability of confidential services from the external provider, either on or  
7 off campus, such as sexual assault crisis services, domestic violence crisis  
8 services, and sexual assault nurse examiner services;

9 (3) reciprocal education of school and external provider personnel to  
10 ensure a mutual understanding of the other’s role, responsibilities, and  
11 processes for receiving disclosures of sexual misconduct, the provision of  
12 support services, and options for resolution;

13 (4) reporting of data as required by federal law, if applicable, as well as  
14 reporting of de-identified aggregate information that will aid the school in  
15 identifying and addressing trends of concern; and

16 (5) use of school-provided space to meet confidentially with members of  
17 the campus community.

18 (c) All agreements executed pursuant to subsection (b) of this section shall  
19 be independently negotiated between the postsecondary school and external  
20 providers.

1 Sec. 2. 16 V.S.A. § 185 is added to read:

2 § 185. AMNESTY PROTECTIONS

3 Postsecondary schools shall create and adopt an amnesty policy that  
4 prohibits disciplinary action against a student reporting or otherwise  
5 participating in a school sexual misconduct resolution process for alleged  
6 ancillary policy violations related to the sexual misconduct incident at issue;  
7 provided, however, the school may take disciplinary action if it determines that  
8 the conduct giving rise to the alleged ancillary policy violation placed or  
9 threatened to place the health and safety of another person at risk. This policy  
10 shall not be construed to limit a counter-complaint made in good faith or to  
11 prohibit action as to a report made in good faith.

12 Sec. 3. 16 V.S.A. § 186 is added to read:

13 § 186. ANNUAL AWARENESS PROGRAMMING AND TRAINING

14 (a) A postsecondary school shall offer annual trauma-informed, inclusive,  
15 and culturally relevant sexual misconduct primary prevention and awareness  
16 programming to all students, staff, and faculty of the school. Primary  
17 prevention and awareness programming shall address, in a manner appropriate  
18 for the audience:

19 (1) an explanation of consent as it applies to sexual activity and sexual  
20 relationships;

21 (2) the role drugs and alcohol play in an individual's ability to consent;

1           (3) information about on and off-campus options for reporting of an  
2           incident of sexual misconduct, including confidential and anonymous  
3           disclosure mechanisms, and the effects of each option;

4           (4) information on the school’s procedures for resolving sexual  
5           misconduct complaints and the range of sanctions the school may impose on  
6           those found responsible for a violation;

7           (5) the name and contact information of school officials responsible for  
8           coordination of supportive measures and an overview of the types of  
9           supportive measures available;

10           (6) the name, contact information, and services of confidential  
11           resources, on and off campus;

12           (7) strategies for bystander intervention and risk reduction;

13           (8) how to directly access health services, mental health services, and  
14           confidential resources both on and off-campus;

15           (9) opportunities for ongoing sexual misconduct prevention and  
16           awareness training and programming; and

17           (10) best practices for responding to disclosures of sexual misconduct.

18           (b) Information on the training topics contained in subsection (a) of this  
19           section, including on and off campus supportive measures for reporting parties,  
20           shall be available in a centrally located place on the schools’ website.

1       (c) Schools shall endeavor to collaborate with community partners, such as  
2       local and statewide law enforcement, local and statewide prosecution offices,  
3       health care service providers, confidential service providers, and other relevant  
4       stakeholders, regarding the inclusion of appropriate information about the  
5       relevant stakeholders’ respective roles and offerings in primary prevention and  
6       awareness programming.
