**STATE OF CONNECTICUT  
AUTOMATED WORK ZONE SPEED CONTROL**

**WARNING NOTICE**

---

**PLEASE HELP SAVE LIVES & PROPERTY**

To make our roadways safer for drivers and workers, Connecticut has implemented a work zone speed control pilot which will use photo speed detection systems to observe excessive speeds within work zones. This program is known as the **Connecticut Automated Work Zone Speed Control Pilot**, and it conforms to all Connecticut State laws pertaining to photo speed control.

You are receiving this letter because you are the registered owner of a motor vehicle that was detected by a speed detection camera, being used as part of the pilot program, traveling in a highway work zone at 15 or more miles per hour greater than the posted speed limit. This action violates Connecticut General Statutes 13a-262 to 13a-286 pertaining to the program.

Following all traffic laws is extremely important. Not doing so leaves the State of Connecticut no other option than to follow the traffic code's enforcement provisions.

We urge you to **OBEY THE SPEED LIMIT** in work zones. Speeding can have fatal consequences. We encourage you to discuss this information with anyone who drives a vehicle(s) registered in your name.

**This will be your only warning. A second or subsequent violation involving this vehicle will result in a fine. For a second violation, you will receive a fine of \$75. For all subsequent violations you will receive a fine of \$150. You are reminded to drive safely and to obey all traffic laws.**

We ask you to slow down to protect our workers, other drivers, and yourself.
