House concurrent resolution honoring Lisa Byer for her outstanding quarter-century association with Catamount Access Television in Bennington

Offered by: Representatives Morrissey of Bennington, Brownell of Pownal, Carroll of Bennington, Corcoran of Bennington, Durfee of Shaftsbury, and Whitman of Bennington

Offered by: Senators Campion and Sears

Whereas, a major reason for the success of Catamount Access Television (CAT-TV) in Bennington is the dedicated contribution of Lisa Byer, who joined the organization in 1997 and was named executive director in 2003, and

Whereas, the list of CAT-TV's achievements under her stewardship is lengthy and meritorious, and

Whereas, she helped facilitate the restoration of an historic building into a state-of-the-art television production and transmission center, advanced the service into the digital era, tripled the number of channels, and negotiated contracts to cover municipal meetings in several communities, and

Whereas, more broadly, Lisa Byer has served as an effective and unifying advocate for community access television systems before the Public Utility Commission, and has helped ensure that continuity of these services remains

an integral requirement in the certificate of public good renewals of large cable systems, and

Whereas, aside from her vital role at CAT-TV, Lisa Byer is a respected civic and cultural leader in Bennington, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly honors Lisa Byer for her outstanding quarter-century association with Catamount Access Television in Bennington, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to Lisa Byer and to CAT-TV in Bennington.

H.C.R. 92

House concurrent resolution in memory of Vergennes Fire Chief James M. Breur

Offered by: Representatives Lanpher of Vergennes and Birong of Vergennes

Offered by: Senators Bray and Hardy

Whereas, since 2009, the City of Vergennes was most fortunate that Fire Chief Jim Breur was on the job overseeing the protection of property and the response to various incidents within the jurisdiction of the City of Vergennes Fire Department, and

Whereas, the illustrious firefighting career of Jim Breur started in 1978, shortly after his graduation from Vergennes Union High School, and his 45 years of responding to the alarm's call-to-duty represented the gold standard of firefighting service, and

Whereas, he was an enthusiastic departmental advocate, ensuring that his volunteer force remained numerically sufficient and technologically up-to-date, and surrounding municipalities confidently relied on Vergennes for mutual aid support, and

Whereas, the professional and personal admiration Jim Breur engendered extended beyond the city limits of Vergennes to all of Addison County, where he served on the Addison County Firefighters Association Advisory Board for 28 years and as the Association's president in 2005 and 2006, was named the organization's 2021 Chief of the Year, and also served on the executive board of the Vermont State Firefighters' Association, and

Whereas, when not performing firefighting duties, Jim Breur was a regional director at Fluor Industrial Services, and he loved spending time with his family, traveling to the ocean, playing board games, and riding tractors of all sizes, and

Whereas, Jim Breur died on March 24, 2023, and his survivors include his mother; his wife, Sandi; and his children, grandchildren, and great-grandchild, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly extends its sincere condolences to the family of Vergennes Fire Chief James M. Breur, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to the family of Jim Breur and the City of Vergennes Fire Department.

Offered by: Representatives Chapin of East Montpelier, Donahue of Northfield, Goslant of Northfield, LaMont of Morristown, Mihaly of Calais, and Patt of Worcester

Offered by: Senators Cummings, Perchlik, and Watson

Whereas, if any boys' high school ice hockey championship game is remembered for the suspense and surprise it generated at Gutterson Fieldhouse in Burlington, it will be the 2023 Division II final that matched the top-seeded Mt. Mansfield Cougars against the second-ranked U-32 Raiders, and

Whereas, the Cougars scored first, and, from the middle of the second period until halfway into the last regulation period, Mt. Mansfield maintained a 3–1 advantage until, only seconds before the third period ended, U-32 scored two goals, sending the game into two tense overtimes—which U-32 ended with a final goal eight minutes and nineteen seconds into the second overtime—and winning the contest 4–3, and

Whereas, the 20–2–2 Raiders who prevailed at the longest-ever Division II boys' ice hockey championship game were Henry Lumbra, River Sciarrotta, Callum Davis, Eric Burgess, Shane Starr, Andrew Ognibene, Lance Starr, Colton Warren, Tae Rossmassler, Grady Smith, John Widener, Jacob Amones, Brenden Tedeschi, Max Scribner, Andrew Baker, Nolan Lyford, Jackson

CHAPTER 106. AGRICULTURAL EQUIPMENT; FAIR REPAIR

(1) "Agricultural equipment" means a device, part of a device, or an attachment to a device designed to be used principally for an agricultural

purpose, including a tractor, trailer, or combine; implements for tillage, planting, or cultivation; and other equipment associated with livestock or crop production, horticulture, or floriculture.

(2)(A) “Authorized repair provider” means an individual or business that has an arrangement with the original equipment manufacturer under which the original equipment manufacturer grants to the individual or business a license to use a trade name, service mark, or other proprietary identifier for the purposes of offering the services of diagnosis, maintenance, or repair of equipment under the name of the original equipment manufacturer or other arrangement with the original equipment manufacturer to offer such services on behalf of the original equipment manufacturer.

(B) An original equipment manufacturer that offers the services of diagnosis, maintenance, or repair of its own equipment and that does not have an arrangement described in subdivision (2)(A) of this section with an unaffiliated individual or business shall be considered an authorized repair provider with respect to such equipment.

(3) “Documentation” means any manual, diagram, reporting output, service code description, schematic diagram, security code, password, or other guidance or information used in effecting the services of diagnosis, maintenance, or repair of agricultural or forestry equipment.

(4) “Forestry equipment” means nondivisible equipment, implements, accessories, and contrivances used directly and principally in harvesting timber or for on-site processing of wood forest products, including equipment used to construct, maintain, or install infrastructure necessary to and associated with a logging operation.

(5) “Independent repair provider” means a person operating in this State that does not have an arrangement described in subdivision (2) of this section with an original equipment manufacturer and that is engaged in the services of diagnosis, maintenance, or repair of agricultural or forestry equipment.

(6) “Original equipment manufacturer” means a person engaged in the business of selling, leasing, or otherwise supplying new agricultural or forestry equipment manufactured by or on behalf of itself to any individual or business.

(7) “Owner” means an individual or business that owns or leases agricultural or forestry equipment purchased or used in this State.

(8) “Part” means any replacement part, either new or used, made available by an original equipment manufacturer for purposes of effecting the services of maintenance or repair of agricultural or forestry equipment manufactured by or on behalf of, sold or otherwise supplied by, the original equipment manufacturer.

(9) “Tools” means any software program, hardware implement, or other apparatus used for diagnosis, maintenance, or repair of agricultural or forestry equipment, including software or other mechanisms that provision, program, or pair a new part, calibrate functionality, or perform any other function required to bring the product back to fully functional condition, including any updates.

(10)(A) “Trade secret” means information, including a formula, pattern, compilation, program, device, method, technique, or process, that:

(i) derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

(ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

(B) “Trade secret” does not include a part, tool, or documentation that:

(i) is necessary to perform diagnosis, maintenance, or repair of agricultural or forestry equipment; and

§ 4052. AVAILABILITY OF PARTS, TOOLS, AND DOCUMENTATION

(a) Duty to make available parts, tools, and documentation.

(1) An original equipment manufacturer shall offer for sale or otherwise make available to an independent repair provider or owner the parts, tools, and documentation that the original equipment manufacturer offers for sale or otherwise makes available to an authorized repair provider:

(A) subject to subsection (b) of this section, on substantially the same terms; and

(B) subject to subsection (c) of this section, for substantially the same cost.

(2) If agricultural or forestry equipment includes an electronic security lock or other security-related function that must be unlocked or disabled to perform diagnosis, maintenance, or repair of the equipment, an original equipment manufacturer shall make available to an independent repair provider or owner any parts, tools, and documentation necessary to unlock or

disable the function and to reset the lock or function after the diagnosis, maintenance, or repair is complete.

(A) directly; or

(B) through an authorized repair provider, if permitted by an agreement between the manufacturer and the dealer or provider.

(b) Terms; limitations. Under the terms governing the sale or provision of parts, tools, and documentation, an original equipment manufacturer shall not impose on an independent repair provider or owner:

(1) a substantial obligation to use, or a restriction on the use of, the parts, tools, or documentation necessary to diagnose, maintain, or repair agricultural or forestry equipment, including:

(i) a condition that the independent repair provider or owner become an authorized repair provider of the original equipment manufacturer; or

(ii) a requirement that a part, tool, or documentation be registered, paired with, or approved by the original equipment manufacturer or an authorized repair provider before the part, tool, or documentation is operational;

(2) an additional cost or burden that is not reasonably necessary or is designed to be an impediment on the independent repair provider or owner; or

(3) an additional burden or material change that adversely affects the timeliness or method of delivering parts, tools, or documentation.

(c) Costs; limitations.

(1) Subject to subdivision (2) of this subsection, an original equipment manufacturer shall offer for sale or otherwise make available parts, tools, and documentation to an independent repair provider or an owner at a cost:

(A) that is fair to both parties, considering the agreed-upon conditions, promised quality, and timeliness of delivery; and

(B) that includes any discount, rebate, or other financial incentive offered to an authorized repair provider in the original equipment manufacturer's normal course of business.

(2) An original equipment manufacturer may impose an additional charge for parts, tools, or documentation:

(A) if, and only to the extent to which, the manufacturer incurs additional costs to make parts, tools, and documentation available for sale, or otherwise available, to an independent repair provider or owner; or

(B) the parties agree to a material change in cost or terms concerning the sale or provision of the parts, tools, or documentation and agree to an additional charge that is reasonably related to the additional costs arising from the material change.

(b) The Attorney General has the same authority to make rules, conduct civil investigations, enter into assurances of discontinuance, and bring civil actions as provided in chapter 63, subchapter 1 of this title.

§ 4054. APPLICATION; LIMITATIONS

(a) This chapter does not require an original equipment manufacturer to divulge a trade secret to an owner or an independent service provider.

(b) This chapter does not alter the terms of any arrangement described in subdivision 4051(2)(A) of this title in force between an authorized repair provider and an original equipment manufacturer, including the performance or provision of warranty or recall repair work by an authorized repair provider on behalf of an original equipment manufacturer pursuant to such arrangement, except that any provision governing such an arrangement that purports to waive, avoid, restrict, or limit the original equipment manufacturer's obligations to comply with this chapter is void and unenforceable.

Sec. 3. EFFECTIVE DATE

This act shall take effect on July 1, 2023.

Rep. Priestley of Bradford, for the Committee on Commerce and Economic Development, recommended that the report of the Committee on Agriculture, Food Resiliency, and Forestry be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. FINDINGS AND PURPOSE

(a) Findings. The General Assembly finds:

(1) The Vermont food, agriculture, and forest sectors are significant components of the State's economy, its rural heritage, and its identity as a State.

(A) According to the Working Lands Enterprise Initiative, about 20 percent of Vermont's land is used for agriculture, while another 78 percent is forested. In surveys conducted by the Initiative, over 97 percent of Vermonters expressed that they value the working landscape.

(B) The 2023 U.S. Food and Agriculture Industries Economic Impact Study found that the food and agriculture industries in Vermont were associated with nearly 104,000 jobs, \$5.2 billion in wages, and \$19.3 billion in economic output.

(C) The Vermont Sustainable Jobs Fund estimates that Vermont's forest products industry generates an annual economic output of \$1.4 billion and supports 10,500 jobs.

(2) Agricultural and forestry activity varies by season, is weather-dependent, and is heavily reliant on having access to increasingly sophisticated agricultural and forestry equipment. Vermont farmers' and foresters' access to safe and reliable equipment is essential to timely planting, cultivating, tilling, and harvesting of produce, protein, grain, timber, and other wood forest products.

(3) The COVID-19 pandemic further highlighted the increased and ongoing need for functional agricultural and forestry equipment as individuals in Vermont increasingly rely on the equipment to guarantee access to food and wood products during periods of supply chain disruption, raw material and commodities shortages, and heightened food insecurity.

(4) Authorized repair providers are important Vermont businesses that play a critical role for farmers and foresters by offering access to diagnosis, maintenance, and repair services for agricultural and forestry equipment.

(5) In general, original equipment manufacturers and authorized repair providers are able to provide independent repair providers and owners with adequate access to necessary parts for agricultural and forestry equipment. However, the continued movement toward computerized agricultural and forestry equipment means that independent repair providers and owners do not have full access to the software, codes, and other information necessary to perform all of the diagnosis, maintenance, and repair services required to ensure equipment remains operational.

(6) Due to workforce and geographic constraints, authorized repair providers are not always able to meet the demand for timely diagnosis, maintenance, or repair services to farmers and foresters in this State.

(7) As for many Vermont employers, critical workforce shortages prevent authorized repair providers from operating at full staff capacity, which can contribute to costly delays in performing diagnosis, maintenance, and repair services.

(8) The need for more accessible and affordable repair options is felt more acutely among specific sectors of the population, notably Vermont residents in more rural and remote areas.

(9) Original equipment manufacturer shops or authorized repair providers are often located in a small number of locations found in larger communities, which may require technicians and users to travel long distances for repair or be without functioning agricultural or forestry equipment for long periods of time.

(10) Many owners are capable of performing diagnosis, maintenance, and repair services for their equipment, but often lack sufficient access to information necessary to perform repairs. Limits placed on software and operating systems, including capping the number of users and employing proprietary diagnostic and repair programs, have resulted in the pirating of agricultural and forestry equipment software and the hacking of equipment, endangering farmers and foresters in the conduct of their work and potentially causing additional air pollution and environmental harm.

(11) Independent repair providers play a vital role in Vermont's economy. Providing access to information, parts, and diagnostic and repair tools is essential in contributing to a competitive repair market and allowing independent repair shop employees to fix equipment safely.

(12) In addition to providing better access for timely repair, extending the useful life and efficient operation of equipment can ensure additional benefits for farmers, foresters, and the environment.

(A) Computerized components of modern agricultural and forestry equipment include precious metals that are finite, and unnecessary early disposal can be avoided with greater accessibility to proper and affordable repair.

(B) Emissions of agricultural and forestry equipment are better regulated and limited by functional software and hardware computer elements, thereby increasing the need for access to timely and effective repairs to ensure optimal functionality.

(13) Broader distribution of the information, tools, and parts necessary to repair modern agricultural and forestry equipment will shorten repair times, lengthen the useful lives of the equipment, lower costs for users, and benefit the environment.

(b) Purpose. The purpose of this act is to ensure equitable access to the parts, tools, and documentation that are necessary for independent repair providers and owners to perform timely repair of agricultural and forestry equipment in a safe, secure, reliable, and sustainable manner.

Sec. 2. SHORT TITLE

This act may be cited as the Fair Repair Act.

(3) An original equipment manufacturer may make parts, tools, and documentation available to an independent repair provider or owner through an authorized repair provider that consents to sell or make available parts, tools, or documentation on behalf of the manufacturer.

(b) Terms; limitations. The amount held apart each year is the “tax increment” for that year. ~~No~~ Not more than the percentages established pursuant to section 1894 of this subchapter of the municipal and State education tax increments received with respect to the district and committed for the payment for financing for improvements and related costs shall be segregated by the municipality in a special tax increment financing account and in its official books and records until all capital indebtedness of the district has been fully paid. (2) Notwithstanding any other provision of law, if a municipality has entered into an agreement that reduces the municipality's education property tax liability under this chapter and the municipality establishes a tax increment financing district under 24 V.S.A. chapter 53, subchapter 5, the municipality's municipal and education tax increment shall be calculated based on the assessed value of the properties in the municipality's grand list and not on the stabilized value.

* * *

(f) A municipality that establishes a tax increment financing district under 24 V.S.A. chapter 53, subchapter 5 shall collect all property taxes on properties contained within the district and apply not more than 70 percent of the State education property tax increment, and not less than 85 percent of the municipal property tax increment, to repayment of financing of the improvements and related costs for up to 20 years pursuant to 24 V.S.A. § 1894, if approved by the Vermont Economic Progress Council pursuant to this section, subject to the following:

~~(B) The Council shall consider complete applications in the order they are submitted, except that if during any calendar month the Council receives applications for more districts than are actually available in a county, the Council shall evaluate each application and shall approve the application that, in the Council's discretion, best meets the economic development needs of the county.~~

~~(C) If, while the General Assembly is not in session, the Council receives applications for districts that would otherwise qualify for approval but, if approved, would exceed the six-district limit in the State, the Council~~

~~shall make one or more presentations to the Emergency Board concerning the applications, and the Emergency Board may, in its discretion, increase the six-district limit.~~

* * *

(j)(1) Authority to adopt rules. The Vermont Economic Progress Council is hereby granted authority to adopt rules in accordance with 3 V.S.A. chapter 25 for the purpose of providing clarification and detail for administering the provisions of 24 V.S.A. chapter 53, subchapter 5 and the tax increment financing district provisions of this section. (b) Prior to the amendment of the rule described in subsection (a) of this section, the Vermont Economic Progress Council shall not approve a municipality's substantial change request if approval results in the municipality needing to extend the period to incur debt or retain education property tax increment for its tax increment financing district.

House concurrent resolution recognizing May 2023 as National Foster Care Month in Vermont

Offered by: Committee on Human Services

Whereas, all children deserve a safe, loving, and nurturing home, and

Whereas, families serve as the primary support structure for personal identity and community connections, and

Whereas, foster care nurtures family relationships, and foster care providers help children and youth develop, and

Whereas, in Vermont, there are over 1,000 children and youth in the custody of the Department for Children and Families who are living with dedicated foster, kinship, and respite care providers in homes where the children's need for safety and belonging is ensured until their parents can safely resume family responsibilities, and

Whereas, many foster families create permanency for children and youth through adoption when they cannot safely return to live with their birth families, and

Whereas, foster care providers, in collaboration with public and private community partners, support the transition of youth and young adults to successful independence, and

Whereas, May is National Foster Care Month and is an ideal occasion to raise awareness of foster care and to celebrate those individuals who are dedicated to serving our children, youth, and families, now therefore be it

Resolved by the Senate and House of Representatives:

Rep. Rice of Dorset explained his vote as follows:

“Madam Speaker:

We heard the powerful voices of Vermonters – farmers, loggers, and mechanics – telling us about the positive impact the right to repair will have on them and our rural communities. Fair repair is a growing movement here in Vermont and across the country that basically says we should have the right to fix our stuff when it breaks. It’s hard to think of a better group with whom to start ensuring that right than Vermont’s farmers. For them, I was proud to vote yes.”

Rep. Sims of Craftsbury explained her vote as follows:

“Madam Speaker:

If you own something, you have the right to fix it. I voted yes on this bill to require manufacturers to make tools, manuals, and diagnostic equipment available to our farmers and loggers. I voted yes so there will be more options for consumers in Vermont.”

Rep. Surprenant of Barnard explained her vote as follows:

“Madam Speaker:

I voted yes today to support my agricultural community. As a farmer, I am well versed in the challenges that come with working the land. We are at the whim of weather, fluctuating markets, and daylight. So much is out of our hands. H.81 is an important step toward giving our farmers just a little bit of ease for something we can control, and that’s the right to repair our equipment.”

Rep. Labor of Morgan, for the Committee on General and Housing, to which had been referred House bill, entitled

An act relating to landlord notice of utility disconnections

Recommended that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. UTILITY DISCONNECTION; LANDLORD NOTIFICATION;

PUBLIC UTILITY COMMISSION; RULEMAKING

(a) For the purpose of promoting safety, the protection of property, and providing assistance to tenants, the Public Utility Commission shall revise its rules concerning utility service disconnection to:

(1) require that a utility provide notice to the property owner of residential or nonresidential rental property if utility service to the property has been disconnected, even if the tenant is the ratepayer; and

(2) allow a utility to disconnect utility service remotely.

(b) As used in this section, “utility service” means gas, electric, water, and wastewater service subject to the jurisdiction of the Public Utility Commission.

(c) The rules adopted pursuant to subdivision (a)(1) of this section shall:

(1) establish the form, content, time, and manner of the notification required by subdivision (a)(1) of this section;

(2) include a process whereby a property owner can request that the notification is provided to a property manager or other appropriate third party; and

(3) ensure that the notification does not include personal or confidential information pertaining to the tenant or the tenant’s account, except that the utility may disclose information necessary to enable the property owner or other applicable third party to reconnect utility service to the property.

(d) On or before January 15, 2024, the Public Utility Commission shall submit to the House Committees on General and Housing and on Environment and Energy and the Senate Committees on Economic Development, Housing and General Affairs and on Finance a proposal in the form of draft legislation that incorporates, as the Commission deems appropriate, the rules adopted by the Commission pursuant to this section and that applies to utility disconnections not subject to the jurisdiction of the Commission, including water and sewer service provided by a water or sewer system owned by a municipality, fire district, or private company subject to the uniform water and sewer disconnection requirements in 24 V.S.A. chapter 129.

Sec. 2. EFFECTIVE DATE

This act shall take effect on passage.

The bill, having appeared on the Notice Calendar, was taken up, read the second time, the report of the Committee on General and Housing agreed to, and third reading ordered.

Senate Proposal of Amendment Concurred in

H. 230

The Senate proposed to the House to amend House bill, entitled
An act relating to implementing mechanisms to reduce suicide

The Senate proposed to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. FINDINGS

The General Assembly finds:

(1) More than 700 Vermont residents died of gunshot wounds in the decade from 2011 to 2020. Eighty-eight percent of these deaths were by suicide.

(2) Of all the deaths in Vermont involving firearms in 2021, 89 percent were by suicide and eight percent were by homicide.

(3) The 2021 suicide rate by all methods in Vermont was 20.3 per 100,000 persons, compared to a national rate of 14.0 per 100,000 persons. Suicide among Vermont men and boys is 50 percent higher than the national average.

(4) In 2021, the number of suicides in Vermont was 142, with 83 of them completed by firearm, or 58 percent.

(5) According to 2023 data from the Vermont Department of Health, 44 percent of Vermont households store at least one firearm in or around the home.

(6) Children are 4.4 times more likely to die by suicide in a home with a firearm compared to a home without a firearm.

(7) Extreme risk protection orders have proven successful in situations where other protective orders, mental health proceedings, or criminal charges could not address the risk presented. In fiscal year 2022, 18 extreme risk protection order petitions were filed statewide. In at least five of these cases, a temporary or final order was based on a finding that the respondent had "threatened or attempted suicide or serious bodily harm."

(8) Emphasis on the eight percent of firearm deaths by homicide in the State of Vermont does not portray the full impact of Vermont firearms on public safety. Firearms purchased in Vermont and transferred, lawfully or unlawfully, out of state contribute to violent crime in other states, including homicide. A report prepared by the Federal Bureau of Alcohol, Tobacco, Firearms, and Explosives revealed that in 2016, there were 51 traces of firearms involved in a homicide to the State of Vermont.

(9) The National Firearms Commerce and Trafficking Assessment (NFCTA): Crime Guns - Volume Two report prepared by the Federal Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) revealed that between 2017 and 2021, 6,333 firearms that were used in a crime were traced to

Vermont. Of the 1,903 firearms that could be traced to a known purchaser, 65 percent were recovered from someone other than the purchaser, and 64 percent were recovered outside the State of Vermont. Over 750 of these firearms were recovered in our neighboring states of New York, Massachusetts, and New Hampshire.

(10) Waiting period laws, which create a buffer between the time of gun purchase and gun acquisition, can help to prevent impulsive acts of gun violence. One study found that waiting period laws that delay the purchase of firearms by a few days can reduce gun homicides by roughly 17 percent.

Sec. 2. LEGISLATIVE PURPOSE

The purposes of this legislation are to prevent death by suicide by reducing access to operable firearms by children and prohibited persons and to reduce community violence. Although there are many other methods for completing suicide, firearms are unique in their ability to create instantaneous and irreversible outcomes. Nearly every other commonly used method for suicide has a high survivability rate. It is extremely rare for someone to survive a suicide attempt in which a firearm is used. This fact, combined with the high prevalence of firearms in Vermont, is why this method alone is being addressed by this act.

Sec. 3. 13 V.S.A. § 4024 is added to read:

§ 4024. NEGLIGENT FIREARMS STORAGE

(a)(1) A person who stores or keeps a firearm within any premises that are under the person's custody or control, and who knows or reasonably should know that a child or prohibited person is likely to gain access to the firearm, shall be:

(A) imprisoned not more than one year or fined not more than \$1,000.00, or both, if a child or prohibited person gains access to the firearm and uses it in the commission of a crime or displays it in a threatening manner; or

(B) imprisoned not more than five years or fined not more than \$5,000.00, or both, if a child or prohibited person gains access to the firearm and uses it to cause death or serious bodily injury to any person.

(2) This subsection shall not apply if:

(A) the firearm is carried by or within such close proximity that it can be readily retrieved and used by the owner or another authorized user;

(B) a child or prohibited person accesses the firearm as a result of an illegal entry;

(C) a child or prohibited person accesses and uses the firearm during the course of a lawful act of self-defense or defense of another person; or

(D) the person stores or keeps the firearm in a locked container or equipped with a tamper-resistant mechanical lock or other safety device.

(b)(1) At any location where a licensed dealer conducts firearm sales or transfers, the licensed dealer shall conspicuously display a sign containing the information required by subdivision (2) of this subsection in any area where the sales or transfers occur. The sign shall be posted so that it can be easily viewed by persons purchasing or receiving firearms, and the sign shall not be removed, obscured, or rendered illegible. If the location where the sales or transfers occur is the premises listed on the dealer's federal firearms license, an additional sign shall be placed at or near the entrance to the premises.

(2) The sign required by subdivision (1) of this subsection shall be at least eight and one-half inches high by 11 inches wide and shall contain black text at least half an inch high against a white background. The sign shall contain the following text and no other statements or markings:

“WARNING: Access to a firearm in the home significantly increases the risk of suicide; death during domestic violence disputes; and the unintentional death of children, household members, and others. If you or a loved one is experiencing distress or depression, call the 988 Suicide and Crisis hotline or text “VT” to 741741.

Failure to securely store firearms may result in criminal prosecution. It is important that the owner of a firearm seek firearm safety instructions from a certified firearms instructor and keep firearms secured from unauthorized use.

Posted pursuant to 13 V.S.A. § 4024.”

(c) As used in this section:

(1) “Authorized user” means a person 18 years of age or older who is not a prohibited person and who has been authorized to carry or use the firearm by the owner.

(3) “Firearm” has the same meaning as in subsection 4017(d) of this title.

* * *

(7) “Household members” means persons who are living together, are sharing occupancy of a dwelling, are engaged in a sexual relationship, or minors or adults who are dating. “Dating” means a social relationship of a romantic nature. Factors that the court may consider when determining whether a dating relationship exists include:

(A) the nature of the relationship;

Sec. 5. 13 V.S.A. § 4053 is amended to read:

§ 4053. PETITION FOR EXTREME RISK PROTECTION ORDER

(a) A State’s Attorney ~~or~~, the Office of the Attorney General, or a family or household member may file a petition requesting that the court issue an extreme risk protection order prohibiting a person from purchasing, possessing, or receiving a dangerous weapon or having a dangerous weapon within the person’s custody or control. The petitioner shall submit an affidavit in support of the petition.

* * *

Sec. 6. 13 V.S.A. § 4054 is amended to read:

§ 4054. EMERGENCY RELIEF; TEMPORARY EX PARTE ORDER

(a)(1) A State's Attorney ~~or~~, the Office of the Attorney General, or a family or household member may file a motion requesting that the court issue an extreme risk protection order ex parte, without notice to the respondent. A law enforcement officer may notify the court that an ex parte extreme risk protection order is being requested pursuant to this section, but the court shall not issue the order until after the motion is submitted.

* * *

(b)(1)(A) The court shall grant the motion and issue a temporary ex parte extreme risk protection order if it finds by a preponderance of the evidence, or by clear and convincing evidence if the petition was filed by a family or household member, that at the time the order is requested the respondent poses an imminent and extreme risk of causing harm to ~~himself or herself themselves~~ or another person by purchasing, possessing, or receiving a dangerous weapon or by having a dangerous weapon within the respondent's custody or control. Rep. Andriano of Orwell explained his vote as follows:

“Madam Speaker:

Under the new test put forth by the United States Supreme Court in *New York State Rifle & Pistol Association, Inc. v. Bruen*, I believe this bill is unconstitutional. The Senate did not fix the constitutional issue, which is why I voted no.”

Rep. Arsenault of Williston explained her vote as follows:

“Madam Speaker:

I vote yes for H.230 because this bill represents progress in the battle against the epidemic of gun violence in our State and country. I hope for continued progress in this deadly struggle so that we may reverse the trends and poisonous culture that have led us to this point. I hope for a day when guns are no longer the number one cause of death for our children.”

Rep. Brady of Williston explained her vote as follows:

“Madam Speaker:

I proudly voted yes. With this legislation, we can better prevent unauthorized access to firearms, particularly by youth. Yesterday, your House Education Committee passed a school safety bill. H.230 is certainly another critical step to keep our schools and all of our kids safe.”

Rep. Dolan of Essex Junction explained her vote as follows:

“Madam Speaker:

I vote yes. Vermonters deserve the common-sense protections offered in H.230. Our support will save lives.”

Rep. Donahue of Northfield explained her vote as follows:

“Madam Speaker:

I have supported gun bills in the past when they are data-driven showing a protective impact that outweighs the burden on legitimate gun owners, and that meet the test for constitutionality. This one meets none of those standards.”

Rep. Houghton of Essex Junction explained her vote as follows:

“Madam Speaker:

The data is clear – Vermont’s suicide rate continues to increase and our rate is significantly higher than the rest of the U.S. Vermonters have died because in one impulsive act they gained access to a firearm. I vote yes because our actions will save lives.”

Rep. Mulvaney-Stanak of Burlington explained her vote as follows:

“Madam Speaker:

Our communities are in crisis and easy access to guns hurts all of us whether we are experiencing a mental health crisis, going about our regular day in grocery stores, churches, mosques, synagogues, or simply trying to attend school. We cannot stand by anymore. We must act. It is our responsibility as leaders. I vote yes for H.230 to create safer communities for all of us.”

Rep. Notte of Rutland City explained his vote as follows:

“Madam Speaker:

I voted for H.230 in committee and on the House floor – and voted to concur today because of the importance of this bill. Suicide for Vermont males is fifty percent higher than the national average. Vermonters living in rural areas, veterans, Vermonters with disabilities, and LGBTQ+ Vermonters are all at greater risk of suicide. A child in a home with a firearm is 4.4 times more likely to die by suicide. This is all terrible and deeply alarming. We simply cannot do nothing. Vermonters deserve better.”

Rep. Sammis of Castleton explained his vote as follows:

“Madam Speaker:

When we have to begin introducing legislation that has to utilize special sections in order to keep the rest of the bill from falling apart due to future legislation from the egregious violations of civil liberties, and half your own committee voted against it, you might have a bad piece of legislation. Leave the civil rights of Vermonters alone, period.”

Rep. Troiano of Stannard explained his vote as follows:

“Madam Speaker:

I vote yes. We know that a disproportionate number of veterans die of suicide by firearm every day. If this law saves one veteran’s life it is worth it to me.”

Rep. Williams of Barre City explained his vote as follows:

“Madam Speaker:

I vote yes for my childhood friends Bucky and Tyler, now deceased.”

Rep. Williams of Granby explained her vote as follows:

“Madam Speaker:

I took an oath of office to uphold the Constitution. I believe this bill infringes upon the constitutional rights of Vermonters. More importantly, I believe it will not make a dent in reducing suicide. We must focus on the root cause. We are missing the mark by a long shot.”

An act relating to the transport of individuals requiring psychiatric care

Sec. 1. 18 V.S.A. § 7505 is amended to read:

§ 7505. WARRANT AND CERTIFICATE FOR EMERGENCY
EXAMINATION

(a) In emergency circumstances where certification by a licensed physician is not available without serious and unreasonable delay, and when personal observation of the conduct of a person constitutes reasonable grounds to believe that the person is a person in need of treatment, and ~~he or she~~ the person presents an immediate risk of serious injury to ~~himself or herself~~ self or others if not restrained, a law enforcement officer or mental health professional may make an application, not accompanied by a physician's certificate, to any Superior judge for a warrant for an emergency examination. The application shall be based on facts personally observed by the mental health professional or the law enforcement officer or shall be supported by a statement of facts under penalty of perjury by a person who personally observed the facts that form the basis of the application.

(b)(1) ~~The law enforcement officer or mental health professional may take the person into temporary custody and shall apply to the court without delay for the warrant if the law enforcement officer has probable cause to believe that the person poses a risk of harm to self or others. The law enforcement officer or a mental health professional shall apply to the court for the warrant without delay while the person is in temporary custody. The law enforcement officer, or a mental health professional if clinically appropriate, may then transport the person if the law enforcement officer or mental health professional conducting the transport has probable cause to believe that the person poses a risk of harm to self or others.~~

(2) Transports conducted pursuant to this subsection shall provide individuals with the same protections as provided to individuals in the custody of the Commissioner who are transported pursuant to section 7511 of this title.

(c) If the judge is satisfied that a physician's certificate is not available without serious and unreasonable delay, and that probable cause exists to believe that the person is in need of an emergency examination, ~~he or she~~ the judge may order the person to submit to an evaluation by a licensed physician for that purpose.

(d)(1) If necessary, the court may order the law enforcement officer ~~or mental health professional~~ to transport the person to a hospital for an evaluation by a licensed physician to determine if the person should be certified for an emergency examination.

(2) Transports conducted pursuant to this subsection shall provide individuals with the same protections as provided to individuals in the custody of the Commissioner who are transported pursuant to section 7511 of this title.

(e) Authority to transport a person pursuant to this section shall expire if the person is not taken into custody and transported within 72 hours after a warrant is issued by a Superior judge.

(f) A person transported pursuant to subsection (d) of this section shall be evaluated as soon as possible after arrival at the hospital. If after evaluation the licensed physician determines that the person is a person in need of treatment, ~~he or she~~ the licensed physician shall issue an initial certificate that sets forth the facts and circumstances constituting the need for an emergency examination and showing that the person is a person in need of treatment. Once the licensed physician has issued the initial certificate, the person shall be held for an emergency examination in accordance with section 7508 of this title. If the licensed physician does not certify that the person is a person in need of treatment, ~~he or she~~ the licensed physician shall immediately discharge the person and cause ~~him or her~~ the person to be returned to the place from which ~~he or she~~ the person was taken, or to such place as the person reasonably directs.

Sec. 2. 18 V.S.A. § 7511 is amended to read:

§ 7511. TRANSPORTATION

(a) The Commissioner shall ensure that all reasonable and appropriate measures consistent with public safety are made to transport or escort a person subject to this chapter to and from any inpatient setting, ~~including escorts within a designated hospital or the Vermont State Hospital or its successor in interest or otherwise being transported~~ under the jurisdiction of the Commissioner in any manner ~~which~~ that:

- (1) prevents physical and psychological trauma;
- (2) respects the privacy of the individual; and
- (3) represents the least restrictive means necessary for the safety of the patient.

(b) The Commissioner shall have the authority to designate the professionals or law enforcement officers who may authorize the method of transport of patients under the Commissioner's care and custody.

(c) When a professional or law enforcement officer designated pursuant to subsection (b) of this section decides an individual is in need of secure transport with mechanical restraints, the reasons for such determination shall be documented in writing.

(d) It is the policy of the State of Vermont that mechanical restraints are not routinely used on persons subject to this chapter unless circumstances dictate that such methods are necessary. A law enforcement vehicle shall have soft restraints available for use as a first option, and mechanical restraints shall not be used as a substitute for soft restraints if the soft restraints are otherwise deemed adequate for safety.

Sec. 3. REPORT; MENTAL HEALTH; WARRANT PROCESS

On or before January 15, 2024, the Department of Mental Health, in consultation with Vermont Care Partners; Vermont Legal Aid; MadFreedom, Inc.; Vermont Psychiatric Survivors; and persons with lived experience of a mental health condition, shall submit a report to the House Committees on Health Care and on Judiciary, and the Senate Committees on Health and Welfare and on Judiciary containing any proposed changes to the warrant process in 18 V.S.A. § 7505, including mechanisms to reduce safety risks and reduce delays in accessing care.

Sec. 4. EFFECTIVE DATE

This act shall take effect on July 1, 2023.

The bill, having appeared on the Notice Calendar, was taken up, read the second time, the report of the Committee on Health Care agreed to, and third reading ordered.

§ 4171. SHORT TITLE

This chapter shall be known and may be cited as the Vermont Life and Health Insurance Guaranty Association Act.

§ 4172. PURPOSE

The purpose of this chapter is to protect, subject to certain limitations, the persons specified in subsection 4173(a) of this chapter, against failure in the performance of contractual obligations under life, health, and annuity policies, plans, and contracts specified in subsection 4173(b) of this chapter, due to the impairment or insolvency of the member insurer that issued such policies, plans, or contracts. To provide this protection:

(1) an association of member insurers is created to enable the guaranty of payment of benefits and of continuation of coverages;

(2) members of the Association are subject to assessment to provide funds to carry out the purpose of this chapter; and

(3) the Association is authorized to assist the Commissioner, in the prescribed manner, in the detection and prevention of insurer impairment or insolvency.

§ 4173. SCOPE

(a) This chapter shall provide coverage for a policy or contract specified in subsection (b) of this section to a person who:

(1) regardless of where the person resides, except for nonresident certificate holders under group policies or contracts, is the beneficiary, assignee, or payee, including a health care provider who renders services covered under a health insurance policy or certificate, of a person covered under subdivision (2) of this subsection; or

(2) is an owner of or certificate holder or enrollee under such policy or contract, other than an unallocated annuity contract or structured settlement annuity, and in each case who:

(A) is a Vermont resident; or

(B) is not a Vermont resident, provided all of the following conditions are met:

(i) the member insurer that issued the policy or contract is domiciled in Vermont;

(ii) the state in which the person resides has an association similar to the Association created by this chapter; and

(iii) the person is not eligible for coverage by an association in any other state due to the fact that the insurer or the health maintenance organization was not licensed in that state at the time specified in that state's guaranty association law.

(3) For an unallocated annuity contract specified in subsection (b) of this section, subdivisions (1) and (2) of this subsection shall not apply and this chapter shall, except as provided in subdivisions (5) and (6) of this subsection, provide coverage to a person who is the owner of an unallocated annuity contract if the contract is issued to or in connection with:

(A) a specific benefit plan whose plan sponsor has its principal place of business in Vermont; or

(B) a government lottery, if the owner is a resident of Vermont.

(4) For a structured settlement annuity specified in subsection (b) of this section, subdivisions (1) and (2) of this subsection shall not apply, and this chapter shall, except as provided in subdivisions (5) and (6) of this subsection, provide coverage to a person who is a payee under a structured settlement annuity, or a beneficiary of such deceased payee, provided that the payee:

(A) is a Vermont resident, regardless of where the contract owner resides; or

(B) is not a Vermont resident, provided that both of the following conditions are met:

(i)(I) the contract owner of the structured settlement annuity is a Vermont resident; or

(II) the contract owner of the structured settlement annuity is not a Vermont resident, provided:

(aa) the insurer that issued the structured settlement annuity is domiciled in Vermont; and

(bb) the state in which the contract owner resides has an association similar to the Association created by this chapter; and

(ii) neither the payee, beneficiary, nor the contract owner is eligible for coverage by the association of the state in which the payee, beneficiary, or contract owner resides.

(5) This chapter shall not provide coverage to a person who:

(A) is a payee or beneficiary of a contract owner who is a Vermont resident, if the payee or beneficiary is afforded any coverage by the association of another state;

(B) is covered under subdivision (3) of this subsection, if any coverage is provided by the association of another state to the person; or

(C) acquires rights to receive payments through a structured settlement factoring transaction as defined in 26 U.S.C. § 5891(c)(3)(A), regardless of whether the transaction occurred before or after such section became effective.

(6) This chapter is intended to provide coverage to a person who is a Vermont resident and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage under this chapter is provided coverage under the laws of any other state, the person shall not be provided coverage under this chapter. In determining the application of the provisions of this subdivision in situations where a person could be covered by the association of more than one state, whether as an owner, payee, enrollee, beneficiary, or assignee, this chapter shall be construed in conjunction with other state laws to result in coverage by only one association.

(b)(1) This chapter shall provide coverage to a person specified in subsection (a) of this section for a policy or contract of direct, nongroup life insurance, health insurance, which for purposes of this chapter includes health maintenance organization subscriber contracts and certificates, an annuity, or a certificate under a direct group policy or contract, and supplemental policies or contracts to any of these, and for an unallocated annuity contract, in each case, issued by a member insurer, except as limited by this chapter. An annuity contract or certificate under a group annuity contract includes a guaranteed investment contract, guaranteed interest contract, guaranteed accumulation contract, deposit administration contract, unallocated funding agreement, allocated funding agreement, structured settlement annuity, annuity issued to or in connection with a government lottery, and any immediate or deferred annuity contract.

(2) Except as otherwise provided in subdivision (3) of this subsection, this chapter shall not provide coverage for:

(A) a portion of a policy or contract not guaranteed by the member insurer or under which the risk is borne by the policy or contract holder;

(B) a policy or contract of reinsurance, unless assumption certificates have been issued pursuant to the reinsurance policy or contract;

(C) a portion of a policy or contract to the extent that the rate of interest on which it is based, or the interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value:

(i) averaged over the period of four years prior to the date on which the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds a rate of interest determined by subtracting two percentage points from Moody's Corporate Bond Yield Average averaged for that same four-year period or for such lesser period if the policy or contract was issued less than four years before the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier; and

(ii) on and after the date on which the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier, exceeds the rate of interest determined by subtracting three percentage points from Moody's Corporate Bond Yield Average as most recently available;

(D) a portion of a policy or contract issued to a plan or program of an employer, association, or similar entity to provide life, health, or annuity benefits to its employees or members to the extent that such plan or program is

self-funded or uninsured, including benefits payable by an employer, association, or similar entity under:

(i) a Multiple Employer Welfare Arrangement as defined in section 514 of the Employee Retirement Income Security Act of 1974, Pub. L. No. 93-406, as amended;

(ii) a minimum premium group insurance plan;

(iii) a stop-loss group insurance plan; or

(iv) an administrative services only contract;

(E) a portion of a policy or contract to the extent that it provides dividends or experience rating credits, voting rights, or provides that any fees or allowances be paid to any person, including the policy or contract holder, in connection with the service to or administration of such policy or contract;

(F) a policy or contract issued in Vermont by a member insurer at a time when it was not licensed or did not have a certificate of authority to issue such policy or contract in Vermont;

(G) an unallocated annuity contract issued to or in connection with a benefit plan protected under the federal Pension Benefit Guaranty Corporation, regardless of whether the federal Pension Benefit Guaranty Corporation has yet become liable to make any payments with respect to the benefit plan;

(H) a portion of any unallocated annuity contract that is not issued to or in connection with a specific employee, union, or association of natural persons benefit plan, or a government lottery;

(I) a portion of a policy or contract to the extent that the assessments required by section 4179 of this chapter with respect to the policy or contract are preempted by federal or State law;

(J) an obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner, or policy owner, including:

(i) a claim based on marketing materials;

(ii) a claim based on a side letter, rider, or other document issued by the member insurer without meeting applicable policy or contract form-filing or approval requirements;

(iii) a misrepresentation of or regarding the benefits of a policy or contract;

(iv) an extra-contractual claim; or

(v) a claim for penalties or consequential or incidental damages;

(K) a contractual agreement that establishes the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, that in each case is not an affiliate of a member insurer;

(L) any portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but that has not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this subdivision, the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and will not be subject to forfeiture;

(M) any policy or contract providing any hospital, medical, prescription drug, or other health care benefits pursuant to Medicare Part C, 42 U.S.C. §§ 1395w-21 to 1395w-29, or Medicare Part D, 42 U.S.C. §§ 1395w-101 to 1395w-154, or Subchapter XIX, Chapter 7 of Title 42 of the U.S.C., commonly known as Medicaid, or any regulations issued pursuant to those sections, or

(N) structured settlement annuity benefits to which a payee or beneficiary has transferred the payee's or beneficiary's rights in a structured settlement factoring transaction as defined in 26 U.S.C. § 5891(c)(3)(A), regardless of whether the transaction occurred before or after such section became effective.

(3) The exclusion from coverage referenced in subdivision (2)(C) of this subsection shall not apply to any portion of a contract, including a rider, that provides long-term care or any other health benefits.

(c) The benefits that the Association may become obligated to cover shall in no event exceed the lesser of:

(1) The contractual obligations for which the member insurer is liable or would have been liable if it were not an impaired or insolvent insurer; or

(2)(A) with respect to one life, regardless of the number of policies or contracts:

(i) \$300,000.00 in life insurance death benefits, but not more than \$100,000.00 in net cash surrender and net cash withdrawal values for life insurance;

(ii) for health insurance benefits:

(I) \$100,000.00 for coverages not defined as disability income insurance or health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values;

(II) \$300,000.00 for disability income insurance, and \$300,000.00 for long-term care insurance;

(III) \$500,000.00 for health benefit plans;

(iii) \$250,000.00 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values; or

(B) with respect to each individual participating in a governmental retirement benefit plan established under section 401, 403(b), or 457 of the U.S. Internal Revenue Code covered by an unallocated annuity contract or the beneficiaries of each such individual if deceased, in the aggregate, \$250,000.00 in present value annuity benefits, including net cash surrender and net cash withdrawal values;

(C) with respect to each payee of a structured settlement annuity, or beneficiary or beneficiaries of the payee if deceased, \$250,000.00 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values, if any;

(D) however, in no event shall the Association be obligated to cover more than:

(i) an aggregate of \$300,000.00 in benefits with respect to any one life under subdivisions (2)(A)–(C) of this subsection (c) except with respect to benefits for health benefit plans under subdivision (2)(A)(ii) of this subsection (c), in which case the aggregate liability of the Association shall not exceed \$500,000.00 with respect to any one individual; or

(ii) with respect to one owner of multiple nongroup policies of life insurance, whether the policy or contract owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons, more than \$5,000,000.00 in benefits, regardless of the number of policies and contracts held by the owner;

(E) with respect to either one contract owner provided coverage under subdivision (a)(3)(B) of this section, or one plan sponsor whose plans own directly or in trust one or more unallocated annuity contracts not included in subdivision (2)(B) of this subsection (c), \$5,000,000.00 in benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor. However, in the case where one or more unallocated annuity contracts are covered contracts under this chapter and are owned by a trust or other entity for the benefit of two or more plan sponsors, coverage shall be afforded by the Association if the largest interest in the trust or entity owning the contract or contracts is held by a plan sponsor whose principal place of business is in Vermont and in no event shall the Association be obligated to cover more than \$5,000,000.00 in benefits with respect to all these unallocated contracts.

(F) The limitations set forth in this subsection (c) are limitations on the benefits for which the Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the Association's obligations under this chapter may be met by the use of assets attributable to covered policies or reimbursed to the Association pursuant to its subrogation and assignment rights.

(G) For purposes of this chapter, benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

(d) In performing its obligations to provide coverage under section 4178 of this chapter, the Association shall not be required to guarantee, assume, reinsure, reissue, or perform, or cause to be guaranteed, assumed, reinsured, or reissued, or performed, the contractual obligations of the insolvent or impaired insurer under a covered policy or contract that do not materially affect the economic values or economic benefits of the covered policy or contract.

All member insurers shall be and remain members of the Association as a condition of their authority to transact insurance or health maintenance organization business in Vermont. The Association shall perform its functions under the plan of operation established and approved under section 4180 of this chapter and shall exercise its powers through a board of directors established under section 4177 of this chapter. For purposes of administration and assessment, the Association shall maintain two accounts:

(1) The life insurance and annuity account that includes the following subaccounts;

(A) life insurance account;

(B) annuity account, which shall include annuity contracts owned by a governmental retirement plan, or its trustee, established under section 401, 403(b), or 457 of the U.S. Internal Revenue Code, but shall otherwise exclude unallocated annuities; and

(C) unallocated annuity account, which shall exclude contracts owned by a governmental retirement plan, or its trustee, established under section 401, 403(b), or 457 of the U.S. Internal Revenue Code.

(2) The health account.

(b) The Association shall come under the immediate supervision of the Commissioner and shall be subject to the applicable provisions of the insurance laws of this State. Meetings and records of the Association may be opened to the public upon majority vote of the Board of Directors of the Association.

§ 4177. BOARD OF DIRECTORS

(a) The Board of Directors of the Association shall consist of not less than seven nor more than 11 member insurers serving terms as established in the plan of operation. Members of the Board shall be selected by member insurers subject to the approval of the Commissioner. A vacancy on the Board shall be filled for the remaining period of the term by a majority vote of the remaining board members, for member insurers subject to the approval of the Commissioner. To select the initial Board of Directors, and initially organize the Association, the Commissioner shall give notice to all member insurers of the time and place of the organizational meeting. In determining voting rights at the organizational meeting, each member insurer shall be entitled to one vote in person or by proxy. If the Board of Directors is not selected within 60 days after notice of the organizational meeting, the Commissioner may appoint the initial insurer members. At least one of the directors shall be a person who is an officer, director, or employee of an insurance company incorporated under the laws of this State; provided, however, this provision shall not apply in the event there is no member insurer incorporated under the laws of this State.

(b) In approving selections or in appointing members to the Board, the Commissioner shall consider, among other things, whether all member insurers are fairly represented.

(c) Members of the Board may be reimbursed from the assets of the Association for expenses incurred by them as members of the Board of Directors, but members of the Board shall not otherwise be compensated by the Association for their services.

§ 4178. POWERS AND DUTIES OF THE ASSOCIATION

(a) If a member insurer is an impaired insurer, the Association may, in its discretion and subject to any conditions imposed by the Association that do not impair the contractual obligations of the impaired insurer and that are approved by the Commissioner:

(1) guarantee, assume, or reissue, reinsure, or cause to be guaranteed, assumed, reissued, or reinsured, any or all of the policies or contracts of the impaired insurer; or

(2) provide such monies, pledges, loans, notes, guarantees, or other means as are proper to effectuate subdivision (1) of this subsection and ensure payment of the contractual obligations of the impaired insurer pending action under subdivision (1) of this subsection.

(b) If a member insurer is an insolvent insurer, the Association, in its discretion, shall either:

(1)(A)(i) guarantee, assume, or reissue, reinsure, or cause to be guaranteed, assumed, reissued, or reinsured, the policies or contracts of the insolvent insurer; or

(ii) ensure payment of the contractual obligations of the insolvent insurer; and

(B) provide monies, pledges, loans, notes, guarantees, or other means reasonably necessary to discharge the Association's duties; or

(2) provide benefits and coverages in accordance with the following provisions:

(A) With respect to policies and contracts, ensure payment of benefits that would have been payable under the policies or contracts of the insolvent insurer, for claims incurred:

(i) with respect to group policies and contracts, not later than the earlier of the next renewal date under those policies or contracts or 45 days, but in no event less than 30 days, after the date on which the Association becomes obligated with respect to the policies and contracts;

(ii) with respect to nongroup policies, contracts, and annuities, not later than the earlier of the next renewal date, if any, under the policies or contracts or one year, but in no event less than 30 days, from the date on which the Association becomes obligated with respect to the policies or contracts.

(B) Make diligent efforts to provide all known insureds, enrollees, or annuitants, for nongroup policies and contracts, or group policy or contract owners with respect to group policies and contracts, 30 days' notice of the termination, pursuant to subdivision (2)(A) of this subsection (b), of the benefits provided.

(C) With respect to nongroup policies and contracts covered by the Association, make available to each known insured, enrollee, or annuitant, or owner if other than the insured or annuitant, and with respect to an individual formerly an insured, enrollee, or annuitant under a group policy or contract who is not eligible for replacement group coverage, make available substitute coverage on an individual basis in accordance with the provisions of subdivision (2)(D) of this subsection (b) if the insureds, enrollees, or annuitants had a right under law or the terminated policy, contract, or annuity to convert coverage to individual coverage or to continue an individual policy, contract, or annuity in force until a specified age or for a specified time, during which the insurer or health maintenance organization had no right unilaterally to make changes in any provision of the policy, contract, or annuity or had a right only to make changes in premium by class.

(D)(i) In providing the substitute coverage required under subdivision (2)(C) of this subsection (b), the Association may offer either to reissue the terminated coverage or to issue an alternative policy or contract, subject to the prior approval of the Commissioner.

(ii) Alternative or reissued policies or contracts shall be offered without requiring evidence of insurability and shall not provide for any waiting period or exclusion that would not have applied under the terminated policy or contract.

(iii) The Association may reinsure any alternative or reissued policy or contract.

(E)(i) Alternative policies or contracts adopted by the Association shall be subject to the approval of the Commissioner. The Association may adopt alternative policies or contracts of various types for future issuance without regard to any particular impairment or insolvency.

(ii) Alternative policies or contracts shall contain at least the minimum statutory provisions required in Vermont and provide benefits that shall not be unreasonable in relation to the premium charged. The Association shall set the premium in accordance with a table of rates that it shall adopt. The premium shall reflect the amount of insurance to be provided and the age and class of risk of each insured. The premium shall not reflect any changes in the health of the insured after the original policy or contract was last underwritten.

(iii) Any alternative policy or contract issued by the Association shall provide coverage of a type similar to that of the policy or contract issued by the impaired or insolvent insurer, as determined by the Association.

(F) If the Association elects to reissue terminated coverage at a premium rate different from that charged under the terminated policy or contract, the premium shall be set by the Association in accordance with the amount of insurance or coverage provided and the age and class of risk, subject to prior approval of the Commissioner.

(G) The Association's obligations with respect to coverage under any policy or contract of the impaired or insolvent insurer or under any reissued or alternative policy or contract shall cease on the date the coverage or policy or contract is replaced by another similar policy or contract by the policy or contract owner, the insured, the enrollee, or the Association.

(H) When proceeding under this subdivision (b)(2) of this section with respect to a policy or contract carrying guaranteed minimum interest rates, the Association shall ensure the payment or crediting of a rate of interest consistent with subdivision 4173(b)(2)(C) of this chapter.

(c) Nonpayment of premiums within 31 days after the date required under the terms of any guaranteed, assumed, alternative, or reissued policy or contract or substitute coverage shall terminate the Association's obligations under the policy, contract, or coverage under this chapter with respect to the policy, contract, or coverage, except with respect to any claims incurred or any net cash surrender value that may be due in accordance with the provisions of this chapter.

(d) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer shall belong to and be payable at the direction of the Association. If the liquidator of an insolvent insurer requests, the Association shall provide a report to the liquidator regarding such premium collected by the Association. The Association shall be liable for unearned premiums due to policy or contract owners arising after the entry of the order.

(e) The protection provided by this chapter shall not apply where any guaranty protection is provided to residents of Vermont by the laws of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this State.

(f) In carrying out its duties under subsection (b) of this section, the Association may:

(1) Subject to approval by a court in this State, impose permanent policy or contract liens, in connection with a guarantee, assumption, or reinsurance agreement, if the Association finds that the amounts that can be assessed under this chapter are less than the amounts needed to ensure full and prompt performance of the Association's duties under this chapter, or that the economic or financial conditions as they affect member insurers are

sufficiently adverse to render the imposition of policy or contract liens to be in the public interest.

(2) Subject to the approval by a court in this State, impose temporary moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans, or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the Association may defer the payment of cash values, policy loans, or other rights by the Association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the Association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.

(g) A deposit in Vermont, held pursuant to law or required by the Commissioner for the benefit of creditors, including policy or contract owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of a member insurer domiciled in this State or in a reciprocal state, shall be promptly paid to the Association. The Association shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy or contract owners' claims related to that insolvency for which the Association has provided statutory benefits by the aggregate amount of all policy or contract owners' claims in this State related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the Association less the amount retained pursuant to this subsection. Any amount so paid to the Association and retained by it shall be treated as a distribution of estate assets pursuant to applicable state receivership law dealing with early access disbursements.

(h) If the Association fails to act within a reasonable period of time with respect to an insolvent insurer, as provided in subsection (b) of this section, the Commissioner shall have the powers and duties of the Association under this chapter with respect to the insolvent insurer.

(i) The Association may render assistance and advice to the Commissioner, upon the Commissioner's request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.

(j) The Association shall have standing to appear or intervene before any court or agency in Vermont with jurisdiction over an impaired or insolvent insurer concerning which the Association is or may become obligated under this chapter or with jurisdiction over any person or property against which the Association may have rights through subrogation or otherwise. Standing shall extend to all matters germane to the powers and duties of the Association, including proposals for reinsuring, reissuing, modifying, or guaranteeing the policies or contracts of the impaired or insolvent insurer and the determination of the policies or contracts and contractual obligations. The Association shall also have the right to appear or intervene before a court or agency in another state with jurisdiction over an impaired or insolvent insurer for which the Association is or may become obligated or with jurisdiction over any person or property against whom the Association may have rights through subrogation or otherwise.

(k)(1) Any person receiving benefits under this chapter shall be deemed to have assigned the rights under, and any causes of action against any person for losses arising under, resulting from or otherwise relating to, the covered policy or contract to the Association to the extent of the benefits received because of this chapter, whether the benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative policies, contracts, or coverages. The Association may require an assignment to it of such rights and cause of action by any enrollee, payee, policy or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this chapter upon such person.

(2) The subrogation rights of the Association under this subsection shall have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this chapter.

(3) In addition to subdivisions (1) and (2) of this subsection, the Association shall have all common law rights of subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, enrollee, or payee of a policy or contract with respect to the policy or contracts, including, without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary, or payee of the annuity, to the extent of benefits received pursuant to this chapter, against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefore, excepting any such person responsible solely by reason of serving as an assignee in respect of a qualified assignment under section 130 of the U.S. Internal Revenue Code.

(4) If the preceding subdivisions of this subsection are invalid or ineffective with respect to any person or claim for any reason, the amount payable by the Association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or contracts, or portion thereof, covered by the Association.

(5) If the Association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the Association has rights as described in the preceding subdivisions of this subsection, the person shall pay to the Association the portion of the recovery attributable to the policies or contracts, or portion thereof, covered by the Association.

(1) In addition to the rights and powers elsewhere in this chapter, the Association may:

(1) enter into such contracts as are necessary or proper to carry out the provisions and purposes of this chapter;

(2) sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under section 4179 of this chapter and to settle claims or potential claims against it;

(3) borrow money to effect the purposes of this chapter; and any notes or other evidence of indebtedness of the Association not in default shall be legal investments for domestic member insurers and may be carried as admitted assets;

(4) employ or retain such persons as are necessary or appropriate to handle the financial transactions of the Association, and to perform such other functions as become necessary or proper under this chapter;

(5) take such legal action as may be necessary or appropriate to avoid payment or recover payment of improper claims;

(6) exercise, for the purposes of this chapter and to the extent approved by the Commissioner, the powers of a domestic life insurer, health insurer, or health maintenance organization, but in no event may the Association issue policies or contracts other than those issued to perform its obligations under this chapter;

(7) organize itself as a corporation or in other legal form permitted by Vermont law;

(8) request information from a person seeking coverage from the Association in order to aid the Association in determining its obligations under this chapter with respect to the person, and the person shall promptly comply with the request;

(9) unless prohibited by law, in accordance with the terms and conditions of the policy or contract, file for actuarially justified rate or premium increases for any policy or contract for which it provides coverage under this chapter; and

(10) take other necessary or appropriate action to discharge its duties and obligations under this chapter or to exercise its powers under this chapter.

(m) The Association may join an organization of one or more other State associations of similar purposes, to further the purposes and administer the powers and duties of the Association.

(n)(1)(A) At any time within 180 days after the date of the order of liquidation, the Association may elect to succeed to the rights and obligations of the ceding member insurer that relate to policies, contracts, or annuities covered, in whole or in part, by the Association, in each case under any one or more reinsurance contracts entered into by the insolvent insurer and its reinsurers and selected by the Association. Any such assumption shall be effective as of the date of the order of liquidation. The election shall be effected by the Association or by the National Organization of Life and Health Insurance Guaranty Associations (NOLHGA) on its behalf sending written notice, return receipt requested, to the affected reinsurers.

(B) To facilitate the earliest practicable decision about whether to assume any of the contracts of reinsurance, and in order to protect the financial position of the estate, the receiver and each reinsurer of the ceding member insurer shall make available upon request to the Association or to NOLHGA on its behalf as soon as possible after commencement of formal delinquency proceedings:

(i) copies of in-force contracts of reinsurance and all related files and records relevant to the determination of whether such contracts should be assumed; and

(ii) notices of any defaults under the reinsurance contracts or any known event or condition that, with the passage of time, could become a default under the reinsurance contracts.

(C) Subdivisions (i)–(iv) of this subdivision (1)(C) shall apply to reinsurance contracts assumed by the Association under subdivision (1)(A) of this subsection (n):

(i) The Association shall be responsible for all unpaid premiums due under the reinsurance contracts for periods both before and after the date of the order of liquidation and shall be responsible for the performance of all other obligations to be performed after the date of the order of liquidation, in each case that relate to policies, contracts, or annuities covered, in whole or in

part, by the Association. The Association may charge policies, contracts, or annuities covered in part by the Association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the Association and shall provide notice and an accounting of these charges to the liquidator.

(ii) The Association shall be entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods after the date of the order of liquidation and that relate to policies, contracts, or annuities covered, in whole or in part, by the Association, provided that, upon receipt of any such amounts, the Association shall be obliged to pay to the beneficiary under the policy, contracts, or annuity on account of which the amounts were paid a portion of the amount equal to the lesser of:

(I) the amount received by the Association; and

(II) the excess of the amount received by the Association over the amount equal to the benefits paid by the Association on account of the policy, contracts, or annuity, less the retention of the insurer applicable to the loss or event.

(iii) Within 30 days following the Association's election (the election date), the Association and each reinsurer under contracts assumed by the Association shall calculate the net balance due to or from the Association under each reinsurance contract as of the election date with respect to policies, contracts, or annuities covered, in whole or in part, by the Association, which calculation shall give full credit to all items paid by either the member insurer or its receiver or the reinsurer prior to the election date. The reinsurer shall pay the receiver any amounts due for losses or events prior to the date of the order of liquidation, subject to any set-off for premiums unpaid for periods prior to the date, and the Association or reinsurer shall pay any remaining balance due the other, in each case within five days of the completion of the aforementioned calculation. Any disputes over the amounts due to either the Association or the reinsurer shall be resolved by arbitration pursuant to the terms of the affected reinsurance contracts or, if the contract contains no arbitration clause, as otherwise provided by law. If the receiver has received any amounts due the Association pursuant to subdivision (1)(C)(ii) of this subsection (n), the receiver shall remit the same to the Association as promptly as practicable.

(iv) If the Association or receiver, on the Association's behalf, within 60 days following the election date, pays the unpaid premiums due for periods both before and after the election date that relate to policies, contracts, or annuities covered, in whole or in part, by the Association, the reinsurer shall

not be entitled to terminate the reinsurance contracts for failure to pay premium insofar as the reinsurance contracts relate to policies, contracts, or annuities covered, in whole or in part, by the Association, and shall not be entitled to set off any unpaid amounts due under other contracts, or unpaid amounts due from parties other than the Association, against amounts due the Association.

(2) During the period from the date of the order of liquidation until the election date or, if the election date does not occur, until 180 days after the date of the order of liquidation:

(A)(i) neither the Association nor the reinsurer shall have any rights or obligations under reinsurance contracts that the Association has the right to assume under subdivision (1) of this subsection (n), whether for periods prior to or after the date of the order of liquidation; and

(ii) the reinsurer, the receiver, and the Association shall, to the extent practicable, provide each other data and records reasonably requested;

(B) provided that once the Association has elected to assume a reinsurance contract, the parties' rights and obligations shall be governed by subdivision (1) of this subsection (n).

(3) If the Association does not elect to assume a reinsurance contract by the election date pursuant to subdivision (1) of this subsection (n), the Association shall have no rights or obligations, in each case for periods both before and after the date of the order of liquidation, with respect to the reinsurance contract.

(4) When policies, contracts, or annuities, or covered obligations with respect thereto, are transferred to an assuming insurer, reinsurance on the policies, contracts, or annuities may also be transferred by the Association, in the case of contracts assumed under subdivision (1) of this subsection (n), subject to the following:

(i) unless the reinsurer and the assuming insurer agree otherwise, the reinsurance contract transferred shall not cover any new policies of insurance, contracts, or annuities in addition to those transferred;

(ii) the obligations described in subdivision (1) of this subsection (n) shall no longer apply with respect to matters arising after the effective date of the transfer; and

(iii) notice shall be given in writing, return receipt requested, by the transferring party to the affected reinsurer not less than 30 days prior to the effective date of the transfer.

(5) The provisions of this subsection shall supersede the provisions of any State law or of any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the date of the order of liquidation, to the receiver of the insolvent insurer or any other person. The receiver shall remain entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods prior to the date of the order of liquidation, subject to applicable setoff provisions.

(6) Except as otherwise provided in this section, nothing in this subsection shall alter or modify the terms and conditions of any reinsurance contract. Nothing in this subsection shall:

(A) abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance contract;

(B) give a policyholder, contract owner, enrollee, certificate holder, or beneficiary an independent cause of action against a reinsurer that is not otherwise set forth in the reinsurance contract;

(C) limit or affect the Association's rights as a creditor of the estate against the assets of the estate; or

(D) apply to reinsurance agreements covering property or casualty risks.

(o) The Board of Directors of the Association shall have discretion and may exercise reasonable business judgment to determine the means by which the Association is to provide the benefits of this chapter in an economical and efficient manner.

(p) Where the Association has arranged or offered to provide the benefits of this chapter to a covered person under a plan or arrangement that fulfills the Association's obligations under this chapter, the person shall not be entitled to benefits from the Association in addition to or other than those provided under the plan or arrangement.

(q) Venue in a suit against the Association arising under this chapter shall be in the Civil Division of the Washington Superior Court. The Association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this chapter.

(r) In carrying out its duties in connection with guaranteeing, assuming, reissuing, or reinsuring policies or contracts under subsection (a) or (b) of this section, the Association may issue substitute coverage for a policy or contract that provides an interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract

employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with all of the following provisions:

(1) In lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for:

(A) a fixed interest rate;

(B) payment of dividends with minimum guarantees; or

(C) a different method for calculating interest or changes in value.

(2) There is no requirement for evidence of insurability, waiting period, or other exclusion that would not have applied under the replaced policy or contract.

(3) The alternative policy or contract is substantially similar to the replaced policy or contract in all other material terms.

§ 4179. ASSESSMENTS

(a) For the purpose of providing the funds necessary to carry out the powers and duties of the Association, the Board of Directors shall assess the member insurers, separately for each account, at such times and for such amounts as the Board finds necessary. Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at nine percent per annum on and after the due date.

(b) There shall be two classes of assessments, as follows:

(1) Class A assessments shall be authorized and called for the purpose of meeting administrative and legal costs and other expenses. Class A assessments may be authorized and called whether or not related to a particular impaired or insolvent insurer.

(2) Class B assessments shall be authorized and called to the extent necessary to carry out the powers and duties of the Association under section 4178 of this chapter with regard to an impaired or insolvent insurer.

(c)(1) The amount of any Class A assessment shall be determined by the Board and may be authorized and called on a pro rata or non-pro rata basis. If pro rata, the Board may provide that it be credited against future Class B assessments.

(2) The amount of a Class B assessment, except assessments related to long-term care insurance, shall be allocated for assessment purposes between the accounts and among the subaccounts of the life insurance and annuity account, pursuant to an allocation formula, which may be based on the premiums or reserves of the impaired or insolvent insurer or any other

standard deemed by the Board in its sole discretion as being fair and reasonable under the circumstances.

(3) The amount of the Class B assessment for long-term care insurance written by the impaired or insolvent insurer shall be allocated according to a methodology included in the plan of operation and approved by the Commissioner. The methodology shall provide for 50 percent of the assessment to be allocated to accident and health member insurers and 50 percent to be allocated to life and annuity member insurers.

(4) Class B assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this State by each assessed member insurer on policies or contracts covered by each account for the three most recent calendar years for which information is available preceding the year in which the member insurer became insolvent or, in the case of an assessment with respect to an impaired insurer, the three most recent calendar years for which information is available preceding the year in which the member insurer became impaired, bears to premiums received on business in this State for those calendar years by all assessed member insurers.

(5) Assessments for funds to meet the requirements of the Association with respect to an impaired or insolvent insurer shall not be authorized or called until necessary to implement the purposes of this chapter. Classification of assessments under subsection (b) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. The Association shall notify each member insurer of its anticipated pro rata share of an authorized assessment not yet called within 180 days after the assessment is authorized.

(d) The Association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the Board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated or deferred, in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the Association.

(e)(1)(A) Subject to the provisions of subdivision (1)(B) of this subsection (e), the total of all assessments authorized by the Association with respect to a member insurer for each subaccount of the life insurance and annuity account and for the health account shall not in one calendar year exceed two percent of that member insurer's average annual premiums received in Vermont on the policies and contracts covered by the subaccount or account during the three calendar years preceding the year in which the member insurer became an impaired or insolvent insurer.

(B) If two or more assessments are authorized in one calendar year with respect to member insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in subdivision (1)(A) of this subsection (e) shall be equal and limited to the higher of the three-year average annual premiums for the applicable subaccount or account as calculated pursuant to this section.

(C) If the maximum assessment, together with the other assets of the Association in an account, does not provide in one year in either account an amount sufficient to carry out the responsibilities of the Association, the necessary additional funds shall be assessed as soon thereafter as permitted by this chapter.

(2) The Board may provide in the plan of operation a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(3) If the maximum assessment for a subaccount of the life and annuity account in one year does not provide an amount sufficient to carry out the responsibilities of the Association, then pursuant to subdivision (c)(2) of this section, the Board shall access the other subaccounts of the life and annuity account for the necessary additional amount, subject to the maximum stated in subdivision (1) of this subsection.

(f) The Board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each member insurer to that account, the amount by which the assets of the account exceed the amount the Board finds is necessary to carry out during the coming year the obligations of the Association with regard to that account, including assets accruing from assignment, subrogation, net realized gains, and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the Association and for future losses claims.

(g) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance or health maintenance organization business within the scope of this chapter, to consider the amount reasonably necessary to meet its assessment obligations under this chapter.

(h) The Association shall issue to each member insurer paying an assessment under this chapter, other than a Class A assessment, a certificate of contribution, in a form prescribed by the Commissioner, for the amount so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the member insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the Commissioner may approve.

(i)(1) A member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as set forth in the notice provided by the Association. The payment shall be available to meet Association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest.

(2) Within 60 days following the payment of an assessment under protest by a member insurer, the Association shall notify the member insurer in writing of its determination with respect to the protest unless the Association notifies the member insurer that additional time is required to resolve the issues raised by the protest.

(3) Within 30 days after a final decision has been made, the Association shall notify the protesting member insurer in writing of that final decision. Within 60 days after receipt of notice of the final decision, the protesting member insurer may appeal that final action to the Commissioner.

(4) In the alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the Association may refer protests to the Commissioner for a final decision, with or without a recommendation from the Association.

(5) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member insurer. Interest on a refund due a protesting member insurer shall be paid at the rate actually earned by the Association.

(j) The Association may request information of member insurers in order to aid in the exercise of its power under this section and member insurers shall promptly comply with a request.

§ 4180. PLAN OF OPERATION

(a)(1) The Association shall submit to the Commissioner a plan of operation and any amendments to the plan necessary or suitable to assure the fair, reasonable, and equitable administration of the Association. The plan of operation and any amendments to the plan shall become effective upon approval in writing by the Commissioner.

(2) If the Association fails to submit a suitable plan of operation within 120 days following the effective date of this chapter or if at any time thereafter the Association fails to submit suitable amendments to the plan, the Commissioner shall, after notice and hearing, adopt such reasonable rules as are necessary or advisable to effectuate the provisions of this chapter. Such rules shall continue in force until modified by the Commissioner or superseded by a plan submitted by the Association and approved by the Commissioner.

(b) All member insurers shall comply with the plan of operation.

(c) The plan of operation shall, in addition to requirements enumerated elsewhere in this chapter:

(1) establish procedures for handling the assets of the Association;

(2) establish the amount and method of reimbursing members of the Board of Directors under section 4177 of this chapter;

(3) establish regular places and times including virtual conference calls for meetings of the Board of Directors;

(4) establish procedures for records to be kept of all financial transactions of the Association, its agents, and the Board of Directors;

(5) establish the procedures whereby selections for the Board of Directors will be made and submitted to the Commissioner;

(6) establish any additional procedures for assessments under section 4179 of this chapter;

(7) contain additional provisions necessary or proper for the execution of the powers and duties of the Association;

(8) establish procedures whereby a Director may be removed for cause, including in the case where a member insurer Director becomes an impaired or insolvent insurer; and

(9) require the Board of Directors to establish a policy and procedures for addressing conflicts of interests.

(d) The plan of operation may provide that any or all powers and duties of the Association, except those under subdivision 4178(1)(3) and section 4179 of this chapter, are delegated to a corporation, association, or other organization that performs or will perform functions similar to those of this Association, or its equivalent in two or more states. Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the Association and shall be paid for its performance of any function of the Association. A delegation under this subsection shall take effect only with the approval of both the Board of Directors and the Commissioner, and may be made only to a corporation, association, or organization that extends protection not substantially less favorable and effective than that provided by this chapter.

§ 4181. DUTIES AND POWERS OF THE COMMISSIONER

(a) In addition to the duties and powers enumerated elsewhere in this chapter, the Commissioner shall:

(1) Upon the request of the Board of Directors, provide the Association with a statement of the premiums in Vermont and in any other appropriate states for each member insurer.

(2) Notify the Board of Directors of the existence of an impaired or insolvent insurer not later than three days after a determination of impairment or insolvency is made or the Commissioner receives notice of impairment or insolvency.

(3) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the impaired insurer to promptly comply with such demand shall not excuse the Association from the performance of its powers and duties under this chapter.

(4) In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry, the Commissioner shall be appointed conservator.

(b) The Commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact business in Vermont of any member insurer that fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the Commissioner may levy a forfeiture on any member insurer that fails to pay an assessment when due. Such

forfeiture shall not exceed five percent of the unpaid assessment per month, but no forfeiture shall be less than \$500.00 per month.

(c) A final action of the Board of Directors or the Association may be appealed to the Commissioner by a member insurer if such appeal is taken within 60 days following its receipt of notice of the final action being appealed. A final action or order of the Commissioner shall be subject to judicial review in the Vermont Supreme Court.

(d) The liquidator, rehabilitator, or conservator of any impaired or insolvent insurer may notify all interested persons of the effect of this chapter.

§ 4182. PREVENTION OF INSOLVENCIES

(a) To aid in the detection and prevention of member insurer impairment or insolvency, it shall be the duty of the Commissioner to:

(1) Notify the commissioners of all the other states within 30 days following the action taken or the date the action occurs when the Commissioner takes any of the following actions against a member insurer:

(A) revocation of license;

(B) suspension of license; or

(C) makes a formal order that the member insurer restrict its premium writing, obtain additional contributions to surplus, withdraw from Vermont, reinsure all or any part of its business, or increase capital, surplus, or any other account for the security of policy owners, contract owners, certificate holders, or creditors.

(2) Report to the Board of Directors when the Commissioner has taken any of the actions set forth in subdivision (1) of this subsection or has received a report from any other commissioner indicating that any such action has been taken in another state. The report to the Board of Directors shall contain all significant details of the action taken or the report received from another commissioner.

(3) Report to the Board of Directors when the Commissioner has reasonable cause to believe from an examination, whether completed or in process, of any member insurer that the insurer may be an impaired or insolvent insurer.

(4) Furnish to the Board of Directors the NAIC Insurance Regulatory Information System ratios and listings of companies not included in the ratios developed by the National Association of Insurance Commissioners, and the Board may use the information contained therein in carrying out its duties and responsibilities under this section. The report and the information contained

therein shall be kept confidential by the Board of Directors until such time as made public by the Commissioner or other lawful authority.

(b) The Commissioner may seek the advice and recommendations of the Board of Directors concerning any matter affecting the duties and responsibilities of the Commissioner regarding the financial condition of member insurers and insurers or health maintenance organizations seeking admission to transact business in Vermont.

(c) The Board of Directors, upon majority vote, may make reports and recommendations to the Commissioner upon any matter germane to the solvency, liquidation, rehabilitation, or conservation of any member insurer or germane to the solvency of any insurer or health maintenance organization seeking to do business in Vermont. Such reports and recommendations shall not be considered public documents.

(d) The Board of Directors, upon majority vote, shall notify the Commissioner of any information indicating a member insurer may be an impaired or insolvent insurer.

(e) The Board of Directors, upon majority vote, may make recommendations to the Commissioner for the detection and prevention of member insurer insolvencies.

(f) The Board of Directors shall, at the conclusion of any insurer impairment or insolvency in which the Association carried out its duties under this chapter or exercised any of its powers under this chapter, prepare a report on the history and causes of such impairment or insolvency, based on the information available to the Association, and submit such report to the Commissioner.

§ 4183. CREDITS FOR ASSESSMENTS PAID

(a) A member insurer may offset against its premium tax liability to Vermont an assessment described in subsection 4179(h) of this chapter to the extent of 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid. In the event a member insurer should cease doing business, all uncredited assessments may be credited against its premium tax liability for the year it ceases doing business.

(b) A member insurer that is exempt from taxes referenced in subsection (a) of this section may recoup its assessments by a surcharge on its premiums in a sum reasonably calculated to recoup the assessments over a reasonable period of time, as approved by the Commissioner. Amounts recouped shall not be considered premiums for any other purpose, including the computation of gross premium tax, the medical loss ratio, or agent commission. If a

member insurer collects excess surcharges, the insurer shall remit the excess amount to the Association, and the excess amount shall be applied to reduce future assessments in the appropriate account.

(c) Any sums acquired by refund, pursuant to subsection 4179(f) of this chapter, from the Association that have been written off by contributing insurers and offset against premium taxes as provided in subsection (a) of this section, and are not then needed for purposes of this chapter, shall be paid by the insurer to the Commissioner, who shall deposit them with the State Treasurer for credit to the General Fund.

§ 4184. MISCELLANEOUS PROVISIONS

(a) This chapter shall not be construed to reduce the liability for unpaid assessments of the insureds of an impaired or insolvent insurer operating under a plan with assessment liability.

(b)(1) Records shall be kept of all meetings of the Board of Directors to discuss the activities of the Association in carrying out its powers and duties under section 4178 of this chapter. The records of the Association with respect to an impaired or insolvent insurer shall not be disclosed prior to the termination of a liquidation, rehabilitation, or conservation proceeding involving the impaired or insolvent insurer, except:

(A) upon the termination of the impairment or insolvency of the member insurer; or

(B) upon the order of a court of competent jurisdiction.

(2) Nothing in this subsection shall limit the duty of the Association to render a report of its activities under section 4185 of this chapter.

(c) For the purpose of carrying out its obligations under this chapter, the Association shall be deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the Association is entitled as subrogee pursuant to subsection 4178(k) of this chapter. Assets of the impaired or insolvent insurer attributable to covered policies shall be used to continue all covered policies and pay all contractual obligations of the impaired or insolvent insurer as required by this chapter. Assets attributable to covered policies or contracts, as used in this subsection, are that proportion of the assets that the reserves that should have been established for such policies or contracts bear to the reserves that should have been established for all policies of insurance or health benefit plans written by the impaired or insolvent insurer.

(d) As a creditor of the impaired or insolvent insurer pursuant to subsection (c) of this section and consistent with section 7073 of this title, the Association and other similar associations shall be entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this chapter. If the liquidator has not, within 120 days after a final determination of insolvency of a member insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the Association shall be entitled to make application to the receivership court for approval of its own proposal to disburse these assets.

(e)(1) Prior to the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the Association, the shareholders, contract owners, certificate holders, enrollees, and policyowners of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the insolvent insurer. In such a determination, consideration shall be given to the welfare of the policyowners, contract owners, certificate holders, and enrollees of the continuing or successor member insurer.

(2) No distribution to stockholders, if any, of an impaired or insolvent insurer shall be made until and unless the total amount of valid claims of the Association with interest thereon for funds expended in carrying out its powers and duties under section 4178 of this chapter with respect to the member insurer have been fully recovered by the Association.

(f) If an order for liquidation or rehabilitation of a member insurer domiciled in Vermont has been entered, the receiver appointed under such order shall have a right to recover on behalf of the member insurer from any affiliate that controlled it the amount of distributions, other than stock dividends paid by the member insurer on its capital stock, made at any time during the five years preceding the petition for liquidation or rehabilitation subject to the following limitations:

(1) A distribution shall not be recoverable if the member insurer shows that, when paid, the distribution was lawful and reasonable and that the member insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the member insurer to fulfill its contractual obligations.

(2) Any person who was an affiliate that controlled the member insurer at the time the distributions were paid shall be liable up to the amount of distributions received. Any person who was an affiliate that controlled the member insurer at the time the distributions were declared shall be liable up to the amount of distributions that would have been received if they had been paid immediately. If two or more persons are liable with respect to the same distributions, they shall be jointly and severally liable.

(3) The maximum amount recoverable under this subdivision shall be the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

(g) If any person liable under subdivision (f)(2) of this section is insolvent, all its affiliates that controlled it at the time the distribution was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

§ 4185. EXAMINATION; ANNUAL REPORT

The Association shall be subject to examination and regulation by the Commissioner. The Board of Directors shall submit to the Commissioner, not later than May 1 of each year, a financial report for the preceding calendar year in a form approved by the Commissioner and a report of its activities during the preceding calendar year. Upon request of a member insurer, the Association shall provide the member insurer with a copy of the report.

§ 4186. TAX EXEMPTIONS

The Association shall be exempt from payment of all fees and all taxes levied by Vermont or any of its subdivisions, except taxes levied on real property.

§ 4187. IMMUNITY

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer or its agents or employees, the Association or its agents or employees, members of the Board of Directors, or the Commissioner or the Commissioner's representatives for any action or omission by them in the performance of their powers and duties under this chapter. This immunity shall extend to the participation in any organization of one or more other state associations of similar purposes and to any such organization and its agents or employees.

§ 4188. STAY OF PROCEEDINGS; REOPENING DEFAULTJUDGMENTS

All proceedings in which the insolvent insurer is a party in any court in Vermont shall be stayed 180 days from the date an order of liquidation, rehabilitation, or conservation is final to permit proper legal action by the Association on any matters germane to its powers or duties. As to a judgment under any decision, order, verdict, or finding based on the default, the Association may apply to have such judgment set aside by the same court that made such judgment and shall be permitted to defend against such suit on the merits.

§ 4189. PROHIBITED ADVERTISEMENT; NOTICE TO POLICYOWNERS

(a) No person, including a member insurer, or agent or affiliate of a member insurer, shall make, publish, disseminate, circulate, or place before the public, or cause directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in any newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio station or television station, or in any other way, any advertisement, announcement, or statement, written or oral, that uses the existence of the Insurance Guaranty Association of Vermont for the purpose of sales, solicitation, or inducement to purchase any form of insurance or other coverage covered by this chapter. However, this section shall not apply to the Vermont Life and Health Insurance Guaranty Association or any other entity that does not sell or solicit insurance or coverage by a health maintenance organization.

(b) Within 180 days after the effective date of this chapter, the Association shall prepare a summary document describing the general purposes and current limitations of this chapter and complying with subsection (c) of this section. This document shall be submitted to the Commissioner for approval. At the expiration of the 60th day after the date on which the Commissioner approves the document, a member insurer may not deliver a policy or contract to a policy owner, contract owner, certificate holder, or enrollee unless the summary document is delivered to the policy owner, contract owner, certificate holder, or enrollee at the time of delivery of the policy or contract. The document shall also be available upon request by a policy owner, contract owner, certificate holder, or enrollee. The distribution, delivery, contents, or interpretation of this document does not guarantee that either the policy or the contract or the policy owner, contract owner, certificate holder, or enrollee is covered in the event of the impairment or insolvency of a member insurer.

The document shall be revised by the Association as amendments to the chapter may require. Failure to receive this document does not give the policy owner, contract owner, certificate holder, enrollee, or insured any greater rights than those stated in this chapter.

(c) The document prepared under subsection (b) of this section shall contain a clear and conspicuous disclaimer on its face. The Commissioner shall establish the form and content of the disclaimer. The disclaimer shall:

(1) state the name and address of the Association and the Department of Financial Regulation;

(2) prominently warn the policy owner, contract owner, certificate holder, or enrollee that the Association may not cover the policy or contract or, if coverage is available, it will be subject to substantial limitations and exclusions and conditioned on continued residence in Vermont;

(3) state the types of policies or contracts for which guaranty funds will provide coverage;

(4) state that the member insurer and its agents are prohibited by law from using the existence of the Association for the purpose of sales, solicitation, or inducement to purchase any form of insurance or health maintenance organization coverage;

(5) state that the policy owner, contract owner, certificate holder, or enrollee should not rely on coverage under the Association when selecting an insurer or health maintenance organization;

(6) explain rights available and procedures for filing a complaint to allege a violation of any provision of this chapter; and

(7) provide other information as directed by the Commissioner, including sources for information about the financial condition of insurers, provided that the information is not proprietary and is subject to disclosure under Vermont's Public Records Act.

(d) A member insurer shall retain evidence of compliance with subsection (b) of this section for so long as the policy or contract for which the notice is given remains in effect.

§ 4190. PROSPECTIVE APPLICATION

(a) This chapter shall apply to all matters relating to any impaired or insolvent insurer for which the Association first became obligated on or after July 1, 2023.

(b) Matters relating to any impaired or insolvent insurer for which the Association first became obligated prior to July 1, 2023, shall be governed by the provisions of this chapter in effect at the time the Association first became obligated for such matters.

Sec. 10. 8 V.S.A. § 7033 is amended to read:

§ 7033. INJUNCTIONS AND ORDERS

(a) A receiver appointed in a proceeding under this chapter may at any time apply for, and any court of general jurisdiction may grant, restraining orders, preliminary and permanent injunctions, and other orders as may be deemed necessary and proper to prevent:

- (1) the transaction of further business;
- (2) the transfer of property;
- (3) interference with the receiver or with a proceeding under this chapter;
- (4) waste of the insurer's assets;
- (5) dissipation and transfer of bank accounts;
- (6) the institution or further prosecution of any actions or proceedings;
- (7) the obtaining of preferences, judgments, attachments, garnishments, or liens against the insurer, its assets or its policyholders;
- (8) the levying of execution against the insurer, its assets or its policyholders;
- (9) the making of any sale or deed for nonpayment of taxes or assessments that would lessen the value of the assets of the insurer;
- (10) the withholding from the receiver of books, accounts, documents, or other records relating to the business of the insurer; or
- (11) any other threatened or contemplated action that might lessen the value of the insurer's assets or prejudice the rights of policyholders, creditors, or shareholders, or the administration of any proceeding under this chapter.

(b) The receiver may apply to a court outside the State for the relief described in subsection (a) of this section.

(c) Notwithstanding subsections (a) and (b) of this section, subsection 7054(a) of this title, or any other provision of this chapter to the contrary, no person, for more than 10 days, shall be restrained, stayed, enjoined, or prohibited from exercising or enforcing any right or cause of action under any pledge, security, credit, collateral, loan, advances, reimbursement, or guarantee

agreement or arrangement, or any similar agreement, arrangement, or other credit enhancement to which a federal home loan bank is a party.

(d) A federal home loan bank exercising its rights regarding collateral pledged by an insurer-member shall, within seven days after receiving a redemption request made by the insurer-member, repurchase any of the insurer-member's outstanding capital stock in excess of the amount the insurer-member must hold as a minimum investment. The federal home loan bank shall repurchase the excess outstanding capital stock only to the extent that it determines in good faith that the repurchase is both of the following:

(1) permissible under federal laws and regulations and the federal home loan bank's capital plan; and

(2) consistent with the capital stock practices currently applicable to the federal home loan bank's entire membership.

(e) Not later than 10 days after the date of appointment of a receiver in a proceeding under this chapter involving an insurer-member of a federal home loan bank, the federal home loan bank shall provide to the receiver a process and timeline for the following:

(1) the release of any collateral held by the federal home loan bank that exceeds the amount that is required to support the secured obligations of the insurer-member and that is remaining after any repayment of loans, as determined under the applicable agreements between the federal home loan bank and the insurer-member;

(2) the release of any collateral of the insurer-member remaining in the federal home loan bank's possession following repayment in full of all outstanding secured obligations of the insurer-member;

(3) the payment of fees owed by the insurer-member and the operation, maintenance, closure, or disposition of deposits and other accounts of the insurer-member, as mutually agreed upon by the receiver and the federal home loan bank; and

(4) any redemption or repurchase of federal home loan bank stock or excess stock of any class that the insurer-member is required to own under agreements between the federal home loan bank and the insurer-member.

(f) Upon the request of a receiver appointed in a proceeding under this chapter involving a federal home loan bank insurer-member, the federal home loan bank shall provide to the receiver any available options for the insurer-member to renew or restructure a loan. In determining which options are available, the federal home loan bank may consider market conditions, the terms of any loans outstanding to the insurer-member, the applicable policies

of the federal home loan bank, and the federal laws and regulations applicable to federal home loan banks.

(g) As used in this section, “federal home loan bank” means an institution chartered under the “Federal Home Loan Bank Act of 1932,” 12 U.S.C. 1421, et seq. and “insurer-member” means a member of the federal home loan bank in question that is an insurer.

Sec. 11. 8 V.S.A. § 7065 is amended to read:

§ 7065. FRAUDULENT TRANSFERS PRIOR TO PETITION

(a) Every transfer made or suffered and every obligation incurred by an insurer within one year prior to the filing of a successful petition for rehabilitation or liquidation under this chapter is fraudulent as to then existing and future creditors if made or incurred without fair consideration, or with actual intent to hinder, delay, or defraud either existing or future creditors. A transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this chapter, which is fraudulent under this section, may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor, or obligee, for a present fair equivalent value, and except that a purchaser, lienor, or obligee, who in good faith has given a consideration less than fair for such transfer, lien, or obligation, may retain the property, lien, or obligation as security for repayment. The Court may, on due notice, order any such transfer or obligation to be preserved for the benefit of the estate, and in that event, the receiver shall succeed to and may enforce the rights of the purchaser, lienor, or obligee.

* * *

(e) Notwithstanding subsection (a) of this section, section 7066 of this title, or any other provision of this chapter to the contrary, no receiver or any other person shall avoid any transfer of, or any obligation to transfer, money or any other property arising under or in connection with any pledge, security, credit, collateral, loan, advances, reimbursement, or guarantee agreement or arrangement, or any similar agreement, arrangement, or other credit enhancement to which a federal home loan bank, as defined in section 7033 of this title, is a party, that is made, incurred, or assumed prior to or after the filing of a successful petition for rehabilitation or liquidation under this chapter, or otherwise would be subject to avoidance under this section or section 7066 of this title; provided, however, that a transfer may be avoided under this section or section 7066 of this title if the transfer was made with actual intent to hinder, delay, or defraud the insurer, a receiver appointed for the insurer, or existing or future creditors.

Sec. 12. 8 V.S.A. § 7067 is amended to read:

§ 7067. VOIDABLE PREFERENCES AND LIENS

(a)(1) A preference is a transfer of any of the property of an insurer to or for the benefit of a creditor, for or on account of an antecedent debt, made or suffered by the insurer within one year before the filing of a successful petition for liquidation under this chapter, the effect of which transfer may be to enable the creditor to obtain a greater percentage of this debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, then such transfers shall be deemed preferences if made or suffered within one year before the filing of the successful petition for rehabilitation, or within two years before the filing of the successful petition for liquidation, whichever time is shorter.

(2) A preference may be avoided by the liquidator if:

(A) the insurer was insolvent at the time of the transfer of property;

(B) the transfer of property was made within four months before the filing of the petition;

(C) the creditor receiving it or to be benefited by it or the creditor's agent acting with reference to it had, at the time when the transfer of property was made, reasonable cause to believe that the insurer was insolvent or was about to become insolvent; or

(D) the creditor receiving transferred property was an officer, or any employee or attorney or other person who was in fact in a position of comparable influence in the insurer to an officer whether or not he or she held such position, or any shareholder holding directly or indirectly more than five per centum of any class of any equity security issued by the insurer, or any other person, firm, corporation, association, or aggregation of persons with whom the insurer did not deal at arm's length.

(3) Where the preference is voidable, the liquidator may recover the property or, if it has been converted, its value from any person who has received or converted the property; except where a bona fide purchaser or lienor has given less than fair equivalent value, ~~he or she~~ the purchaser or lienor shall have a lien upon the property to the extent of the consideration actually given by ~~him or her~~ the purchaser or lienor. Where a preference by way of lien or security title is voidable, the court may on due notice order the lien or title to be preserved for the benefit of the estate, in which event the lien or title shall pass to the liquidator.

Sec. 12a. STUDY; AUTOMOBILE INSURANCE; LABOR RATES; USE
OF AFTERMARKET PARTS; BUSINESS PRACTICES

(a) In order to ensure that the business practices of automobile insurance companies in Vermont are fair and reasonable, the Commissioner of Financial Regulation shall conduct a study of labor rates, the use of aftermarket parts, market conditions, and other business practices identified in this section. The Commissioner shall investigate and make findings and recommendations regarding the following:

(1) The average hourly labor rates charged by auto body shops in Vermont on both a statewide and a regional basis; the rates charged in other jurisdictions, including the regions of New York, Massachusetts, and New Hampshire that share a border with Vermont; and the rates paid by automobile insurance companies for repair work in Vermont. In addition, the Commissioner shall consult with the Economic & Labor Market Information Division within the Department of Labor to obtain, as a reference, hourly wage data for auto body and related repairers. The Commissioner shall also take into consideration other forms of insurance labor reimbursement including flat rates for repair work, as well as the factors used by auto body shops and insurance companies to arrive at labor repair rates. Based on this data, the Commissioner shall recommend whether Vermont should establish a minimum labor reimbursement rate for both first- and third-party automobile insurance claims and, if so, what that rate should be and how it should be adjusted to reflect market changes such as inflation.

(2) Whether the appraisal practices of automobile insurance companies and independent appraisers equally consider the interests of insurance companies, auto body shops, and consumers.

(3) The extent to which an automobile insurance company controls or influences repair work done at an auto body shop chosen by the consumer and how any such control or influence should affect the liability of the insurance company, particularly regarding the quality and safety of the repair work.

(4) The use of direct repair programs, generally, and their impact on both the automobile repair industry and consumers.

(5) The disclosures made to a consumer by an insurance company, both at the point of sale and upon the submission of a claim, as well as the existing consumer information developed and maintained by the Department of Financial Regulation and whether and to what extent additional disclosures are necessary to ensure a consumer is adequately informed of their potential financial exposure under a policy, including with regard to any labor rate differential, material rate differential, hour differential, and rental differential for loss of use.

(6) Whether Insurance Regulation I-79-2 (revised) should be updated to reflect market changes or business practices that may impede the prompt, fair, and equitable settlement of claims in which liability has become reasonably clear. In particular, the Commissioner shall review Section 8 of the regulation, which concerns standards for the settlements of property and physical damage claims, and further clarify the independence of the appraisals under subdivision (A)(1); the ability of an insurer to negotiate with a repairer under subdivision (A)(2); and the ability of an insurer to insist that repairs be done by a specific repairer under subdivision (A)(3). If the Commissioner determines revisions to the regulation are necessary, the Commissioner shall initiate a rulemaking to effectuate those revisions.

(7) The betterment practices of insurance companies and whether the valuation methods employed are legitimate and fair to consumers.

(8) The use of aftermarket or recycled parts in automobile repairs, including their potential cost savings, and whether aftermarket parts, in particular, should be certified and whether and to what extent an insurer should be liable for incidental costs related to the use of aftermarket or recycled parts, such as for any necessary modifications, and the notification that should be provided to a consumer regarding the use of aftermarket or recycled parts in a repair.

(9) The number and nature of complaints received by the Department of Financial Regulation with respect to automobile insurance policies. In addition, the Commissioner shall request and the Attorney General shall provide the number and nature of any such complaints received by the Consumer Assistance Program, as well as the number and nature of any complaints regarding repair work by auto body shops.

(10) Any other acts or practices or market conditions related to insurance coverage for automobile repairs and whether any additional regulatory measures are necessary to prevent anticompetitive behavior and ensure the interests of all parties, especially consumers, are adequately protected.

(11) How the costs of auto repairs contribute to the price and availability of automobile insurance in Vermont and whether the establishment of a minimum labor rate and all other findings and recommendations made by the Commissioner pursuant to this section could impact the price and availability of automobile insurance in Vermont.

(b) The Commissioner shall establish a process for soliciting and receiving input regarding the matters addressed in this section from stakeholders, including insurance companies, consumers, auto body shops, and any other persons deemed appropriate by the Commissioner.

(c) The Commissioner of Financial Regulation shall submit a final report that includes the Commissioner's finding and recommendations under this section to the House Committee on Commerce and Economic Development and the Senate Committees on Finance and on Judiciary on or before November 15, 2024 and shall submit an interim progress report to the same legislative committees on or before January 15, 2024.

The Commissioner shall receive advice from the Board prior to issuing a blanket ratio variance under this subsection.

(B) When the period of emergency expires, any ratio variances approved by the Commissioner under this subdivision (5) shall terminate and the sponsor shall comply with the requirements of this section governing ratios.

(b) National Program Standards programs. Employers who participate in a National Apprenticeship Standards Program whose approved ratio is greater than 1:1 shall operate under the State's default 1:1 ratio requirement unless a variance is approved under this section.

§ 1117. STANDARDS OF APPRENTICESHIP

(a) An apprenticeship program shall conform to the standards identified in this section to be eligible for approval and registration by the Vermont Registered Apprenticeship Program.

(b) A program sponsor shall have an organized, written plan specifying program standards that embody the terms and conditions of employment, training, and supervision of one or more apprentices in an apprenticeable occupation and subscribed to by a sponsor who has undertaken to carry out the local apprentice training program.

(c) The written plan shall contain provisions that address the following:

(1) Apprenticeable occupation. The employment and training of the apprentices in an apprenticeable occupation.

(2) Term and modality of program. The term of the program measured using either a time-based approach, competency-based approach, or a hybrid approach.

(A) The time-based approach measures skill acquisition through the individual apprentice's completion of a minimum of 2,000 hours to a maximum of 10,000 hours of on-the-job learning as described in a work process schedule.

(B) The competency-based approach measures skill acquisition through the individual apprentice's successful demonstration of acquired skills and knowledge, as verified by the program sponsor, and cannot be less than one year in length. Programs utilizing this approach shall require apprentices to complete an on-the-job learning component. The program standards shall address how on-the-job learning will be integrated into the apprenticeship program, describe competencies, and identify appropriate means of testing and evaluation for such competencies.

(C) The hybrid approach measures the individual apprentice's skill acquisition through a combination of specified minimum number of hours of on-the-job learning and the successful demonstration of competency as described in a work process schedule.

(D) The determination of the appropriate approach for the apprenticeship program standards is made by the program sponsor, subject to the approval by the Vermont Registered Apprenticeship Program.

(3) Work process. An outline of the work processes in which the apprentice will receive supervised work experience and on-the-job training and the allocation of the approximate amount of time to be spent in each major process;

(4) Related instruction and instructor requirements. An organized description of related instruction and technical subjects related to the occupation that shall include a minimum of 144 hours of related technical instruction for each year of apprenticeship. Instruction and technical subjects may be accomplished through media such as classroom, occupational or industry courses, electronic media, or other instruction approved by the Vermont Registered Apprenticeship Program. Every apprenticeship instructor shall:

(A) Meet the Agency of Education's requirements for a career and technical education instructor or be a subject matter expert, which is an individual, such as a journey-worker, who is recognized within an industry as having expertise in a specific occupation.

(B) Have training in teaching techniques and adult learning styles. This training may occur not later than one year after the apprenticeship instructor has started to provide the related technical instruction.

(5) Wage schedule. A schedule of progressively increasing wages to be paid to an apprentice consistent with the skill acquired. The entry wage shall not be less than minimum wage or 50 percent of the journey-worker rate, whichever is highest, for adult registered apprentices, unless a higher wage is required by other applicable State or federal law, rule, or by collective bargaining agreement. For purposes of this subdivision, "journey-worker rate" is the rate of pay established by the sponsor for an apprentice who has met all of the skill, knowledge, and competency requirements for that occupation.

(6) Fringe benefits. Fringe benefits made available to nonapprentices within the company shall also be available to apprentices registered in the company's apprenticeship program.

(7) Apprentice performance evaluation. Provision for periodic review and evaluation of the apprentice's performance on the job and in related instruction and the maintenance of appropriate progress records, including maintaining records of hours worked for those apprentices in time-based programs.

(8) Ratio. Provision for a numeric ratio of apprentices to journey-workers consistent with proper supervision, training, safety, and continuity of employment and with applicable provisions in collective bargaining agreements, except where such ratios are expressly prohibited by the collective bargaining agreement. The ratio language shall be specific and clearly described as to its application to the job site, workforce, department, or plant. The ratio shall comply with the requirements set forth in this chapter. Any

variances requested to the set ratio shall be approved in advance of the variance being applied to the apprenticeship program.

(9) Probationary period. A probationary period reasonable in relation to the full apprenticeship term, with full credit given for such period toward completion of apprenticeship. The probationary period cannot exceed 25 percent of the length of the apprenticeship program, or one year, whichever is shorter.

(10) Equipment and facilities. Provision for adequate and safe equipment and facilities for training and supervision, and safety training for apprentices on the job and in related instruction.

(11) Minimum qualifications. Facially neutral, minimum qualifications required by the sponsor for persons entering the apprenticeship program, with an eligible starting age of not less than 16 years of age, or 18 years of age if required by State or federal laws or regulations.

(12) Placement. Provision for the placement of an apprentice under a written apprenticeship agreement that meets the requirements of this chapter and 29 C.F.R., § 29.7, is approved by the Vermont Registered Apprenticeship Program, and directly, or by reference, incorporates the standards of the apprenticeship program as part of the agreement.

(13) Registration cards. Provision that identifies the need for a card to be produced that confirms the registration status of an apprentice in an approved occupation.

(14) Advanced Standing. Provision for the granting of advanced standing or credit for demonstrated competency, acquired experience, training, or skills, that shall be applied to all applicants equally with commensurate wages for any progression step so granted.

(15) Transfer. Provision for transfer of an apprentice between apprenticeship programs and within an apprenticeship program. Such a transfer shall be based on agreement between the apprentice and the affected apprenticeship committees or program sponsors, and shall comply with the following requirements:

(A) the transferring apprentice shall be provided a transcript of related instruction and on-the-job learning by the program sponsor;

(B) the transfer shall be to the same occupation; and

(C) a new apprenticeship agreement shall be executed when the transfer occurs between program sponsors.

(16) Qualified training personnel. Assurance of qualified training personnel and adequate supervision on the job.

(17) Completion. Provision for recognition for successful completion of apprenticeship evidenced by an appropriate certificate issued by the Vermont Registered Apprenticeship Program.

(18) Interim and stackable credentials. Apprenticeship program standards that utilize the competency-based or hybrid approach for progression through an apprenticeship and that choose to issue interim credentials shall clearly identify the interim credentials, demonstrate how these credentials link to the components of the apprenticeable occupation, and establish the process for assessing an individual apprentice's demonstration of competency associated with the interim credential. Further, interim credentials shall only be issued for recognized components of an apprenticeable occupation thereby linking interim credentials specifically to the knowledge, skills, and abilities associated with those components of the apprenticeable occupation.

(19) Registration agency. Identification of the Vermont Department of Labor as the registration agency.

(20) Program modifications. Provision for the registration, cancellation, and deregistration of the apprenticeship program and for the prompt submission of any program standard modification or amendment to the Vermont Registered Apprenticeship Program for approval.

(21) Registering apprentices. Provision for apprenticeship agreements, modifications, and amendments, notice to the Vermont Registered Apprenticeship Program of persons who have successfully completed apprenticeship programs within 45 days of completion of all requirements, and notice of transfers, suspensions, and cancellations of apprenticeship agreements and a statement of the reasons therefore.

(22) Cancellation. Provision for the authority to cancel an apprenticeship agreement during the probationary period by either party without cause.

(23) Equal Employment Opportunity. Provision for compliance with 29 C.F.R. Part 30, including the equal opportunity pledge prescribed in 29 C.F.R. § 30.3(c); an affirmative action program complying with 29 C.F.R. § 30.4 and a method for the selection of apprentices complying with 29 C.F.R. § 30.10, or compliance with parallel requirements contained in the Department's State Plan for Equal Employment Opportunity in Apprenticeship adopted under 29 C.F.R. Part 30 and approved by federal Office of Apprenticeship. The apprenticeship standards shall also include a statement that the program will be conducted, operated, and administered in conformity with applicable

provisions of 29 C.F.R. Part 30, as amended, or if applicable the State Plan for Equal Employment Opportunity in Apprenticeship.

(24) Contact information. The name, physical address, telephone number, and e-mail address for the appropriate individual with authority under the apprenticeship program to receive, process, and make disposition of complaints.

(25) Recordkeeping. Provision for recording and maintenance of all records concerning apprenticeship as may be required by the Vermont Registered Apprenticeship Program and other applicable law.

§ 1118. APPRENTICESHIP PROGRAM MINIMUM ENROLLMENT;

(a) Minimum number of apprentices. An apprenticeship program, including occupations registered to the program, shall have at least one registered apprentice, except for the following specified periods of time if the periods do not exceed one year:

(1) between the date when the apprenticeship program is registered and the date of registration for its first apprentice; or

(2) between the date that the apprenticeship program graduates an apprentice and the date of registration for the next apprentice or apprentices in the program.

(b) Evaluation. The Vermont Registered Apprenticeship Program shall adopt tools and factors to evaluate the performance of apprenticeship programs, including the following:

(1) quality assurance assessments;

(2) Equal Employment Opportunity compliance reviews; and

(3) completion rates.

(A)(i) To evaluate completion rates, the Vermont Registered Apprenticeship Program shall review an apprenticeship program's completion rates in comparison to the national average for completion rates.

(ii) Based on review, the Vermont Registered Apprenticeship Program may provide technical assistance to apprenticeship programs with completion rates lower than the national average.

(B) Cancellation of apprenticeship agreements during the probationary period shall not have an adverse impact on a sponsor's completion rate.

§ 1119. APPRENTICES REGISTERED; AGREEMENT

(b) Registration is complete when the sponsor files a signed, completed apprenticeship agreement with the Vermont Registered Apprenticeship Program and it is reviewed and approved by the Department.

(8) statements providing:

(d) An apprenticeship agreement shall not be modified unless it is in writing and signed by the parties.

§ 1120. DEREGISTRATION OF A REGISTERED APPRENTICESHIP PROGRAM

(a) Deregistration. Deregistration of an apprenticeship program shall occur upon the voluntary action of the sponsor by submitting a request for cancellation of the registration or by the Vermont Registered Apprenticeship Program instituting formal deregistration proceedings in accordance with this section.

(b) Deregistration at the request of the sponsor. The Vermont Registered Apprenticeship Program may cancel the registration of an apprenticeship program by written acknowledgement of such request stating the following:

(1) that the registration is cancelled at the sponsor's request, and the effective date thereof;

(2) that, within 15 business days of the date of the acknowledgment, the sponsor will notify all apprentices of such cancellation and the effective date;

(3) that the cancellation automatically deprives the apprentice of individual registration;

(4) that the deregistration of the program removes the apprentice from coverage for federal purposes that require the U.S. Secretary of Labor's approval of an apprenticeship program; and

(5) that all apprentices are referred to the Vermont Registered Apprenticeship Program for information about potential transfer to other registered apprenticeship programs.

(c) Deregistration by the Vermont Registered Apprenticeship Program upon reasonable cause.

(1)(A) Deregistration proceedings may be undertaken when the apprenticeship program is not conducted, operated, or administered in accordance with the program's registered provisions or with the requirements of this chapter, including:

(i) failure to provide on-the-job learning;

(ii) failure to provide related technical instruction;

(iii) failure to pay the apprentice a progressively increasing schedule of wages consistent with the apprentices' skills acquired; or

(iv) persistent and significant failure of the program to operate or perform successfully.

(B) For purposes of this section, persistent and significant failure to perform successfully occurs when a program sponsor consistently fails to

register at least one apprentice, shows a pattern of poor quality assessment results over a period of several years, demonstrates an ongoing pattern of very low completion rates over a period of several years, or shows no indication of improvement in the areas identified by the Vermont Registered Apprenticeship Program during a review process as requiring corrective action.

(C) Where it has been determined that the program is not being operated in accordance with the registered standards or with the requirements of this chapter, the Vermont Registered Apprenticeship Program shall notify the program sponsor in writing.

(2) A notice of deregistration sent to the program sponsors contact person shall:

(A) be sent by registered or certified mail, with return receipt requested;

(B) state the shortcomings and the remedy required; and

(C) state that a determination of reasonable cause for deregistration will be made unless corrective action is affected within 30 business days.

(3) Upon request by the sponsor for good cause, the 30-business-day term may be extended for another 30 business days. During the period for corrective action, the Vermont Registered Apprenticeship Program shall assist the sponsor in every reasonable way to achieve conformity.

(4) If the required correction is not completed within the allotted time, the Vermont Registered Apprenticeship Program shall send a notice to the sponsor, by registered or certified mail, return receipt requested, stating the following:

(A) the notice is sent under this section;

(B) the deficiencies that were called to the sponsor's attention, the remedial measures requested, with the dates of such occasions and letters, and that the sponsor has failed or refused to take corrective action;

(C) based upon the stated deficiencies and failure to remedy them, a determination has been made that there is reasonable cause to deregister the program and the program may be deregistered unless, within 15 business days following the receipt of this notice, the sponsor requests a hearing with the Vermont Registered Apprenticeship Program; and

(D) if the sponsor does not request a hearing, the entire matter will be submitted to the Commissioner for a decision on the record with respect to registration.

(5) Every order of deregistration shall contain a provision that the sponsor, within 15 business days of the effective date of the order, notify all registered apprentices of the deregistration of the apprenticeship program, the effective date thereof, that such cancellation automatically deprives the apprentice of individual registration, that the deregistration removes the apprentice from coverage for Federal purposes that require the Secretary of Labor's approval of an apprenticeship program, and that all apprentices are referred to the Vermont Registered Apprenticeship Program for information about potential transfer to other apprenticeship programs.

(d) Reinstatement. An apprenticeship program deregistered under this section may be reinstated upon presentation to the Vermont Registered Apprenticeship Program of adequate evidence that the apprenticeship program is operated in accordance with this chapter.

§ 1121. LIMITATIONS

Nothing in this chapter or in an apprenticeship agreement may be construed to invalidate:

(1) the at-will nature of employment in Vermont;

(2) any apprenticeship provision in a collective bargaining agreement between employers and employees establishing more stringent apprenticeship standards; or

(3) any special provision for veterans, minorities, or women in the standards, apprentice qualifications, or operation of an apprenticeship program or in the apprenticeship agreement that is not otherwise prohibited by law, Executive Order, or authorized regulation or rule.

§ 1122. COMPLAINTS

(a) Any controversy or difference arising under an apprenticeship agreement that cannot be resolved by the parties and that is not covered by a collective bargaining agreement may be submitted by an apprentice, or the apprentice's authorized representative, to the Vermont Registered Apprenticeship Program for review.

(b)(1) The complaint shall be in writing and signed by the complainant, or authorized representative, and shall be submitted within 60 business days following the event that gave rise to the complaint.

(2) The complaint shall set forth the specific matters complained of, together with relevant facts and circumstances.

(3) Copies of pertinent documents and correspondence shall accompany the complaint.

(c)(1) The Vermont Registered Apprenticeship Program shall render a determination within 90 business days after receipt of the complaint, based upon such investigation of the matters submitted as may be found necessary, and the record before it.

(2) During the 90-day period, the Vermont Registered Apprenticeship Program shall make reasonable efforts to affect a satisfactory resolution between the parties involved.

(3) If so resolved, the parties shall be notified that the case is closed.

(4) Where a determination is rendered, copies shall be sent to all interested parties.

(d)(1) This section is not applicable to any complaint concerning discrimination or other equal opportunity matters.

(2) All such complaints shall be submitted, processed, and resolved in accordance with applicable provisions in 29 C.F.R. Part 30 or applicable provisions of the Vermont Department of Labor State Plan for Equal Employment Opportunity in Apprenticeship.

(e) Nothing in this section precludes an apprentice from pursuing any other remedy authorized under federal or State law.

§ 1123. PRE-APPRENTICESHIP PROGRAMS

(7) to the extent appropriate and practicable, the program meets related technical instruction requirements that include enabling an individual to attain a secondary school diploma or its recognized equivalent that enables a pre-apprentice to enter into an apprenticeship; and

(8) the program includes, when relevant, any agreement for advanced standing for the pre-apprentice upon entering a registered apprenticeship program.

§ 1124. YOUTH APPRENTICESHIP PROGRAMS

(a) A youth apprenticeship program is one that prepares a youth apprentice for acceptance into an apprenticeship program and is designed for youth apprentices who start the program while still enrolled in high school.

Text of Communication from Governor

The text of the communication from His Excellency, the Governor, whereby he vetoed and returned unsigned **Senate Bill No. S. 5**, to the Senate is as follows:

May 4, 2023

The Honorable John Bloomer, Jr.
Secretary of the Senate
115 State House
Montpelier, VT 05633-5401

Dear Secretary Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning S.5, *An act relating to affordably meeting the mandated greenhouse gas reductions for the thermal sector through efficiency, weatherization measures, electrification, and decarbonization*, without my signature because of my objections described herein:

As Governor, I believe we must make Vermont more affordable by helping Vermonters keep more of what they earn, while we simultaneously make transformative, strategic investments in important areas like community revitalization, climate action, housing, childcare, clean water, and broadband.

I also believe government transparency is essential to maintaining faith and trust in our democracy. When we pass laws, we must clearly communicate both the burdens and the benefits to Vermonters. From my perspective, S.5 conflicts with these principles, and I cannot support it.

It's important to note despite significant concerns with the policy, I would not veto a bill that directs the Public Utilities Commission (PUC) to design a potential clean heat standard – provided it's returned to the Legislature, in bill form with all the details, and debated, amended, and voted on with the transparency Vermonters deserve.

The so-called "check back" in S.5 does not achieve my simple request. Instead, the "check back" language in the bill is confusing, easily misconstrued, and contradictory to multiple portions of the bill.

As I have repeatedly stated publicly, this veto could have been avoided had the Legislature eliminated the confusion and spelled out, in plain language, that the proposed plan would return to the Legislature to be considered for codification and voted on in bill form.

Again, I continue to fully support efforts to reduce greenhouse gas emissions. As the Legislature is well aware, more than any previous governor, I have proposed, supported, and invested hundreds of millions of dollars to reduce emissions in the transportation and thermal sectors. I'm also committed to following through on the work outlined in our thermal sector action plan.

Here's the bottom line: The risk to Vermonters and our economy throughout the state is too great; the confusion around the language and the unknowns are too numerous; and we are making real and measurable progress reducing emissions with a more thoughtful, strategic approach that is already in motion.

For these reasons I cannot allow this bill to go into law. It's my sincere hope that members of the Legislature will have the courage to put their constituents ahead of party politics and sustain this veto.

Sincerely,

/s/Philip B. Scott
Governor

The Governor has informed the Senate that on the 8th day of May, he approved and signed a bill originating in the Senate of the following title:

S. 3. An act relating to prohibiting paramilitary training camps.

House Resolution Referred to Committee

H.R. 12

House resolution, entitled

House resolution condemning the forced harvesting of organs from prisoners and detainees in the People's Republic of China

Offered by: Representatives Williams of Barre City, Arsenault of Williston, Carroll of Bennington, Cole of Hartford, Krasnow of South Burlington, Nicoll of Ludlow, and White of Bethel

Whereas, the China Tribunal (Tribunal) is an independent panel established to examine forced organ harvesting in the People's Republic of China (PRC), and

Whereas, although the Tribunal encountered "a pervasive culture of secrecy, silence, and obfuscation" on the part of the Chinese government, the Tribunal's conclusions were reached with great certainty, and it issued a final report in March 2020, and

Whereas, the Tribunal found persuasive evidence "that in China forced organ harvesting from prisoners of conscience has been practiced for a substantial period of time involving a very substantial number of victims," and

Whereas, it reached a number of conclusions, including "that there were extraordinarily short waiting times (promised by PRC doctors and hospitals) for organs to be available for transplantation," "[t]hat there was torture of Falun Gong and Uyghurs," and "[t]hat there was a massive infrastructure development of facilities and medical personnel for organ transplant operations, often started before any voluntary donor system was even planned," and

Whereas, in June 2021, the Office of the United Nations High Commissioner for Human Rights reported that "[f]orced organ harvesting in China appears to be targeting specific ethnic, linguistic, or religious minorities held in detention, often without [any explanation of] the reasons for arrest or [the issuance of] arrest warrants," and

Whereas, on May 5, 2022, the European Parliament adopted a resolution "on the reports of continued organ harvesting in China" that found that "the People's Republic of China has extremely low rates of voluntary organ donation," and

Whereas, the continued existence of regulations permitting the harvesting of organs from executed prisoners, despite the Chinese government's 2015 edict to the contrary, is appalling, and

Whereas, the resolution expressed "its serious concerns about the reports of persistent, systematic, inhumane and state-sanctioned organ harvesting from prisoners in the People's Republic of China, and, more specifically, from Falun Gong practitioners and other minorities such as Uyghurs, Tibetans and Christians," and called "on the Chinese authorities to promptly respond to the allegations of organ harvesting," and

Whereas, on March 27, 2023, the U.S. House of Representatives passed H.R. 1154, the Stop Forced Organ Harvesting Act of 2023, "impos[ing] sanctions on persons (individuals and entities) involved in forced organ trafficking and authoriz[ing] the Department of State to revoke the passports of individuals convicted of certain crimes related to organ trafficking," and

Whereas, companion legislation, designated as S.761, has been introduced in the U.S. Senate, now therefore be it

Resolved by the House of Representatives:

That this legislative body condemns the forced harvesting of organs from prisoners and detainees in the People's Republic of China, and be it further

Resolved: That the Clerk of the House be directed to send a copy of this resolution to the Chinese Ambassador to the United States, President Joseph R. Biden, and the Vermont Congressional Delegation.

Was read by title, treated as a bill, and referred to the Committee on General and Housing pursuant to House Rule 52.

Sec. 1. 24 V.S.A. § 4414 is amended to read:

§ 4414. ZONING; PERMISSIBLE TYPES OF REGULATIONS

* * *

(4) Parking and loading facilities. A municipality may adopt provisions setting forth standards for permitted and required facilities for off-street parking and loading, which may vary by district and by uses within each district. For residential uses, a municipality shall not require more than one parking space per dwelling unit or accessory dwelling unit. However, a municipality may require 1.5 parking spaces per dwelling unit if the development is located more than one-quarter of a mile away from public parking or the need for parking cannot be reasonably met through the use of on-street parking, public parking, or shared parking. Municipalities may round up to the nearest whole parking space. These bylaws may also include provisions covering the location, size, design, access, landscaping, and screening of those facilities. In determining the number of parking spaces for nonresidential uses and size of parking spaces required under these regulations, the appropriate municipal panel may take into account the existence or availability of employer “transit pass” and rideshare programs, public transit routes, and public parking spaces in the vicinity of the development. ~~However, a municipality shall not require an accessory dwelling unit to have more than one parking space per bedroom.~~

* * *

Sec. 2. 24 V.S.A. § 4412 is amended to read:

§ 4412. REQUIRED PROVISIONS AND PROHIBITED EFFECTS

Notwithstanding any existing bylaw, the following land development provisions shall apply in every municipality:

(1) Equal treatment of housing and required provisions for affordable housing.

* * *

(D) Bylaws shall designate appropriate districts and reasonable regulations for multiunit or multifamily dwellings. No bylaw shall have the effect of excluding these multiunit or multifamily dwellings from the municipality. In any district that allows year-round residential development, duplexes shall be an allowed use with the same dimensional standards as a single-unit dwelling. In any district that is served by municipal sewer and water infrastructure that allows residential development, multiunit dwellings with four or fewer units shall be an allowed use.

(E) Except for flood hazard and fluvial erosion area bylaws adopted pursuant to section 4424 of this title, no bylaw shall have the effect of excluding as a permitted use one accessory dwelling unit that is located within or appurtenant to a single-family dwelling on an owner-occupied lot. A bylaw ~~may~~ shall require a single-family dwelling with an accessory dwelling unit to be subject to the same review, dimensional, or other controls as required for a single-family dwelling without an accessory dwelling unit. The criteria for conversion of an existing detached nonresidential building to habitable space for an accessory dwelling unit shall not be more restrictive than the criteria used for a single-family dwelling without an accessory dwelling unit. An “accessory dwelling unit” means a distinct unit that is clearly subordinate to a single-family dwelling, and has facilities and provisions for independent living, including sleeping, food preparation, and sanitation, provided there is compliance with all the following:

(i) The property has sufficient wastewater capacity.

(ii) The unit does not exceed 30 percent of the total habitable floor area of the single-family dwelling or 900 square feet, whichever is greater.

* * *

(H) No bylaw shall have the effect of prohibiting or penalizing a hotel from renting rooms to provide housing assistance through the State of Vermont’s General Assistance program, or to any person whose room is rented with public funds. The term “hotel” has the same meaning as in 32 V.S.A. 9202(3).

* * *

(12) In any district served by municipal sewer and water infrastructure that allows residential development, bylaws shall establish lot and building dimensional standards that allow five or more dwelling units per acre for each allowed residential use, and density standards for multiunit dwellings shall not be more restrictive than those required for single-family dwellings.

(13) In any district served by municipal sewer and water infrastructure that allows residential development, any mixed-use developments and affordable housing developments, as defined in subdivision 4303(2) of this title, may exceed building height limitations by one additional habitable floor beyond the maximum height, and using that additional floor may exceed density limitations for residential developments by an additional 40 percent, provided that the structure complies with the Vermont Fire and Building Safety Code.

(14) No bylaw shall have the effect of limiting the square footage of a duplex that otherwise complies with the applicable building code.

(15)(A) As used in this section, an area “served by municipal water and sewer infrastructure” means:

(i) that residential connections and expansions are available to municipal water and direct and indirect discharge wastewater systems and not prohibited by:

(I) State regulations or permits;

(II) identified capacity constraints; or

(III) municipally adopted service and capacity agreements; or

(ii) areas established by the municipality by ordinance or bylaw that:

(I) exclude flood hazard or inundation areas as established by statute, river corridors or fluvial erosion areas as established by statute, shorelands, and wherever year-round residential development is not allowed;

(II) reflect identified service limits established by State regulations or permits, identified capacity constraints, or municipally adopted service and capacity agreements;

(III) exclude areas served by water and sewer to address an identified community-scale public health hazard or environmental hazard;

(IV) exclude areas serving a mobile home park that is not within an area planned for year-round residential growth;

(V) exclude areas serving an industrial site or park;

(VI) exclude areas where service lines are located to serve the areas described in subdivisions (III)–(V) of this subdivision (ii), but no connections or expansions are permitted; or

(VII) modify the zoning provisions allowed under this chapter in areas served by indirect discharge designed for less than 100,000 gallons per day.

(B) Municipally adopted areas served by municipal water and sewer infrastructure that limit water and sewer connections and expansions shall not result in the unequal treatment of housing by discriminating against a year-round residential use or housing type otherwise allowed in this chapter.

Sec. 3. 24 V.S.A. § 4413 is amended to read:

§ 4413. LIMITATIONS ON MUNICIPAL BYLAWS

(a)(1) The following uses may be regulated only with respect to location, size, height, building bulk, yards, courts, setbacks, density of buildings, off-street parking, loading facilities, traffic, noise, lighting, landscaping, and screening requirements, and only to the extent that regulations do not have the effect of interfering with the intended functional use:

(A) State- or community-owned and ~~operated~~ operated institutions and facilities;

(B) public and private schools and other educational institutions certified by the Agency of Education;

(C) churches and other places of worship, convents, and parish houses;

(D) public and private hospitals;

(E) regional solid waste management facilities certified under 10 V.S.A. chapter 159;

(F) hazardous waste management facilities for which a notice of intent to construct has been received under 10 V.S.A. § 6606a; and

(G) emergency shelters.

(2) Except for State-owned and -operated institutions and facilities, a municipality may regulate each of the land uses listed in subdivision (1) of this subsection for compliance with the National Flood Insurance Program and for compliance with a municipal ordinance or bylaw regulating development in a flood hazard area or river corridor, consistent with the requirements of

subdivision 2291(25) and section 4424 of this title. These regulations shall not have the effect of interfering with the intended functional use.

(3) For purposes of this subsection, regulating the daily or seasonal hours of operation of an emergency shelter shall constitute interfering with the intended functional use.

* * *

Sec. 4. 24 V.S.A. § 4303 is amended to read:

§ 4303. DEFINITIONS

The following definitions shall apply throughout this chapter unless the context otherwise requires:

* * *

(38) “Accessory dwelling unit” has the same meaning as in subdivision 4412(E) of this title.

* * * Building Energy Code Study Committee * * *

Sec. 24. FINDINGS

The General Assembly finds that:

(1) Vermont established the Residential Building Energy Standards (RBES) in 1997 and the Commercial Building Energy Standards (CBES) in 2007. The Public Service Department is responsible for adopting and updating these codes regularly but does not have the capacity to administer or enforce them.

(2) The RBES and CBES are mandatory, but while municipalities with building departments handle some aspects of review and inspection, there is no State agency or office designated to interpret, administer, and enforce them.

(3) The Division of Fire Safety in the Department of Public Safety is responsible for development, administration, and enforcement of building codes but does not currently have expertise or capacity to add administration or enforcement of energy codes in buildings.

(4) Studies in recent years show compliance with the RBES at about 54 percent and CBES at about 87 percent, with both rates declining. Both codes are scheduled to become more stringent with the goal of “net-zero ready” by 2030.

(5) In December 2022, the U.S. Department of Energy issued the Bipartisan Infrastructure Law: Resilient and Efficient Codes Implementation Funding Opportunity Announcement. The first \$45 million of a five-year \$225 million program is available in 2023. Vermont’s increased code compliance plans should include contingencies for this potential funding.

The Committee shall consider and recommend strategies to increase awareness of and compliance with the RBES and CBES, including the potential designation of the Division of Fire Safety (DFS) in the Department of Public Safety as the statewide authority having jurisdiction for administration, interpretation, and enforcement, in conjunction with DFS' existing jurisdiction, over building codes.

(d) Assistance. The Committee shall have the administrative, technical, and legal assistance of the Department of Public Service. * * * Building Energy Code Study Committee * * *

Sec. 22. FINDINGS

The General Assembly finds that:

(1) Vermont established the Residential Building Energy Standards (RBES) in 1997 and the Commercial Building Energy Standards (CBES) in 2007. The Public Service Department is responsible for adopting and updating these codes regularly but does not have the capacity to administer or enforce them.

(2) The RBES and CBES are mandatory, but while municipalities with building departments handle some aspects of review and inspection, there is no State agency or office designated to interpret, administer, and enforce them.

(3) The Division of Fire Safety in the Department of Public Safety is responsible for development, administration, and enforcement of building codes but does not currently have expertise or capacity to add administration or enforcement of energy codes in buildings.

(4) Studies in recent years show compliance with the RBES at about 54 percent and CBES at about 87 percent, with both rates declining. Both codes are scheduled to become more stringent with the goal of “net-zero ready” by 2030.

(5) In December 2022, the U.S. Department of Energy issued the Bipartisan Infrastructure Law: Resilient and Efficient Codes Implementation Funding Opportunity Announcement. The first \$45 million of a five-year \$225 million program is available in 2023. Vermont’s increased code compliance plans should include contingencies for this potential funding.

Sec. 23. ENERGY CODE COMPLIANCE; STUDY COMMITTEE

The Speaker of the House shall appoint three members, including up to one legislator. The Committee on Committees shall appoint two members, including up to one legislator. The remaining members shall be the following:

- (1) the Commissioner of Public Service or designee;

(1) consider and recommend strategies to increase awareness of and compliance with the RBES and CBES, including the potential designation of the Division of Fire Safety (DFS) in the Department of Public Safety as the statewide authority having jurisdiction for administration, interpretation, and enforcement, in conjunction with DFS' existing jurisdiction, over building codes;

(2) evaluate current cost-effectiveness analyses for the RBES and the CBES, whether they include or should include nonenergy benefits such as public health benefits and the cost of carbon, and how that impacts the affordability of housing projects and provide recommendations; and

(3) assess how the building energy codes interact with the fire and building safety codes.

(d) Assistance. The Committee shall have the administrative, technical, and legal assistance of the Department of Public Service. The Department shall hire a third-party consultant to assist and staff the Committee, which may be funded by monies appropriated by the General Assembly or any grant funding received.

Sec. 25. ANR REVIEW OF PERMITTING OF POTABLE WATER AND WASTEWATER CONNECTION PERMITS

(a) The Agency of Natural Resources (ANR) shall review the statutory requirements, regulatory requirements, and ANR processes governing ANR's issuance of potable water and wastewater connection permits in order to identify approaches for reducing the administrative burden and costs incurred by municipalities and permit applicants. In conducting its review, ANR shall

consult with the Agency of Commerce and Community Development, representatives of municipalities, professional engineers and licensed designers, and environmental organizations regarding alternatives for improving permitting of potable water and wastewater connections.

Second: By striking out Sec. 4, 16 V.S.A. § 1485, in its entirety and inserting in lieu thereof a new Sec. 4 to read as follows:

Sec. 4. 16 V.S.A. § 1485 is added to read:

§ 1485. BEHAVIORAL THREAT ASSESSMENT TEAMS

(a) Legislative intent.

(1) It is the intent of the General Assembly that behavioral threat assessment teams be used for the purpose of preventing instances of severe and significant targeted violence against schools and school communities, such as threats related to weapons and mass casualties and bomb threats. The goal of these teams is to assess and appropriately respond to potential reported threats to school communities.

(2) It is the intent of the General Assembly that use of behavioral threat assessment teams shall not contribute to increased school exclusion or unnecessary referrals of students to the criminal justice and school discipline

systems and shall not disproportionately impact students from historically marginalized backgrounds, including students with disabilities.

(b) Policy.

(1) As used in this section, “behavioral threat assessment” means a fact-based, systematic process designed to identify, gather information about, assess, and manage dangerous or violent situations.

(2) The Secretary of Education, in consultation with stakeholder groups, including the Commissioner of the Department for Children and Families, Vermont School Boards Association, and Vermont Legal Aid Disability Law Project, shall develop, and from time to time update, a model behavioral threat assessment team policy and procedures. In developing the model policy and procedures, the Secretary shall follow guidance issued by the Vermont School Safety Center on best practices in the use of behavioral threat assessment teams. The model policy and procedure shall require law enforcement contact in the case of imminent danger to individuals or the school community and shall address the following:

(A) the criteria that shall be used to assess a student’s threatening behavior;

(B) the process for reporting threatening behavior;

(C) the civil rights and due process protections to which students are entitled in school settings;

(D) when and how to refer to or involve law enforcement in the limited instances when such referral is appropriate, which shall not include student behavior that is a violation of the school conduct code but that is not also a crime; and

(E) the support resources that shall be made available, including mental health first aid, counseling, and safety plans.

(3) Each school district and each approved or recognized independent school shall develop, adopt, and ensure implementation of a policy and procedures for use of behavioral threat assessment teams that is consistent with and at least as comprehensive as the model policy and procedures developed by the Secretary. Any school board or independent school that fails to adopt such a policy or procedures shall be presumed to have adopted the most current model policy and procedures published by the Secretary.

(4) The Vermont School Safety Center shall issue guidance on the best practices of behavioral threat assessment teams. The guidance shall include best practices on bias and how to reduce incidents of bias, developed in consultation with the Office of Racial Equity.

(c) Discipline and student support.

(1) Consistent with the legislative intent in subsection (a) of this section, if a behavioral threat assessment team recommends, in addition to providing support resources, any action that could result in removal of a student from the student's school environment pending or after a behavioral threat assessment, the recommendation shall only be carried out in a manner consistent with existing law, regulation, and associated procedures on student discipline pursuant to section 1162 of this title and Agency of Education, Pupils (CVR 22-000-009), as well as federal and State law regarding students with disabilities or students who require additional support.

(2) Behavioral threat assessments shall be structured and used in a way that is intended to minimize interaction with the criminal justice system. Law enforcement referral and involvement may be appropriate only in cases involving threats, which shall not include student behavior that is a violation of the school conduct code but that is not also a crime.

(d) Training.

(1) Each supervisory union, supervisory district, and approved or recognized independent school shall ensure behavioral threat assessment team members receive training at least annually in best practices of conducting behavioral threat assessments, as well as bias training. The annual training shall include the following topics:

(A) the rules governing exclusionary discipline, Agency of Education, Pupils (CVR 22-000-009);

(B) the purpose, use, and proper implementation of the manifestation determination review process;

(C) Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq.; and other civil rights laws;

(D) the negative consequences of exclusion from school;

(E) the impact of trauma on brain development; and

(F) group bias training, specifically focused on bias in carrying out the duties of the behavioral threat assessment team.

(2) The Agency of Education, in consultation with the Department of Public Safety, shall develop guidance and resources to assist supervisory unions, supervisory districts, and independent schools in providing the annual training required under this subsection. In developing the guidance on bias

training for behavioral threat assessment teams, the Agency and Department shall consult with the Vermont Office of Racial Equity.

(e) Data reporting and collection. Annually, each supervisory union, supervisory district, and approved or recognized independent school shall report data related to completion of and outcomes of all behavioral threat assessments and manifestation determination reviews to the Agency in a format approved by the Secretary. At a minimum, the annual report shall include:

(1) the names of the members of the behavioral assessment team;

(2) the number of behavioral threat assessments and manifestation determination reviews conducted in the preceding year and for each assessment or review conducted:

(A) a description of the behavior requiring an assessment;

(B) the age, grade, race, gender, disability status, and eligibility for free or reduced-price school meals of the student requiring the assessment; and

(C) the results of each assessment or review;

(3) the number of students subjected to more than one behavioral threat assessment or manifestation determination review;

(4) the amount of time a student is out of school pending completion of a behavioral threat assessment;

(5) information regarding whether a student subject to a behavioral threat assessment was also subject to exclusionary discipline for the same behavior, including the length of such discipline;

(6) information regarding whether law enforcement was involved in a behavioral threat assessment;

(7) information regarding whether the threatening behavior was also reported to law enforcement; and

(8) any additional data the Secretary of Education determines may be necessary.

Rep. Long of Newfane presiding.

Rep. Bartley of Fairfax explained her vote as follows:

“Madam Speaker:

While S.100 does not go far enough to address the housing crisis and much needed Act 250 reform, my hope is that we use the momentum of this bill as not only a vehicle but more importantly a promise to Vermonters to address pro-housing Act 250 reform next session.”

Rep. Galfetti of Barre Town explained her vote as follows:

“Madam Speaker:

I vote no on this bill. Who better to control the character and composition of a town than those who know the town best. As a representative of Barre Town I stand in opposition to this bill along with my select board and planning commission.”

Rep. Hyman of South Burlington explained his vote as follows:

“Madam Speaker:

I rise to support S.100 and to explain why I voted yes. The Senate sent us a good bill and this body made it better. I want to thank your Committee on Environment and Energy. I’ve been following this bill closely from the beginning in the Senate, which took a lot of testimony on the bill. I want to thank them for their hard work.”

Rep. James of Manchester explained her vote as follows:

“Madam Speaker:

S.100 acknowledges the urgency of building and expanding access to housing – in communities all across the State – while focusing these efforts in a way that supports smart growth and discourages sprawl. It makes it easier to build housing in our downtowns and neighborhoods, creating more vibrant and sustainable communities now and for the future. I was glad to vote yes for S.100.”

Rep. Long of Newfane explained her vote as follows:

“Madam Speaker:

I voted yes to help Vermont make meaningful progress to address our housing crisis. The critical lack of affordable and available housing is felt in every corner of our State – it impacts students, young families, older Vermonters, employers, and our workforce. This bill represents significant stakeholder engagement and modernization of our regulatory framework around development so that we can better meet the housing needs of our communities and move Vermont forward.”

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

I cannot support a bill that an organization, who represents all, or nearly all, of our municipalities is opposed to. The Vermont League of Cities and Towns is opposed, and I am as well.”

Rep. Sammis of Castleton explained his vote as follows:

“Madam Speaker:

A society’s greatness is judged by its ability to care for those who cannot care for themselves. This bill, while not perfect, is a step in the right direction, and it will save lives. Thank you.”

H.C.R. 114

House concurrent resolution honoring Karen Horn of Moretown for her exemplary leadership representing and strengthening local government in Vermont

Offered by: All Members of the House

Whereas, Karen Horn's academic and professional journey, which led to her role as an informed municipal policy advocate at the Vermont State House, began when she earned her bachelor's and master's degrees in political science from McGill University and the University of Vermont, respectively, and

Whereas, earlier in her career, Karen Horn served as Director of the Executive Office of Housing and Economic Development in Massachusetts, and she was subsequently an economic and community development specialist in the Vermont Department of Housing and Community Affairs, and

Whereas, since joining the staff of the Vermont League of Cities and Towns (VLCT) in 1987, where she has served as Director of Public Policy and Advocacy, Karen Horn has advised U.S. Senators and Representatives, Governors, members of the General Assembly, and elected and appointed local officials on all aspects of municipal government, and

Whereas, Karen Horn's unique ability to track, prognosticate about, and guide legislation in every corner of the State House made the VLCT Weekly Legislative Report and every annual Legislative Preview and Wrap-Up must-read resources, and

Whereas, anyone who has worked with Karen Horn or heard her speak in a legislative forum knows that she approaches her advocacy work with dignity, honesty, and respect, and

Whereas, her tireless efforts on behalf of municipalities have resulted in the General Assembly's increasing transportation funding for local governments, expanding local option tax authority, amending dozens of municipal charters, and ensuring a municipal voice in all pertinent State House deliberations, and

Whereas, to satisfy her insatiable interest in local government, Karen Horn has served on Moretown's energy committee and planning commission, as well as its school board, and she is concluding her illustrious VLCT career, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly honors Karen Horn of Moretown for her exemplary leadership representing and strengthening local government in Vermont and extends best wishes for the future, and be it further

(j) Except for claims alleging a violation of subdivision (a)(7) of this section or disparate impact discrimination an employee shall not be required to demonstrate the existence of another employee or individual to whom the employee's treatment can be compared to establish a violation of this section.

(k) Notwithstanding any State or federal judicial precedent to the contrary:

I voted yes for H.165 because I recognize that school nutrition is an essential element in every child’s education. Thankfully, we do not question a student’s need for such things as instructional materials, transportation, afterschool activities, Chromebooks, or iPads. We provide these things equally to all students as vital parts of their educational experience. School nutrition is no different.”

Rep. Beck of St. Johnsbury explained his vote as follows:

“Madam Speaker:

When constituents ask who pays for Universal School Meals, make sure to tell them it will be on their property tax bill.”

Rep. Brady of Williston explained her vote as follows:

“Madam Speaker:

I am proud to vote for H. 165. No matter how anonymous a system may be for students who qualify for free and reduced priced lunch, damaging stigma remains. Across all income levels, children are attuned to distinctions between themselves and other students - that's a basic tenet of child development. When meals are not universally free for all students, the students who qualify often skip the meal to avoid any sense of labeling, particularly as they get older. School nutrition staff told us that they used to routinely see students in their schools who don’t access free/reduced meals because of the stigma felt by students and as a public-school teacher for 17 years, I know this to be true. With a universal school meal program more students share the same meal, eliminating differences and shifting the school culture.”

Rep. Cole of Hartford explained her vote as follows:

“Madam Speaker:

I am proud of our State for leading the nation in taking a systemic approach to the fight against hunger – one which simultaneously supports the dignity of students, increases opportunities for institutional purchasing from local farms, and maximizes the efficacy of our tax dollars through the drawdown of federal funds.”

Rep. Galfetti of Barre Town explained her vote as follows:

“Madam Speaker:

I voted no on this amendment because stigma is in the shoes. Social class can be determined simply by looking at the number and type of shoes a kid has. I know this because I had one pair and a single working mother to provide them. Folks that can afford to, should pay. Rather than implement a regressive tax that will penalize the very people we are trying to help.”

Rep. Hango of Berkshire explained her vote as follows:

“Madam Speaker:

I voted no because technology and resources exist to both identify students in need and compensate the food service organization, in conjunction with school officials so that no student who suffers from food insecurity goes hungry.”

Rep. Hyman of South Burlington explained his vote as follows:

“Madam Speaker:

I vote yes today on H.165 to feed our children. I vote yes today to acknowledge all the work my son Lucius Hyman, his class, and his teacher Becca Auritt, did on H.165. My son visited the People’s House with his class to participate in the legislative process. I am very proud of him, his teacher, and his class. As well as all of Vermont’s children and parents for the work they’ve done. I thank you for your committee’s hard work.”

Rep. James of Manchester explained her vote as follows:

“Madam Speaker:

We do not question a child’s family income to attend class, play on a school sports team, sing in the choir, or ride a school bus. Why would we means-test a nutritious meal? Voting yes for H.165 is the right thing for students, families, and for our schools.”

Rep. Sammis of Castleton explained his vote as follows:

“Madam Speaker:

I rise today to support this bill, because I was one of those kids who would not have qualified. Even though both my parents worked hard in their businesses, I was one of four kids. There were tough times where we often had to stretch to make ends meet. My siblings and I would not have qualified due to my parents’ businesses. We should give all children the ability to eat – not based on their parents’ income, but because it’s what’s right.”

Rep. Smith of Derby explained his vote as follows:

“Madam Speaker:

While I fully support helping families with a need, I don’t think that a family with an income of \$100,000 or \$200,000, or half a million a year should be getting free lunches. We don’t like their tax breaks so why should we like this freebee program for the wealthy?”

Rep. Toof of St. Albans Town explained his vote as follows:

“Madam Speaker:

I vote no today because this \$29 million bill is included in over \$80 million in new property taxes on Vermonters this year. I made a promise to make Vermont more affordable and I intend to keep that promise.”

(1) in any answer or response to the litigation being filed, initiated, advanced, or continued;

(3) in an answer or response to any motion or request for an order; or

(f) The provisions of this subchapter are nonexclusive and shall not affect any other remedy available.

§ 1183. HEARING; PROCEDURE

At the hearing, evidence of any of the following shall create a rebuttable presumption that litigation is being initiated, advanced, or continued primarily for the purpose of harassing, intimidating, or maintaining contact with the other party:

(1) The same or substantially similar issues between the same or substantially similar parties have been litigated within the past five years in the same court or any other court of competent jurisdiction.

(2) The same or substantially similar issues between the same or substantially similar parties have been raised, pled, or alleged in the past five years and were decided on the merits or dismissed.

(3) Within the last 10 years, the party allegedly engaging in abusive litigation has been sanctioned by any court for filing one or more cases, petitions, motions, or other filings that were found to have been frivolous,

vexatious, intransigent, or brought in bad faith involving the same opposing party.

(4) Any court has determined that the party allegedly engaging in abusive litigation has previously engaged in abusive litigation or similar conduct and has been subject to a court order imposing prefiling restrictions.

§ 1184. BURDEN OF PROOF

(a) If the court finds by a preponderance of the evidence that a party is engaging in abusive litigation and that any or all of the motions or actions pending before the court are abusive litigation, the litigation shall be dismissed, denied, stricken, or resolved by other disposition with prejudice.

(b) After providing the parties an opportunity to be heard on any order or sanctions to be issued, the court may enter an order restricting abusive litigation that may include conditions deemed necessary and appropriate including:

(1) awarding the other party reasonable attorney's fees and costs of responding to the abusive litigation, including the cost of seeking the order restricting abusive litigation; and

(2) identifying the party protected by the order and imposing prefiling restrictions upon the party found to have engaged in abusive litigation that pertains to any future litigation against the protected party or the protected party's dependents.

(c) If the court finds that the litigation does not constitute abusive litigation, the court shall enter written or oral findings and the litigation shall proceed. Nothing in this section or chapter shall be construed as limiting the court's inherent authority to control the proceedings and litigants before it.

§ 1185. FILING OF A NEW CASE BY A PERSON SUBJECT TO AN ORDER RESTRICTING ABUSIVE LITIGATION

(a) Except as otherwise provided in this section, a person who is subject to an order restricting abusive litigation is prohibited from filing, initiating, advancing, or continuing the litigation against the protected party for the period of time that the filing restrictions are in effect.

(b) A person who is subject to an order restricting litigation against whom prefiling restrictions have been imposed pursuant to this subchapter who wishes to initiate a new case or file a motion in an existing case during the time the person is under filing restrictions shall make an application to a judicial officer. A judicial officer shall review such application and determine whether the proposed litigation is abusive litigation or if there are reasonable

and legitimate grounds upon which the litigation is based. The judicial officer shall determine whether a hearing is necessary.

(c)(1) If the judicial officer determines the proposed litigation is abusive litigation based on reviewing the files, records, and pleadings, it is not necessary for the person protected by the order to appear or participate in any way. If the judicial officer is unable to determine whether the proposed litigation is abusive without hearing from the person protected by the order, then the court shall issue an order scheduling a hearing and notifying the protected party of the party's right to appear or participate in the hearing. The order shall specify whether the protected party is expected to submit a written response. When possible, the protected party shall be permitted to appear remotely.

(2) If the judicial officer believes the litigation that the party who is subject to the prefiling order is making application to file will constitute abusive litigation, the application shall be denied, dismissed, or otherwise disposed of with prejudice.

(3) If the judicial officer believes that the litigation the party who is subject to the prefiling order is making application to file will not be abusive litigation, the judicial officer may grant the application and issue an order permitting the filing of the case, motion, or pleading. The order shall be attached to the front of the pleading to be filed with the clerk. The party who is protected by the order shall be served with a copy of the order at the same time as the underlying pleading.

(d) The judicial officer shall make findings and issue a written order supporting the ruling. If the party who is subject to the order disputes the finding of the judicial officer, the party may seek review of the decision as provided by the applicable court rules.

(e) If the application for the filing of a pleading is granted pursuant to this section, the period of time commencing with the filing of the application requesting permission to file the action and ending with the issuance of an order permitting filing of the action shall not be computed as a part of any applicable period of limitations within which the matter must be instituted.

(f) If, after a party who is subject to prefiling restrictions has made application and been granted permission to file or advance a case pursuant to this section, any judicial officer hearing or presiding over the case, or any part thereof, determines that the person is attempting to add parties, amend the complaint, or is otherwise attempting to alter the parties and issues involved in the litigation in a manner that the judicial officer reasonably believes would constitute abusive litigation, the judicial officer shall stay the proceedings and

refer the case back to the judicial officer who granted the application to file, for further disposition.

(g)(1) If a party who is protected by an order restricting abusive litigation is served with a pleading filed by the person who is subject to the order, and the pleading does not have an attached order allowing the pleading, the protected party may respond to the case by filing a copy of the order restricting abusive litigation.

(2) If it is brought to the attention of the court that a person against whom prefiling restrictions have been imposed has filed a new case or is continuing an existing case without having been granted permission pursuant to this section, the court shall dismiss, deny, or otherwise dispose of the matter. This action may be taken by the court on the court's own motion or initiative. The court may take whatever action against the perpetrator of abusive litigation deemed necessary and appropriate for a violation of the order restricting abusive litigation.

(3) Lodging. Each member shall receive either a lodging allowance or reimbursement of actual lodging expenses. A member shall be presumed to have elected to receive the lodging allowance unless the member informs the Office of Legislative Operations prior to the convening of the regular or adjourned session that the member wishes to receive reimbursement of actual lodging expenses. A member's election to receive reimbursement of actual lodging expenses shall remain in effect through the remainder of that session unless the member notifies the Office, in writing, that the member needs to change to the lodging allowance due to a change in circumstances or for another compelling reason.

(A) Lodging allowance. A member who elects to receive a lodging allowance shall receive an amount equal to the daily amount for lodging determined for Montpelier, Vermont, by the federal Office of Government-wide Policy and published in the Federal Register for the year of the session for each day the House in which the member serves shall sit.

(B) Lodging reimbursement. A member who elects to receive reimbursement of expenses shall receive reimbursement equal to the actual amounts expended by the member for lodging for each day that the House in which the member serves shall sit, as well as lodging for the night preceding the first legislative day of each week during the legislative session; provided, however, that the total amount of the weekly reimbursement available pursuant to this subdivision for each week shall not exceed the amount the member would have received for the same week if the member had elected the lodging allowance pursuant to subdivision (A) of this subdivision (3). The member shall provide lodging receipts or otherwise substantiate the amounts expended to the Office of Legislative Operations in the form and manner prescribed by the Director of Legislative Operations.

(4) Absences. If a member is absent for reasons other than sickness or legislative business for one or more entire days while the house in which the member sits is in session, the member shall notify the Office of Legislative Operations of that absence, and ~~expenses received shall not include the amount that the legislator specifies was not incurred~~ the member shall not receive or be reimbursed for mileage, meals, or lodging expenses incurred during the period

of that absence.

Third: In Sec. 6, Legislative Service Working Group, in subdivision (c)(1), by adding a new subdivision to be subdivision (C) to read as follows:

Rep. Arrison of Weathersfield explained his vote as follows:

“Madam Speaker:

I voted no because 12 weeks may not be the right number. However, I urge the body to explore the right number. We are considering a pay and benefit increase to encourage more to serve; perhaps a shorter session with a definitive end might accomplish the same.”

Rep. Mrowicki of Putney explained his vote as follows:

“Madam Speaker:

I support your House Committee on Government Operations and oppose this amendment. In a more complex world, with regular expressions in this body and committees that we’re moving too fast, this amendment pushes us backward instead of moving us forward into the 21st century.”

Rep. Rachelson of Burlington explained her vote as follows:

“Madam Speaker:

I cannot in good faith vote for an amendment that significantly shortens Vermont’s legislative session. Even if we eliminated announcements, resolutions, vote explanations, and worked Mondays and holidays, we cannot possibly do the work that needs to be done in 12 weeks. This is not the way to cut costs. These are laws we are talking about and they affect the people of Vermont.”

Pending the question, Shall the bill be read a third time?, **Rep. Harrison of Chittenden** moved to amend the House proposal of amendment as follows:

First: By striking out Secs. 2–4 (legislator compensation and expenses) and their reader assistance heading in their entirety and inserting in lieu thereof the following:

* * * Legislator Expenses * * *

Sec. 2. [Deleted.]

Sec. 3. [Deleted.]

(d) Death of a member. If a member of the General Assembly dies while the General Assembly is in session, the estate of the deceased member shall be entitled to receive compensation for the entire pay period in which the death occurred.

Brownell of Pownal	Pearl of Danville	Samms of Castleton
--------------------	-------------------	--------------------

Rep. Birong of Vergennes explained his vote as follows:

“Madam Speaker:

My yes vote today is on behalf of past members who found this role to be too financially burdensome to continue serving. These friends and colleagues, who, as they moved on from this body, most of them in their 20s, 30s, and 40s, most with tears in their eyes, pleaded with us to make serving in the Legislature financially possible.”

Rep. Bluemle of Burlington explained her vote as follows:

“Madam Speaker:

There will never be a good time to address the issue of legislative compensation. The topic will always be understood, by some, as self-serving. I am voting yes because it is the necessary thing to do, for this body, and for the next waves of legislators who will take our places in these wildly uncomfortable seats.”

Rep. Boyden of Cambridge explained her vote as follows:

“Madam Speaker:

No matter how strong the passion for service, pay and benefits make the Legislature inaccessible to many Vermonters who are not retired or independently wealthy. Our legislative structure must modernize if we want a truly representative government that Vermonters deserve.”

Rep. Brown of Richmond explained her vote as follows:

“Madam Speaker:

I voted yes in strong support of this bill. For this body to truly function as the People’s House, it needs to reflect the diversity of Vermonters we represent and be accessible to those who want to serve regardless of their economic circumstances.”

Rep. Chase of Chester explained her vote as follows:

“Madam Speaker:

The General Assembly of Vermont is an integral part of our history and democracy. There is a strong commitment and universal sacrifice that each one of us makes to be here to represent our communities. I understand that I am a steward of seat 42 and my vote today is for the future occupants of this seat. It is my hope that this body will be rich with diversity. S.39 is an investment in future legislatures and is a step toward fully acknowledging and valuing the vital work that is done under the dome by the General Assembly of Vermont.”

Rep. Chesnut-Tangerman of Middletown Springs explained his vote as follows:

“Madam Speaker:

It is a privilege to serve in this body. It is also out of reach for too many. I vote yes to provide others the possibility of this service.”

Rep. Donahue of Northfield explained her vote as follows:

“Madam Speaker:

Rushing to raise pay and benefits in statute to ‘make progress’ for 2025, prior to hearing from a study due back in 2024 that may propose yet further pay and benefit increases, is disingenuous to the extreme.”

Rep. Goldman of Rockingham explained her vote as follows:

“Madam Speaker:

It has been an honor and a privilege to represent my constituents in this House for the last three years. Being a legislator confers respect because of what the position means. This position means working for constituents and Vermonters to make their lives better. These responsibilities occur throughout the year, but this position is not accessible to many due to the structure of the partial year schedule, inadequate compensation, and lack of access to healthcare. I voted yes for S.39 because I want a legislature that is much more accessible to a more diverse group of Vermonters, younger people, people with lower incomes, and people with different backgrounds. Fair compensation for the important work we do representing Vermonters in Montpelier, as well as the year round support we give to constituents, is a step in acknowledging the importance of the position and supporting those who come after us.”

Rep. Notte of Rutland City explained his vote as follows:

“Madam Speaker:

In my five years here, I have been disappointed to watch several representatives – from multiple parties – arrive, begin to make an impact for their communities, but then decide they couldn’t remain in office because they simply could not afford to do so. These representatives were primarily younger – working age, raising families. Without an increase in legislative pay we silence the voices of thousands of Vermonters – we essentially lock the doors of the State House to people whose voices would be extremely valuable as we work to best serve all Vermonters.”

Rep. Parsons of Newbury explained his vote as follows:

“Madam Speaker:

Morally I cannot support this bill. To offset the burden of this session’s tax and fee increases, we are raising salaries...for ourselves. Better luck next time Vermonters.”

Rep. Pouech of Hinesburg explained his vote as follows:

“Madam Speaker:

When I was considering running for the Legislature, I did not have to contend with the limited salary and potential loss of family income, only because I had reached my retirement. This fact highlights the privilege I have which allowed me to enter the election. Economic privilege should not be a primary qualification for those who consider service in this body. I supported this bill so that our State House doors will be opened wider and enable more of our fellow citizens, who have a desire, to serve. This bill will help bring back the original intent of our State Constitution; to have our State government truly represented by all our citizens.”

Rep. Rachelson of Burlington explained her vote as follow:

“Madam Speaker:

Public Service shouldn't equate to poverty. We don't pay the Governor or other State public servants, so poorly or fail to give them any benefits. Being a State representative and holding a job or jobs isn't easy, as I, and so many other current and former legislators have experienced. Seeking a job is equally difficult when the potential employer notes that you are a legislator, and either asks 'how that is going to work' or simply doesn't pursue your application. This bill isn't going to pay legislators wildly high salaries, but it will make a difference.”

Rep. Smith of Derby explained his vote as follows:

“Madam Speaker:

I truly hope that the voters of Vermont will remember this day. I hope they remember who gave themselves a full-time job and a raise at their expense! This is an embarrassment! Shame on all of you!”

Rep. Stone of Burlington explained her vote as follows:

“Madam Speaker:

I voted yes because I pledged to myself and to my constituents that I would step into places of vulnerability to speak truth, to improve access, and, most importantly, to uplift and make room for those who are usually not heard.”

Rep. Toof of St. Albans Town explained his vote as follows:

“Madam Speaker:

I vote no because the audacity it takes to raise our pay by 50% while simultaneously raising our budget by 13% and numerous taxes and fees is unconscionable.”

Rep. Whitman of Bennington explained his vote as follows:

“Madam Speaker:

A Vermonter’s service in elected office should be determined by their ability to be elected by their constituents, not their personal finances. Too many Vermonters are excluded from serving in the Legislature because of their inability to afford being a State Representative. This is a bad design for participant democracy. I vote yes.”

Rep. Williams of Barre City explained his vote as follows:

“Madam Speaker:

I vote yes on S.39 for those who we barred by privileges from these halls. Let us enable those who come after us the capacity to serve where otherwise they could not afford to do so. Let them knock down that door.”

Brownell of Pownal

[For text of the Governor's veto letter, see House Journal of Monday, May 8, 2023.]

Rep. Galfetti of Barre Town explained her vote as follows:

“Madam Speaker:

I voted no because A) this bill will not impact climate change, B) the push to burn wood that this bill will create will both boost carbon output and create a volatile market, and C) most importantly, the people asked me to. I do not believe that the people have been coerced. I believe the people are intelligent and can see this proposed carbon tax is detrimental to Vermonters.”

Rep. Headrick of Burlington explained his vote as follows:

“Madam Speaker:

How we all plan to afford to heat our homes does not make one bit of difference to 2,000 of our most vulnerable Vermonters who don’t have any home or any shelter to heat. I will quote Steve Prefontaine and have us all consider the fact that ‘You cannot propel yourself forward by patting yourself on the back.’ I urge this body to withhold celebration on this or any bill as we’re about to completely disregard the needs of those who we cast aside and deliberately unshelter with this year’s budget.”

Rep. James of Manchester explained her vote as follows:

“Madam Speaker:

I believe that everyone who serves in the legislature shares a common goal: to help the people we serve. The Clean Heat Standard holds tremendous potential to do that: to help people save money in a sustainable way. I vote yes to move toward a future solution.”

Rep. McFaun of Barre Town explained his vote as follows:

“Madam Speaker:

I voted no on S.5 because the people I heard from in my district were many, loud, and clear. When they asked me to vote no I heard them and represented their voices in voting no.”

Rep. Mrowicki of Putney explained his vote as follows:

“Madam Speaker:

TIME TO ACT. After seven years of foot dragging and hitting the brakes for six years. TIME TO ACT. The status quo of oil prices going up \$2 per gallon is unsustainable. I can’t vote for more of this. Time to act, and so I vote YES.”

Rep. Roberts of Halifax explained his vote as follows:

“Madam Speaker:

Vermonters want us to prepare for the future. It’s what we each do in our own homes, to the best of our ability and means. Unfortunately, our State has massive disparities who among us is ready for future price increases in fossil fuels. And as a society we are not at all ready for the next 50 years, the span of time in which we will use up all our planet’s oil and gas at current consumption rates. In this context, I found the Governor’s veto message unpersuasive, and not only because it sounded just like last years. He would risk another year of not preparing for our future over a technicality. I say, let’s get on with preparing for the future. I vote Yes to develop and continue to study the Clean Heat Standard.”

Rep. Sammis of Castleton explained his vote as follows:

“Madam Speaker:

I just wanted to say how glad I am we took a roll call vote, so when the cost of living goes up for the citizens of our State, yet again...they know exactly who to blame.”

Rep. Sheldon of Middlebury explained her vote as follows:

“Madam Speaker:

Rather than being afraid and postponing actions that address our addiction to fossil fuels, the Affordable Heat Act gives us a responsible framework to meet our carbon reduction goals. The Affordable Heat Act is a commitment to work together for a brighter future. Our children are counting on us to do everything we can for the future of people and the planet.”

Rep. Smith of Derby explained his vote as follows:

“Madam Speaker:

I want to offer my constituents in Derby and former constituents of Morgan, Holland, Charleston, and Brownington my sincere apologies for the passage of S.5.”

Sec. 27. MILEAGE-BASED USER FEE LEGISLATIVE INTENT

It is the intent of the General Assembly for the State:

(1) to start collecting a mileage-based user fee from all battery-electric vehicles registered in Vermont starting on July 1, 2025, which is expected to be the first day of the first fiscal year when more than 15 percent of new pleasure car registrations in the State are plug-in electric vehicles (PEVs);

(2) to start subjecting plug-in hybrid electric vehicles (PHEVs) that are a pleasure car to an increased annual or a biennial registration fee starting on July 1, 2025, and that PHEVs shall not be subject to a mileage-based user fee;

(3) to work towards collecting a fee on kWhs that are dispensed through certain electric vehicle supply equipment available to the public so as to supplant lost gas tax revenue from PEVs; and

(4) to not commence collecting a mileage-based user fee until such authorizing language is codified in statute and becomes effective.

Sec. 28. MILEAGE-BASED USER FEE AUTHORIZATION

(a) Within the Agency of Transportation’s Proposed Fiscal Year 2024 Transportation Program for Environmental Policy and Sustainability, the Agency of Transportation, including the Department of Motor Vehicles, is authorized to apply for and accept a competitive federal Strategic Innovation for Revenue Collection grant established pursuant to the Infrastructure Investment and Jobs Act, Pub. (1) Use of the transportation facility by pedestrians, bicyclists, or other users is prohibited by law.

(2) The cost of incorporating complete streets principles is disproportionate to the need or probable use as determined by factors such as land use, current and projected user volumes, population density, crash data, historic and natural resource constraints, and maintenance requirements. The municipality shall consult local and regional plans, as appropriate, in assessing these and any other relevant factors. If the municipality managing the project bases the written determination required under this subsection in whole or in

part on this subdivision then the project manager shall provide a supplemental written determination with specific details on costs, needs, and probable uses, as applicable.

(3) Incorporating complete streets principles is outside the limited scope of a project as defined in the latest version of the Agency's Complete Streets Guidance.

(b) Public data source.

(1) The Agency of Transportation shall maintain a web-accessible and web-searchable data source dedicated to complete streets on the Agency's website that shall contain information on all State-managed transportation projects that have been bid since January 1, 2023, including a description of the project, the location of the project, which complete streets principles were incorporated in the project, as applicable, and an explanation as to which circumstance or circumstances contained in subsection 2403(a) of this chapter existed in the case of projects not incorporating complete streets principles.

(2) The web-accessible and web-searchable data source required under this subsection shall be updated on at least an annual basis.

Sec. 36. IMPLEMENTATION; PUBLIC DATA SOURCE

The Agency shall create and make accessible to the general public the web-accessible and web-searchable data source required under 19 V.S.A. § 2404(b), as added by Sec. 35 of this act, on or before January 1, 2024.

§ 4003. APPLICABILITY

This chapter applies to all powers of attorney except:

(1) a power to the extent it is coupled with an interest in the subject of the power, including a power given to or for the benefit of a creditor in connection with a credit transaction;

(2) a power to make health-care decisions;

(3) a proxy or other delegation to exercise voting rights or management rights with respect to an entity;

(4) a power created on a form prescribed by a government or governmental subdivision, agency, or instrumentality for a governmental purpose; and

(5) a power of reciprocal insurers under 8 V.S.A. § 4838.

§ 4004. POWER OF ATTORNEY IS DURABLE

A power of attorney created under this chapter is durable unless it expressly provides that it is terminated by the incapacity or unavailability of the principal.

§ 4005. EXECUTION OF POWER OF ATTORNEY

A power of attorney shall be signed by the principal or in the principal’s conscious presence by another individual directed by the principal to sign the principal’s name on the power of attorney. A signature on a power of attorney is presumed to be genuine if the principal acknowledges the signature before a

notary public or other individual authorized by law to take acknowledgments.

§ 4006. VALIDITY OF POWER OF ATTORNEY

(a) A power of attorney executed in this State on or after July 1, 2023 is valid if its execution complies with section 4005 of this title.

(b) A power of attorney executed in this State before July 1, 2023 is valid if its execution complied with the law of this State as it existed at the time of execution.

(c) A power of attorney executed other than in this State is valid in this State if, when the power of attorney was executed, the execution complied with:

(1) the law of the jurisdiction that determines the meaning and effect of the power of attorney pursuant to section 4007 of this title; or

(2) the requirements for a military power of attorney pursuant to 10 U.S.C. § 1044b, as amended.

(d) Except as otherwise provided by statute other than this chapter, a photocopy or electronically transmitted copy of an original power of attorney has the same effect as the original.

(e) Except as otherwise provided by statute other than this chapter, a power of attorney that complies with this chapter is valid.

§ 4007. MEANING AND EFFECT OF POWER OF ATTORNEY

The meaning and effect of a power of attorney is determined by the law of the jurisdiction indicated in the power of attorney and, in the absence of an indication of jurisdiction, by the law of the jurisdiction in which the power of attorney was executed.

§ 4008. NOMINATION OF GUARDIAN; RELATION OF AGENT TO COURT-APPOINTED FIDUCIARY

(a) In a power of attorney, a principal may nominate a guardian of the principal's estate or a guardian of the principal's person for consideration by the court if protective proceedings for the principal's estate or person are begun after the principal executes the power of attorney. Except for good cause shown or disqualification, the court shall make its appointment in accordance with the principal's most recent nomination.

(b) If, after a principal executes a power of attorney, a court appoints a guardian of the principal's estate or other fiduciary charged with the management of some or all of the principal's property, the agent is accountable to the fiduciary as well as to the principal. The power of attorney is not

terminated, and the agent's authority continues unless limited, suspended, or terminated by the court.

§ 4009. WHEN POWER OF ATTORNEY EFFECTIVE

(a) A power of attorney is effective when executed unless the principal provides in the power of attorney that it becomes effective at a future date or upon the occurrence of a future event or contingency.

(b) If a power of attorney becomes effective upon the occurrence of a future event or contingency, the principal, in the power of attorney, may authorize one or more persons to determine in a writing or other record that the event or contingency has occurred.

(c) If a power of attorney becomes effective upon the principal's incapacity or unavailability and the principal has not authorized a person to determine whether the principal is incapacitated or unavailable, or the person authorized is unable or unwilling to make the determination, the power of attorney becomes effective upon a determination in a writing or other record by:

(1) a licensed health care professional working within the professional's scope of practice, including a physician licensed pursuant to 26 V.S.A. chapter 23 or 33 and a psychologist licensed pursuant to 26 V.S.A. chapter 55, that the principal is incapacitated within the meaning of subdivision 4002(7)(A) of this chapter; or

(2) an attorney at law, a judge, or an appropriate governmental official that the principal is unavailable within the meaning of 4002(7)(B) of this chapter.

(d) A person authorized by the principal in the power of attorney to determine that the principal is incapacitated or unavailable may act as the principal's personal representative pursuant to the Health Insurance Portability and Accountability Act; Sections 1171 through 1179 of the Social Security Act; 42 U.S.C. § 1320d, as amended; and applicable regulations to obtain access to the principal's health-care information and communicate with the principal's health-care provider.

§ 4010. TERMINATION OF POWER OF ATTORNEY OR AGENT'S AUTHORITY

(a) A power of attorney terminates when:

(1) the principal dies;

(2) the principal becomes incapacitated or unavailable, if the power of attorney is not durable;

(3) the principal revokes the power of attorney;

(4) the power of attorney provides that it terminates;
(5) the purpose of the power of attorney is accomplished; or
(6) the principal revokes the agent's authority or the agent dies, becomes incapacitated or unavailable, or resigns, and the power of attorney does not provide for another agent to act under the power of attorney.

(b) An agent's authority terminates when:

(1) the principal revokes the authority;
(2) the agent dies, becomes incapacitated or unavailable, or resigns;
(3) a petition for divorce, annulment, separation, or a decree of nullity is filed with respect to the agent's marriage to the principal, unless the power of attorney otherwise provides; or

(4) the power of attorney terminates.

(c) Unless the power of attorney otherwise provides, an agent's authority is exercisable until the authority terminates under subsection (b) of this section, notwithstanding a lapse of time since the execution of the power of attorney.

(d) Termination of an agent's authority or of a power of attorney is not effective as to the agent or another person that, without actual knowledge of the termination, acts in good faith under the power of attorney. An act so performed, unless otherwise invalid or unenforceable, binds the principal and the principal's successors in interest.

(e) Incapacity or unavailability of the principal of a power of attorney that is not durable does not revoke or terminate the power of attorney as to an agent or other person that, without actual knowledge of the incapacity or unavailability, acts in good faith under the power of attorney. An act so performed, unless otherwise invalid or unenforceable, binds the principal and the principal's successors in interest.

(f) The execution of a power of attorney does not revoke a power of attorney previously executed by the principal unless the subsequent power of attorney provides that the previous power of attorney is revoked or that all other powers of attorney are revoked.

(g) The principal of a power of attorney may not revoke the power of attorney if the principal has been determined to be incapacitated.

§ 4011. CO-AGENTS AND SUCCESSOR AGENTS

(a) A principal may designate two or more persons to act as co-agents. Unless the power of attorney otherwise provides, each co-agent may exercise its authority independently.

(b) A principal may designate one or more successor agents to act if an agent resigns, dies, becomes incapacitated or unavailable, is not qualified to serve, or declines to serve. A principal may grant authority to designate one or more successor agents to an agent or other person designated by name, office, or function. Unless the power of attorney otherwise provides, a successor agent:

(1) has the same authority as that granted to the original agent; and

(2) may not act until all predecessor agents have resigned, died, become incapacitated or unavailable, are no longer qualified to serve, or have declined to serve.

(c) Except as otherwise provided in the power of attorney and subsection (d) of this section, an agent who does not participate in or conceal a breach of fiduciary duty committed by another agent, including a predecessor agent, is not liable for the actions of the other agent.

(d) An agent who has actual knowledge of a breach or imminent breach of fiduciary duty by another agent shall notify the principal and, if the principal is incapacitated or unavailable, take any action reasonably appropriate in the circumstances to safeguard the principal's best interests. An agent who fails to notify the principal or take action as required by this subsection is liable for the reasonably foreseeable damages that could have been avoided if the agent had notified the principal or taken such action.

§ 4012. REIMBURSEMENT AND COMPENSATION OF AGENT

Unless the power of attorney otherwise provides, an agent is entitled to reimbursement of expenses reasonably incurred on behalf of the principal and to compensation that is reasonable under the circumstances.

§ 4013. AGENT'S ACCEPTANCE

Except as otherwise provided in the power of attorney, a person accepts appointment as an agent under a power of attorney by exercising authority or performing duties as an agent or by any other assertion or conduct indicating acceptance.

§ 4014. AGENT'S DUTIES

(a) Notwithstanding provisions in the power of attorney, an agent who has accepted appointment shall:

(1) act in accordance with the principal's reasonable expectations to the extent actually known by the agent and otherwise in the principal's best interests;

(2) act in good faith; and

(3) act only within the scope of authority granted in the power of attorney.

(b) Except as otherwise provided in the power of attorney or other provision of this chapter, an agent that has accepted appointment shall have no further obligation to act under the power of attorney. However, with respect to any action taken by the agent under the power of attorney, the agent shall:

(1) act loyally for the principal's benefit;

(2) act so as not to create a conflict of interest that impairs the agent's ability to act impartially in the principal's best interests;

(3) act with the care, competence, and diligence ordinarily exercised by agents in similar circumstances;

(4) keep a record of all receipts, disbursements, and transactions made on behalf of the principal;

(5) cooperate with a person who has authority to make health-care decisions for the principal to carry out the principal's reasonable expectations to the extent actually known by the agent and otherwise act in the principal's best interests; and

(6) attempt to preserve the principal's estate plan, to the extent actually known by the agent, if preserving the plan is consistent with the principal's best interests based on all relevant factors, including:

(A) the value and nature of the principal's property;

(B) the principal's foreseeable obligations and need for maintenance;

(C) minimization of taxes, including income, estate, inheritance, generation-skipping transfer, and gift taxes; and

(D) eligibility for a benefit, a program, or assistance under a statute or regulation.

(c) An agent who acts in good faith is not liable to any beneficiary of the principal's estate plan for failure to preserve the plan.

(d) An agent who acts with care, competence, and diligence for the best interests of the principal is not liable solely because the agent also benefits from the act or has an individual or conflicting interest in relation to the property or affairs of the principal.

(e) If an agent is selected by the principal because of special skills or expertise possessed by the agent or in reliance on the agent's representation that the agent has special skills or expertise, the special skills or expertise must be considered in determining whether the agent has acted with care,

competence, and diligence under the circumstances.

(f) Absent a breach of duty to the principal, an agent is not liable if the value of the principal's property declines.

(g) An agent who exercises authority to delegate to another person the authority granted by the principal or who engages another person on behalf of the principal is not liable for an act, error of judgment, or default of that person if the agent exercises care, competence, and diligence in selecting and monitoring the person.

(h) Except as otherwise provided in the power of attorney, an agent is not required to disclose receipts, disbursements, or transactions conducted on behalf of the principal unless ordered by a court or requested by the principal, a guardian, a conservator, another fiduciary acting for the principal, a governmental agency having authority to protect the welfare of the principal, or, upon the death of the principal, by the personal representative or successor in interest of the principal's estate. If so requested, within 30 days the agent shall comply with the request or provide a writing or other record substantiating why additional time is needed and shall comply with the request within an additional 30 days.

§ 4015. EXONERATION OF AGENT

A provision in a power of attorney relieving an agent of liability for breach of duty is binding on the principal and the principal's successors in interest except to the extent the provision:

(1) relieves the agent of liability for breach of duty committed:

(A) dishonestly;

(B) in bad faith;

(C) with reckless indifference to the purposes of the power of attorney;

(D) through willful misconduct;

(E) through gross negligence; or

(F) with actual fraud; or

(2) was inserted as a result of an abuse of a confidential or fiduciary relationship with the principal.

§ 4016. JUDICIAL RELIEF

(a) The following persons may petition a court to construe a power of attorney or review the agent's conduct and grant appropriate relief:

- (1) the principal or the agent;
- (2) a guardian or other fiduciary acting for the principal, including an executor or administrator of the estate of a deceased principal;
- (3) a person authorized to make health-care decisions for the principal;
- (4) the principal's spouse, parent, or descendant;
- (5) an individual who would qualify as an heir of the principal under the laws of intestacy;
- (6) a person named as a beneficiary to receive any property, benefit, or contractual right on the principal's death or as a beneficiary of a trust created by or for the principal who has a financial interest in the principal's estate;
- (7) a governmental agency having regulatory authority to protect the welfare of the principal;
- (8) the principal's caregiver or another person who demonstrates sufficient interest in the principal's welfare; and
- (9) a person asked to accept the power of attorney.

(b) Upon motion by the principal, the court shall dismiss a petition filed under this section, unless the court finds that the principal lacks capacity to revoke the agent's authority or the power of attorney.

§ 4017. AGENT'S LIABILITY

An agent who violates this chapter is liable to the principal or the principal's successors in interest for the amount required to:

- (1) restore the value of the principal's property to what it would have been had the violation not occurred;
- (2) reimburse the principal or the principal's successors in interest for the attorney's fees and costs paid on the agent's behalf;
- (3) reimburse the reasonable attorney's fees and costs incurred by the principal or the principal's successor in interest in pursuing rectification of the violation by the agent; and
- (4) pay such other amounts, damages, costs, or expenses that the court may award.

§ 4018. AGENT'S RESIGNATION; NOTICE

Unless the power of attorney provides a different method for an agent's resignation, an agent may resign by giving written notice to the principal and, if the principal is incapacitated or unavailable:

(1) to the guardian, if one has been appointed for the principal, and a coagent or successor agent; or

(2) if there is no person described in subdivision (1) of this section, to:

(A) the principal's caregiver;

(B) another person reasonably believed by the agent to have sufficient interest in the principal's welfare; or

(C) a governmental agency having authority to protect the welfare of the principal.

§ 4019. ACCEPTANCE OF AND RELIANCE UPON ACKNOWLEDGED POWER OF ATTORNEY

(a) As used in this section and section 4020 of this title, "acknowledged" means purportedly verified before a notary public or other individual authorized to take acknowledgements.

(b) A person who in good faith accepts an acknowledged power of attorney without actual knowledge that the signature is not genuine may rely upon the presumption under section 4005 of this title that the signature is genuine.

(c) A person who effects a transaction in reliance upon an acknowledged power of attorney without actual knowledge that the power of attorney is void, invalid, or terminated; that the purported agent's authority is void, invalid, or terminated; or that the agent is exceeding or improperly exercising the agent's authority may rely upon the power of attorney as if the power of attorney were genuine, valid, and still in effect; the agent's authority were genuine, valid, and still in effect; and the agent had not exceeded and has properly exercised the authority.

(d) A person who is asked to accept an acknowledged power of attorney may request and rely upon, without further investigation:

(1) an agent's certification under penalty of perjury of any factual matter concerning the principal, agent, or power of attorney; or

(2) an English translation of the power of attorney if the power of attorney contains, in whole or in part, language other than English; and

(3) an opinion of counsel as to any matter of law concerning the power of attorney if the person making the request provides in a writing or other record the reason for the request.

(e) A certification presented pursuant to subsection (d) of this section shall state that:

(1) the person presenting themselves as the agent and signing the affidavit or declaration is the person so named in the power of attorney;

(2) if the agent is named in the power of attorney as a successor agent, the circumstances or conditions stated in the power of attorney that would cause that person to become the acting agent have occurred;

(3) to the best of the agent's knowledge, the principal is still alive;

(4) to the best of the agent's knowledge, at the time the power of attorney was signed, the principal was competent to execute the document and was not under undue influence to sign the document;

(5) all events necessary to making the power of attorney effective have occurred;

(6) the agent does not have actual knowledge of the revocation, termination, limitation, or modification of the power of attorney or of the agent's authority;

(7) if the agent was married to or in a state-registered domestic partnership with the principal at the time of execution of the power of attorney, then at the time of signing the affidavit or declaration, the marriage or state-registered domestic partnership of the principal and the agent has not been dissolved or declared invalid, and no action is pending for the dissolution of the marriage or domestic partnership for legal separation; and

(8) the agent is acting in good faith pursuant to the authority given under the power of attorney.

(f) An English translation or an opinion of counsel requested under this section must be provided at the principal's expense unless the request is made more than seven business days after the power of attorney is presented for acceptance.

(g) For purposes of this section and section 4020 of this title, a person who conducts activities through employees is without actual knowledge of a fact relating to a power of attorney, a principal, or an agent if the employee conducting the transaction involving the power of attorney is without actual knowledge of the fact.

§ 4020. LIABILITY FOR REFUSAL TO ACCEPT ACKNOWLEDGED
STATUTORY FORM POWER OF ATTORNEY

(a) As used in this section, “statutory form power of attorney” means a power of attorney substantially in the form provided in section 4051 or 4052 of this title or that meets the requirements for a military power of attorney pursuant to 10 U.S.C. § 1044b, as amended.

(b) Except as otherwise provided in subsection (c) of this section:

(1) a person shall either accept an acknowledged statutory form power of attorney or request a certification, a translation, or an opinion of counsel under subsection 4019(d) of this title not later than seven business days after presentation of the power of attorney for acceptance;

(2) if a person requests a certification, a translation, or an opinion of counsel under subsection 4019(d) of this title, the person shall accept the statutory form power of attorney not later than five business days after receipt of the certification, translation, or opinion of counsel; and

(3) a person may not require an additional or different form of power of attorney for authority granted in the statutory form power of attorney presented.

(c) A person is not required to accept an acknowledged statutory form power of attorney if:

(1) the person is not otherwise required to engage in a transaction with the principal in the same circumstances;

(2) engaging in a transaction with the agent or the principal in the same circumstances would be inconsistent with federal or state law;

(3) the person has actual knowledge of the termination of the agent’s authority or of the power of attorney before exercise of the power;

(4) a request for a certification, a translation, or an opinion of counsel under subsection 4019(d) of this title is refused;

(5) the person in good faith believes that the power is not valid or that the agent does not have the authority to perform the act requested, whether or not a certification, a translation, or an opinion of counsel under subsection 4019(d) of this title has been requested or provided; or

(6) the person makes, or has actual knowledge that another person has made, a report to the Adult Protective Services program or other appropriate entity within the Department of Disabilities, Aging, and Independent Living or to a law enforcement agency stating a good faith belief that the principal may be subject to physical or financial abuse, neglect, exploitation, or abandonment

by the agent or a person acting for or with the agent.

(d) A person who refuses in violation of this section to accept an acknowledged statutory form power of attorney is subject to:

(1) a court order mandating acceptance of the power of attorney; and

(2) liability for reasonable attorney's fees and costs incurred in any action or proceeding that confirms the validity of the power of attorney or mandates acceptance of the power of attorney.

§ 4021. PRINCIPLES OF LAW AND EQUITY

Unless displaced by a provision of this chapter, the principles of law and equity supplement this chapter.

§ 4022. LAWS APPLICABLE TO FINANCIAL INSTITUTIONS AND ENTITIES

This chapter does not supersede any other law applicable to financial institutions or other entities, and the other law controls if inconsistent with this chapter.

§ 4023. REMEDIES UNDER OTHER LAW

The remedies under this chapter are not exclusive and do not abrogate any right or remedy under the law of this State other than this chapter.

Subchapter 2. Authority

§ 4031. AUTHORITY THAT REQUIRES SPECIFIC GRANT; GRANT OF GENERAL AUTHORITY

(a) An agent under a power of attorney may do the following on behalf of the principal or with the principal's property only if the power of attorney expressly grants the agent the authority and exercise of the authority is not otherwise prohibited by another agreement or instrument to which the authority or property is subject:

(1) create, amend, revoke, or terminate an inter vivos trust;

(2) make a gift;

(3) create or change rights of survivorship;

(4) create or change a beneficiary designation;

(5) delegate authority granted under the power of attorney;

(6) waive the principal's right to be a beneficiary of a joint and survivor annuity, including a survivor benefit under a retirement plan;

(7) authorize another person to exercise the authority granted under the power of attorney;

(8) exercise authority over the content of an electronic communication of the principal in accordance with chapter 125 of this title (Vermont Revised Uniform Fiduciary Access to Digital Assets Act);

(9) disclaim property, including a power of appointment;

(10) exercise a written waiver of spousal rights under section 323 of this title;

(11) exercise authority with respect to intellectual property, including copyrights, contracts for payment of royalties, and trademarks; or

(12) convey, or revoke or revise a grantee designation, by enhanced life estate deed pursuant to chapter 6 of Title 27 or under common law.

(b) Notwithstanding a grant of authority to do an act described in subsection (a) of this section, unless the power of attorney otherwise provides, an agent that is not an ancestor, spouse, or descendant of the principal may not exercise authority under a power of attorney to create in the agent, or in an individual to whom the agent owes a legal obligation of support, an interest in the principal's property, whether by gift, right of survivorship, beneficiary designation, disclaimer, or otherwise.

(c) Subject to subsections (a), (b), (d), and (e) of this section, if a power of attorney grants to an agent authority to do all acts that a principal could do, the agent has the general authority described in sections 4034–4046 of this title.

(d) Unless the power of attorney otherwise provides, a grant of authority to make a gift is subject to section 4047 of this title.

(e) Subject to subsections (a), (b), and (d) of this section, if the subjects over which authority is granted in a power of attorney are similar or overlap, the broadest authority controls.

(f) Authority granted in a power of attorney is exercisable with respect to property that the principal has when the power of attorney is executed or acquires later, whether or not the property is located in this State and whether or not the authority is exercised or the power of attorney is executed in this State.

(g) An act performed by an agent pursuant to a power of attorney has the same effect and inures to the benefit of and binds the principal and the principal's successors in interest as if the principal had performed the act.

§ 4032. INCORPORATION OF AUTHORITY

(a) An agent has authority described in this chapter if the power of attorney refers to general authority with respect to the descriptive term for the subjects stated in sections 4034–4047 of this title or cites the section in which the authority is described.

(b) A reference in a power of attorney to general authority with respect to the descriptive term for a subject in sections 4034–4047 of this title or a citation to a section of sections 4034–4047 of this title incorporates the entire section as if it were set out in full in the power of attorney.

(c) A principal may modify authority or a writing or other record incorporated by reference.

§ 4033. CONSTRUCTION OF AUTHORITY GENERALLY

Except as otherwise provided in the power of attorney, by executing a power of attorney that incorporates by reference a subject described in sections 4034–4047 of this title or that grants to an agent authority to do all acts that a principal could do pursuant to subsection 4031(c) of this title, a principal authorizes the agent, with respect to that subject, to:

(1) demand, receive, and obtain by litigation or otherwise, money or another thing of value to which the principal is, may become, or claims to be entitled, and conserve, invest, disburse, or use anything so received or obtained for the purposes intended;

§ 4034. REAL PROPERTY

Unless the power of attorney otherwise provides, language in a power of attorney granting general authority with respect to real property authorizes the agent to:

(A) selling or otherwise disposing of them;

(B) exercising or selling an option, right of conversion, or similar right with respect to them; and

(C) exercising any voting rights in person or by proxy;

(8) change the form of title of an interest in or right incident to real property;

(10) relinquish any and all of the principal's rights of homestead under 27 V.S.A. § 105 and elective share under section 323 of this title.

§ 4035. TANGIBLE PERSONAL PROPERTY

Unless the power of attorney otherwise provides, language in a power of attorney granting general authority with respect to tangible personal property authorizes the agent to:

(1) demand, buy, receive, accept as a gift or as security for an extension of credit, or otherwise acquire or reject ownership or possession of tangible personal property or an interest in tangible personal property;

(2) sell, exchange, or convey, with or without covenants, representations, or warranties; quitclaim; release; surrender; create a security interest in; grant options concerning; lease; sublease; or otherwise dispose of tangible personal property or an interest in tangible personal property;

(D) moving the property from place to place;

(E) storing the property for hire or on a gratuitous bailment; and

(F) using and making repairs, alterations, or improvements to the property; and

(6) change the form of title of an interest in tangible personal property.

§ 4036. STOCKS AND BONDS

Unless the power of attorney otherwise provides, language in a power of attorney granting general authority with respect to stocks and bonds authorizes the agent to:

(1) buy, sell, and exchange stocks and bonds;

Senate Proposal of Amendment Concurred in**H. 67**

The Senate proposed to the House to amend House bill, entitled

An act relating to household products containing hazardous substances

The Senate proposed to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. FINDINGS

The General Assembly finds that:

(1) Thousands of household products sold in the State contain substances designated as hazardous under State or federal law.

(2) Vermont's hazardous waste rules establish specific requirements for the management of hazardous waste, including a prohibition on disposal in landfills.

(3) Leftover household products, known as household hazardous waste (HHW), are regulated through a requirement that municipal solid waste management entities (SWMEs) include provisions in solid waste implementation plans for the management and diversion of unregulated hazardous waste. The State solid waste management plan also requires the SWMEs to each hold a minimum of two HHW collection events every year.

(4) Many SWMEs already offer more than two HHW collection events, and seven of the SWMEs have established permanent facilities for the regular collection of HHW.

(5) HHW collection events and permanent facilities are expensive to operate, and SWMEs spend approximately \$2.2 million a year to manage HHW, costs that are subsequently passed on to the residents of Vermont through taxes, fees, or disposal charges.

(6) As a result of the failure to divert HHW, it is estimated that 855 tons or more per year of HHW are being disposed of in landfills.

(7) There is general agreement among the SWMEs and the Agency of Natural Resources that additional collection sites and educational and informational activities are necessary to capture more of the HHW being disposed of in landfills.

(8) Funding constraints are a current barrier to new collection sites and educational and informational activities.

(9) HHW released into the environment can contaminate air, groundwater, and surface waters, thereby posing a significant threat to the environment and public health.

(10) To improve diversion of HHW from landfills, reduce the financial burden on SWMEs and taxpayers, reduce the cost of the overall system of managing HHW, and lessen the environmental and public health risk posed by improperly disposed of HHW, the State shall implement a program to require the manufacturers of household products containing a hazardous substance to implement a stewardship organization to collect household products containing a hazardous substance free of charge to the public.

Sec. 2. 10 V.S.A. chapter 164B is added to read:

(1) List of participants. A list of the manufacturers, brands, and products participating in the collection plan and a methodology for adding and removing manufacturers and notifying the Agency of new participants.

(2) Free statewide collection of covered household hazardous products. The collection program shall provide for free, convenient, and accessible statewide opportunities for the collection from covered entities of covered household hazardous products, including orphan covered products. A stewardship organization shall accept all covered household hazardous products collected from a covered entity and shall not refuse the collection of a covered household hazardous product, including orphan covered household products, based on the brand or manufacturer of the covered household hazardous product unless specifically exempt from this requirement. The collection program shall also provide for the payment of collection, processing, and end-of-life management of the covered household hazardous products. Collection costs include facility costs, equipment costs, labor, supplies, maintenance, events costs, and event contractor costs, including collection event set-up fees, environmental service fees, insurance fees, and shipping containers and materials.

During the first year of program implementation and two years after adoption of the collection plan, each stewardship organization shall carry out a survey of public awareness regarding the requirements of the program established under this chapter that can identify communities that have disparities in awareness and need more outreach. Each stewardship organization shall share the results of the public awareness surveys with the Secretary. If multiple stewardship organizations are implementing plans approved by the Secretary, the stewardship organizations shall coordinate in carrying out their education and outreach responsibilities under this subdivision and shall include in their annual reports to the Secretary a summary of their coordinated education and outreach efforts. The management of covered household hazardous products under the collection plan shall use management activities in the following priority order: source reduction, reuse, recycling, energy recovery, and disposal. Collected covered household hazardous products shall be recycled when technically and economically feasible.

(7) Performance goals. A collection plan shall include:

(A) A performance goal for covered household hazardous products determined by the number of total participants at collection events and facilities listed in the collection plan during a program year divided by the total number of households. The number of households shall include seasonal households. The calculation methodology for the number of households shall be included in the plan.

(B) At a minimum, the collection performance goal for the first approved plan shall be an annual participation rate of five percent of the households for every collection program based on the number of households the collection program serves. After the initial approved program plan, the stewardship organization shall propose performance goals for subsequent program plans. The Secretary shall approve the performance goals for the plan at least every five years. The stewardship organization shall use the results of the most recent waste composition study required under 6604 of this title and other relevant factors to propose the performance goals of the collection plan. If a stewardship organization does not meet its performance goals, the Secretary may require the stewardship organization to revise the collection plan to provide for one or more of the following: additional public education and outreach, additional collection events, or additional hours of operation for collection sites. (4) The weight or volume by hazard category of covered household hazardous products sold in the State in the previous calendar year by a manufacturer participating in a stewardship organization's collection plan. Sales data provided under this section shall be exempt from public inspection and copying under the Public Records Act and shall be kept confidential. Confidential information shall be redacted from any final public report. If manufacturers can demonstrate that they do not have Vermont specific data, the stewardship organization may use national data prorated to Vermont based upon Vermont's population.

(5) A comparison of the collection plan's performance goals, including participation rate, compared to the actual performance and how the program will be improved if the performance goals are not met.

(6) A description of the methods used to reduce, reuse, collect, transport, recycle, and process the covered household hazardous products.

(7) The cost of implementing the collection plan, including the costs of administration, collection, transportation, recycling, disposal, and education and outreach.

(9) Recommendations for any changes to the program.

(b) Collection plan audit. On or before September 1, 2030 and every five years thereafter, a stewardship organization of manufacturers of covered household hazardous products shall hire an independent third party to audit the collection plan and the plan's operation. The auditor shall examine the effectiveness of the program in collecting and disposing of covered household hazardous products. The auditor shall examine the cost-effectiveness of the program and compare it to that of collection programs for covered household hazardous products in other jurisdictions. The auditor shall examine the effectiveness of the plan in satisfying the requirement of this chapter that all Vermonters have convenient and reasonable access to collection facilities or collection events. The auditor shall make recommendations to the Secretary on ways to increase the program's efficacy and cost-effectiveness.

(c) Public posting. A stewardship organization shall post a report or audit required under this section to the website of the stewardship organization.

§ 7186. ANTITRUST; CONDUCT AUTHORIZED

(a) Activity authorized. A manufacturer, group of manufacturers, or stewardship organization implementing or participating in an approved collection plan under this chapter for the collection, transport, processing, and end-of-life management of covered household hazardous products is individually or jointly immune from liability for conduct under State laws relating to antitrust, restraint of trade, unfair trade practices, and other regulation of trade or commerce under 9 V.S.A. chapter 63, subchapter 1 to the extent that the conduct is reasonably necessary to plan, implement, and comply with the stewardship organization's chosen system for managing discarded covered household hazardous products.

(b) Limitations on antitrust activity. Subsection (a) of this section shall not apply to an agreement among producers, groups of manufacturers, retailers, wholesalers, or stewardship organizations affecting the price of covered household hazardous products or any agreement restricting the geographic area in which or customers to whom covered household hazardous products shall be sold.

§ 7187. AGENCY RESPONSIBILITIES

(a) Review and approve collection plans. The Secretary shall review and approve or deny collection plans submitted under section 7183 of this title according to the public notice and comment requirements of section 7714 of this title.

§ 7188. OTHER DISPOSAL PROGRAMS

A municipality or other public agency shall not require covered entities to use public facilities to dispose of covered household hazardous products to the exclusion of other lawful programs available. A municipality and other public agencies are encouraged to work with manufacturers to assist them in meeting their collection and disposal obligations under this chapter. Nothing in this chapter prohibits or restricts the operation of any program collecting and disposing of covered household hazardous products in addition to those provided by manufacturers or prohibits or restricts any persons from receiving, collecting, transporting, or disposing of covered household hazardous products, provided that all other applicable laws are met.

An act relating to community resilience and biodiversity protection

The Senate proposed to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. SHORT TITLE

This act may be cited as the “Community Resilience and Biodiversity Protection Act” or “CRBPA.”

Sec. 2. FINDINGS

The General Assembly finds:

(1) Nature is facing a catastrophic loss of biodiversity, both globally and locally.

(2) In addition to its intrinsic value, biodiversity is essential to human survival.

(3) According to the United Nations:

(A) one million species of plants and animals are threatened with extinction;

(B) human activity has altered almost 75 percent of the Earth’s surface, squeezing wildlife and nature into ever-smaller natural areas of the planet;

(C) the health of ecosystems on which humans and all other species depend is deteriorating more rapidly than ever, affecting the very foundations of economies, livelihoods, food security, health, and quality of life worldwide; and

(D) the causes of the drivers of changes in nature rank as follows:

(i) changes in land, water, and sea use;

(ii) direct exploitation of organisms;

(iii) climate change;

(iv) pollution; and

(v) invasive species.

(4) The 2017 Vermont Forest Action Plan found that fragmentation and parcelization represent major threats to forest health and productivity and exacerbate the impacts of climate change.

(5) In 2022 Acts and Resolves No. 183, the Department of Forests, Parks and Recreation was tasked with developing the Vermont Forest Future Strategic Roadmap to strengthen, modernize, promote, and protect the forest products sector and the greater forest economy and promote the importance of healthy, resilient, and sustainably managed working forests that provide a diverse array of high-quality products now and in the future.

(6) The 2021 Vermont Climate Assessment highlights an increase in extreme weather events such as droughts and floods as a significant impact of climate change in Vermont and recommends nature-based solutions as a proven, low-cost strategy for climate adaptation and resilience.

(7) The initial Vermont Climate Action Plan calls for investing in strategic conservation to increase the pace of permanent conservation towards 30 by 30 targets, with Vermont Conservation Design guiding prioritization of efforts.

(8) Freshwater vertebrate populations have declined by 84 percent globally since 1970, twice the rate of decline of biodiversity in terrestrial and marine biomes. Almost one in three freshwater species are threatened with extinction.

(9) Approximately 75 percent of all river miles assessed in Vermont are disconnected from their floodplains, indicating degradation and exacerbating flood-related damages.

(10) The Nature Conservancy has developed the Resilient and Connected Landscapes project and found that Vermont plays a key role in the conservation of biodiversity regionally.

(11) The Staying Connected Initiative is an international partnership of public and private organizations. Its goal is to maintain, enhance, and restore landscape connectivity for wide-ranging mammals across the Northern Appalachians-Acadian region, from the Adirondack Mountains to the Maritime Provinces. The Staying Connected Initiative has identified nine linkages across this vast region that are extremely important to wildlife. Six of these linkages lie within Vermont.

(12) The Vermont Department of Fish and Wildlife, working within the Agency of Natural Resources and with Vermont conservation organizations, has developed Vermont Conservation Design, a framework to sustain the State's ecologically functional landscape into the future.

(13) Intact and connected ecosystems support Vermont's biodiversity, reduce flood risks, mitigate drought, and sequester and store carbon.

(14) Vermont's most effective and efficient contribution to conserving biological diversity and maintaining a landscape resilient to climate change is to conserve an intact and connected landscape.

(15) In order to maintain ecological functions in intact and connected ecosystems, the full range of conservation approaches is needed, including supporting private landowner education, technical assistance, and programs; conservation easements that promote sustainable forest management; and conservation easements and fee acquisitions focused on passive management.

(16) The Vermont Housing Finance Agency's 2020 Housing Needs Assessment projected an urgent pre-pandemic need for new housing. Strategic investment in conservation is consistent with construction of housing in Vermont's villages and town centers.

(17) The land and waters, forests and farms, and ecosystems and natural communities in Vermont are the traditional and unceded home of the Abenaki people. Access to land and land-based enterprises has excluded Black, Indigenous, and Persons of Color (BIPOC) Vermonters and others from historically marginalized and disadvantaged communities in the centuries of European settlement. Efforts to increase land conservation must also include opportunities to increase access to land and land-based enterprise for Indigenous People and all who come from historically marginalized and disadvantaged communities.

Sec. 3. 10 V.S.A. chapter 89 is added to read:

CHAPTER 89. COMMUNITY RESILIENCY AND BIODIVERSITY
PROTECTION

§ 2801. DEFINITIONS

As used in this section:

(1) “Ecological reserve area” means an area having permanent protection from conversion and that is managed to maintain a natural state within which natural ecological processes and disturbance events are allowed to proceed with minimal interference.

(2) “Biodiversity conservation area” means an area having permanent protection from conversion for the majority of the area and that is managed for the primary goal of sustaining species or habitats. These areas may include regular, active interventions to address the needs of particular species or to maintain or restore habitats.

(3) “Natural resource management area” means an area having permanent protection from conversion for the majority of the area but that is subject to long-term, sustainable land management.

(4) “Conversion” means a fundamental change in natural ecosystem type or habitat, natural or undeveloped land cover type, or natural form and function of aquatic systems.

(5) “Sustainable land management” means the stewardship and use of forests and forestlands, grasslands, wetlands, riparian areas, and other lands, including the types of agricultural lands that support biodiversity, in a way, and at a rate, that maintains or restores their biodiversity, productivity, regeneration capacity, vitality, and their potential to fulfill, now and in the future, relevant ecological, economic, and social functions at local, State, and regional levels, and that does not degrade ecosystem function.

(6) “Conserved” means permanently protected and meeting the definition of ecological reserve area, biodiversity conservation area, or natural resource management area as defined in this section for purposes of meeting the 30 percent goal in subsection 2802(b) of this title. For purposes of meeting the 50 percent goal of subsection 2802(b) of this title, “conserved” primarily means permanently protected and meeting the definition of ecological reserve area, biodiversity conservation area, or natural resource management area as defined in this section, although other long-term land protection mechanisms and measures that achieve the goals of Vermont Conservation Design that are enforceable and accountable and that support an ecologically functional and connected landscape may be considered.

§ 2802. CONSERVATION VISION AND GOALS

(a) The vision of the State of Vermont is to maintain an ecologically functional landscape that sustains biodiversity, maintains landscape connectivity, supports watershed health, promotes climate resilience, supports working farms and forests, provides opportunities for recreation and appreciation of the natural world, and supports the historic settlement pattern of compact villages surrounded by rural lands and natural areas.

(b) It is the goal of the State that 30 percent of Vermont's total land area shall be conserved by 2030, and 50 percent of the State's total land area shall be conserved by 2050. The Secretary of Natural Resources shall lead the effort in achieving these goals. The land conserved shall include State, federal, municipal, and private land.

(c) Reaching 30 percent by 2030 and 50 percent by 2050 shall include a mix of ecological reserve areas, biodiversity conservation areas, and natural resource management areas. In order to support an ecologically functional and connected landscape with sustainable production of natural resources and recreational opportunities, the approximate percentages of each type of conservation category shall be guided by the principles of conservation science and the conservation targets within Vermont Conservation Design, prioritizing ecological reserve areas to protect highest priority natural communities and maintain or restore old forests.

§ 2803. CONSERVED LAND INVENTORY

(a) On or before July 1, 2024, the Vermont Housing and Conservation Board, in consultation with the Secretary, shall create an inventory of Vermont's conserved land and conservation policies to serve as the basis of meeting the conservation goals of Vermont Conservation Design and to meet the goals established in section 2802 of this title. The inventory shall be submitted for review to the House Committees on Environment and Energy and on Agriculture, Food Resiliency, and Forestry and the Senate Committee on Natural Resources and Energy.

(b) The inventory shall include:

(1) A review of the three conservation categories defined in section 2801 of this title and suggestions for developing any modifications or additions to these categories that maintain or complement the core concepts of ecological reserve areas, biodiversity conservation areas, and natural resource management areas in order to complete the conserved land inventory and inform the comprehensive strategy in the conservation plan. As part of this review, criteria shall be developed to determine the types of agricultural lands

that will qualify as supporting and restoring biodiversity and therefore count towards the natural resource management area category.

(2) The amount of conserved land in Vermont that fits into each of the three conservation categories defined in section 2801 of this title, including public and private land. The inventory shall also include other lands permanently protected from development by fee ownership or subject to conservation easements.

(3) A summary of the totality of conservation practices, both permanent and intermediate, available for reaching the goals of this chapter, including what they are, what they do, how they contribute, and what metrics are available to quantify them.

(4) An assessment of how State lands will be used to increase conserved ecological reserve areas.

(5) The implementation methods that could be utilized for achieving the goals of this chapter using Vermont Conservation Design as a guide.

(6) A review of how aquatic systems are currently conserved or otherwise protected in the State, including a description of the benefits land conservation provides for aquatic systems, whether this is sufficient to maintain aquatic system functions and services, and how the implementation methods for achieving the goals of this chapter using Vermont Conservation Design as a guide would include specific strategies for protecting aquatic system health.

(7) How existing programs will be used to meet the conservation goals of this chapter and recommendations for new programs, if any, that will be needed to meet the goals.

(8) An assessment of existing funding and recommendations for new funding sources that will be needed for acquisition of land, purchase or donation of conservation easements, staffing capacity, and long-term stewardship to meet the goals.

(9) An equity assessment of existing land protection and conservation strategies and programs.

(10) An evaluation of the opportunities related to intergenerational land transfer trends and how the State could proactively direct resources to achieve conservation at the time of transfer.

§ 2804. CONSERVATION PLAN

(a) On or before December 31, 2025, the Vermont Housing and Conservation Board, in consultation with the Secretary, shall develop a plan to

implement the conservation goals of Vermont Conservation Design and to meet the vision and goals established in section 2802 of this title. The plan shall be submitted for review to the House Committees on Environment and Energy and on Agriculture, Food Resiliency, and Forestry and the Senate Committee on Natural Resources and Energy.

(b) The plan shall include:

(1) a comprehensive strategy for achieving the vision and goals of section 2802 of this title while continuing to conserve and protect Vermont's agricultural land, working forests, historic properties, recreational lands, and surface waters;

(2) the implementation methods for achieving the vision and goals of this chapter using Vermont Conservation Design as a guide;

(3) recommendations to provide and increase equitable access to protected and conserved lands and land-based enterprises, including recreational access to and use of conserved lands; and

(4) recommendations to implement the vision and goals of this chapter while also enhancing the State of Vermont's current investments and commitments to working lands enterprises, rural landowners, and the broad conservation mission implemented by the Secretary and VHCB, including conservation of agricultural land, working forests, historic properties, recreational lands, and surface waters.

(c) In developing the plan, the Vermont Housing and Conservation Board, in consultation with the Secretary, shall hold 12 or more public meetings on the plan between July 1, 2023 and December 31, 2025 to solicit input from stakeholders. Stakeholders shall include private owners of forestlands and agricultural lands, land trusts, conservation organizations, environmental organizations, working lands enterprises, outdoor recreation groups and businesses, Indigenous groups and representatives from historically marginalized and disadvantaged communities, watershed groups, municipalities, regional planning commissions, conservation commissions, and relevant State and federal agencies. At least three of the meetings shall be designed to solicit comments from the general public.

(d) The conserved land inventory established in 2803 of this title shall be updated biennially to track progress toward meeting the vision and goals of this chapter, which shall be publicly available, and the Secretary shall submit a report to the relevant committees on or before January 15 following each update.

Sec. 4. APPROPRIATIONS

Sec. 3. ONE-TIME APPROPRIATION; DEPARTMENT OF TAXES

In fiscal year 2024, \$50,000.00 shall be appropriated from the General Fund to the Department of Taxes to contract with one or more consultants with expertise in statewide reappraisal systems to assist the Department in preparing the implementation proposal required under this act.

Sec. 4. IMPLEMENTATION PROPOSAL AND PROGRESS REPORT; STATEWIDE REAPPRAISALS; GRAND LIST PROPERTIES; DEPARTMENT OF TAXES

(a) On or before December 15, 2023, the Department of Taxes shall submit in writing to the House Committees on Government Operations and Military Affairs and on Ways and Means and the Senate Committees on Finance and on Government Operations a progress report on the first six months of work on the implementation proposal and recommendations required under subsection (b) of this section. The progress report shall include the following:

(1) With regard to the proposal to implement a statewide reappraisal system, a preliminary schedule to phase in full reappraisals for each municipality every six years with the first municipalities scheduled to reappraise with a completion date on or before April 1, 2027. In setting the proposed six-year reappraisal schedule, the Department shall prioritize the following factors:

- (A) municipalities for which the last year of reappraisal is the oldest;
- (B) the geographic proximity of municipalities; and

(C) any other relevant municipal data metrics.

(2) With regard to the recommendations on obtaining detailed, accurate, and consistent data on all properties throughout the State, a study of existing municipal data metrics that could be used to identify and differentiate between properties on the municipal and statewide education grand lists based on property types and characteristics, including use, occupancy or vacancy, square footage, and any other relevant factors.

(3) Options for and any implementation of implicit bias reduction training for listers and assessors.

(4) Considerations and recommendations for changing the annual date by which grand lists are required to be lodged from April 1 to January 1 or another date.

(b)(1) On or before December 15, 2024, in consultation with relevant stakeholders, including groups that represent individuals from different socioeconomic backgrounds and that promote diversity, equity, and inclusion, the Department of Taxes shall submit in writing to the House Committees on Government Operations and Military Affairs and on Ways and Means and the Senate Committees on Finance and on Government Operations:

(A) a detailed implementation proposal for creating a statewide system to conduct reappraisals of municipal and statewide education grand lists administered by the State within the Division of Property Valuation and Review of the Department of Taxes; and

(B) recommendations to distinguish between different types and uses of property on the municipal and statewide education grand lists and a detailed proposal for designating new or updated property types and integrating them into the municipal and statewide education grand lists, as applicable, and the overall property taxation system beginning on January 1, 2026.

(2) The written submission required under this subsection shall identify and recommend the means to achieve consistency in property valuation and taxation across the State in order to prioritize the elimination of racial, socioeconomic, and other implicit biases. Pursuant to this subdivision, the Department shall review and revise State training programs and guidance provided to listers and assessors, including the Vermont Department of Taxes, Division of Property Valuation and Review publication titled “Lister and Assessor Handbook A Guide for Vermont Listers and Assessors,” for instances of racial, socioeconomic, and other implicit biases and report on any revisions made or planned to be made to those training programs and guidance.

(3) The implementation proposal required under subdivision (1)(A) of this subsection regarding the creation of a statewide reappraisal system shall make recommendations and propose legislative language, as applicable or needed to achieve the Department's recommendations, regarding the following:

(A) Adequate funding, including cost-saving measures and potentially reallocating the revenues from the per-parcel fee under 32 V.S.A. § 4041a(a) to operate a statewide reappraisal system. The implementation proposal shall address staffing costs for hiring or contracting with trained assessors, or both, to carry out reappraisals and hearing officers to hold appeals at locations across the State.

(B)(i) Administration of full and statistical reappraisals of each municipality's municipal and statewide education grand list, including:

(I) selection and prioritization criteria;

(II) any proposed adjustments to the coefficient of dispersion threshold that causes a reappraisal order pursuant to 32 V.S.A. § 4041a;

(III) the frequency and efficacy of conducting full and statistical reappraisals on a set schedule; and

(IV) any other recommendations for establishing a reappraisal schedule.

(ii) The implementation proposal shall list the municipalities that, at the time of passage of this act, have been ordered to reappraise pursuant to 32 V.S.A. § 4041a for the longest period of time and propose the means to prioritize a first State-level reappraisal for those municipalities' grand lists, provided no municipality shall be required to reappraise in fewer than six years after completion of the most recent full reappraisal. The implementation proposal shall further list the municipalities that have recently undergone or are currently undergoing a reappraisal and propose the means to ensure that those municipalities' grand lists are not scheduled for a first State-level reappraisal in fewer than six years after completion of the most recent full reappraisal.

(C) Creation of a reappraisal appeal structure that:

(i) ensures impartiality and installs procedural safeguards against conflicts of interest;

(ii) ensures all communities have convenient and reasonable access to State appeal hearings, regardless of the geographical location of the appellant;

(iii) based on a study of other State administrative appeal structures, incorporates the strengths and advantages of those appeal structures; and

(iv) takes into consideration any other matters identified by the Department relating to appeals, including a recommendation on potentially narrowing or eliminating the role of Boards of Civil Authority within the appraisal appeal process.

(D) Streamlining, integrating, and updating State and municipal software vendor agreements and information technology systems relating to reappraisals and maintaining municipal and statewide education grand lists, including the integration of any new or updated property types into municipal and statewide education grand lists, as applicable, and the overall property taxation system beginning on January 1, 2026. The implementation proposal shall further estimate costs and analyze any other considerations regarding software vendor agreements.

(E) Existing definitions and data metrics currently gathered by municipal Computer Assisted Mass Appraisal (CAMA) systems and the potential for using those definitions and data to collect information on the number of residential units, land value distinct from the value of buildings or other improvements on the land, the year of construction for buildings or other improvements, and any other pertinent data relating to properties in this State.

(F) Distinguishing between contiguous parcels for purposes of property valuation and the payment of the per-parcel fee under 32 V.S.A. § 5405(f).

(G) Incentivizing municipalities to submit grand list parcel map data to the Vermont Center for Geographic Information, including conditioning payment of higher per grand list parcel fees on the submission of data.

(H) Incorporating the principles of a high-quality tax system into a potential statewide reappraisal system as enumerated by the National Conference of State Legislatures, "Tax Policy Handbook for State Legislators" (February 2010), 3rd ed., including sustainability, reliability, fairness, simplicity, economic competitiveness, tax neutrality, and accountability.

(4) The recommendations and detailed proposal required under subdivision (1)(B) of this subsection regarding new or updated property types that apply to municipal and statewide education grand lists and the overall property taxation system shall include the following:

(A)(i) Legislative language, as applicable or needed to achieve the Department's recommendations, that differentiates between grand list properties based on property type and characteristics, including use, occupancy

or vacancy, square footage, and any other relevant factors. The detailed proposal shall recommend how certain property types and characteristics could be identified and data could be collected, including:

- (I) different types of rental and affordable housing properties;
- (II) the number of residential units in this State, including the number of residential units per parcel;
- (III) land value distinct from the value of buildings or other improvements on the land;
- (IV) the year of construction for buildings or other improvements; and
- (V) any other pertinent data relating to properties in this State.

(ii) The recommendation under this subdivision (4)(A) shall consider the way that existing municipal and statewide education grand list property categories used for purposes of the equalization study could be reconfigured and consolidated and any other means to identify properties in order to obtain detailed, accurate, and consistent data on all properties throughout the State.

(B) Updating existing information technology systems or creating a new data collection and reporting system, or both, and creating a designation process for integrating different property types into the municipal and statewide education grand lists and the overall property taxation system in a detailed, accurate, and consistent way that takes into consideration the compliance and administrative burdens placed on both property owners and municipal and State administrators. The detailed proposal shall provide clear and actionable guidance on any new or updated property types and the designation process for both property owners and municipal listers and assessors.

(C) Assistance during the transition period for municipal listers and assessors with conducting the initial designation, data collection, and reporting of any new or updated property types.

(D) Integration of new or updated property types into a potential statewide reappraisal system and into the overall property taxation system.

Sec. 5. 2022 Acts and Resolves No. 163, Sec. 8(2) is amended to read:

~~(2) Sec. 3 (State appraisal and litigation assistance program) shall take effect on July 1, 2023, provided the General Assembly has, on or before July 1, 2023, appropriated funding to cover the Department of Taxes' operating costs required to create, implement, and maintain a new State appraisal and~~

~~litigation assistance program.~~

Sec. 1. LEGISLATIVE INTENT; JUVENILE INTERROGATION; LAW
ENFORCEMENT INTERROGATION POLICIES

It is the intent of the General Assembly to prevent false confessions and wrongful convictions of individuals subject to law enforcement interrogation and to improve trust between Vermont's communities and law enforcement. To achieve these objectives, it is the further intent of the General Assembly to create a minimum set of law enforcement interrogation standards that incorporate evidence-based best practices by:

(1) prohibiting law enforcement's use of threats, physical harm, and deception during custodial interrogations of persons under 22 years of age; and

(2) mandating that the Vermont Criminal Justice Council develop, adopt, and enforce a statewide model interrogation policy that applies to all Vermont law enforcement agencies and constables exercising law enforcement authority pursuant to 24 V.S.A. § 1936.

Sec. 2. 13 V.S.A. § 5585 is amended to read:

(1) "Custodial interrogation" means any interrogation:

(A) involving questioning by a law enforcement officer that is reasonably likely to elicit an incriminating response from the subject; and

(B) in which a reasonable person in the subject's position would consider the person to be in custody, starting from the moment a person should have been advised of the person's Miranda rights and ending when the questioning has concluded.

(2) "Deception" includes the knowing communication of false facts about evidence, the knowing misrepresentation of the accuracy of the facts, the knowing misrepresentation of the law, or the knowing communication of unauthorized statements regarding leniency.

~~(F) equipment malfunction.~~

~~(2)~~ If law enforcement does not make an electronic recording of a custodial interrogation as required by this section, the prosecution shall prove by a preponderance of the evidence that one of the exceptions identified in subdivision (1) of this subsection applies. If the prosecution does not meet the burden of proof, the evidence is still admissible, but the court shall provide cautionary instructions to the jury regarding the failure to record the interrogation.

Upon establishment of the account, each member of the group shall be liable for payments in lieu of contributions with respect to each calendar quarter in the amount that bears the same ratio to the total benefits paid in ~~such~~ the quarter that are attributable to service performed in the employ of all members of the group as the total wages paid for service in employment by ~~such~~ the member in ~~such~~ the quarter bear to the total wages paid during ~~such~~ the quarter for service performed in the employ of all members of the group. The Board shall ~~prescribe regulations~~ adopt rules as it deems necessary with respect to applications for establishment, maintenance, and termination of group accounts that are authorized by this subdivision, for addition of new members to, and withdrawal of active members from, such accounts, and for the determination of the amounts that are payable under this ~~section~~ subsection by members of the group and the time and manner of ~~such~~ the payments.

~~(7) Notwithstanding any of the foregoing provisions of this section, any nonprofit organization that prior to January 1, 1969, paid contributions~~

~~required by this section, and, pursuant to subsection (c) of this section, elects within 30 days after January 1, 1972, to make payments in lieu of contributions, shall not be required to make any such payment on account of any regular or extended benefits paid, on the basis of wages paid by such organization to individuals for weeks of unemployment which begin on and after the effective date of the election until the total amount of benefits equals the amount (1) by which the contributions paid by the organization with respect to the two-year period before the effective date of the election under subsection (b) of this section exceed (2) the total amount of unemployment benefits paid for the same period that were attributable to service performed in the employ of the organization and were charged to the experience rating record of the organization. [Repealed.]~~

(f) Any employer who makes payments in lieu of contributions under the provisions of this section is considered to be self-insuring and shall pay to the Commissioner for the Unemployment Compensation Trust Fund such any amounts as the Commissioner finds to be due under this chapter, including benefits paid but denied on appeal or benefits paid in error which that cannot be properly charged either against another employer who makes payments in lieu of contributions or against the experience-rating record of another employer who pays contributions. Benefits improperly paid where repayment by the claimant is ordered pursuant to subsection 1347(a) or (b) of this title will be credited to the employer's account when repayment from the claimant is actually received by the Commissioner.

(3) an estimate of the projected range of additional approved claims per year in Vermont if individuals who separate from employment due to circumstances similar to those described in subsection (a) of this section are made eligible for unemployment insurance;

(4) an estimate of the range of potential impacts on the Unemployment Insurance Trust Fund of making individuals who separate from employment due to circumstances similar to those described in subsection (a) of this section eligible for unemployment insurance; and

(5) any recommendations for legislative action.

The report shall include information regarding the utilization of the Program during the past 10 years, a summary of the Department's efforts to make members of the public aware of the Program and improve access to it, how the identified changes have impacted utilization of the Program in comparison to prior years, any potential ways to further increase awareness and utilization of the Program, and any suggestions for legislative action to improve awareness or utilization of the Program.

Sec. 46. 21 V.S.A. § 1256 is added to read:

§ 1256. NOTIFICATION TO THE PUBLIC

First: In Sec. 1, legislative intent, subdivision (6), by striking out "and" after the semicolon

Second: In Sec. 1, legislative intent, by inserting a new subdivision (7) after subdivision (6) to read as follows:

(7) recognize that family child care homes are a key resource for families in rural communities and allow for ongoing financial support to:

Rep. Bartley of Fairfax explained her vote as follows:

“Madam Speaker:

On this day, childcare provider day, we’re passing one of the most influential pieces of legislation we could this session. We are growing our work force, supporting our economy, and providing more resources for our children, our future.”

Rep. Berbeco of Winooski explained her vote as follows:

“Madam Speaker:

You may have heard the enthusiasm in my voice when I cast my vote in favor of H.217. I strongly believe that access to childcare advances equity for all birthing people and as many members in this body spoke to tonight there are many facets to the social determinants of health that this bill will advance. I am happy that we have come to agreement on a long-term solution for parents, children, and our workforce of early childhood educators. I am also proud of the committees that have worked so hard on this bill. Thank you.”

Rep. Chesnut-Tangerman of Middletown Springs explained his vote as follows:

“Madam Speaker:

Childcare is not just an issue for parents. It affects every one of us because lack of it keeps people, primarily women, out of the workforce, reducing their contributions and achievements. It condemns other workers, mostly women, to low wages for performing critical and valuable services. It saddles businesses with the difficult task of juggling schedules, as workers struggle to find childcare for their kids. It keeps shops and factories short staffed and struggling. I vote yes for all of us.”

Rep. Coffey of Guilford explained her vote as follows:

“Madam Speaker:

This bill is the result of many years of hard work, and takes monumental steps toward reforming our childcare system, investing in our future, and supporting the next generation of Vermont’s citizens. Childcare is essential to supporting Vermont’s children, families, communities, and economy. Today I am proud to vote yes to make a major difference for Vermont’s children, families, early childhood educators, childcare programs, and communities.”

Rep. Galfetti of Barre Town explained her vote as follows:

“Madam Speaker:

I voted yes on this bill because expanding childcare is an issue that I ran on and cannot wait. Access to childcare is also an integral part of workforce development. However, I am concerned that this tax will do little to produce more Bricks and Mortar centers. It also concerns me that small businesses with five or fewer employees are not exempted. We will hurt start-ups and growing businesses. I would caution this chamber that with the many expensive and ongoing programs that have been stood up with one time money this session and undoubtedly next, Vermonters’ pockets are going to run dry!”

Rep. Hango of Berkshire explained her vote as follows:

“Madam Speaker:

As the mother of four children, I know well the need for childcare. From my constituents, I understand the crisis that we are facing in our State. We certainly cannot expect our workforce to expand if families cannot access reliable, secure, high-quality care for their children. The Administration proposed a solid plan that would benefit families up to 400% of the Federal Poverty Level without raising any additional taxes and fees. If only we could have considered this proposal, the growing dread I feel over where we will come up with all of this money would not be weighing so heavily on me.”

Rep. James of Manchester explained her vote as follows:

“Madam Speaker:

When we invest in children, when we invest in families, when we invest in childcare, then we invest in businesses, communities – a thriving economy. I’m proud to support a bill that makes Vermont work...for all of us.”

Rep. Labor of Morgan explained his vote as follows:

“Madam Speaker:

Cannot split the bill. We raised four children. Recruitment and childcare were difficult and they are just not adequate for the demand.”

Rep. Logan of Burlington explained her vote as follows:

“Madam Speaker:

As a mother of two children who once struggled to find affordable, high quality early child education and care; a co-founder of a childcare cooperative; a childcare center administrator; a PhD student who wrote my dissertation on childcare policy; a published scholar; and now a policymaker, I am profoundly grateful and proud to vote yes on H.217.”

Rep. Mattos of Milton explained his vote as follows:

“Madam Speaker:

As the father to an almost four-month-old, who is about to head off to daycare next week for the first time, I deeply wanted to be able to support this bill. With a more than 8% increase in base spending in the State budget, I believe we could have found a way to fund a bill utilizing existing revenues.”

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

I do not believe anyone in this Chamber is against childcare. We all want childcare. The difference is how we provide childcare in an affordable, equitable way. The Governor’s recommend, which includes an additional fifty-six million dollars, makes us the second highest state in the nation for providing childcare services. The Governor’s plan does so without raising taxes or fees. With this bill, H.217, we jump to number one in the nation. The second smallest state, population-wise, spends the highest amount for childcare than the other forty-nine states. We all want childcare. We need to find an affordable path forward.”

Rep. McFaun of Barre Town explained his vote as follows:

“Madam Speaker:

Thank you. I voted yes because, over my fourteen years serving on the Human Services Committee, I learned well the struggles of young families trying to find affordable childcare and financial struggles of the early childcare education industry as a whole. It is time to face this issue head on, so that young families can find affordable childcare and the early childcare education industry can be stabilized. Affordable, safe, childcare also will be an economic development tool by allowing members of young families to work if they choose. I thank the Human Services Committee and all the other committees that worked on this bill.”

Rep. McGill of Bridport explained her vote as follows:

“Madam Speaker:

There is a Greek proverb that speaks of how a society grows greater when people plant trees whose shade they will never sit in. My sister, Mariah McGill, devoted her life to solving the challenges faced by Vermont children and families and worked tirelessly to improve their lives. Most of her final years were spent helping to lay the groundwork and plant the saplings of this bill. While her absence is still felt heavily every day, it is an honor and a joy to be here and vote yes on this bill in her memory.”

Rep. Morgan of Milton explained his vote as follows:

“Madam Speaker:

Although I certainly agree wholeheartedly that we need to address the critical issue of childcare, the Governor gave us a plan that would have aided greatly with this dire need without raising taxes on working Vermonters.”

Rep. Mrowicki of Putney explained his vote as follows:

“Madam Speaker”

I vote yes to invest in our future, our children, and I dedicate my vote to my wife, an early educator, who started on this effort 30 years ago, working on the Worthy Wage campaign in Boston. It’s time to pay early educators a livable wage and invest in Vermonters and make childcare accessible and affordable.”

Rep. Mulvaney-Stanak of Burlington explained her vote as follows:

“Madam Speaker:

I proudly vote yes for H.217. It includes critical transformative policy to make childcare affordable for families and brings economic dignity to this critical profession. It also improves provisions within our workers' compensation and unemployment systems for workers. This is an important economic justice bill for families and all working people. I also proudly vote yes in honor of my 3-year-old and his incredible early educators.”

Rep. Roberts of Halifax explained his vote as follows:

“Madam Speaker:

Working families and families who want to be in Windham County and around Vermont are asking the Legislature to build the infrastructure of livability beyond the Governor’s risky program. I say 'risky' because it is underfunded for the need. I am voting YES to support both public and private institutions in stepping up to deliver as essential an ingredient to a thriving community as childcare.”

Rep. Sammis of Castleton explained his vote as follows:

“Madam Speaker:

I support the concept of this bill...however, I urge extreme caution to this body on all future spending. Taxation should never be taken lightly because we’re topped out. Vermont, according to National Public Radio, ranks #4 out of all states in the entire country, even before the bills passed this session. Where will we rank after this session? The cost of living in Vermont is one of the highest in the country. Our young people are leaving the State, and our population, as well as our workforce, are aging out. The promises made in this

body today better live up to expectations – because Vermonters can tolerate only so many more taxes. If we don't respect Vermonters' generosity, they will vote with their feet—and take the future (and tax revenue) of our State with them. We have a lot of work left to do. We have to take time and do it right.”

Rep. Taylor of Milton explained his vote as follows:

“Madam Speaker:

I tried to get myself to a yes on the childcare and pre-K portion of this bill repeatedly. Unfortunately, the included language that looks toward the reduction of current pre-K services for three-year-olds, a CCFAP upper threshold limit increase that I find to be too much, and the extra burden this will put on Vermont taxpayers were all hurdles I could not overcome.”

Rep. Toof of St. Albans Town explained his vote as follows:

“Madam Speaker:

I am voting no because Vermonters cannot afford the burden of these costs associated with H.217. The Governor proposed a plan that would have made historic investment in childcare, making us one of the most generous in the nation, without raising any new taxes or fees.”

Rep. Troiano of Stannard explained his vote as follows:

“Madam Speaker:

In my four years on the Human Services Committee we talked about funding childcare each year, trying to fund a little at a time with little success. It is now time to act. We can no longer wait to help our young families. Thanks to our committees' hard work on this bill. I voted yes.”

Rep. Wood of Waterbury explained her vote as follows:

“Madam Speaker:

We are making an historic investment in the future of Vermont's children, families, childcare providers, and workforce. I am proud to vote yes for the future of Vermont – a future that is a bit brighter tonight.”

Sec. A.102 APPROPRIATIONS

(a) It is the intent of the General Assembly that this act serves as the primary source and reference for appropriations for the operation of State government and for capital appropriations not funded with bond proceeds during fiscal year 2024.

(b) The sums stated in this act are appropriated for the purposes specified in the following sections of this act. When no time is expressly stated during which any of the appropriations are to continue, the appropriations are single-year appropriations, only for the purpose indicated and shall be paid from funds shown as the source of funds. If in this act there is an error in either addition or subtraction, the totals shall be adjusted accordingly. Apparent errors in referring to section numbers of statutory titles within this act may be disregarded by the Commissioner of Finance and Management.

(c) Unless codified or otherwise specified, all narrative portions of this act apply only to the fiscal year ending on June 30, 2024.

Sec. A.103 DEFINITIONS

(a) As used in this act:

(1) "Encumbrances" means a portion of an appropriation reserved for the subsequent payment of existing purchase orders or contracts. The Commissioner of Finance and Management shall make final decisions on the appropriateness of encumbrances.

(2) "Grants" means subsidies, aid, or payments to local governments, to community and quasi-public agencies for providing local services, and to persons who are not wards of the State for services or supplies and means cash or other direct assistance, including pension contributions.

(3) "Operating expenses" means property management; repair and maintenance; rental expenses; insurance; postage; travel; energy and utilities; office and other supplies; equipment, including motor vehicles, highway materials, and construction; expenditures for the purchase of land and construction of new buildings and permanent improvements; and similar items.

(4) “Personal services” means wages and salaries; fringe benefits; per diems; contracted third-party services; and similar items.

(5) “Capital appropriation” means an appropriation for tangible capital investments or expenses that are eligible to be funded from general obligation debt financing and are allowed under federal laws governing the use of State bond proceeds as described in 32 V.S.A. § 309.

Sec. A.104 RELATIONSHIP TO EXISTING LAWS

(a) Except as specifically provided, this act shall not be construed in any way to negate or impair the full force and effect of existing laws.

Sec. A.105 OFFSETTING APPROPRIATIONS

(a) In the absence of specific provisions to the contrary in this act, when total appropriations are offset by estimated receipts, the State appropriations shall control, notwithstanding receipts being greater or less than anticipated.

Sec. A.106 FEDERAL FUNDS

(a) In fiscal year 2024, the Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may accept federal funds available to the State of Vermont, including block grants in lieu of or in addition to funds designated as federal in this act. The Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may allocate all or any portion of such federal funds for any purpose consistent with the purposes for which the basic appropriations in this act have been made.

(b) If, during fiscal year 2024, federal funds available to the State of Vermont and designated as federal in this and other acts of the 2023 session of the Vermont General Assembly are converted into block grants or are abolished under their current title in federal law and reestablished under a new title in federal law, the Governor may continue to accept such federal funds for any purpose consistent with the purposes for which the federal funds were appropriated. The Governor may spend such funds for such purposes for not more than 45 days prior to legislative or Joint Fiscal Committee approval. Notice shall be given to the Joint Fiscal Committee without delay if the Governor intends to use the authority granted by this section, and the Joint Fiscal Committee shall meet in an expedited manner to review the Governor’s request for approval.

Sec. A.107 NEW POSITIONS

(a) Notwithstanding any provision of law to the contrary, the total number of authorized State positions, both classified and exempt, excluding temporary positions as defined in 3 V.S.A. § 311(a)(11), shall not be increased during

Sec. C.114 PUBLIC SAFETY COMMUNICATIONS SYSTEM;
DISPATCH; INVENTORY; DESIGN

(a) The General Assembly finds that protecting public safety and welfare is an essential function of State government and it is in the public interest to establish a statewide reliable, secure, and interoperable public safety communications system, comprising integrated 911 call-taking and regional dispatch systems, and to ensure that the system is equitably and sustainably financed and universally accessible by all persons throughout the State.

(b) It is not the intent of the General Assembly to establish a public safety communications system that disrupts or in any way jeopardizes the exceptional dispatch services currently in place or the existing 911 system, but rather to support, enhance, strengthen, and build upon those efforts and initiatives.

(c) The transition to a public safety communications system as specified in subsection (a) of this section shall be overseen and managed by the temporary Public Safety Communications Task Force established in subsection (d) of this section.

(d)(1) There is established a Public Safety Communications Task Force to oversee and manage all phases of the development, design, and implementation of a statewide public safety communications system as required by this section.

(2) The Task Force shall consist of seven members as follows:

All members, including members otherwise regularly employed by the State, shall receive their actual and necessary expenses when away from home or office upon their official duties pursuant to this section. A vacancy shall be filled by the respective appointing authority. If the Chair of the Regional Dispatch Working Group declines to participate as a member of the Task Force, the Task Force shall appoint one member who shall have expertise relevant to the purposes of this section.

(5) The Department of Public Safety shall provide the Task Force with administrative services and support.

(6)(A) The Task Force, in consultation with the Secretary of Administration, shall develop procedures and best practices for State agency cooperation and coordination on matters of overlapping jurisdiction. (e) The establishment of a statewide public safety communications system shall occur in essentially three phases, which include data collection and analysis, design, and implementation. Certain aspects of each phase may occur simultaneously as deemed appropriate by the Task Force.

(1) Data collection and analysis. On or before September 15, 2024, the Task Force shall conduct a complete inventory and assessment of all aspects of dispatch service currently provided in Vermont and, to the extent possible, dispatch service currently provided outside Vermont for response agencies located in Vermont, which shall include:

(A) an inventory of all existing dispatch infrastructure and equipment, including facilities, hardware, software, applications, and land mobile radio systems, referring to and incorporating any existing relevant data collected by a State or municipal entity;

(B) the number of full-time and part-time personnel currently performing dispatch service, taking into account personnel who have other responsibilities in addition to providing dispatch service;

(E) with the assistance of the Vermont League of Cities and Towns, a needs assessment to determine where and to what extent there are gaps in dispatch service or significant challenges to the delivery of dispatch service and to identify those municipalities that are likely to be most affected by either the curtailment of dispatch service from the two State-run public safety answering points or from a new financing mechanism for the continuation of such service;

(F) an assessment of the service provided by each dispatch center and identification of particular challenges or vulnerabilities, if any, including with regard to workforce, failover procedures, communications technology, costs, and governance; and

(G) collection and assessment of any other information the Task Force deems relevant.

(2) Design. On or before January 15, 2024, the Task Force shall develop findings and recommendations related to draft elements of a preliminary design for a public safety communications system, including identification of a proposed implementation timeline and any additional data and resources needed to develop a final design on or before December 15, 2024. The final design shall include:

(A) technical and operational standards and protocols that ensure an interoperable and resilient system that incorporates computer-aided dispatch systems and land mobile radios;

(B) technology life-cycle standards to ensure system and database upgrades are timely, sufficiently financed, and properly managed;

(C) system and database security and cybersecurity standards;

(D) continuity of operations standards and best practices that encompass failover procedures and other system redundancies to ensure the continuous performance of mission-critical operations;

(E) workforce training standards and other staffing best practices that support the retention and well-being of dispatch personnel;

(J) options for sustainably and equitably structuring the financing of the public safety communications system, taking into consideration:

(i) existing budgets for regional and local dispatch;

(ii) the population, grand list, and call volume of each municipality;

(iii) existing and potential State funding streams;

(iv) available federal funding opportunities for public safety agencies and emergency communications systems, including equipment, network infrastructure, and services;

(v) financing models adopted in other jurisdictions for public safety communications systems; and

(vi) any other standards or procedures deemed necessary or appropriate by the Task Force.

(f)(1) If the Task Force determines that sufficient minimum technical and operational standards have been developed to warrant the funding of one or more pilot projects, the Task Force may submit for approval a pilot project plan to the Joint Fiscal Committee in calendar year 2023.

(2) Pilot projects eligible for funding under this subsection may include new regional dispatch centers or expanded capacity at existing regional dispatch centers, provided the Task Force determines the pilot demonstrates project readiness and is otherwise consistent with the standards and purposes of this section.

(3) In evaluating proposed pilot projects, the Task Force shall give a high priority to projects in geographical areas of the State that presently face significant challenges with respect to reliably providing dispatch service.

(4) The pilot project plan shall include a description of each proposed project, the resources needed, and an explanation of how the project will align with, inform, and further the development of a statewide public safety communications system and ensure transparency and accountability particularly with respect to the expenditure of State funds pursuant to this subsection.

(5) The Joint Fiscal Committee is authorized to approve up to \$4,500,000.00 in total for pilot projects authorized by this subsection.

Sec. E.514.2 VERMONT STATE TEACHERS' RETIREMENT SYSTEM;
CALENDAR YEAR 2023–2024 SUPPLEMENTAL COST OF
LIVING PAYMENTS; INTENT; ACTUARIAL COST
ANALYSIS

(a) Intent. It is the intent of the General Assembly that:

(1) The maximum percentage value methodology set forth in 16 V.S.A. § 1949 that applies to the postretirement adjustment allowances for the Vermont State Teachers' Retirement System (VSTRS) shall be actuarially evaluated to determine the cost required to revert to the methodology used prior to the enactment of 2016 Acts and Resolves No. 114.

(2) The General Assembly further intends to make such a reversion by future legislative action amending 16 V.S.A. § 1949, provided that the present value of changes to the postretirement adjustment allowance methodology be fully funded at the time the change is made and not increase the unfunded liability in VSTRS.

(3) The General Assembly further intends that if the June 30, 2023, change in the Consumer Price Index exceeds the statutory maximum percentage values set forth in 16 V.S.A. § 1949 (b)(1), the General Assembly will provide a sufficient appropriation in the 2024 Budget Adjustment Act to make a one-time supplemental payment, similar in form to that described in subsection (b) of this section, to qualifying VSTRS retired members and beneficiaries in calendar year 2024.

(b) Calendar year 2023 supplemental payment. A one-time supplemental payment during calendar year 2023 shall be made to VSTRS retired members and beneficiaries who received a 2.5 percent postretirement adjustment allowance in an amount equal to the net difference between what members actually received in calendar year 2023 and what they would have received under a 3.8 percent postretirement adjustment allowance.

(c) Actuarial cost analysis. Following the completion of the next experience study, expected in fall 2023, the State Treasurer shall conduct an actuarial analysis to evaluate the cost of changing the current methodology for calculating the postretirement adjustment allowance for the Vermont State Teachers' Retirement System to a methodology calculated by applying the maximum percentage values set forth in 16 V.S.A. § 1949(b)(1) to the postretirement adjustment allowance rather than applying the statutory maximum percentage values to the net percentage change in the Consumer Price Index. The actuarial analysis shall take into account any changes to actuarial assumptions that may occur following the experience study to be performed at the end of fiscal year 2023, as required by 16 V.S.A. § 1942.

(d) Report. Based on the actuarial cost analysis described in subsection (c) of this section, on or before January 15, 2024, the State Treasurer shall submit a report to the House and Senate Committees on Appropriations with an actuarial cost estimate for changing the VSTRS postretirement adjustment allowance methodology as set forth in subsection (c) of this section.

Sec. G.136 23 V.S.A. § 1402 is amended to read:

§ 1402. OVERWEIGHT, WIDTH, HEIGHT, AND LENGTH PERMITS;
FEES

(a) Overweight, overwidth, indivisible overlength, and overheight permits. Overweight, overwidth, indivisible overlength, and overheight permits shall be signed by the Commissioner or by ~~his or her~~ the Commissioner's agent and a copy shall be kept in the office of the Commissioner or in a location approved by the Commissioner. Except as provided in subsection (c) of this section, a copy shall also be available in the towing vehicle and must be available for inspection on demand of a law enforcement officer. Before operating a traction engine, tractor, trailer, motor truck, or other motor vehicle, the person to whom a permit to operate in excess of the weight, width, indivisible overlength, and height limits established by this title is granted shall pay a fee of ~~\$40.00~~ \$48.00 for each single trip permit or ~~\$112.00~~ \$135.00 for a blanket permit, except that the fee for a fleet blanket permit shall be ~~\$112.00~~ \$135.00 for the first unit and ~~\$6.00~~ \$8.00 for each unit thereafter. At the option of a carrier, an annual permit for the entire fleet, to operate over any approved route, may be obtained for ~~\$112.00~~ \$135.00 for the first tractor and ~~\$6.00~~ \$8.00 for each additional tractor, up to a maximum fee of \$1,000.00. The fee for a fleet permit shall be based on the entire number of tractors owned by the applicant. An applicant for a fleet permit may apply for any number of specific routes, each of which shall be reviewed with regard to the characteristics of the route and the type of equipment operated by the applicant. When the weight or size of the vehicle-load are considered sufficiently excessive for the routing requested, the Agency of Transportation shall, on request of the Commissioner, conduct an engineering inspection of the vehicle-load and route, for which a fee of \$300.00 will be added to the cost of the permit if the load is a manufactured home. For all other loads of any size or with gross weight limits less than 150,000 pounds, the fee shall be \$800.00 for any engineering inspection that requires up to eight hours to conduct. If the inspection requires more than eight hours to conduct, the fee shall be \$800.00 plus \$60.00 per hour for each additional hour required. If the vehicle and load weigh 150,000 pounds or more but not more than 200,000 pounds, the engineering inspection fee shall be \$2,000.00. If the vehicle and load weigh more than 200,000 pounds but not more than 250,000 pounds, the engineering inspection fee shall be \$5,000.00. If the vehicle and load weigh more than 250,000 pounds, the engineering inspection fee shall be \$10,000.00. The study must be completed prior to the permit being issued. Prior to the issuance of a permit, an applicant whose vehicle weighs 150,000 pounds or more, or is 15 or more feet in width or height, shall file with the Commissioner a special certificate of insurance showing minimum coverage of

\$250,000.00 for death or injury to one person, \$500,000.00 for death or injury to two or more persons, and \$250,000.00 for property damage, all arising out of any one crash.

(b) Overlength permits. Except as provided in subsections 1432(c) and (e) of this title, it shall be necessary to obtain an overlength permit as follows:

(1) For vehicles with a trailer or semitrailer longer than 75 feet, anywhere in the State on highways approved by the Agency of Transportation. In such cases, the vehicle may be operated with a single trip overlength permit issued by the Department of Motor Vehicles for a fee of ~~\$28.00~~ \$34.00. If the vehicle is 100 feet or more in length, the permit applicant shall file with the Commissioner of Motor Vehicles a special certificate of insurance showing minimum coverage of \$250,000.00 for death or injury to one person, \$500,000.00 for death or injury to two or more persons, and \$250,000.00 for property damage, all arising out of any one crash.

Rep. Andriano of Orwell explained his vote as follows:

“Madam Speaker:

I vote against this budget in solidarity with the Vermonters who will be out on the street as of July 1st. I cannot ethically support a document that makes a conscious choice to shove people off a cliff when it just as easily could have built them an off ramp.”

Rep. Arsenault of Williston explained her vote as follows:

“Madam Speaker:

I voted yes for all the good this budget will enable and in recognition of the diligent work of this body’s committees. However, I rise to apologize to the Vermonters who will soon be unhoused due to the Governor’s lack of a responsible transition plan to end the motel voucher program. I commit to learning and then doing my part in the name of oversight, and I call on the Administration to do theirs in the name of basic humanity. We can still find a way to ensure folks remain housed while winding down the motel voucher program, which was never intended to be permanent. I don’t quite understand how we got here, as the crisis we face was entirely predictable, but I implore each of us and every responsible State agency to take an active role in finding a true solution”

Rep. Bos-Lun of Westminster explained her vote as follows:

“Madam Speaker:

A lot of important policy is reflected in this budget that can benefit Vermont and Vermonters, but it is missing one critical allocation, funding a responsible, compassionate transition out of hotel housing. I do believe the program needs to be phased out, in a careful way that supports both the needs of individuals and our communities. I have been a case manager with homeless youth. At the beginning of the pandemic, I worked with some individuals who were sheltered in hotels. I cannot support a bill that evicts every individual currently housed in hotels without time to make supportive plans. A director of a Vermont emergency housing program told me he was trying to get sleeping bags and tents to send current hotel residents without some form of shelter.

This is inadequate and inhumane for impacted individuals and will be extremely difficult for our communities and service providers too. With a bit more time and coordination, better options could be secured to make a smoother transition for all. I cannot support a budget that sends Vermonters out of temporary housing onto the streets, into the woods, or to living in their cars. This was the hardest vote I ever cast, but I had to vote no.”

Rep. Burke of Brattleboro explained her vote as follows:

“Madam Speaker:

This is the hardest vote I have had to navigate in my 15 years in this body. My yes vote today is on all the positive investments in this budget. However, I am deeply disturbed by the negative aspects of this budget, and by the loss of shelter soon to be faced by individuals in our communities. We will all be called on to help alleviate the harm.”

Rep. Chapin of East Montpelier explained her vote as follows:

“Madam Speaker:

I vote yes to support the important and forward-thinking investments and programs in this budget. Yet I also want to express that my heart is broken for the inadequacy of our collective plan and funding to transition people out of the hotels and motels, where people will shortly have nowhere to live. And I am deeply concerned about the community and emergency organizations and health care providers who are already stressed and understaffed after years of pandemic and workforce shortages. The timing is off between the impacts of positive investments we are making, and the forced unhousing to come.”

Rep. Cole of Hartford explained her vote as follows:

“Madam Speaker:

The roots of houselessness are systemic and multilayered, despite the culture of American individualism and belief in a strong work ethic that some of us hold on to so dearly. In the United States, the cost of a single health problem can be expensive enough to strip the roof out from over someone’s head. It strikes me that seventy-five percent of the households utilizing the GA motel voucher program contain at least one member with disabilities. I believe that motel vouchers would not be a part of today’s discussion if we could cut the relationship between health and housing status by implementing single payer health insurance in our State. I appreciate the investment that the Legislature has proposed in addressing some of the root causes of our State’s challenges at the intersection of health and housing. In contrast, I am disappointed by the Governor’s recent messaging that claims, ‘cost savings’ through underinvestment, while relying on Vermonters’ tax dollars to treat

these issues in inefficient and undignified ways that are untraceable back to his budget proposal: including increased emergency room visits, incarceration, emergency services, hunger, and addiction. In the coming months, it will be the State's duty to guarantee the safe transition of all Vermonters previously housed in the GA program. It is also the State's duty to target the underlying causes of houselessness. I believe that this budget is a partial, yet important step in fulfilling these duties."

Rep. Galfetti of Barre Town explained her vote as follows:

"Madam Speaker:

I will not blame a Governor, who presented us with a budget, that did not raise taxes or fees and had good provisions for all the programs that we have in this budget, for dropping the ball. Perhaps if we had left some meat on the bone, we, the Legislature, could have built the off ramp our homeless deserve as is our duty."

Rep. Hango of Berkshire explained her vote as follows:

"Madam Speaker:

Here we sit, concluding our business of passing legislation - initiatives requiring new funding sources, adding hundreds of millions of dollars that will burden working Vermonters by increasing taxes and fees across many sectors. While this budget contains many worthy programs, I cannot support this unsustainable increase. Tens of millions of those dollars are allocated to new positions within State government to administer these new programs or to expand existing ones. That leads me to a real dilemma: on the one hand, we are desperate for more workers; yet on the other hand, we are driving those very workers away from our State. Madam Speaker, for \$3.5 million, we have had the opportunity each year that I have sat in this seat, to attract and retain a ready-made, skilled workforce. Sadly, this legislation has remained on the wall - a bill to exempt all military pensions and survivors benefits from State income tax - a bill that would honor the sacrifices that families have made for our freedom to sit here today. The \$3.5 million dollars in the scheme of spending hundreds of millions of dollars is a drop in the bucket. It is my hope that when we return in January, we can finally put aside our differences and come together to do the right thing to honor the men and women and their families who served or gave the ultimate sacrifice with this modest measure of gratitude."

Rep. Long of Newfane explained her vote as follows:

“Madam Speaker:

I voted yes on this budget because it makes critical investments that reflect the needs of Vermonters in all fourteen counties. It supports programs and policies that help people each and every day.”

Rep. McCann of Montpelier explained her vote as follows:

“Madam Speaker:

This budget reflects hard work and good policy that will benefit so many Vermonters. But it is missing an acceptable off ramp to the GA housing program for our most vulnerable community members. Emergency shelters with cots and meals is not acceptable. Tents are not acceptable. Putting the responsibility for these individuals and families on our cities and towns is not acceptable. Unhousing 600 children is not acceptable. Without a budget that reflects a responsible end to the motel program, I vote no.”

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

While there are many good things this budget funds...and this may sound strange...that is exactly the problem. With the passage of the childcare bill, this evening, this budget is an overall increase of 13.3%. Given we are already seeing downgrades in our incoming revenue, I am concerned we will be back here in January cutting many of the initiatives we approved tonight. A 20% increase in DMV fees, the unknown cost of the clean heat standard, a 90-million-dollar payroll tax, millions of dollars in OPR fees, and we are looking to give ourselves a 50% raise. While not all of these are contained in the budget, we must take a broader look at our financial picture. I cannot support this rate of spending and new taxes and fees. My constituents cannot afford the decisions we have made this session. My constituents cannot afford this budget. We are breaking the backs of Vermonters.”

Rep. McGill of Bridport explained her vote as follows:

“Madam Speaker:

I voted no on this bill because I can't in good conscience support a budget that does not recognize and support the humanity in all Vermonters.”

Rep. Morgan of Milton explained his vote as follows:

“Madam Speaker:

This budget was done with a tremendous amount of hard, hard work by our friends in Appropriations, and that is appreciated. This budget provides for

many, many great programs, and initiatives for the State, however, at a cost that is not sustainable. I am fearful that with already decreasing State revenues, as predicted by our State economists, that we are very likely setting ourselves on a trajectory for financial failure. We are arguably the 3rd or 4th highest taxed state in the nation. I hear from constituents all the time that this must change. With the direction this budget is heading, with the staggering increases to the baseline, we are not changing anything but are on a path of financial hardship for hardworking Vermonters.”

Rep. Mulvaney-Stanak of Burlington explained her vote as follows:

“Madam Speaker:

I am voting no today because I must vote my conscience and stand with my unhoused neighbors. We can and must do better. This is a policy problem we can still solve, not a money problem.”

Rep. Notte of Rutland City explained his vote as follows:

“Madam Speaker:

I voted yes for this budget in recognition of the hard work done by my colleagues in this building over the course of the legislative session. I voted yes in recognition of all the positive effects the components of this budget will have on the residents of our State. This budget, as it always is, is a compromise. But the sum of its parts is a positive step forward, and a promise for the future. The care and diligence put into this budget is obvious, and so is the hope. For all these reasons, I voted yes.”

Rep. Noyes of Wolcott explained his vote as follows:

“Madam Speaker:

I rise today in support of the investments this budget makes in our home and community-based service providers. Over the past decade, we have underfunded many of these programs that are essential to not be crossed out. Assisted community care services, adult day providers, enhanced residential care, and home delivered meals, to name a few. If we are to make Vermont the best state to grow old in, then we need to continue to make these kinds of investments in the services and supports.”

Rep. Rachelson of Burlington explained her vote as follows:

“Madam Speaker:

This budget does so much for so many Vermonters. My no vote in no way reflects the House’s hard work, or our House budget conferees advocacy and efforts. I voted no because despite the House’s work and efforts, 1800 households, including 700 children, will be forced out of their housing in just a

few short weeks. The impact of having so many people needing housing and assistance is going to be a tsunami. Our human service and housing organizations are amazing, but they are not miracle workers. Housing Vermonters in motels isn't the answer and is unsustainable. I'm excited that we're increasing our housing stock, but with the lack of available, affordable housing now, I am gravely concerned about the well-being of the people we are putting out. I've read about the gradual and planned success other states and municipalities have had with these very same transitions. We're saving the expense of paying motels the rates they were demanding, but Vermont and our local communities will all pay for the burden that will be shifted to our health care, social service, law enforcement, education, and justice systems. And most of all, I am concerned about the additional stress and obstacles we've placed on so many vulnerable Vermonters."

Rep. Sammis of Castleton explained his vote as follows:

"Madam Speaker:

Let's keep the safety and well-being of our most vulnerable above politics—and actually do something about it for a change. It is our responsibility. It is our duty. The time is now, not later... It is up to us. I vote no."

Rep. Small of Winooski explained her vote as follows:

"Madam Speaker:

I refuse to sign the death certificates of our most vulnerable Vermonters. That is what we are doing with this budget's unhousing plan. That is why I vote no."

Rep. Toof of St. Albans Town explained his vote as follows:

"Madam Speaker:

Although I agree with many initiatives associated with this budget, I cannot and will not support a budget increase of over 13%. This budget raises taxes and fees on working Vermonters while hurting the very people we claim to want to help. A 20% increase in DMV fees alone is enough for me to vote no, but the 13% base increase is just too much. I'm afraid we will have to raise taxes in future years to keep these promises. I vote no."

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives
State House
Montpelier, VT 05633

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning H.494 – *An act relating to making appropriations for the support of government*, without my signature because of my objections described herein:

In my address to the Legislature in January, I reported that with organic revenue growth we could achieve our shared goals. My budget leveraged a historic \$390 million in surplus revenue to fund our shared priorities like childcare, voluntary paid family and medical leave, housing, climate change mitigation, and more – all without raising taxes or fees.

This approach is critical because Vermonters have made it clear that living in our state is not affordable; and the data backs that up as we are ranked as having one of the highest tax burdens in the nation. Adding to this pressure, Vermonters continue to pay more for everyday essentials due to persistent inflation.

With all of this in mind, we cannot and should not ask Vermonters to shoulder the burden of new and higher taxes, fees, and penalties.

And yet, across this budget and other bills, the Legislature's tax, fee and spending decisions this session may add an average of nearly \$1,200 to a household's burden each year – on top of higher property tax bills and

inflation, which have already consumed the increase in most people's paychecks.

Specifically, this budget unnecessarily increases DMV fees by 20 percent and is reliant on a new and regressive, payroll tax in H.217. The DMV fee increase will once again place Vermont in the unenviable position of being the most expensive state in the northeast to maintain a driver's license and register a vehicle. The combination of this with so many other increases will hurt everyday Vermonters now and into the future.

I'm also concerned the substantial increase in ongoing base spending, that Vermonters must bear into the future, is not sustainable. This increase – more than twice the rate of current inflation – is especially concerning because it does not include the full cost of the new programs created this year that rely on new tax revenue or will otherwise add to Vermonters' costs, including the childcare expansion, universal school meals, the clean heat standard and more.

Here's the bottom line: I cannot support a budget that relies on new and regressive taxes and fees, combined with the overall increase in base spending that is far beyond our ability to sustain, especially because there is a way to achieve our shared policy goals without them. The risk to Vermonters is too great.

Vermonters have elected and reelected me, in part, to provide balance and fiscal responsibility in Montpelier and I will follow through on that mandate. I strongly urge the Legislature to work with me on a path forward that accomplishes our shared goals.

Sincerely,

Philip B. Scott

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning H.386, *An Act Relating to Approval of Amendments to the Charter of the*

Town of Brattleboro without my signature because of my objections described below.

This bill is almost identical in language and purpose to a bill passed last year, H.361, *An Act Relating to Approval of Amendments to the Charter of the Town of Brattleboro*, which I vetoed in 2022 (see attached veto message). As I said last year, I believe it is important to encourage young Vermonters to have an interest in issues affecting their schools, their communities, their state and their country. However, I do not support lowering the voting age in Brattleboro, nor lowering the age to run for Town office and sign contracts on behalf of taxpayers.

As I specified last year, “given how inconsistent Vermont law already is on the age of adulthood, this proposal will only worsen the problem. For example, the Legislature has repeatedly raised the age of accountability to reduce the consequences when young adults commit criminal offenses. They have argued this approach is justified because these offenders are not mature enough to contemplate the full range of risks and impacts of their actions.”

Adding to that inconsistency, just one month ago the Legislature passed, and I signed, H.148, *An act relating to the age of eligibility to marry*, or, “The Act to Ban Child Marriage,” which raised the age of eligibility to marry to age 18. Proponents rightly argued, “all young people in Vermont deserve equal opportunities to enjoy their childhood...”, they also pointed to undo influence by controlling parents.

Additionally, proponents of this bill have argued it represents the will of the voters. In fact, this is not the case. With H.386 the Legislature substantially changed and expanded the charter change, going against the intent of the voters (see attached Brattleboro sample ballot).

For all these reasons, I’m returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Sincerely,

Philip B. Scott

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I am returning H.509, *An act relating to approval of amendments to the voter qualification provisions of the charter of the City of Burlington*, without my signature.

As I wrote when returning similar bills without signature in 2021, this highly variable town-by-town approach to municipal election policy creates separate and unequal classes of legal residents potentially eligible to vote on local voting issues. I am well aware of the recent Vermont Supreme Court decision, as well as a historic Vermont Supreme Court decision on the issue of constitutionality. I also have no objection to the policy direction. I am happy to see legal residents who are non-citizens calling Vermont home and participating in the issues affecting their communities.

However, the fundamentals of voting should be universal and implemented statewide. I again urge the Legislature to establish clarity and consistency on this matter with a template or uniform standards, before continuing to allow municipalities to move forward with changes to resident voter eligibility in their cities and towns. Returning this bill provides the opportunity to do this important work.

For these reasons, I am returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Re: H.508, AN ACT RELATING TO APPROVAL OF AN AMENDMENT TO THE RANKED CHOICE VOTING PROVISIONS OF THE CHARTER OF THE CITY OF BURLINGTON

Dear Legislators:

Today, I am letting H.508, *An Act Relating to Approval of an Amendment to the Ranked Choice Voting Provisions of the Charter of the City of Burlington*, become law without my signature.

As I wrote last year when Burlington amended its charter to institute ranked choice voting for City Councilors, I am allowing this bill to move forward because its scope is limited to the method of elections of the Burlington Mayor, school commissioners and ward election officers. As we know, ranked choice voting went terribly wrong over a decade ago, resulting in Burlington abandoning the practice. Nevertheless, it appears the politics have changed in the City, for now, in favor of ranked choice voting.

To be clear, I remain opposed to a statewide system of ranked choice voting. I believe one person should get one vote, and candidates who get the most votes should win elections.

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning H.305, *An act relating to professions and occupations regulated by the Office of Professional Regulation*, without my signature because of my objections described herein:

I've successfully partnered with the Secretary of State's Office of Professional Regulation on several occasions since taking office to remove employment barriers for licensed professionals, and to create civilian licensure pathways for military professionals. However, I'm concerned about the impact of raising licensing fees on workers we're trying to attract to these critical sectors and adding to the affordability challenges Vermont employees and employers already face.

While these fee increases may look modest, they contribute to the high cumulative impact of new costs being levied on Vermonters this session. I will

continue to fight against creating new and higher taxes and fees during a time when Vermonters are grappling with persistent inflation, and when we have record surpluses available to assist us.

For all these reasons, I'm returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Re: H.230, AN ACT RELATING TO IMPLEMENTING MECHANISMS
TO REDUCE SUICIDE AND COMMUNITY VIOLENCE

Dear Legislators:

Today I'm allowing H.230, *An act relating to implementing mechanisms to reduce suicide and community violence*, to become law without my signature.

This bill has come a long way. It started as something I could not support, but after a lot of time and effort from various parties, it ended in a better place, where I support two out of the three major provisions.

First, I believe the expansion of who can petition the court for an extreme risk protection order will prove to be helpful in keeping guns out of the hands of those who are at risk of doing harm to themselves or others.

Second, the provision relating to ‘safe storage’ creates a more palatable and effective approach to ensure guns are not readily accessible to those who shouldn’t have them.

Unfortunately, the third component, including the 72-hour waiting period is, in my opinion, problematic.

Given the relatively new legal landscape we find ourselves in following recent U.S. Supreme Court decisions, I have significant concerns about the provision’s constitutionality. My struggle with the overall bill lies in the fact that I, and all legislators, took an oath to ‘not do any act or thing injurious to the constitution.’

However, this matter is currently being taken up through constitutional legal tests across the country and will be decided in Federal Court. I would also not be surprised to see a Vermont entity challenge the constitutionality of this provision of the bill, as well.

With this in mind, knowing that my constitutional concerns will be addressed through the legal process, I will allow H.230 to become law without my signature, and await the judicial branch to decide the fate of waiting periods.

Sincerely,

Philip B. Scott

Dear Mr. Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning *S.39, An act relating to compensation and benefits for members of the Vermont General Assembly*, without my signature because of my objections described herein.

This year, the General Assembly passed several pieces of legislation that will significantly increase costs for Vermonters through new and higher taxes, fees and penalties. In my opinion, it does not seem fair for legislators to insulate themselves from the very costs they are imposing on their constituents by doubling their own future pay.

Dear Secretary Bloomer:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning S.6, *An Act Relating to Law Enforcement Interrogation Policies* without my signature because of my objections described below.

This bill started out as a reasonable approach to expand existing constitutional protections prohibiting deceptive and coercive interrogations for juvenile offenders under the age of 18. As passed, this bill would make Vermont an outlier by offering these expanded protections to young adult offenders up to the age of 22, despite Vermont's already robust constitutional protections. There was uniform testimony in opposition to this bill from the entities charged with promoting public safety, including crime victim services and

child advocacy centers, that this bill will remove tools from law enforcement used to investigate very serious, violent crimes at a time when our communities are not feeling safe and are asking us to do more.

This bill would make it more difficult to investigate and prosecute young adult perpetrators involved in serious crimes, such as narcotics trafficking, sex offenses, including sexual assaults that happen on college campuses and child sex abuse cases, and internet crimes against children.

For this reason, I'm returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

H. 217 An act relating to child care, early education, workers' compensation, and unemployment insurance

Governor's Veto Letter

“June 6, 2023

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives
State House
Montpelier, VT 05633

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning H.217, *An act relating to childcare, early education, workers' compensation, and unemployment insurance*, without my signature because of my objections described herein:

Increasing the availability and affordability of childcare has been a priority throughout my time as Governor. In fact, in my first six years in office we doubled our investments in childcare and these appropriations would be substantially higher had previous legislatures supported fully funding my proposals.

I also put forward a plan in 2018 to dedicate tens of millions of dollars in new online sales tax revenue to childcare. If the Legislature had supported this proposal, we would be investing an additional \$62 million this year alone, and much more in future years. And last year we expanded childcare subsidies to 350% of the federal poverty level. To put that in perspective, a four-member household (e.g., two adults and two children) earning \$105,000 per year is currently eligible for subsidies.

Knowing the Legislature and I both wanted to “go big” on childcare this year, I dedicated \$56 million in organic, ongoing base revenue growth to expand eligibility to families making up to 400% of the Federal Poverty Level (FPL). This would put Vermont at the top of the list of the most generous childcare states in the nation, giving households earning up to \$120,000 per year access to support, and helping about 4,000 more kids.

When the Senate and House were at stalemate in May, my team offered legislative leaders another path, expanding subsidies even higher (to 450% of

the Federal Poverty Level) and funding a 10 percent increase in provider rates, without relying on new and regressive taxes.

In total this compromise would have covered 6,000 more kids than our existing investment, helping families making up to \$135,000 a year, and definitively establishing Vermont as the state most committed to affordable, accessible childcare for working families.

Unfortunately, there was no interest. Instead, the Legislature remained determined to raise a new tax. Ultimately landing on a regressive payroll tax that, if you are a lower income Vermonter already receiving free childcare, you will have to pay a tax, with no added benefit to you, so that families with higher incomes get support.

Vermont already has one of the highest tax burdens in the nation. The last thing we should be doing is making it worse. Raising new revenue from taxes and fees should be a last resort, not a first step.

Supporters of raising taxes and fees will always point to the relatively small amount raised for each individual program or service – trying to suggest it is not that much money. But that type of narrow here-and-there thinking adds up, year after year, and has made living in Vermont increasingly unaffordable.

For these reasons, I had to veto this regressive tax plan.

Sincerely,

Philip B. Scott
Governor

Governor's Letter

“June 12, 2023

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives
115 State Street
Montpelier, VT 05633

Dear Ms. Wrask:

Today I'm allowing H.126, *An act relating to community resilience and biodiversity protection*, to become law without my signature.

I appreciate the General Assembly worked with my Administration to address the concerns I raised last year in my veto message regarding H.606, *An act relating to community resilience and biodiversity protection*. This bill changed in ways that attempt to better align with ongoing conservation work in Vermont.

Unfortunately, in the effort to achieve flexibility, this bill incorporates findings which muddy the purpose and uses definitions so broad and vague as to be virtually meaningless. Which led me to consider a veto because it could be read to mean anything to anybody.

Instead, I'm letting this bill go into law because this bill puts the Agency of Natural Resources (ANR) in a stronger position to direct how state and federal conservation funding is targeted and prioritized in the future. ANR will oversee the efforts of the Vermont Housing Conservation Board (VHCB) as it works in partnership with ANR to develop inventories as well as strategy and implementation methods.

Importantly, ANR will be the clear lead in the effort to achieve our conservation goals with the understanding future growth is necessary and inevitable in Vermont.

This bill anticipates the need for housing and for the conservation plan to incorporate Smart Growth principles to ensure future conservation investment does not impede the buildout of areas the state has designated for growth. Balancing land protection and housing is core to the State's future and this bill will allow ANR to work closely with VHCB to ensure this critical balance in the planning process.

Finally, ANR is positioned to interpret the bill's unusually unclear definitions, through rulemaking if necessary, to allow a mix of strategies to include permanent tools like land purchases and conservation easements, as well as other land protection mechanisms that help achieve the bill's goal of an ecologically functional and connected landscape such as the State's Current

Use program and other innovative market-based conservation tools.

The bottom line is I'm allowing this bill to go into law because in this case, the Legislature has appropriately given this task to an Agency of the Executive Branch that will be accountable to Vermont's taxpayers.

Sincerely,

Philip B. Scott

Governor's Letter

“June 14, 2023

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives
115 State Street
Montpelier, VT 05633

Dear Ms. Wrask:

Vermonters have made their ongoing concerns about the affordability of our state abundantly clear. Despite these concerns and my efforts, legislative action this year has added a new, approximately \$100 million payroll tax; \$20 million in unnecessary DMV fee increases; hundreds of millions in additional cost pressures that will come as a result of the override of my veto of the clean heat standard bill; an unsustainable \$70 million increase in base budget spending over my recommendation; an eventual doubling of their own pay and benefits; and more.

With H.165, the Legislature has added \$20-30 million in property tax pressure to pay for school meals for all students, including those from affluent families. This will be paid for by all Vermonters, including those with low incomes. That's not progressive education funding policy, it's regressive policy that hurts the very families we are trying to help.

I know a veto would in all reality be overridden, and further distract us from the work we should be prioritizing for our kids, like reversing pandemic learning loss; addressing declining math and reading scores; addressing youth mental health challenges (which inhibit learning); and more.

Therefore, I'm allowing H.165, *An act relating to school food programs and universal school meals*, to become law without my signature. And I ask the Legislature to rethink this sincere but regressive policy in the future, so working Vermonters are not paying for the meals of families who could better afford it.

Sincerely,

Philip B. Scott

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives

Dear Ms. Wrask:

Today I'm allowing H.270, *An act relating to miscellaneous amendments to the adult-use and medical cannabis programs*, to become law without my signature.

I'm concerned this bill repeals the sunset of the Cannabis Control Board (CCB), a change which appears minor, but in fact has substantive consequences for the principle of separation of powers.

I understand there is a need for an alternative structure for regulating controlled substances that remain federally illegal so that we do not compromise federal funding. However, when removing the sunset on the CCB, the statutory authority of the CCB needs to be clarified to ensure constitutionality and accountability to the governor.

Like the Department of Liquor and Lottery, the CCB exercises the police powers of the governor. It has investigators and enforcement agents. It has substantial rulemaking authority which affects the rights and obligations of licensees. The CCB is not a legislative body, nor is it quasi-judicial. The Legislature has no authority to delegate the Constitutional power of the governor to faithfully execute the laws to an entity that is now permanently independent of the executive branch and is, therefore, not accountable to the people of Vermont. Constitutionally, the CCB must be accountable to the governor as part of the Executive Branch.

My concerns have nothing to do with the capabilities of the current CCB. I believe my appointees have done a thorough job starting up and regulating the legal cannabis marketplace in Vermont. However, the current law establishes the CCB as an “independent commission” with its members vetted through a nominating board made up primarily of legislators who submit candidates to the governor. Once appointed, CCB members may only be removed for cause by the other two CCB members. The CCB has added staff, taken over the regulation of medical cannabis and the medical registry, and grown to be an approximately 22-member department. As an independent entity, the CCB regulates a multi-million-dollar industry with no oversight. Again, while I have complete confidence in the current CCB, this lack of oversight creates the risk for future mismanagement, conflicts of interest and other harmful impacts.

Fortunately, current law does not “notwithstanding” applicable law which makes clear that the members of the CCB serve at the pleasure of the governor. For this reason, I’m letting this bill go into law without my signature because I’m confident the members of the CCB, and hopefully the Legislature, will work with me to pass legislation to make the modifications necessary to clarify the statutory authority of the CCB is constitutional.

Sincerely,

Philip B. Scott

Andriano of Orwell Chapin of East Montpelier Oliver of Sheldon

Rep. Donahue of Northfield explained her vote as follows:

“Madam Speaker:

This critical issue could have been addressed in a fiscally responsible manner by taking reasonable steps forward rather than biting off a massive chunk all at one time. There was a rational path for significant progress without a new payroll tax. I cannot support this veto override.”

Rep. Galfetti of Barre Town explained her vote as follows:

“Madam Speaker:

I rise in support of H.217 with a heavy heart. But with the composition of the Legislature of this State, we have no choice but to support this option that was given us. Alternative bills were never taken off the wall for us to consider and now we have levied a needless regressive payroll tax as we were given no other options.”

Rep. Hango of Berkshire explained her vote as follows:

“Madam Speaker:

I voted no with regret today to uphold the Governor’s veto of this important legislation. I am disappointed that there was no due consideration for the Governor’s proposal to alleviate this crisis affecting our work force and our families without raising new payroll taxes on every working Vermonter and their employers.”

Rep. Harrison of Chittenden explained his vote as follows:

“Madam Speaker:

While I support increased funding for childcare, H.217 goes too far. This bill gives new meaning to tax and spend.”

Rep. Laroche of Franklin explained his vote as follows:

“Madam Speaker:

I voted yes before as I support childcare. But this bill is too expensive and imposes an onerous tax. I doubt that money will solve the problem if the labor force is lacking. So, I am a No.”

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

A payroll tax for childcare is a regressive tax. The notion that low-income families, who qualify for subsidized childcare, will now be paying a payroll tax, is untenable for me. I vote to support the Governor’s veto.”

Rep. McFaun of Barre Town explained his vote as follows:

“Madam Speaker:

I voted yes on H.217 because I ran on the notion that this childcare industry needed to be stabilized and be more affordable. Affordable childcare is positively an effective economic development tool as well. Even though I don’t agree with the payroll tax as a funding mechanism, it is the only option before me; therefore, I vote yes for families in need of childcare.”

Rep. Morgan of Milton explained his vote as follows:

“Madam Speaker:

This is a difficult vote for me as I’ve always supported childcare bills in the past. However, this legislation creates a tax that is regressive in nature as it is paid by all working Vermonters, rich or poor. The Governor had given us a path that would have brought us into the top spot in the nation for childcare without raising taxes. Therefore, I vote no.”

Rep. Mrowicki of Putney explained his vote as follows:

“Madam Speaker:

If there were ever a cause worthy of investing State dollars, it is our children, families, and staff – mostly women – who provide early care and education. And by investment, I mean long term, not onetime. Our children deserve no less.”

Rep. Toof of St. Albans Town explained his vote as follows:

“Madam Speaker:

Although I support making important investments in childcare, I cannot support adding more burdens on working Vermonters. This vote isn’t about childcare, it is about creating a new payroll tax. I vote no.”

Rep. Wood of Waterbury explained her vote as follows:

“Madam Speaker:

This is transformational change for Vermont; a family with \$50,000 in income will pay \$55 per year, but their benefit will be in excess of \$22,000. A good bargain under any measurement. Workers benefit, families benefit, all Vermonters benefit.”

Rep. Andrews of Westford explained her vote as follows:

“Madam Speaker:

Today I voted yes on H.305 in support of our colleagues that work in the Office of Professional Regulation every day ensuring our business professionals across many sectors of the economy are serving their customers, partners, and patients with professionalism. When we choose to not adequately fund functions of government, there are ripples of effect. The most obvious is that we need to take money from the General Fund that is intended for other purposes. We can pretend that not addressing fees keeps costs lower, but when we abdicate responsibility for keeping fees aligned with costs, we are inappropriately asking all Vermonters to bear the cost.”

Rep. Demrow of Corinth explained his vote as follows:

“Madam Speaker:

State government is not immune to the inflationary pressure we all face. We as a state, rely on professional boards to uphold professional licensing, and ethics standards. I voted yes because adequately funding professional boards protects all Vermonters.”

Rep. Galfetti of Barre Town explained her vote as follows:

“Madam Speaker:

With the passage of H.305 we have started a dangerous slide in the standard of dental care especially for low-income Vermonters, by allowing hygienists to put a bandaid on tooth decay that has not been evaluated by a licensed dentist. As a result, we will put people’s dental health at risk.”

Rep. McCarthy of St. Albans City explained his vote as follows:

“Madam Speaker:

This bill makes important updates to Office of Professional Regulation policies, notable is expanding the scope of practice for dental hygienists to save the teeth of many Vermonters. The increases in fees for licenses are in line with inflation and will make OPR more sustainable and self-sufficient. I vote yes.”

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

A seven million dollar hit to businesses and employees for their professional licensure, especially during these uncertain economic times, is something I cannot support. I vote to support the Governor’s veto.”

Rep. Bos-Lun of Westminster explained her vote as follows:

“Madam Speaker:

I supported the veto override because the budget desperately needed programs for Vermonters. Today I expect we will support another bill which will provide appropriate and compassionate plans for a just transition out of the motels/hotels to other housing options that were not available when we voted on the budget in May. To support the budget override, I needed better plans to support those still living in hotels and motels. I am thankful this is coming today.”

Rep. Brady of Williston explained her vote as follows:

“Madam Speaker:

I voted yes on this budget because it contains so many important investments. Most of us only closely know our little corner of the budget and my corner is education. I am especially proud that we are creating some modest teacher workforce incentives as the workforce challenges in our schools are increasingly dire and we will need sustained attention to this work. I am incredibly optimistic about the school construction and transformation work that will begin in earnest with the passage of this budget. But I am profoundly disappointed that despite the hard work of our House conferees, we will continue to use precious public education dollars on an expensive first in the nation PCB testing program that is already creating disruption and stress in schools across the State at a time when we should be doing everything in our power to increase learning and support schools, not disrupt them. Using taxpayer dollars intended to fulfill our obligation to educate all students to test and remediate in private schools is especially irresponsible.”

Rep. Galfetti of Barre Town explained her vote as follows:

“Madam Speaker:

This budget is fiscally irresponsible and sets Vermont on a track to financial ruin. By spending the surpluses we had on ongoing programs we will leave federal match money on the table for needed infrastructure and development projects and Vermonters will lose. Vermonters will be forced to pay up at a time they can little afford to carry this expanded spending model.”

Rep. Hango of Berkshire explained her vote as follows:

“Madam Speaker:

Once again, the hundreds of millions of dollars in this budget neglects to honor those worthy individuals who gave their lives in military service by not exempting military pensions and survivors benefits from taxation, a mere \$3.5 million.”

Rep. Houghton of Essex Junction explained her vote as follows:

“Madam Speaker:

I vote yes for the largest investment in years for our health care providers. Our investment of over \$99 million will directly and positively impact our primary care providers, our emergency medical personnel who are always available when we call 911, our dentists, our home health and adult day providers who help Vermonters heal and live in their homes, and many others. These providers take care of Vermonters every day. It’s past time we take care of them.”

Rep. Kornheiser of Brattleboro explained her vote as follows:

“Madam Speaker:

In times of growing uncertainty and economic disparity, it’s our job to ensure equity and stability, now and for our future. It’s our job to fund infrastructure and services that support all Vermont families, businesses, and communities. Good governance means investing now, so Vermonters can make it work. Good tax governance requires regularly and predictably adjusting fees to track with inflation, developing a progressive, equitable tax system, and ensuring we have a solid mix of revenue sources so as times change funds can supplement each other. This budget is good governance.”

Rep. Logan of Burlington explained her vote as follows:

“Madam Speaker:

Given that we have not addressed the missing component in this budget, which has resulted in several hundred Vermonters – with over 100 of those being medically vulnerable – being forced into unsheltered homelessness by the State of Vermont. I have chosen to vote no on this budget once again.”

Rep. Long of Newfane explained her vote as follows:

“Madam Speaker:

I voted yes to support this budget as an essential and strategic investment in our key priorities: childcare, housing, workforce development, health care, climate action, and so much more. This budget meets the immediate

challenges and needs facing Vermonters, and it supports our long-term priorities. This is a responsible, balanced budget that addresses the needs we've heard from Vermonters across the State, invests in transformational change, and moves us all forward.”

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

We must take a broader look at our financial picture. We passed many bills this year requiring funding that simply were not funded in this budget due to lack of money. Given the economic forecast, I am gravely concerned for our State. I vote to sustain the Governor’s veto.”

Rep. Scheu of Middlebury explained her vote as follows:

“Madam Speaker:

I voted yes to support the FY24 State budget for many reasons. We are making investments in people and services that have been woefully underfunded for years, resulting in Vermonters not getting the help they need, agencies that can’t do the work they are required to do, and businesses and organizations not getting the workforce they need. This budget is fiscally responsible as we use one-time money for one-time investments, we are meeting our pension, transportation, and clean water obligations, and we are making essential investments in housing, workforce, economic development, human services, and the environment. The cost of NOT passing this budget would do much greater harm than good. I am proud of the good work we have accomplished.”

Rep. Toof of St. Albans Town explained his vote as follows:

“Madam Speaker:

A 13% increase in base funding and over \$500 million in new taxes, \$30 million in new property taxes, a 20% increase in DMV fees, numerous OPR fees, all while giving ourselves a 50% increase in pay. For those reasons I must vote no. Vermonters just cannot afford this.”

Sec. 5. EMERGENCY HOUSING TRANSITION; LEGISLATIVE INTENT;
PURPOSE

(a) Vermont's pandemic-era General Assistance Emergency Housing Program is ending on June 30, 2023, and approximately 1,200 households are transitioning out of the Program.

(b) It is the intent of the General Assembly:

(1) that vulnerable Vermonters should continue to be housed while sufficient time is allocated for developing alternative housing placements, including emergency housing beds, and furthering community collaboration;

(2) to establish legislative oversight for the transition efforts;

(3) that the exits from hotel and motel accommodations occur through an intentional transition process that provides dignity, oversight, collaborative efforts, and coordinated service delivery;

(4) that all households find or are offered alternative housing options;
and

(5) that the Agency of Human Services negotiate rate reductions with the participating hotels and motels, with a goal of achieving rates that are at least 50 percent lower than those in effect in June 2023.

(c) The purposes of Secs. 5–10 of this act are:

(1) to direct the Joint Fiscal Committee to monitor the efforts of the Agency of Human Services in assisting households with transitioning out of the pandemic-era General Assistance Emergency Housing Program and into post-pandemic housing; and

(2) to allow the Agency financial flexibility and resources, if needed, to provide transition and supportive services for the vulnerable Vermonters described in 2022 Acts and Resolves No. 185, Sec. B.1100(a)(33)(A), which was added by 2023 Acts and Resolves No. 3, Sec. 45.

Sec. 6. EMERGENCY HOUSING TRANSITION; AGENCY OF HUMAN
SERVICES; JOINT FISCAL COMMITTEE OVERSIGHT;
REPORTS

(a) Not later than April 1, 2024, the Agency of Human Services, directly or through its community partners, shall assist in finding or offer to each household housed as of June 30, 2023 in a hotel or motel through the

pandemic-era General Assistance Emergency Housing Program an alternative housing placement, unless a household secures its own housing placement. Except as provided in subdivision (2) of this subsection, the Agency shall continue to provide temporary hotel or motel housing to a household that was housed in a hotel or motel through the pandemic-era General Assistance Emergency Housing Program as of June 30, 2023 until such time as the Agency offers the household an alternative housing placement or the household secures its own housing placement, but in no event later than April 1, 2024.

(1) Beginning on July 1, 2023, in order to maintain eligibility for temporary, continued hotel or motel housing while awaiting a housing placement, households housed in a hotel or motel through this act shall:

(A) participate in the coordinated entry and case management processes, including cooperating with the Agency and services providers on screening and care planning for transitioning out of the pandemic-era General Assistance Emergency Housing Program and engaging in monthly eligibility reassessments;

(B) engage in their own search for alternative housing options and notify their case manager, reentry team, or Agency staff if they are successful in securing a housing placement; and

(C) contribute 30 percent of their gross household income toward the cost of their hotel or motel housing.

(2) Between July 1, 2023 and April 1, 2024, the Agency of Human Services shall no longer be required to pay for a household's hotel or motel housing if any one or more of the following occurs:

(A) the household is offered an alternative housing placement but does not accept the offer within 48 hours;

(B) the household secures its own housing placement;

(C) the household fails to comply with one or more of the responsibilities set forth in subdivision (1) of this subsection (a); or

(D) the household is asked to leave the hotel or motel housing due to misconduct.

(3) As used in this act, "alternative housing placements" may include shelter beds and pods; placements with family or friends; permanent housing solutions, including tiny homes, manufactured homes, and apartments; residential treatment beds for physical health, long-term care, substance use, or mental health; nursing homes beds; and recovery homes.

(4) The temporary, continued hotel or motel housing benefit offered pursuant to this subsection (a) while awaiting a housing placement shall not be considered an entitlement, is not available to new applicants, and is limited to households in the pandemic-era General Assistance Emergency Housing Program as of June 30, 2023.

(b) On or before the last day of each month from July 2023 through March 2024, the Agency of Human Services, or other relevant agency or department, shall report to the House Committee on Human Services, the Senate Committee on Health and Welfare, and the Joint Fiscal Committee on its progress in assisting households housed in hotels and motels with transitioning from the pandemic-era General Assistance Emergency Housing Program to alternative housing placements and on the creation of new, alternative housing solutions. Each update shall include:

(1) the number of households remaining in hotels and motels that have not yet been transitioned to an alternative housing placement by household size, by eligibility category, and by each Agency of Human Services district;

(2) the number of actual alternative housing placements made during the previous reporting period compared with the targeted number of placements for that period;

(3) of the households successfully transitioned to an alternative housing placement during the previous month, the number of households whose screening indicated a potential need for services from each department within the Agency;

(4) the number of beds available for emergency housing in each Agency of Human Services district in the State, with separate reporting on the number of beds available in nursing homes and residential care homes for individuals whose screening indicates they could meet the clinical criteria for those settings and the number of emergency beds available for individuals whose screening indicates they do not meet the clinical criteria, including low-barrier shelters, beds for youth, and beds for individuals who have experienced domestic violence;

(5) of the households that were housed in a hotel or motel for four months or longer and transitioned out during the previous month, the number that have had all or a portion of their security deposits returned to them since leaving the hotel or motel or are awaiting the return of these funds;

(6) of the households that were housed in a hotel or motel for less than four months and transitioned out during the previous month, the amount of security deposit funds refunded to the State by the hotels and motels during that month;

(7) the number of households that have been successfully transitioned to an alternative housing placement since the previous report, the types of housing settings in which they have been placed, and the supportive services they are receiving in conjunction with their housing;

(8) the outlook for transitioning additional households to alternative housing placements in the coming months, including an estimate of the number of households likely to be placed per month;

(9) a projected timeline for transitioning the remaining households to alternative housing placements;

(10) the average negotiated rate for rooms that the Agency paid to the hotels and motels providing the temporary, continued hotel or motel housing during the previous month;

(11) the status of responding to and implementing the letters of interest from community partners and municipalities for housing and supportive services;

(12) the status of contracts for housing and supportive services resulting from the Agency's requests for proposals (RFPs), including the Agency's May 24, 2023 RFP for emergency shelter staffing and services;

(13) the status of grants awarded through the Housing Opportunity Program and how those grants relate to the Agency's efforts to assist households with transitioning out of the pandemic-era General Assistance Emergency Housing Program;

(14) once the Adverse Weather Conditions Policy takes effect again in the fall of 2023, how the Agency plans to distinguish the households that become eligible for the General Assistance Emergency Housing Program under that Policy from the households that the Agency is assisting with transitioning out of the pandemic-era General Assistance Emergency Housing Program;

(15) the total amount of funds expended to date on housing placements and supportive services for households transitioning out of the pandemic-era General Assistance Emergency Housing Program; and

(16) beginning with the September 2023 reporting period, any State rules and local regulations and ordinances that are impeding the timely development of safe, decent, affordable housing in Vermont communities in order to:

(A) identify areas in which flexibility or discretion are available; and

(B) advise whether the temporary suspension of relevant State rules and local regulations and ordinances, or the adoption or amendment of State rules, would facilitate faster and less costly revitalization of existing housing and construction of new housing units.

(c) On or before the last day of each month from July 2023 through March 2024, the Vermont Housing and Conservation Board shall report to the House Committees on Human Services and on General and Housing; the Senate Committees on Health and Welfare and on Economic Development, Housing and General Affairs; and the Joint Fiscal Committee on:

(1) the status of the Board's initiatives to make additional housing units available and how those initiatives support the Agency of Human Services' efforts to assist households with transitioning out of the pandemic-era General Assistance Emergency Housing Program; and

(2) the status of the Board's efforts to expand emergency shelter capacity, including the number of new beds available since the previous report, the number of additional beds planned, and when the additional planned beds are likely to become available.

(d) The Agency may hire temporary employees or contract with community-based organizations, or both, as needed to support the Agency in assisting households housed in hotels and motels with transitioning from the pandemic-era General Assistance Emergency Housing Program to alternative housing placements; to support the creation of new, alternative housing solutions; and to collect and report on the information required by subsection (b) of this section.

(e) On April 1, 2024, the Agency shall report to the House Committees on Appropriations, on Human Services, and on Housing and General Affairs; the Senate Committees on Appropriations, on Health and Welfare, and on Economic Development, Housing and General Affairs; and the Joint Fiscal Committee the number households, if any, that were not successfully transitioned out of the pandemic-era General Assistance Emergency Housing Program into alternative housing placements and the reason why each such household was not successfully placed.

Sec. 7. CASH FUND FOR CAPITAL AND ESSENTIAL INVESTMENTS;
APPROPRIATION

(a) In fiscal year 2024, the balance of the Other Infrastructure, Essential Investments, and Reserves subaccount in the Cash Fund for Capital and Essential Investments established pursuant to 32 V.S.A. § 1001b, after all other transactions authorized from that subaccount by the fiscal year 2024 budget act

have been satisfied, is appropriated to the Agency of Human Services to be used as needed to implement Secs. 5–10 of this act.

(b) The Commissioner of Finance and Management shall report to the Joint Fiscal Committee at the Committee’s July meeting the amount of the balance that was made available to the Agency of Human Services pursuant to subsection (a) of this section.

(c) The Agency of Human Services shall report on the amount of unobligated funds remaining, if any, from the appropriation in subsection (a) of this section as part of the Agency’s fiscal year 2024 budget adjustment presentation.

Sec. 8. EMERGENCY HOUSING TRANSITION; FUNDING; FISCAL
YEAR 2024 BUDGET ADJUSTMENT

(a) The Agency of Human Services shall hold in reserve as much funding as possible from the Agency’s fiscal year 2023 closeout process as carryforward for potential investment in assisting households with transitioning out of the pandemic-era General Assistance Emergency Housing Program. The reserved funds shall not be used unless the amounts appropriated pursuant to Sec. 7 of this act are not sufficient to fully implement the phase-out of the pandemic-era General Assistance Emergency Housing Program as set forth in this act.

(b) The Agency of Administration is authorized to use available resources as necessary to assist in the implementation of the phase-out of the pandemic-era General Assistance Emergency Housing Program as set forth in Secs. 5–10 of this act.

(c) The Agency of Human Services shall include relevant language and amounts in its fiscal year 2024 budget adjustment recommendations, if needed, to complete the process of phasing out the pandemic-era General Assistance Emergency Housing Program.

Sec. 9. AFFORDABLE HOUSING DEVELOPMENT; FISCAL YEAR 2024
FUNDING

(a) Of the \$40,000,000.00 appropriated to the Vermont Housing and Conservation Board (VHCB) in the fiscal year 2024 budget act to provide support and enhance capacity for the production and preservation of affordable mixed-income rental housing and homeownership units:

(1) \$10,000,000.00 shall be used to provide support and enhance the capacity, availability, and utilization of manufactured homes in cooperatively owned, nonprofit, and privately owned manufactured home parks with vacant

and available lots. VHCB shall consult with the Department of Housing and Community Development to ensure that new investments prioritize individuals and families exiting from hotels and motels in accordance with this act.

(2) VHCB shall grant \$4,000,000.00 to the Vermont State Housing Authority for the Manufactured Home Improvement and Repair Program to prevent vulnerable mobile home park residents from becoming homeless.

(3) Notwithstanding 32 V.S.A. § 5(b), VHCB shall grant \$5,000,000.00 to the Department of Housing and Community Development to support the Vermont Housing Improvement Program.

(b) For fiscal year 2024, the VHCB shall increase its “Homeless Unit” set aside for housing projects seeking VHCB funding from 15 percent to 30 percent, with priority given to households exiting hotels and motels in accordance with this act.

“Madam Speaker:

Rep. McCoy of Poultney explained her vote as follows:

“Madam Speaker:

Reducing the age to vote to 16, in light of the fact that this body raised the age to 21 for a person to be charged as a juvenile, flies in the face of all logic. If the brain is not fully developed to understand and make the correct decisions relative to a crime, then the brain is not fully developed at 16 to be allowed to vote on decisions affecting their community. I vote to support the Governor’s veto.”

Second: In Sec. 1, 10 V.S.A. chapter 53, in section 1532, by inserting a subsection (d) to read as follows:

(d) Revision of stewardship goals. If the producer responsibility organization fails to meet the beverage container redemption rate in section 1534 of this title for vinous beverage containers or for all other beverage containers, the Secretary may require the producer responsibility organization to implement activities to enhance the rate of redemption, including additional public education and outreach, additional redemption sites, or additional redemption opportunities.

(1) the total system costs and savings associated with the implementation of the expanded beverage container redemption system under 10 V.S.A. chapter 53, including climate impacts;

(2) the cost to consumers of complying with an expanded beverage container redemption system, including transportation costs, compliance costs, carbon impact, and externalities, such as lost time;

(3) the impacts of an expanded beverage container redemption system on the recycling system, including how much additional beverage container material will be collected by the expansion of the beverage container redemption system; the cost to solid waste entities of an expanded beverage container redemption system, including lost revenues from the sale of recyclable materials; the operational savings, if any, on material recovery facilities; the loss to material recovery facilities from the removal of material collected under the beverage container redemption system material from the recycling system; and an estimate of the impacts on tipping fees or solid waste fees at each material recovery facility or solid waste transfer station;

(4) the costs of operating a redemption center and other alternate points of redemption under a stewardship plan and a recommendation on whether the handling fee for redeemed containers should be altered or replaced with an alternative means of compensating points of redemption;

(5) the impact on overall recycling in the State and the redemption rates of beverage containers under 10 V.S.A. chapter 53 if the producer responsibility organization (PRO) implementing the stewardship plan under that chapter were authorized to retain 100 percent, 50 percent, or none of the abandoned beverage container deposits, including:

(A) the estimated number of beverage container redemption sites in the State under the PRO's stewardship plan under each option for the PRO's retention of the abandoned beverage container deposits; and

(B) the geographic distribution of beverage container redemption sites across the State under the PRO's stewardship plan under each option for the PRO's retention of the abandoned beverage container deposits; and

(6) the impact on the Clean Water Fund and State implementation of the State's water quality programs and regulatory requirements if the abandoned beverage container deposits were not deposited into the Clean Water Fund under 10 V.S.A. § 1388.

(C) any recommendations to improve the convenience of redemption prior to the expansion of the beverage container redemption system; and

Remarks Journalized

On motion of **Rep. McGill of Bridport**, the following remarks by

Rep. Christie of Hartford were ordered printed in the Journal:

“Madam Speaker:

As we support the commemorating of the 158th anniversary of Juneteenth and recognizing our State’s and Nation’s continuing struggle for racial equality it is with mixed emotions, celebration, and sadness. One can not ignore where we are as a Country and State today where some of our neighbors can no longer tolerate what they are watching on the news. Sadly, the reasons vary from support for Racial Justice to support for White Supremacy. Seeing the division of thought and understanding of Systemic Racism and its effect on us all, positively and or negatively.

So, let’s look back, there's more than one Independence Day in the U.S. On June 19, 1865, General Gordon Granger rode into Galveston, Texas, and announced enslaved people were now free. Since then, June 19 has been celebrated as Juneteenth across the nation. Here's what you should know about the historic event and celebration.

The June 19 announcement came more than two and a half years after Abraham Lincoln issued the Emancipation Proclamation on January 1, 1863. So technically, from the Union's perspective, the 250,000 enslaved people in Texas were already free—but none of them were aware of it, and no one was in a rush to inform them.

Most freed people weren't terribly interested in staying with the people who had enslaved them, even if pay was involved. In fact, some were leaving before Granger had finished making the announcement. What followed became known as "the scatter," when droves of former enslaved people left the state to find family members or more welcoming accommodations in northern regions.

There is so much more and as we study accurate history it is easy to understand the mixed emotion this Juneteenth June 19th, 2023 some 158 years later. So, as we celebrate on the one hand let us remember.

Systemic Racism exists and as we see, now is the time to reaffirm our commitment to the mitigation of Systemic Racism in Vermont.

I know how difficult it is to understand how Black and Brown Vermonters are feeling at this moment.

So, I ask you to reflect as you and I come back to the floor of ‘The People’s House.’

When was the last time you were told ‘to go back to the Jungle?’

That was what my daughter was told in a school here in Vermont, not that long ago and even this moment.

We still have a lot of work to do, and we need to work together.

Let us start **now** by committing to join together with your fellow Black and Brown Vermonters to mitigate Systemic Racism in Vermont.

In the words of Dr Martin Luther King, ‘We shall overcome, We shall overcome, We shall overcome some day, deep in my heart I do believe We shall overcome some day.’

Be well and stay safe!

Thank you!

Coach”

H. 158 An act relating to the beverage container redemption system

Governor's Veto Letter

“June 29, 2023

The Honorable BetsyAnn Wrask
Clerk of the Vermont House of Representatives
State House
Montpelier, VT 05633

Dear Ms. Wrask:

Pursuant to Chapter II, Section 11 of the Vermont Constitution, I'm returning H.158, *An act relating to the beverage container redemption system*, without my signature with my objections stated below.

I'm a long-time advocate of recycling and support a strong system to help Vermonters do so. But as I've consistently said, I believe expanding the labor intensive 1970s-era bottle deposit system would move us backwards, and we should instead focus on investing in and improving zero-sort (or blue bin) recycling.

I'm concerned this bill will result in higher costs for Vermonters due to deposit fees added to a wide range of beverage products; increased handling fees will be passed onto consumers to fund the redemption system; and increased recycling costs for towns, businesses and residents as high-value cans and bottles are removed.

It simply makes no sense to toss aside the progress we've made since the mandatory Universal Recycling Law of 2012, to expand a separate system that diverts the most valuable recyclables away from the blue bin system.

Finally, I'm concerned that even with the bill's efforts to modernize the redemption system, redemption centers are likely to continue to struggle to find the space needed for more storage and the workforce needed to handle and sort the higher volume.

In light of these objections, I'm returning this legislation without my signature pursuant to Chapter II, Section 11 of the Vermont Constitution.

Sincerely,

Philip B. Scott
Governor
PBS/kp”
