14 through supervisory information sharing:

15 (1) The privacy or confidentiality of any information or material  
16 provided to the Nationwide Mortgage Licensing System and Registry and any  
17 privilege arising under federal or state law (including the rules of any federal  
18 or state court) with respect to such information or material shall continue to  
19 apply to such information or material after the information or material has been  
20 disclosed to the Nationwide Mortgage Licensing System and Registry. Such  
21 information and material may be shared with all state and federal regulatory

1 officials with oversight authority without the loss of privilege or the loss of  
2 confidentiality protections provided by federal law or state law.

3 (2) To carry out the purpose of this section, the commissioner is  
4 authorized to enter agreements or sharing arrangements with other  
5 governmental agencies, the Conference of State Bank Supervisors, the  
6 American Association of Residential Mortgage Regulators, or other  
7 associations representing governmental agencies.

8 (3) Information or material that is subject to privilege or confidentiality  
9 under subdivision (1) of this section shall not be subject to:

10 (A) Disclosure under any federal or state law governing the  
11 disclosure to the public of information held by an officer or an agency of the  
12 federal government or the respective state; or

13 (B) Subpoena or discovery or admission into evidence in any private  
14 civil action or administrative process unless with respect to any privilege held  
15 by the Nationwide Mortgage Licensing System and Registry with respect to  
16 such information or material the person to whom such information or material  
17 pertains waives, in whole or in part, in the discretion of the person, that  
18 privilege.

19 (4) This section shall not apply with respect to information or material  
20 relating to employment history and publicly adjudicated disciplinary and

1 enforcement actions that are included in the Nationwide Mortgage Licensing

4 Sec. 30. 8 V.S.A. § 4088d(a) is amended to read:

5 (a) A health insurance plan shall provide coverage for medically necessary  
6 health care services covered by the plan when provided by a naturopathic  
7 physician licensed in this state for treatment within the scope of practice  
8 described in ~~chapter 81 of Title 26 V.S.A.~~ chapter 81. Health care services  
9 provided by naturopathic physicians may be subject to reasonable deductibles,  
10 co-payment and co-insurance amounts, fee or benefit limits, practice  
11 parameters, cost-effectiveness and clinical efficacy standards, and utilization  
12 review consistent with any applicable regulations published by the department  
13 of banking, insurance, securities, and health care administration. Any  
14 amounts, limits, standards, and review shall not function to direct treatment in  
15 a manner unfairly discriminative against naturopathic care, and collectively  
16 shall be no more restrictive than those applicable under the same policy to care  
17 or services provided by other primary care physicians, but may allow for the  
18 management of the benefit consistent with variations in practice patterns and  
19 treatment modalities among different types of health care providers. A health  
20 insurance plan may require that the naturopathic physician's services be  
21 provided by a licensed naturopathic physician under contract with the insurer

1 or shall be covered in a manner consistent with out-of-network provider  
2 reimbursement practices for primary care physicians; however, this shall not  
3 relieve a health insurance plan from compliance with the applicable ~~Rule 10~~  
4 Rule H-2009-03 network adequacy requirements adopted by the commissioner.  
5 Nothing contained herein shall be construed as impeding or preventing either  
6 the provision or the coverage of health care services by licensed naturopathic  
7 physicians, within the lawful scope of naturopathic practice, in hospital  
8 facilities on a staff or employee basis.

9 Sec. 31. 8 V.S.A. § 4089b(g)(1) is amended to read:

11 to quality measures for the care, treatment, and treatment options of mental  
12 health and substance abuse conditions covered under the plan, pursuant to  
13 standards and procedures adopted by the commissioner by rule, and without  
14 duplicating any reporting required of such companies pursuant to ~~Rule 10~~ Rule  
15 H-2009-03 of the division of health care administration, "~~Quality Assurance~~  
16 ~~Standards and Consumer Protections for Managed Care Plans,~~" and regulation  
17 95-2, "Mental Health Review Agents," of the division of insurance, as

17           Sec. 33. 9 V.S.A. § 5305(j) is amended to read:

18           (j) A registration statement may be amended after its effective date. The  
19           posteffective amendment becomes effective ~~when the commissioner so orders.~~  
20           ~~If a posteffective amendment is made to increase the number of securities~~

1 registration fee computed in the same manner as the filing fee required  
2 pursuant to subsection (b) of this section for any additional securities being  
3 offered. A posteffective amendment relates back to the date of the offering of

5 sale, the amendment is filed, and the additional registration fee is paid 30 days  
6 after filing unless the commissioner has issued a stop order.

11 commissioner may also require a person to make restitution or provide  
12 disgorgement of any sums shown to have been obtained in violation of this  
13 chapter, plus interest at the legal rate. The limitations on civil penalties

20 sponsored captive insurance company of which it is a part.

1 Sec. 36. 8 V.S.A. § 6034a(c) is amended to read:

20 executive officers. Each captive insurance company shall report using  
21 generally accepted accounting principles, unless the commissioner requires,

1 approves, or accepts the use of statutory accounting principles or other  
2 comprehensive basis of accounting, in each case with any appropriate or  
3 necessary modifications or adaptations thereof required or approved or  
4 accepted by the commissioner for the type of insurance and kinds of insurers to  
5 be reported upon, and as supplemented by additional information required by  
6 the commissioner. Except as otherwise provided, each ~~association captive~~

15 ~~for each line of insurance the group intends to offer, together with such~~  
16 ~~additional information as the commissioner may reasonably require. The~~  
17 ~~commissioner may limit the net amount of risk retained by a risk retention~~

21 ~~including any material change in the information called for in subsection (c) of~~

1 ~~this section, but excluding the identity of policyholders and any changes in~~  
2 ~~rates or rating classification systems. The group shall not offer any additional~~  
3 ~~kinds of liability insurance, in this state or in any other state, until a revision of~~  
4 ~~such plan or study is approved by the commissioner. The risk retention group~~  
5 ~~shall inform the commissioner of any material changes in rates or rating~~  
6 ~~classification systems, within 30 days of the adoption of such change.~~

2 ~~Sec. 42. 18 V.S.A. § 9420 is amended to read:~~

3 ~~§ 9420. CONVERSION OF NONPROFIT HOSPITALS~~

4 ~~(a) Policy and purpose. The state has a responsibility to assure that the~~  
5 ~~assets of nonprofit entities, which are impressed with a charitable trust, are~~  
6 ~~managed prudently and are preserved for their proper charitable purposes.~~

7 ~~(b) Definitions. As used in this section:~~

8 ~~\* \* \*~~

9 ~~(9) "Qualifying amount" means an amount that is at least \$1 million and~~  
10 ~~represents at least 40 percent of the value of the affected charitable assets of~~  
11 ~~the nonprofit hospital, or that vests control of the nonprofit hospital in another~~  
12 ~~person or entity. For purposes of determining whether the threshold~~  
13 ~~requirements of this subdivision have been or will be met, related conversions~~  
14 ~~shall be aggregated.~~

15 ~~\* \* \*~~

16 ~~(f) Completion and contents of application.~~

1 (1) Within 30 days of receipt of the application, or within 10 days of  
2 receipt of any amendment thereto, whichever is longer, the attorney general,  
3 with the commissioner's agreement, shall determine whether the application is  
4 complete. The attorney general shall promptly notify the parties of the date the  
5 application is deemed complete, or of the reasons for a determination that the  
6 application is incomplete. A complete application shall include the following:

7 \* \* \*

8 (F) a detailed description of all assets of the nonprofit hospital,  
9 including the value of the assets and the basis for that valuation. For charitable  
10 assets included in or otherwise affected by the conversion, the following  
11 information is also to be included:

12 \* \* \*

13 (I) a detailed description of the structure and functions of any  
14 charitable foundation that will receive proceeds of the conversion, including a  
15 description of its assets, its mission, the purposes of the foundation, the  
16 expected charitable uses of the charitable assets, how it will be broadly based  
17 in, and represent, the community affected by the conversion, and how proceeds  
18 from the conversion will be controlled;

19 \* \* \*

20 (n) Use of converted charitable assets or proceeds of a conversion approved  
21 pursuant to this section. If at any time following a conversion, the attorney

1 ~~general has reason to believe that converted charitable assets or the proceeds of~~  
2 a conversion are not being held or used in a manner consistent with  
3 information provided to the attorney general, the commissioner, or a court in  
4 connection with any application or proceedings under this section, the attorney  
5 general may investigate the matter pursuant to procedures set forth generally in  
6 9 V.S.A. § 2460 and may bring an action in Washington superior court or in  
7 the superior court of any county where one of the parties has a principal place  
8 of business. The court may order appropriate relief in such circumstances,  
9 including avoidance of the conversion or transfer of the converted assets or  
10 proceeds or the amount of any private inurement to a person or party for use  
11 consistent with the purposes for which the assets were held prior to the  
12 conversion, and the award of costs of investigation and prosecution under this  
13 subsection, including the reasonable value of legal services.

14 \* \* \*

15 (p) Conversion of less than a qualifying amount of assets.

16 (1) The attorney general may conduct an investigation relating to a  
17 conversion pursuant to the procedures set forth generally in 9 V.S.A. § 2460 if  
18 the attorney general has reason to believe that a nonprofit hospital has  
19 converted or is about to convert less than a qualifying amount of its charitable  
20 assets in such a manner that would:

1 (A) if it met the qualifying amount threshold, require an application  
2 under subsection (e) of this section; and

3 (B) constitute a conversion that does not meet one or more of the  
4 standards set forth in subsection (j) of this section.

5 (2) The attorney general, in consultation with the commissioner, may  
6 bring an action with respect to any conversion of less than a qualifying amount  
7 of charitable assets, according to the procedures set forth in subsection (n) of  
8 this section. The attorney general shall notify the commissioner of any action  
9 commenced under this subsection. The commissioner shall be permitted to  
10 investigate and determine whether the transaction satisfies the criteria  
11 established in subdivision (g)(2) of this section, and to request that the court  
12 consider the commissioner's recommendation in its decision under this  
13 subsection. In such an action, the superior court may enjoin or void any  
14 transaction and may award any other relief as provided under subsection (n) of  
15 this section.

*Sec. 42. STUDY REGARDING THE CONVERSION OF NONPROFIT  
HOSPITALS*

*(a) The commissioner of banking, insurance, securities, and health care  
administration, in consultation with the attorney general or designee, a  
representative from the Vermont Association of Hospitals and Health Systems,*

and any other interested parties the commissioner deems appropriate, shall conduct a study of Vermont's law pertaining to the conversion of nonprofit hospitals, 18 V.S.A. § 9420. The commissioner shall determine:

(1) whether the definition of "qualifying amount" should be clarified or amended in any manner. For example, the commissioner shall consider whether the "assets" reviewed in making threshold determinations should be further defined or qualified, not only in terms of the amount but also the type of assets subject to jurisdiction under 18 V.S.A. § 9420; or, more broadly, whether a new standard, such as a materiality standard, should apply;

(2) whether the definition of "convert" should be clarified or amended in any manner. For example, the commissioner shall consider whether the sale of securities, bequests, buildings, and equipment, and contracts with physician and management groups should be specifically excluded from the term;

(3) whether the term "related conversions," as it applies to conversions that must be aggregated for purposes of whether the threshold requirements have been met, should be further defined or clarified in any manner. For example, the commissioner shall consider whether a specific "look back" provision pertaining to prior conversions should be included in the statute and, if so, to what extent;

(4) whether nonprofit hospitals should provide prior written notice to the commissioner and the attorney general of conversions of less than the qualifying amount of assets. In making this determination, the commissioner shall consider the administrative burden and costs that a hospital would incur in complying with such a requirement;

(5) if the conversion also meets the threshold requirements of the certificate of need process, whether parallel investigations are necessary and, if so, whether the investigations can be conducted in a more coordinated manner to diminish the administrative burden on the applicable hospital, while not compromising the state's existing regulatory objectives;

(6) whether existing or new exemptions are appropriate; and

(7) whether other amendments to the subject law would serve the general good of the state.

(b) The commissioner shall report his or her findings and recommendations to the house committee on commerce and economic development and the senate committee on finance not later than December 1, 2012. If the commissioner proposes any statutory amendments, he or she shall provide a detailed rationale for each such proposal.

(c) It is the intent of the general assembly that there be sufficient state supervision of and involvement in any work group established under this section, consistent with federal and state antitrust laws.

1       Sec. 43. EFFECTIVE DATE

2       This act shall take effect on passage.
