and retirement benefits under a defined benefit plan or contributions under a defined contribution plan, to any employee whose workweek is reduced under the program, that the benefits will continue to be provided to employees participating in the short-time compensation program under the same terms and conditions as though the workweek had not been reduced. However, reductions in the benefits of short-time compensation plan participants are permitted to the extent that the reductions also apply to nonparticipant employees;

\* \* \*

(5) the plan certifies that the aggregate reduction in work hours is in lieu of ~~temporary total~~ layoffs of one or more workers which would have resulted in an equivalent reduction in work hours and which the ~~commissioner~~ Commissioner finds would have caused an equivalent dollar amount to be payable in unemployment compensation;

\* \* \*

(12) ~~in addition to subdivisions (1) through (11) of this section, the commissioner shall take into account any other factors which may be pertinent to the approval and proper implementation of the plan~~ the plan describes the manner in which the requirements of this section will be implemented and where feasible how notice will be given to an employee whose workweek is to be reduced and an estimate of the number of layoffs that would have occurred absent the ability to participate in the short-time compensation program and any other information that the U.S. Secretary of Labor determines is appropriate; and

(13) the employer certifies that the plan is consistent with employer obligations under applicable state and federal laws.

(b) In the event of any conflict between any provision of sections 1451–1460 of this title, or the regulations implemented pursuant to these sections, and applicable federal law, the federal law shall prevail and the provision shall be deemed invalid.
