

Act No. 113 (H.631). General provisions; lottery

An act relating to lottery commissions

This act will require the Lottery Commission to pay the one percent bonus prize to lottery agents that sell a winning draw ticket of \$10,000.00 or more, whether or not the ticket is claimed. The Lottery Commission will pay the bonus prize through the normal course of processing payments to lottery agents. If the winning draw ticket is less than \$10,000.00 and is not claimed, then the Lottery Commission will not have to pay the lottery agent a bonus prize.
