An act relating to the State’s transportation program and miscellaneous changes to the State’s transportation laws

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. TRANSPORTATION PROGRAM ADOPTED; DEFINITIONS

(a) The Agency of Transportation’s proposed fiscal year 2014 transportation program appended to the Agency of Transportation’s proposed fiscal year 2014 budget, as amended by this act, is adopted to the extent federal, state, and local funds are available.

(b) As used in this act, unless otherwise indicated:

(1) “Agency” means the Agency of Transportation.

(2) “Secretary” means the Secretary of Transportation.

(3) The table heading “As Proposed” means the transportation program referenced in subsection (a) of this section; the table heading “As Amended” means the amendments as made by this act; the table heading “Change” means the difference obtained by subtracting the “As Proposed” figure from the “As Amended” figure; and the term “change” or “changes” in the text refers to the project- and program-specific amendments, the aggregate sum of which equals the net “Change” in the applicable table heading.

(4) “TIB funds” or “TIB” refers to monies deposited in the Transportation Infrastructure Bond Fund in accordance with 19 V.S.A. § 11f.
Sec. 1a. PROGRAM DEVELOPMENT – FUNDING

Spending authority in program development is modified in accordance with this section. Among projects selected in the Secretary’s discretion, the Secretary shall:

(1) reduce project spending authority in the total amount of $2,087,500.00 in transportation funds; and

(2) increase project spending authority in the total amount of $2,087,500.00 in TIB bond proceeds on projects eligible under 32 V.S.A. § 972.

(b) The Secretary shall reduce the spending of state transportation funds on activities within the Statewide-Airport Facilities Maintenance and Improvements project selected at his or her discretion in the amount specified in subsection (a) of this section.
Sec. 10. AUTHORITY TO ISSUE TRANSPORTATION INFRASTRUCTURE BONDS

Pursuant to 32 V.S.A. § 972, the State Treasurer is authorized to issue transportation infrastructure bonds up to a total amount of $11,700,000.00 for the purpose of funding:

(1) the spending authorized in Sec. 11 of this act;

(2) a debt service reserve to support the successful issuance of transportation infrastructure bonds; and

(3) the cost of preparing, issuing, and marketing the bonds as authorized under 32 V.S.A. § 975.

Sec. 11. TRANSPORTATION INFRASTRUCTURE BONDS; SPENDING AUTHORITY

The amount of $10,387,500.00 from the issuance of transportation infrastructure bonds is authorized for expenditure in fiscal year 2014 on eligible projects as defined in 32 V.S.A. § 972(d) on projects in the State’s fiscal year 2014 program development program.

Sec. 12. 19 V.S.A. § 38 is amended to read:

§ 38. TRANSPORTATION ENHANCEMENT ALTERNATIVES GRANT PROGRAM

* * * Transportation Alternatives Grant Program* * *

Sec. 12. 19 V.S.A. § 38 is amended to read:

§ 38. TRANSPORTATION ENHANCEMENT ALTERNATIVES GRANT PROGRAM
(a) The Vermont transportation enhancement grant committee, Transportation Alternatives Grant Committee, is created and shall be comprised of:

1. the secretary of transportation, Secretary of Transportation, or his or her designee;

2. a representative from the division of historic preservation, Division of Historic Preservation appointed by the secretary of the agency of commerce and community development, Secretary of Commerce and Community Development;

3. one member to be appointed by the secretary of the agency of commerce and community development, Secretary of Commerce and Community Development to represent the tourism and marketing industry;

4. a representative of the agency of natural resources, Agency of Natural Resources appointed by the secretary of the agency of natural resources, Secretary of Natural Resources;

5. three municipal representatives appointed by the governing body of the Vermont league of cities and towns, League of Cities and Towns;

6. one member representing and appointed by the governing board of the Vermont association of planning and development agencies, Association of Planning and Development Agencies;
(7) two members from the House designated by the Speaker; and

(8) two members from the Senate designated by the Committee on Committees.

(b) Municipal and legislative members of the Transportation Alternatives Grant Committee shall serve concurrently for two-year terms and the initial appointments of these members shall be made in a manner which allows for them to serve a full legislative biennium. In the event a municipal or legislative member ceases to serve on the Committee prior to the full term, the appointing authority shall fill the position for the remainder of the term. The Committee shall, to the greatest extent practicable, encompass a broad geographic representation of Vermont.

(b)(c) The Vermont transportation enhancement grant program Transportation Alternatives Grant Program is created. The grant program shall be funded as provided in subsection (c) of this section and shall be administered by the Agency, and shall be funded in the amount provided for in 23 U.S.C. § 213(a), less the funds set aside for the Recreational Trails Program as specified in 23 U.S.C. § 213(f). The grant program Awards shall be made to eligible entities as defined under 23 U.S.C. § 213(c)(4), and awards under the Grant Program shall be limited to enhancement the activities as defined in described at 23 U.S.C. § 101(a)(35) which are sponsored by
municipalities, nonprofit organizations, or political subdivisions of the state other than the agency 213(b) other than Recreational Trails Program grants.

(d) Eligible applicants entities awarded a grant must provide all funds required to match federal funds awarded for an enhancement a transportation alternatives project. All grant awards shall be decided and awarded by the transportation enhancement grant committee Transportation Alternatives Grant Committee.

(e) The following federal aid highway program funds received by the state under the federal aid highway reauthorization act, and succeeding reauthorization acts, that succeed the Transportation Equity Act for the 21st Century (Public Law 105-178 as amended) shall be exclusively reserved to cover the costs of enhancement projects awarded grants under the Vermont transportation enhancement grant program with respect to federal fiscal years 2004 and thereafter:

(1) at a minimum, four percent of the state’s apportionment of surface transportation funds received by the state under 23 U.S.C. § 104(b)(3) over the life of the applicable federal reauthorization act; and, if greater,

(2) at a maximum, the state’s apportionment of federal aid highway program funds that are exclusively reserved for transportation enhancement activities under 23 U.S.C. § 133(d)(2) received by the state over the life of the applicable federal reauthorization act.
(d) For each fiscal year starting with fiscal year 2005, the agency shall determine or estimate as required:

(1) the state’s apportionment of surface transportation program funds which the state expects to receive under 23 U.S.C. § 104(b)(3) with respect to the equivalent federal fiscal year; and

(2) the state’s pro rata apportionment of federal-aid highway program funds which are exclusively reserved for transportation enhancement activities under 23 U.S.C. 133(d)(2). To determine the pro rata amount, the agency shall estimate the total amount of exclusively reserved funds expected to be received by the state over the life of the applicable federal reauthorization act, subtract the total amount of enhancement grants awarded under this section with respect to prior federal fiscal years of the applicable federal reauthorization act, and divide the resulting sum by the number of years remaining in the life of the applicable federal reauthorization act. The agency shall adjust the amounts determined under subdivisions (1) and (2) of this subsection to account for any differences between estimates made, actual appropriations received, and enhancement grants awarded with respect to applicable prior federal fiscal years.

(e)(1) For each fiscal year starting with fiscal year 2005, the state’s enhancement grant program for the fiscal year shall be at the discretion of the secretary:
(A) at a minimum, four percent of the adjusted amount ascertained by
the agency under subdivision (d)(1) of this section; and

(B) at a maximum, the adjusted amount ascertained by the agency
under subdivision (d)(2) of this section.

(2) The agency shall plan its budget accordingly and advise the general
assembly in its recommended budget:

(A) if sufficient information is available to determine a sum certain,
of the amount of the enhancement grant program; or

(B) if sufficient information is not available to determine a sum
certain, of the range within which the agency estimates the size of the
enhancement grant program will be.

(f)(e) Enhancement Transportation alternatives grant awards shall be
announced annually by the transportation enhancement grant committee
Transportation Alternatives Grant Committee not earlier than December and
not later than the following March of the federal fiscal year of the federal funds
being committed by the grant awards.

(g)(f) Each year, up to $200,000.00 of the grant program or such lesser sum
if all eligible applications amount to less than $200,000.00 shall be reserved
for municipalities for eligible salt and sand shed projects. Grant awards for
eligible projects shall not exceed $50,000.00 per project. Regarding the
balance of grant program funds, in evaluating applications for enhancement
transportation alternatives grants, the transportation enhancement grant committee Transportation Alternatives Grant Committee shall give preferential weighting to projects involving as a primary feature a bicycle or pedestrian facility. The degree of preferential weighting and the circumstantial factors sufficient to overcome the weighting shall be in the complete discretion of the transportation enhancement grant committee Transportation Alternatives Grant Committee.

(h)(g) The agency Agency shall develop an outreach and marketing effort designed to provide information to communities with respect to the benefits of participating in the Transportation Alternatives Grant Program. The outreach and marketing activities shall include apprising municipalities of the availability of grants for salt and sand sheds. The outreach effort should be directed to areas of the state State historically underserved by this program.

Sec. 12a. 19 V.S.A. § 42 is amended to read:

§ 42. REPORTS PRESERVED

Notwithstanding 2 V.S.A. § 20(d), the reports or reporting requirements of sections 7(k), 10b(d), 10c(k), 10c(l), 10e(c), 10g, 11f(i), 12a, and 12b(d), and 38(e)(2) of this title shall be preserved absent specific action by the general assembly General Assembly repealing the reports or reporting requirements.
Sec. 13. TRANSPORTATION ALTERNATIVES GRANT PROGRAM
PRIORITIES; CONFORMING AMENDMENTS

2012 Acts and Resolves No. 153, Sec. 24 is amended to read:

Sec. 24. ENHANCEMENT TRANSPORTATION ALTERNATIVES
GRANT PROGRAM PRIORITIES

In addition to the priorities for salt and sand shed projects and bicycle or pedestrian facility projects specified in 19 V.S.A. § 38(g) 38(f), in evaluating applications for enhancement transportation alternatives grants in fiscal years 2013, 2014, and 2015, the transportation enhancement grant committee Transportation Alternatives Grant Committee shall give preferential weighting to projects involving a municipality implementing eligible environmental mitigation projects under a river corridor plan that has been adopted by the agency of natural resources Agency of Natural Resources as part of a basin plan, under a municipal plan adopted pursuant to 24 V.S.A. § 4385, or under a mitigation plan adopted by the municipality and approved by the Federal Emergency Management Agency. The degree of preferential weighting afforded shall be in the complete discretion of the transportation enhancement grant committee Transportation Alternatives Grant Committee.
Sec. 14. TRANSFER TO CENTRAL GARAGE FUND

Notwithstanding 19 V.S.A. § 13(c), in fiscal year 2014, the amount of $1,120,000.00 is transferred from the Transportation Fund to the Central Garage Fund created in 19 V.S.A. § 13.

Sec. 15. CHANGES IN THE STATE HIGHWAY SYSTEM

(a) Highways Except as provided in subsection (b) of this section, highways may be added to or deleted from the state highway system by:

(1) legislative action an act of the General Assembly; or

(2) a proposal by the agency Agency which is accepted by the legislative body of the affected municipality and approved by an act of the general assembly General Assembly.

(b) Upon entering into an agreement with the affected municipality, the Secretary may relinquish to municipal control segments of state highway rights-of-way that have been replaced by new construction and are no longer needed as part of the state highway system. Upon their relinquishment to municipal control, the segments shall become class 3 town highways, and may be reclassified by the municipality in accordance with chapter 7 of this title.
**Transportation Board; Small Claims Against the Agency**

Sec. 16. 19 V.S.A. § 20 is amended to read:

§ 20. SMALL CLAIMS FOR INJURY OR DAMAGE

When a claim is made for personal injuries or property damage, or both, sustained as the result of the negligence of any employee of the Agency, the Board shall have exclusive jurisdiction over claims of $5,000.00 or less. The Board may hear all parties in interest and may award damages not to exceed $2,000.00. When damages are awarded, the Board shall certify its findings to the Commissioner of Finance and Management. Upon the disposition of any appeal or the expiration or waiver of all appeal rights, the Commissioner of Finance and Management shall issue his or her warrant for the amount of the award, with payment in the manner prescribed by 12 V.S.A. § 5604.

**Definition of Transportation Facility**

Sec. 17. 19 V.S.A. § 1 is amended to read:

§ 1. DEFINITIONS

For the purposes of this title:

(26) “Transportation facility” includes highways, sidewalks, bike paths, bridges, culverts, railroads, airports, rest areas, parking areas, stations.
buildings, and other real property owned or operated by the State or a political subdivision thereof that is used for or maintained to facilitate the transportation of persons or goods.

* * * Emergency Repairs; Condemnation Authority * * *

Sec. 18. 19 V.S.A. § 518 is amended to read:

§ 518. MINOR ALTERATIONS TO EXISTING FACILITIES

(a) For purposes of this section, the term “minor alterations to existing facilities” means any of the following activities involving existing facilities, provided the activity does not require a permit under 10 V.S.A. chapter 151 (Act 250):
