6 Subject: Education; postsecondary education; scholarships; internships

7 Statement of purpose of bill as introduced: This bill proposes to require that a
8 Vermont resident complete a summer- or semester-long internship with a
9 Vermont employer within one year of receiving a postsecondary scholarship or
10 grant from the University of Vermont, the Vermont State Colleges, or the
11 Vermont Student Assistance Corporation. A recipient who failed to comply
12 with this criterion would be required to repay the award to the institution. The
13 act would apply to scholarships and grants awarded for the 2014–2015
14 academic year and after.

15 An act relating to requiring scholarship recipients to complete internships
