1	S.59
2	Introduced by Senators Campbell, Ashe, Ayer, Baruth, Fox, Galbraith, Lyons,
3	MacDonald, McCormack, Pollina, Starr, White, and Zuckerman
4	Referred to Committee on Economic Development, Housing and General
5	Affairs
6	Date: January 29, 2013
7	Subject: Labor; collective bargaining; independent direct support service
8	providers
9	Statement of purpose of bill as introduced: This bill proposes to authorize the
10	State to establish standards regarding terms and conditions of employment for
11	independent direct support providers in order to ensure the quality and
12	availability of self-directed home care services through Vermont's home- and
13	community-based programs. It also establishes a Direct Support Provider
14	Workforce Council to advise the State regarding the recruitment and retention
15	of such providers, and it allows independent direct support providers to bargain
16	collectively with the State.
17	An act relating to independent direct support providers
18	It is hereby enacted by the General Assembly of the State of Vermont:

BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 2 of 33

1	Sec. 1. FINDINGS
2	The General Assembly finds:
3	() The State of Vermont has a long-standing dedication to allowing
4	elders and those with disabilities to receive services in their own homes and
5	communities, abowing them to live with dignity, independence, and choice.
6	Elders have a right to age in place, and people with disabilities have a
7	right to live in the community and to be integrated and included in all facets of
8	community life.
9	(2) Home- and community based services must be accessible to all who
10	need them and want them. Public funding for home- and community-based
11	services should be made available based on need.
12	(3) People who receive services increasingly want the ability to
13	self-direct their own care, and they and the State of Vermont are best served by
14	an experienced, well-trained, stable, independent provider workforce that
15	affords service recipients within state programs the highest-quality care
16	possible.
17	(4) The 2008 Legislative Study of the Direct Care Workforce in
18	Vermont found that service recipients who hire their own direct care workers
19	repeatedly report having difficulty recruiting and retaining workers and they
20	must typically wait nearly three months to fill an open position.

BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 3 of 33

1	(5) The demand for home and community based services is expected to
2	increase dramatically as Vermont's population ages but, at its current rate, the
3	supply is expected to remain stagnant.
4	(6) Workers who perform this work have a deep commitment to service
5	recipients and their work but low wages and a lack of benefits and career
6	ladders lead to very high rates of turnover.
7	(7) The 2008 Legislative Study recommended a number of
8	improvements for the direct care workforce in Vermont. It suggested
9	establishing a process for implementing and monitoring progress on these
10	recommendations, with representation from state agencies, service recipients,
11	direct care workers, advocates, and providers.
12	(8) Many states have established councils with the authority to make
13	recommendations to state officials to improve retention, recruitment, and
14	quality in the direct support provider workforce available to recipients of
15	home- and community-based services. These councils enhance the leadership
16	and decision-making roles of participants in the system.
17	(9) Independent direct support providers should have a mechanism to
18	participate in such processes in a coordinated manner on issues that affect the
19	provider workforce to improve Vermont's home- and community-based
20	service programs

<u>§ 1639. RIGHTS UNALTERED</u>

(a) A collective bargaining agreement shall not infringe upon any rights of service recipients or their surrogates to hire, direct, supervise, or discontinue the employment of any particular independent direct support provider.

(b) Nothing in this section shall alter the rights and obligations of private sector employers and employees under the National Labor Relations Act, 29 U.S.C. § 151 et seq.

(c) Independent direct support providers shall not be considered state employees for purposes other than collective bargaining, including for BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 20 of 33

purposes of joint or viearious liability in tort or the limitation on liability in subsection (d) of this section. Independent direct support providers shall not be eligible for participation in the state employee retirement system or health care plan solely by virtue of bargaining under this chapter. Nothing in this chapter shall require the State to alter its current practice with respect to independent direct support providers of making payments regarding social security and Medicare taxes, federal or state unemployment contributions, or workers' compensation insurance.

(d) Nothing in this chapter shall infringe upon the right of the Judiciary and the General Assembly to make programmatic modifications to the delivery of state services through subsidy or other programs.

(e) The State and its employees shall not be liable for any act or omission by an independent direct support provider or any claim arising out of the employment relationship between a service recipient and an independent direct service provider, even if the independent direct service provider was included on a referral directory or referred to a service recipient or the service recipient's surrogate.

<u>§ 1640. APPEAL</u>

(a) Any person aggrieved by an order or decision of the Board issued under the authority of this chapter may appeal on questions of law to the Supreme Court.

(b) An order of the Board shall not automatically be stayed pending appeal. A stay must first be requested from the Board. The Board may stay the order or any part of it. If the Board denies a stay, then a stay may be requested from the Supreme Court. The Supreme Court or a single justice may stay the order or any part of it and may order additional interim relief.

<u>§ 1641. ENFORCEMENT</u>

Orders of the Board issued under this chapter may be enforced by any party or by the Board by filing a petition with the Civil Division of the Superior Court of Washington County or with the Civil Division of the Superior Court in the county in which the action before the Board originated. The petition shall be served on the adverse party as provided for service of process under the Vermont Rules of Civil Procedure. If, after hearing, the court determines that the Board had jurisdiction over the matter and that a timely appeal was not filed or that an appeal was timely filed and a stay of the Board order or any part of it was not granted or that a Board order was affirmed on appeal in pertinent part by the Supreme Court, the court shall incorporate the order of the Board as a judgment of the court. There is no appeal from that judgment BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 21 of 33

except that a judgment reversing a Board decision on jurisdiction may be appealed to the Supreme Court.

(1) carry out the statutory mandate and goals of the Agency of Human Services and to utilize personnel, methods, and means in the most appropriate manner possible;

(2) with the approval of the Governor, take whatever action may be necessary to carry out the mission of the Agency of Human Services in an emergency situation;

(3) comply with federal and state laws and regulations;

<u>§ 1634. ESTABLISHMENT OF LIMITED COLLECTIVE BARGAINING;</u> <u>SCOPE OF BARGAINING</u>

(a) Independent direct support providers, through their exclusive representative, shall have the right to bargain collectively with the State, through the Governor's designee, under this chapter.

(b) Mandatory subjects of bargaining under this section shall be limited to:

(1) compensation rates, workforce benefits, and payment methods and procedures, except that independent direct support providers shall not be eligible to participate in the State's retirement system or the Vermont state employee health plan solely by virtue of bargaining under this chapter;

(2) professional development and training, except that the issue of whether the State may choose directly to create and administer a professional development or training program shall be a permissive subject of bargaining;

(3) the collection and disbursement of dues or fees to the exclusive representative, provided that a collective bargaining service fee may not be required of nonmembers unless the exclusive representative has established and maintained a procedure to provide nonmembers with:

(A) an audited financial statement that identifies the major categories of expenses, and divides them into chargeable and nonchargeable expenses; and BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 24 of 33

(B) an opportunity to object to the amount of the agency fee sought, any amount reasonably in dispute to be placed in escrow, subject to prompt review and determination by the board to resolve any objection over the amount of the collective bargaining fee, as provided for in subsection (d) of this section.

(4) procedures for resolving grievances against the State, provided that the final step of any negotiated grievance procedure, if required, shall be a hearing and final determination by the board in accordance with board rules and regulations; and

(5) access to job referral opportunities within covered programs, except that the issue of whether the State may choose directly to create and administer a referral registry shall be a permissive subject of bargaining.

(c) For the purpose of this chapter, the obligation to bargain collectively is the performance of the mutual obligation of the State and the exclusive representative of the independent direct support providers to meet at reasonable times and confer in good faith with respect to all matters bargainable under the provisions of this chapter; but the failure or refusal of either party to agree to a proposal, or to change or withdraw a lawful proposal, or to make a concession shall not constitute, or be evidence of direct or indirect, a breach of this obligation. Nothing in this chapter shall be construed to require either party during collective bargaining to accede to any proposal or proposals of the other party.

(d) Any dispute raised by a nonmember concerning the amount of a collective bargaining service fee, as provided for under subdivision (b)(3) of this section, may be grieved to the State Labor Relations Board which shall review and determine such matter promptly, in accordance with the Board's rules.

§ 1635. ELECTION; BARGAINING UNIT

(a) Petitions and elections shall be conducted pursuant to the procedures provided in 3 V.S.A. §§ 941 and 942, except that only one bargaining unit shall exist for independent direct support providers, and the exclusive representative shall be the exclusive representative for the purpose of grievances.

(b) A representation election for independent direct support providers conducted by the Board shall be by mail ballot.

(c) The bargaining unit for purposes of collective bargaining pursuant to this chapter shall be one statewide unit of independent direct support providers. direct support providers shall all be independent direct support providers who have been paid for providing home- and community-based services within the previous 180 days.

(d) At least quarterly the State shall compile and maintain a list of names and addresses of all independent direct support providers who have been paid for providing home- and community-based services to service recipients within the previous 180 days. The list shall not include the names of any recipient, or indicate that an independent direct support provider is a relative of a recipient or has the same address as a recipient. The State shall, upon request, provide within seven days the most recent list of independent direct support providers in its possession to any organization which has as one of its primary purposes the collective bargaining representation of independent direct support providers in their relations with state or other public entities. This obligation shall include providing the most recent list, upon request, to any labor organization certified as the exclusive representative under this chapter.

§ 1636. MEDIATION; FACT-FINDING; LAST BEST OFFER

(a) If, after a reasonable period of negotiation, the representative of the collective bargaining unit and the State reach an impasse, the Board, upon petition of either party, may authorize the parties to submit their differences to mediation. Within five days after receipt of the petition, the Board shall appoint a mediator who shall communicate with the parties and attempt to mediate an amicable settlement. A mediator shall be of high standing and not actively connected with labor or management.

(b) If, after a reasonable period of time, no fewer than 15 days after the appointment of a mediator, the impasse is not resolved, the mediator shall certify to the Board that the impasse continues.

(c) The Board shall appoint a fact finder who has been mutually agreed upon by the parties. If the parties fail to agree on a fact finder within five days, the Board shall appoint a neutral third party to act as a fact finder pursuant to rules adopted by the Board. A member of the Board or any individual who has actively participated in mediation proceedings for which fact-finding has been called shall not be eligible to serve as a fact finder under this section, unless agreed upon by the parties.

(d) The fact finder shall conduct hearings pursuant to rules of the Board. Upon request of either party or of the fact finder, the Board may issue subpoenas of persons and documents for the hearings and the fact finder may require that testimony be given under oath and may administer oaths.

(e) Nothing in this section shall prohibit the fact finder from endeavoring to mediate the dispute at any time prior to issuing recommendations.

BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSE S.59 2013 Page 26 of 33

(f) The fact finder shall consider the following factors in making a recommendation:

(1) the needs and welfare of consumers, including their interest in greater access to quality services;

(2) the nature and needs of the personal care assistance program;

(3) the interest and welfare of independent direct support providers;

(4) the history of negotiation between the parties, including those leading to the proceedings;

(5) changes in the cost of living; and

(6) generally accepted labor-management relations practices in <u>Vermont.</u>

(g) Upon completion of the hearings provided in subsection (d) of this section, the fact finder shall file written findings and recommendations with both parties.

(h) The costs of witnesses and other expenses incurred by either party in fact-finding proceedings shall be paid directly by the parties incurring them, and the costs and expenses of the fact finder shall be divided equally by the parties. The fact finder shall be paid a rate mutually agreed upon by the parties for each day or any part of a day while performing fact-finding duties and shall be reimbursed for all reasonable and necessary expenses incurred in the performance of his or her duties. A statement of fact-finding per diem and expenses shall be certified by the fact finder and submitted to the Board for approval. The Board shall provide a copy of approved fact-finding costs to each party with its order apportioning half of the total to each party for payment. Each party shall pay its half of the total within 15 days after receipt of the order. Approval by the Board of fact-finding and the fact finder's costs and expenses and its order for payment shall be final as to the parties.

(i) If the dispute remains unresolved 20 days after transmittal of findings and recommendations, each party shall submit to the Board its last best offer on all disputed issues as a single package. Each party's last best offer shall be certified to the Board by the fact finder. The board may hold hearings and consider the recommendations of the fact finder. Within 30 days of the certifications, the Board shall select between the last best offers of the parties, considered in their entirety without amendment, and shall determine its cost. The Board shall not issue an order under this subsection that: (1) is in conflict with any statute; (2) is in conflict with any rule unless the rule relates to a mandatory subject of bargaining; or (3) determines an issue that is not a mandatory subject of bargaining. The Board shall determine the cost of the agreement selected and recommend to the General Assembly its choice with a

BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 27 of 33

request for appropriation. If the General Assembly appropriates sufficient funds, the agreement shall become effective and legally binding at the beginning of the next fiscal year. If the General Assembly appropriates a different amount of funds, the terms of the agreement affected by that appropriation shall be renegotiated based on the amount of funds actually appropriated by the General Assembly, and the agreement with the negotiated changes shall become effective and binding at the beginning of the next fiscal year. No portion of any agreement shall become effective separately without the mutual consent of the parties.

§ 1637. GENERAL DUTIES AND PROHIBITED CONDUCT

(a) The State and the independent direct support providers and their representatives shall make every reasonable effort to make and maintain agreements concerning matters allowed under this chapter and to settle all disputes, whether arising out of the application of those agreements or disputes concerning the agreements. All disputes shall, upon request of either party, be considered within 15 days of the request or at such times as may be mutually agreed to and if possible settled with all expedition in conference between representatives designated and authorized to confer by the State or the independent direct support providers. This obligation does not compel either party to make any agreements or concessions.

(b) It shall be an unfair labor practice for the State to:

(1) Interfere with, restrain, or coerce independent direct support providers in the exercise of their rights under this chapter or by any law, rule, or regulation.

(2) Dominate or interfere with the formation or administration of any labor organization or contribute financial or other support to it.

(3) Discriminate in regard to referral practices or eligibility for work opportunities within covered programs for an independent direct support provider, or to encourage or discourage membership in any labor organization.

(4) Take negative action against an independent direct support provider because the provider has taken actions demonstrating his or her support for a labor organization, including signing a petition, grievance, or affidavit or giving testimony under this chapter.

(5) Refuse to bargain collectively in good faith with the exclusive representative.

(6) Discriminate against an independent direct support provider based on race, color, creed, religion, age, gender, sexual orientation, gender identity,

BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSE S.59 2013 Page 28 of 33

or national origin, or because the provider is a qualified individual with a disability.

(c) It shall be an unfair labor practice for a labor organization to:

(1) Restrain or coerce independent direct support providers in the exercise of the rights guaranteed them by law, rule, or regulation. However, a labor organization may prescribe its own rules with respect to the acquisition or retention of membership, provided such rules are not discriminatory.

(2) Refuse to bargain collectively in good faith with the State.

(3) Cause, or attempt to cause, the State to discriminate against an independent direct support provider in violation of subsection (b) of this section.

(4) Threaten to or cause a provider to strike or curtail the provider's services in recognition of a picket line of any employee or labor organization.

(d) An independent direct support provider shall not strike or curtail his or her services in recognition of a picket line of any employee or labor organization.

§ 1638. PREVENTION OF UNFAIR PRACTICES

(a) The Board may prevent the State or a labor organization from engaging in any unfair labor practice listed in section 1637 of this title. Whenever a charge is made that the State or a labor organization has engaged in or is engaging in any unfair labor practice, the Board may issue and cause to be served upon that party a complaint stating the charges in that respect and containing a notice of hearing before the Board at a place and time therein fixed at least seven days after the complaint is served. The Board may amend the complaint at any time before it issues an order based thereon. No complaint shall issue based on any unfair labor practice occurring more than six months prior to the filing of the charge with the Board and the service of a copy thereof upon the party against whom such charge is made, unless the person aggrieved thereby was prevented from filing the charge by reason of service in the U.S. Armed Forces, in which event the six-month period shall be computed from the day of his or her discharge.

(b) The party complained of shall have the right to file an answer to the original or amended complaint and appear in person or otherwise and present evidence in connection therewith at the time and place fixed in the complaint. In the discretion of the Board, any other person may be permitted to intervene and present evidence in the matter. Any proceeding under this section shall, so far as practicable, be conducted in accordance with rules of evidence used in the courts. The Board shall provide for the making of a transcript of the testimony presented at the hearing.

BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 29 of 33

(c) The Board shall have power to administer oaths and take testimony under oath relative to the matter of inquiry. At any hearing ordered by the Board, the Board shall have the power to subpoena witnesses and to demand the production of books, papers, records, and documents for its examination. Officers who serve subpoenas issued by the Board and witnesses attending hearings conducted by the Board shall receive fees and compensation at the same rates as officers and witnesses in causes before a Criminal Division of the Superior Court, to be paid on vouchers of the Board.

(d) If upon the preponderance of the evidence, the Board finds that any party named in the complaint has engaged in or is engaging in any such unfair labor practice, it shall state its finding of fact in writing and shall issue and cause to be served on that party an order requiring him or her to cease and desist from the unfair labor practice, and to take such affirmative action as will carry out the policies of this chapter. If upon the preponderance of the evidence, the Board does not find that the party named in the complaint has engaged in or is engaging in any unfair labor practice, it shall state its findings of fact in writing and dismiss the complaint.

(e) In determining whether a complaint shall issue alleging a violation of subdivision 1637(1) or (2) of this title, and in deciding those cases, the same regulations and rules of decision shall apply irrespective of whether or not a labor organization affected is affiliated with a labor organization national or international in scope.

<u>§ 1639. NEGOTIATED AGREEMENT; FUNDING</u>

(a) If the State and the exclusive representative reach an agreement, the Governor shall request from the General Assembly an appropriation sufficient to fund the agreement in the next operating budget. If the General Assembly appropriates sufficient funds, the negotiated agreement shall become effective and binding at the beginning of the next fiscal year. If the General Assembly appropriates a different amount of funds, the terms of the agreement affected by that appropriated by the General Assembly and shall become effective and legally binding in the next fiscal year.

(b) Collective bargaining agreements shall be for a maximum term of two years and shall not be subject to cancellation or renegotiation during the term except with the mutual consent in writing of both parties, which consent shall be filed with the Board. Upon the filing of such consent, an agreement may be supplemented, cancelled, or renegotiated.

(c) The agreement shall terminate at the expiration of its specified term. Negotiations for a new agreement to take effect upon the expiration of the preceding agreement shall be commenced at any time within one year next BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 30 of 33

preceding the expiration date upon the request of either party and may be commenced at any time previous thereto with the consent of both parties.

(d) In the event the State of Vermont and the collective bargaining unit are unable to arrive at an agreement and there is not an existing agreement in effect, the existing contract shall remain in force until a new contract is ratified by the parties. However, nothing in this subsection shall prohibit the parties from agreeing to a modification of certain provisions of the existing contract which, as amended, shall remain in effect until a new contract is finalized and funded by the General Assembly.

(e) The Board is authorized to enforce compliance with all provisions of a collective bargaining agreement upon complaint of either party. In the event a complaint is made by either party to an agreement, the Board shall proceed in the manner prescribed in section 1638 of this title relating to the prevention of unfair labor practices.

<u>§ 1640. RIGHTS UNALTERED</u>

(a) A collective bargaining agreement shall not infringe upon any rights of service recipients or their surrogates to hire, direct, supervise, or discontinue the employment of any particular independent direct support provider.

(b) Nothing in this section shall alter the rights and obligations of private sector employers and employees under the National Labor Relations Act, 29 U.S.C. § 151 et seq.

(c) Independent direct support providers shall not be considered state employees for purposes other than collective bargaining, including for purposes of joint or vicarious liability in tort or the limitation on liability in subsection (e) of this section. Independent direct support providers shall not be eligible for participation in the State Employee Retirement System or health care plan solely by virtue of bargaining under this chapter. Nothing in this chapter shall require the State to alter its current practice with respect to independent direct support providers of making payments regarding Social Security and Medicare taxes, federal or state unemployment contributions, or workers' compensation insurance.

(d) Nothing in this chapter shall infringe upon the right of the Judiciary and the General Assembly to make programmatic modifications to the delivery of state services through subsidy or other programs.

(e) The State and its employees shall not be vicariously liable for any act or omission by an independent direct support provider or any claim arising out of the employment relationship between a service recipient and an independent direct service provider, nor shall the State be liable as a joint employer.

§ 1641. RULES AND REGULATIONS

BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 31 of 33

The Board shall make and may amend and rescind and adopt such rules and regulations consistent with this chapter as may be necessary to carry out the provisions of this chapter.

<u>§ 1642. APPEAL</u>

(a) Any person aggrieved by an order or decision of the Board issued under the authority of this chapter may appeal on questions of law to the Supreme Court.

(b) An order of the Board shall not automatically be stayed pending appeal. A stay must first be requested from the Board. The Board may stay the order or any part of it. If the Board denies a stay, then a stay may be requested from the Supreme Court. The Supreme Court or a single justice may stay the order or any part of it and may order additional interim relief.

<u>§ 1643. ENFORCEMENT</u>

(a) Orders of the Board issued under this chapter may be enforced by any party or by the Board by filing a petition with the Civil Division of the Superior Court of Washington County or in the Civil Division of the Superior Court in the county in which the action before the Board originated. The petition shall be served on the adverse party as provided for service of process under the Vermont Rules of Civil Procedure. If, after hearing, the court determines that the Board had jurisdiction over the matter and that a timely appeal was not filed or that an appeal was timely filed and a stay of the Board order or any part of it was not granted or that a Board order was affirmed on appeal in pertinent part by the Supreme Court, the court shall incorporate the order of the Board as a judgment of the court. There is no appeal from that judgment except that a judgment reversing a Board decision on jurisdiction may be appealed to the Supreme Court.

(b) Upon filing of a petition by a party or the Board, the court may grant such temporary relief, including a restraining order, as it deems proper pending formal hearing.

(c) Orders and decisions of the Board shall apply only to the particular case under appeal, but any number of appeals presenting similar issues may be consolidated for hearing with the consent of the Board. The Board shall not modify, add to, or detract from a collective bargaining agreement by any order or decision.

<u>§ 1644. ANTITRUST EXEMPTION</u>

The activities of independent direct support providers and their exclusive representative that are necessary for the exercise of their rights under this chapter shall be afforded state action immunity under applicable federal and state antitrust laws. The State intends that the "state action" exemption to BILL AS INTRODUCED AND PASSED BY SENATE AND HOUSES.592013Page 32 of 33
