Sec. 2. FINDINGS AND PURPOSE

(a) The Vermont General Assembly finds:

(1) The creation of jobs and investment in the state of Vermont through business expansion and recruitment is of the highest importance.

(2) Vermont has created a thriving alternative risk financing industry, which has provided Vermonters with well-paying jobs and has created significant premium tax revenue for the state.

(b) The purpose of this act is to regulate the receipt and management by solvent Vermont companies of closed blocks of nonadmitted commercial insurance policies and reinsurance agreements.

Sec. 3. 8 V.S.A. chapter 147 is added to read:

Any information qualifying for confidential treatment shall not be subject to subpoena and shall not be made public by the Commissioner or by any other person; provided, however, the Commissioner may in his or her discretion grant access to such information to public officers having jurisdiction over the regulation of insurance in any other state or country, to public officers of a foreign or alien financial regulatory authority, or to state or federal law enforcement officers pursuant to a validly issued subpoena or search warrant; provided that such officers receiving the information agree in writing to hold it in a manner consistent with this section.

(d) Within 10 business days of the date the application is filed and the fee payable under subsection (a) of this section is paid in full, the Commissioner shall notify the assuming company whether the plan is complete. In his or her discretion, the Commissioner may extend the 10-business-day application review period for an additional 10 business days. With the written consent of the assuming company, the application review period may be extended beyond 20 business days.

(e) Upon submission of a plan, the assuming company shall have a continuing obligation to notify the Commissioner promptly and in a full and accurate manner of any material change to information in the plan.

(f) If the Commissioner notifies the assuming company that the plan is not complete, the Commissioner shall specify any modifications, supplements, or amendments to the plan that are required, and any additional information or documentation with respect to the plan that must be provided to the Commissioner before the Commissioner issues the notice referenced in subsection (d) of this section.

(g) If the Commissioner notifies the assuming company that the plan is complete, the Commissioner shall set a date, time, and place for a hearing on the plan as required under subsection (l) of this section.

The notice shall:

(3) the assuming company shall file with the Commissioner such additional documentation and information regarding the plan as the Commissioner may reasonably require.

(j) In the event that, prior to the expiration of the comment period, any policyholder or inward reinsurance counterparty provides express written notice that he or she objects to the plan and specifies the policy or agreement with respect to which such objection is made, the assuming company shall, not later than 15 days after the end of the comment period, submit to the Commissioner either:

(1) an amended list of policies and reinsurance agreements in the plan, excluding such policyholder or inward reinsurance counterparty and its respective policy or inward reinsurance agreement from the plan; or

(2) an express written notice from such policyholder or inward reinsurance counterparty accepting the plan and consenting to the transfer having the full force and effect of a statutory novation of its respective policy or reinsurance agreement, as applicable, and withdrawing and rescinding its prior notice of objection.

(l) Notwithstanding any provision of this chapter to the contrary, if a policy or inward reinsurance agreement contains a provision prohibiting the transfer of the policy or inward reinsurance agreement without the consent of the policyholder or inward reinsurance counterparty, then such policy or inward reinsurance agreement shall not be transferred under this chapter unless the applicable policyholder or inward reinsurance counterparty provides written consent to the proposed transfer.

(m) The hearing on the plan shall be held not later than 60 days after the end of the comment period. In his or her discretion, the Commissioner may postpone the hearing for an additional 10 days. (b) In reviewing the plan, the Commissioner shall take into account all written comments filed with respect to the plan, all evidence taken at the hearing, and any other factors the Commissioner reasonably deems relevant with respect to the plan. In all cases, the Commissioner shall make findings with respect to each of the following:

(7) whether policyholders or inward reinsurance counterparties objecting to the plan and not withdrawing such objections, together with their respective insurance policies and inward reinsurance agreements, have been excluded from the plan as required under subsections 7112(j) and (l) of this chapter; and

(8) the fairness of the plan to all parties.

§ 7114. ORDER

(a) Within 30 days of the date the hearing is held on the plan, the Commissioner shall issue an order setting forth the amount of fees payable by the assuming company under subdivision 7116(a)(2) of this chapter, payable not later than 14 days after the date of such order. Upon receipt of such payment, the Commissioner shall within five days issue an order approving or disapproving the plan in whole or in part. Whenever it is not practicable to issue an order within 30 days, the Commissioner may extend such time up to an additional 30 days. If the order approves the plan, the order shall:

  - (4) excluded from the plan any policy or agreement with respect to which a policyholder or inward reinsurance agreement counterparty has objected to the proposed transfer under the plan, as required under subsections 7112(j) and (l) of this chapter.

(c) An order issued under subsection (a) of this section approving the plan shall have the full force and effect of a statutory novation with respect to all policyholders and reinsurance counterparties and their respective policies and reinsurance agreements under the plan and shall provide that the transferring insurer shall have no further rights, obligations, or liabilities with respect to such policies and reinsurance agreements, and that the assuming company shall have all such rights, obligations, and liabilities as if it, instead of the transferring insurer, were the original party to such policies and reinsurance agreements.

(d) The Commissioner may issue any other orders he or she reasonably deems necessary to fully implement an order issued under subsection (a) of this section.

(e) No order issued under subsection (a) or (d) of this section shall be construed to modify or amend the terms of a policy or reinsurance agreement, other than with respect to matters specifically subject to modification or amendment under this chapter.

(f) If a party objects to a plan, the Commissioner may not approve the plan with respect to such party unless the Commissioner determines that the plan:

- (1) does not materially adversely affect the objecting party; and
- (2) otherwise complies with the requirements of this chapter.

(g) At any time before the Commissioner issues the order described in subsection (a) of this section, the assuming company may file an amendment to the plan, subject to the Commissioner's approval.

(h) At any time before the Commissioner issues the order described in subsection (a) of this section, the assuming company may withdraw the plan without prejudice. Upon such withdrawal, however, the Commissioner shall issue an order setting forth the amount of fees payable by the assuming company under subdivision 7116(a)(2) of this chapter, payable not later than 14 days after the date of such order.

(c) The Commissioner may retain, at the assuming company's expense, attorneys, actuaries, accountants, and other experts not otherwise a part of the Commissioner's staff reasonably necessary to assist with an examination under this section. Any persons so retained shall be under the direction and control of the Commissioner and shall act in a purely advisory capacity.

#### **H. 262**

**Rep. Ellis of Waterbury**, for the committee on Natural Resources and Energy, to which had been referred House bill, entitled

An act relating to establishing a program for the collection and recycling of paint

Reported in favor of its passage when amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 10 V.S.A. chapter 159, subchapter 4 is added to read:

Subchapter 4. Paint Stewardship Program

§ 6671. POLICY

The General Assembly finds and declares that it is in the best interest of Vermont to have an environmentally sound, cost-effective paint stewardship program that will undertake responsibility for the development and implementation of strategies to reduce the generation of postconsumer paint; promote the reuse of postconsumer paint and; and collect, transport, and process postconsumer paint, including reuse, recycling, energy recovery, and disposal. The paint stewardship program will follow the waste management hierarchy for managing and reducing leftover paint in the order as follows: reduce consumer generation of leftover paint, reuse, recycle, provide for energy recovery, and dispose. The paint stewardship program will provide more opportunities for consumers to manage properly their leftover paint; provide fiscal relief for local government in managing postconsumer paint; keep paint out of the waste stream; and conserve natural resources.

§ 6672. DEFINITIONS

As used in this subchapter:

(1) “Architectural paint” means interior and exterior architectural coatings, including interior or exterior water- and oil-based coatings, primers, sealers, or wood coatings, that are sold in containers of five gallons or less. “Architectural paint” does not mean industrial coatings, original equipment coatings, or specialty coatings.

§ 6673. PAINT STEWARDSHIP PROGRAM

(a) A producer or a stewardship organization representing producers shall submit a plan for the establishment of a paint stewardship program to the Secretary for approval by March 1, 2014. The plan shall address the following:

(1) Provide a list of participating producers and brands covered by the program.

(2) Provide specific information on the architectural paint products covered under the program, such as interior or exterior water- and oil-based coatings, primers, sealers, or wood coatings.

(3) Describe how the program proposed under the plan will collect, transport, recycle, and process postconsumer paint for end-of-life management, including recycling, energy recovery, and disposal, using environmentally sound management practices.

(4) Describe the program and how it will provide for convenient and available statewide collection of postconsumer architectural paint in urban and rural areas of the State. The producer or stewardship organization shall use the existing household hazardous waste collection infrastructure when selecting collection points for postconsumer architectural paint. A paint retailer shall be authorized as a paint collection point of postconsumer architectural paint for a paint stewardship program if the paint retailer volunteers to act as a paint collection point and complies with all applicable laws and regulations.

(5) Provide geographic information modeling to determine the number and distribution of sites for collection of postconsumer architectural paint based on the following criteria:

(A) at least 90 percent of Vermont residents shall have a permanent collection site within a 15-mile radius; and

(B) one additional permanent site will be established for every 10,000 residents of a municipality and additional sites shall be distributed to provide convenient and reasonably equitable access for residents within each municipality, unless otherwise approved by the Secretary.

(6) Establish goals to reduce the generation of postconsumer paint, to promote the reuse of postconsumer paint, and for the proper management of postconsumer paint as practical based on current household hazardous waste program information. The goals may be revised by the producer or stewardship organization based on the information collected for the annual report.

(7) Describe how postconsumer paint will be managed in the most environmentally and economically sound manner, including following the waste-management hierarchy of source reduction, reuse, recycling, energy recovery, and disposal.

(8) Describe education and outreach efforts to inform consumers of collection opportunities for postconsumer paint and to promote the source reduction and recycling of architectural paint for each of the following: consumers, contractors, and retailers.

(b) A plan submitted under subsection (a) of this section shall include a funding mechanism under which each architectural paint producer remits to a stewardship organization payment of a paint stewardship assessment for each container of architectural paint it sells in this State. The paint stewardship assessment shall be added to the cost of all architectural paint sold in Vermont. To ensure that the funding mechanism is equitable and sustainable, a uniform paint stewardship assessment shall be established for all architectural paint sold. The paint stewardship assessment shall be approved by the Secretary and shall be sufficient to recover, but not exceed, the costs of the paint stewardship program.

(c) Beginning no later than July 1, 2014, or three months after approval of the plan for a paint stewardship program required under subsection (a) of this section, whichever occurs later, a producer of architectural paint sold at retail or a stewardship organization of which a producer is a member shall implement the approved plan for a paint stewardship program.

(d) A producer or a stewardship organization of which a producer is a member shall promote a paint stewardship program and provide consumers with educational and informational materials describing collection opportunities for postconsumer paint statewide and promotion of waste prevention, reuse, and recycling. The educational and informational program shall make consumers aware that the funding for the operation of the paint stewardship program has been added to the purchase price of all architectural paint sold in the State.

(e) A plan approved under this section shall provide for collection of postconsumer architectural paint at no cost to the person from whom the architectural paint is collected.

(f) When a plan or amendment to an approved plan is submitted under this section, the Secretary shall make the proposed plan or amendment available for public review and comment for at least 15 days.

(g) A producer or paint stewardship organization shall submit to the Secretary an amendment to an approved plan when there is:

- (1) a change to a paint stewardship assessment under the plan;
- (2) an addition to or removal of a product covered under the program; or
- (3) a revision of the product stewardship organization's goals.

(h) A plan approved by the Secretary under section 6675 of this title shall have a term not to exceed five years, provided that the producer remains in compliance with the requirements of this chapter and the terms of the approved plan.

(i) Upon submission of a plan to the Secretary under this section, a producer or a stewardship organization shall pay the fee required by 3 V.S.A. § 2822(j). Thereafter, the producer or stewardship organization shall pay the fee required by 3 V.S.A. § 2822(j) annually by July 1 of each year.

#### § 6674. RETAILER RESPONSIBILITY

(a) A producer or retailer may not sell or offer for sale architectural paint to any person in Vermont unless the producer of that architectural paint brand or a stewardship program of which the producer of that architectural paint brand is a member is implementing an approved plan for a paint stewardship program as required by section 6673 of this title. A retailer complies with the requirements of this section if, on the date the architectural paint was ordered from the producer or its agent, the producer or paint brand is listed on the Agency of Natural Resources' website as a producer or brand participating in an approved plan for a paint stewardship program.

(b) At the time of sale to a consumer, a producer, a stewardship organization, or a retailer selling or offering architectural paint for sale shall provide the consumer with information regarding available management options for post-consumer paint collected through the paint stewardship program or a brand of paint being sold under the program.

#### § 6675. AGENCY RESPONSIBILITY

(a) Within 90 days of receipt of a plan submitted under section 6673 of this title, the Secretary shall review the plan and make a determination whether or not to approve the plan. The Secretary shall issue a letter of approval for a submitted plan if it provides for the establishment of a paint stewardship program that meets the requirements of subsections 6673(a) and (b) of this title. If the Secretary does not approve a plan, the Secretary shall issue to the paint stewardship organization a letter listing the reasons for the disapproval of

the plan. If the Secretary disapproves a plan, a paint stewardship organization intending to sell or continue to sell architectural paint in the State shall submit a new plan within 60 days of receipt of the letter of disapproval.

(b) The Secretary shall review and approve the stewardship assessment proposed by a producer pursuant to subsection 6673(c) of this title. In approving a proposed stewardship assessment, the Secretary shall determine that the assessment is reasonable and the assessment does not exceed the costs of implementing an approved plan.

(c) Facilities solely collecting paint for the paint stewardship program that would not otherwise be subject to solid waste certification requirements shall not be required to obtain a solid waste certification. Persons solely transporting paint for the paint stewardship program that would not otherwise be subject to solid waste hauler permitting requirements shall not be required to obtain a solid waste hauler's permit.

#### § 6676. ANTICOMPETITIVE CONDUCT

A producer or an organization of producers that manages post-consumer paint, including collection, transport, recycling, and processing of postconsumer paint, as required by this subchapter may engage in anticompetitive conduct to the extent necessary to implement the plan approved by the Secretary and is immune from liability for the conduct under state laws relating to antitrust, restraint of trade, unfair trade practices, and other regulation of trade or commerce.

#### § 6677. PRODUCER REPORTING REQUIREMENTS

No later than October 15, 2015, and annually thereafter, a producer or a stewardship program of which the producer is a member shall submit to the Secretary a report describing the paint stewardship program that the producer or stewardship program is implementing as required by section 6673 of this title. At a minimum, the report shall include:

(1) a description of the methods the producer or stewardship program used to reduce, reuse, collect, transport, recycle, and process postconsumer paint statewide in Vermont;

(2) the volume and type of postconsumer paint collected by the producer or stewardship program at each collection center in all regions of Vermont;

(3) the volume of postconsumer paint collected by the producer or stewardship program in Vermont by method of disposition, including reuse, recycling, energy recovery, and disposal;

(4) an independent financial audit of the paint stewardship program implemented by the producer or the stewardship program; and

(5) samples of the educational materials that the producer or stewardship program provided to consumers of architectural paint.

§ 6678. CONFIDENTIAL BUSINESS INFORMATION

Data reported to the Secretary by a producer or stewardship organization under this subchapter shall be a trade secret exempt from public inspection and copying under 1 V.S.A. § 317(c)(9), provided that the Secretary may use and disclose such information in summary or aggregated form that does not directly or indirectly identify individual producers, distributors, or retailers. The Secretary may require, as a part of the report submitted under section 6677 of this title, that the manufacturer or stewardship organization provide a report that does not contain trade secret information and is available for public inspection and review.

§ 6679. RULEMAKING; PROCEDURE

The Secretary may adopt rules or procedures to implement the requirements of this subchapter.

Sec. 2. 3 V.S.A. § 2822(j) is added to read:

(j) In accordance with subsection (i) of this section, the following fees are established for permits, licenses, certifications, approvals, registrations, orders, and other actions taken by the agency of natural resources.
