(C) necessary to cover the cost of collecting, transporting, and processing the postconsumer paint managed through the statewide program.

(7) "Postconsumer paint" means architectural paint and its containers not used and no longer wanted by a purchaser.

(8) "Producer" means a manufacturer of architectural paint who sells, offers for sale, or distributes that paint in Vermont under the producer's own name or brand.

(9) "Recycling" means any process by which discarded products, components, and by-products are transformed into new usable or marketable materials in a manner in which the original products may lose their identity but does not include energy recovery or energy generation by means of combusting discarded products, components, and by-products with or without other waste products.

(10) "Retailer" means any person that offers architectural paint for sale at retail in Vermont.

(11) "Reuse" means the return of a product into the economic stream for use in the same kind of application as originally intended, without a change in the product's identity.

§ 6673. PAINT STEWARDSHIP PROGRAM

(a) A producer or a stewardship organization representing producers shall submit a plan for the establishment of a paint stewardship program to the Secretary for approval by December 1, 2013. The plan shall address the following:

(1) Provide a list of participating producers and brands covered by the program.

(2) Provide specific information on the architectural paint products covered under the program, such as interior or exterior water- and oil-based coatings, primers, sealers, or wood coatings.

(3) Describe how the program proposed under the plan will collect, transport, recycle, and process postconsumer paint for end-of-life management, including recycling, energy recovery, and disposal, using environmentally sound management practices.

(4) Describe the program and how it will provide for convenient and available statewide collection of postconsumer architectural paint in urban and rural areas of the State. The producer or stewardship organization shall use the existing household hazardous waste collection infrastructure when selecting collection points for postconsumer architectural paint. A paint retailer shall be authorized as a paint collection point of postconsumer architectural paint for a paint stewardship program if the paint retailer volunteers to act as a paint collection point and complies with all applicable laws and regulations.

(5) Provide geographic information modeling to determine the number and distribution of sites for collection of postconsumer architectural paint based on the following criteria:

(A) at least 90 percent of Vermont residents shall have a permanent collection site within a 15-mile radius; and

(B) one additional permanent site will be established for every 10,000 residents of a municipality and additional sites shall be distributed to provide convenient and reasonably equitable access for residents within each municipality, unless otherwise approved by the Secretary.

(6) Establish goals to reduce the generation of postconsumer paint, to promote the reuse of postconsumer paint, and for the proper management of postconsumer paint as practical based on current household hazardous waste program information. The goals may be revised by the producer or stewardship organization based on the information collected for the annual report.

(7) Describe how postconsumer paint will be managed in the most environmentally and economically sound manner, including following the waste-management hierarchy. The management of paint under the program shall use management activities that promote source reduction, reuse, recycling, energy recovery, and disposal.

(8) Describe education and outreach efforts to inform consumers of collection opportunities for postconsumer paint and to promote the source reduction and recycling of architectural paint for each of the following: consumers, contractors, and retailers.

(b) The producer or stewardship organization shall submit a budget for the program proposed under subsection (a) of this section, and for any amendment to the plan that would affect the program's costs. The budget shall include a funding mechanism under which each architectural paint producer remits to a stewardship organization payment of a paint stewardship assessment for each container of architectural paint it sells in this State. Prior to submitting the proposed budget and assessment to the Secretary, the producer or stewardship organization shall provide the budget and assessment to a third-party auditor agreed upon by the Secretary. The third-party auditor shall provide a recommendation as to whether the proposed budget and assessment is cost-effective, reasonable, and limited to covering the cost of the program. The paint stewardship assessment shall be added to the cost of all architectural paint sold in Vermont. To ensure that the funding mechanism is equitable and sustainable, a uniform paint stewardship assessment shall be established for all architectural paint sold. The paint stewardship assessment shall be approved by the Secretary and shall be sufficient to recover, but not exceed, the costs of the paint stewardship program.

(c) Beginning no later than July 1, 2014, or three months after approval of the plan for a paint stewardship program required under subsection (a) of this section, whichever occurs later, a producer of architectural paint sold at retail

or a stewardship organization of which a producer is a member shall implement the approved plan for a paint stewardship program.

(d) A producer or a stewardship organization of which a producer is a member shall promote a paint stewardship program and provide consumers with educational and informational materials describing collection opportunities for postconsumer paint statewide and promotion of waste prevention, reuse, and recycling. The educational and informational program shall make consumers aware that the funding for the operation of the paint stewardship program has been added to the purchase price of all architectural paint sold in the State.

(e) A plan approved under this section shall provide for collection of postconsumer architectural paint at no cost to the person from whom the architectural paint is collected.

(f) When a plan or amendment to an approved plan is submitted under this section, the Secretary shall make the proposed plan or amendment available for public review and comment for at least 30 days.

(g) A producer or paint stewardship organization shall submit to the Secretary for review, in the same manner as required under subsection 6675(a) of this title, an amendment to an approved plan when there is:

(1) a change to a paint stewardship assessment under the plan;

(2) an addition to or removal of a category of products covered under the program; or

(3) a revision of the product stewardship organization's goals.

(h) A plan approved by the Secretary under section 6675 of this title shall have a term not to exceed five years, provided that the producer remains in compliance with the requirements of this chapter and the terms of the approved plan.

(i) In addition to the requirements specified in subsection (a) of this section, a stewardship organization shall notify the Secretary in writing within 30 days of any change to:

(1) the number of collection sites for post-consumer architectural paint identified under this section as part of the plan;

(2) the producers identified under this section as part of the plan;

(3) the brands of architectural paint identified under this section as part of the plan; and

(4) the processors that manage post-consumer architectural paint identified under this section as part of the plan.

(j) Upon submission of a plan to the Secretary under this section, a producer or a stewardship organization shall pay the fee required by 3 V.S.A. § 2822(j)(31). Thereafter, the producer or stewardship organization shall pay the fee required by 3 V.S.A. § 2822(j)(31) annually by July 1 of each year.

§ 6674. RETAILER RESPONSIBILITY

(a) A producer or retailer may not sell or offer for sale architectural paint to any person in Vermont unless the producer of that architectural paint brand or a stewardship program of which the producer of that architectural paint brand is a member is implementing an approved plan for a paint stewardship program as required by section 6673 of this title. A retailer complies with the requirements of this section if, on the date the architectural paint was ordered from the producer or its agent, the producer or paint brand is listed on the Agency of Natural Resources' website as a producer or brand participating in an approved plan for a paint stewardship program.

(b) At the time of sale to a consumer, a producer, a stewardship organization, or a retailer selling or offering architectural paint for sale shall provide the consumer with information regarding available management options for postconsumer paint collected through the paint stewardship program or a brand of paint being sold under the program.

§ 6675. AGENCY RESPONSIBILITY

(a)(1) Within 90 days of receipt of a plan submitted under section 6673 of this title, the Secretary shall review the plan and make a determination whether or not to approve the plan. The Secretary shall issue a letter of approval for a submitted plan if:

(A) the submitted plan provides for the establishment of a paint stewardship program that meets the requirements of subsections 6673(a); and

(B) the Secretary determines that the plan:

(i) achieves convenient collection for consumers;

(ii) educates the public on proper paint management;

(iii) manages waste paint in a manner that is environmentally safe and promotes reuse and recycling; and

(iv) is cost-effective.

(2) If the Secretary does not approve a submitted plan, the Secretary shall issue to the paint stewardship organization a letter listing the reasons for the disapproval of the plan. If the Secretary disapproves a plan, a paint stewardship organization intending to sell or continue to sell architectural paint

in the State shall submit a new plan within 60 days of receipt of the letter of disapproval.

(b)(1) The Secretary shall review and approve the stewardship assessment proposed by a producer pursuant to subsection 6673(b) of this title. The Secretary shall only approve the program budget and any assessment if the applicant has demonstrated that the costs of the program and any proposed assessment are reasonable and the assessment does not exceed the costs of implementing an approved plan.

(2) If an amended plan is submitted under subsection 6673(g) of this title that proposes to change the cost of the program or proposes to change the paint stewardship assessment under the plan, the disapproval of any proposed new assessment or the failure of an approved new assessment to cover the total costs of the program shall not relieve a producer or stewardship organization of its obligation to continue to implement the approved plan under the originally approved assessment.

(c) Facilities solely collecting paint for the paint stewardship program that would not otherwise be subject to solid waste certification requirements shall not be required to obtain a solid waste certification. Persons solely transporting paint for the paint stewardship program that would not otherwise be subject to solid waste hauler permitting requirements shall not be required to obtain a solid waste hauler's permit.

§ 6676. ANTICOMPETITIVE CONDUCT

(a) A producer or an organization of producers that manages postconsumer paint, including collection, transport, recycling, and processing of postconsumer paint, as required by this subchapter may engage in anticompetitive conduct to the extent necessary to implement the plan approved by the Secretary and is immune from liability for the conduct relating to antitrust, restraint of trade, unfair trade practices, and other regulation of trade or commerce.

(b) The activity authorized and the immunity afforded under subsection (a) of this section shall not apply to any agreement among producers or paint stewardship organizations:

(1) establishing or affecting the price of paint, except for the paint stewardship assessment approved under subsection 6675(b) of this title;

(2) setting or limiting the output or production of paint;

(3) setting or limiting the volume of paint sold in a geographic area;

(4) restricting the geographic area where paint will be sold; or

(5) restricting the customers to whom paint will be sold or the volume of paint that will be sold.

§ 6677. PRODUCER REPORTING REQUIREMENTS

No later than October 15, 2015, and annually thereafter, a producer or a stewardship program of which the producer is a member shall submit to the Secretary a report describing the paint stewardship program that the producer or stewardship program is implementing as required by section 6673 of this title. At a minimum, the report shall include:

(1) a description of the methods the producer or stewardship program used to reduce, reuse, collect, transport, recycle, and process postconsumer paint statewide in Vermont;

(2) the volume and type of postconsumer paint collected by the producer or stewardship program at each collection center in all regions of Vermont;

(3) the volume of postconsumer paint collected by the producer or stewardship program in Vermont by method of disposition, including reuse, recycling, energy recovery, and disposal;

(4) an independent financial audit of the paint stewardship program implemented by the producer or the stewardship program;

(5) the prior year's actual direct and indirect costs for each program element and the administrative and overhead costs of administering the approved program; and

(6) samples of the educational materials that the producer or stewardship program provided to consumers of architectural paint.

§ 6678. CONFIDENTIAL BUSINESS INFORMATION

Data reported to the Secretary by a producer or stewardship organization under this subchapter shall be a trade secret exempt from public inspection and copying under 1 V.S.A. § 317(c)(9), provided that the Secretary may use and disclose such information in summary or aggregated form that does not directly or indirectly identify individual producers, distributors, or retailers. The Secretary may require, as a part of the report submitted under section 6677 of this title, that the manufacturer or stewardship organization provide a report that does not contain trade secret information and is available for public inspection and review.

§ 6679. RULEMAKING; PROCEDURE

The Secretary may adopt rules or procedures to implement the requirements of this subchapter.

§ 6680. UNIVERSAL WASTE DESIGNATION FOR WASTE ARCHITECTURAL PAINT

(a) The requirements of Subchapter 9 of the Vermont Hazardous Waste Management Rules apply to persons managing waste architectural paint provided that:

(1) the waste architectural paint is collected as a part of a stewardship plan approved under this subchapter; and

(2) the collected waste architectural paint is or includes paint which is a hazardous waste as defined and regulated by the Vermont Hazardous Waste Management Rules.

(b) Architectural paint becomes a waste on the date that the handler decides to discard it (i.e., when architectural paint is initially collected for the purpose of later being disposed).

(c) Small and large quantity handlers must manage universal waste architectural paint in a manner that prevents releases of any universal waste or component of the universal waste to the environment. Universal waste architectural paint shall be managed in one of the following manners:

(1) A container that remains closed, structurally sound, and compatible with the architectural paint, and the container lacks evidence of leakage, spillage, or damage that could cause leakage under reasonably foreseeable conditions; or

(2) A container that does not meet the requirements of subdivision (1) of this subsection, provided that the unacceptable container is overpacked in a container that meets the requirements of subdivision (1).

(d) Containers holding universal waste architectural paint shall be clearly labeled "Universal Waste Paint," "Used Paint," or "Waste Paint."

Sec. 2. 3 V.S.A. § 2822(j) is added to read:

§ 7. POWERS OF COMMISSIONER

In addition to all other powers granted the Commissioner by this title, the Commissioner or designee may, upon presenting appropriate credentials, at reasonable times and without disrupting critical business operations, enter and inspect any place of business or employment, question any employees, and investigate any facts, conditions, or matters necessary and material to the administration of chapters 9 and 17 of this title. The Commissioner shall inform the employer of his or her right to refuse entry. If entry is refused, the Commissioner may apply to the Civil Division of the Superior Court of Washington County for an order to enforce the rights given the Commissioner under this section.

Sec. 2. 21 V.S.A. § 397 is added to read:

§ 397. WORKPLACE POSTINGS AND EMPLOYER REQUIREMENTS

(a) The Department of Labor shall develop and include in its workplace posters information regarding the rights of employees to unemployment compensation, workers compensation, wages and overtime pay, workplace safety and protections, and misclassification of employees. The information shall also contain contact information for individuals to inquire about their rights and obligations and to file complaints or inquire about employment classification status. Sec. 3. 21 V.S.A. § 643a is amended to read:

§ 643a. DISCONTINUANCE OF BENEFITS

Unless an injured worker has successfully returned to work, an employer shall notify both the ~~commissioner~~ Commissioner and the employee prior to terminating benefits under either section 642 or 646 of this title. The notice of intention to discontinue payments shall be filed on forms prescribed by the ~~commissioner~~ Commissioner and shall include the date of the proposed discontinuance, the reasons for it, and, if the employee has been out of work for 90 days, a verification that the employer offered vocational rehabilitation screening and services as required under this chapter. All relevant evidence, including evidence that does not support discontinuance in the possession of the employer not already filed, shall be filed with the notice. The liability for the payments shall continue for seven days after the notice is received by the

~~commissioner~~ Commissioner and the employee. If the claimant disputes the discontinuance, the claimant may file with the Commissioner an objection to the discontinuance and seek an extension of the seven-day limit. The Commissioner may grant an extension up to seven days. The request for an extension shall be specific as to the number of days needed and the reason for the extension and must be received by the Commissioner prior to the end of the seven-day limit. A copy of the request for an extension shall be provided to the employer at the time the request is made to the Commissioner. Those payments shall be made without prejudice to the employer and may be deducted from any amounts due pursuant to section 648 of this title if the ~~commissioner~~ Commissioner determines that the discontinuance is warranted or if otherwise ordered by the ~~commissioner~~ Commissioner. Every notice shall be reviewed by the ~~commissioner~~ Commissioner to determine the sufficiency of the basis for the proposed discontinuance. If, after review of all the evidence in the file, the ~~commissioner~~ Commissioner finds that a preponderance of all the evidence in the file does not reasonably support the proposed discontinuance, the ~~commissioner~~ Commissioner shall order that payments continue until a hearing is held and a decision is rendered. Prior to a formal hearing, an injured worker may request reinstatement of benefits by providing additional new evidence to the ~~department~~ Department that establishes that a preponderance of all evidence now supports the claim. The employer may enforce a repayment order in any court of law having jurisdiction.

Sec. 4. 21 V.S.A. § 655 is amended to read:

The employee may make a video or audio recording of any examination performed by the insurer's physician or surgeon or have a licensed health care provider designated and paid by the employee present at the examination. The employer may make an audio recording of the examination. The right of the employee to record the examination shall not be construed to deny to the employer's physician the right to visit the injured employee at all reasonable times and under all reasonable conditions during total disability. If an

employee refuses to submit to or in any way obstructs the examination, the employee's right to prosecute any proceeding under the provisions of this chapter shall be suspended until the refusal or obstruction ceases, and compensation shall not be payable for the period which the refusal or obstruction continues. The physician shall provide a report of the examination to the employee at the same time any report is provided to the employer.

The ~~commissioner~~ Commissioner shall document the reasons for permitting work to continue, and the document shall be available to the public. In addition, the employer shall be assessed an administrative penalty of not more than $250.00 for every day that the employer fails to secure workers' compensation coverage after the ~~commissioner~~ Commissioner issues an order to obtain insurance and may also be assessed an administrative penalty of not more than $250.00 for each employee for every day that the employer fails to secure workers' compensation coverage as required in section 687 of this title. The stop-work order shall be rescinded as soon as the ~~commissioner~~ Commissioner determines that the employer is in compliance with section 687 of this title. An employer against whom a stop-work order has been issued is prohibited from contracting, directly or indirectly, with the ~~state~~ State or any of its subdivisions for a period of up to three years following the date of the issuance of the stop-work order, as determined by the ~~commissioner~~ Commissioner in consultation with the ~~commissioner of buildings and general services or the secretary of transportation~~ Commissioner of Buildings and General Services or the Secretary of Transportation, as appropriate. Either the ~~secretary or the commissioner~~ Secretary or Commissioner, as appropriate, shall be consulted in any contest of the prohibition of the employer from contracting with the ~~state~~ State or its subdivisions.

(c) The Commissioner may issue an order of conditional release from a stop-work order upon a finding that the employer has secured the required workers' compensation coverage and has agreed to remit periodic payments to satisfy any penalties assessed under this chapter pursuant to a written payment arrangement approved by the Commissioner. If the Commissioner issues an order of conditional release, the employer's failure to meet any term or condition of the order or to make periodic payments shall result in the immediate reinstatement of the stop-work order and the entire unpaid balance of the penalty shall become due immediately.

(d) A stop-work order issued against an employer shall apply to any successor employer that has substantially common ownership, management, or control as the employer on whom the stop-work order was issued and is engaged in the same or similar trade or activity.

(e) The Commissioner may bring an action in the Civil Division of the Superior Court of Washington County or in the county in which the employer has its principal office or is continuing to work in violation of the stop-work order to enjoin any employer from violating a stop-work order until the employer establishes that it is in compliance with this chapter and has paid any penalty assessed by the Commissioner.

(f) Penalty for violation of stop-work order. In addition to any other penalties, an employer who violates a stop-work order described in subsection (b) of this section is subject to:

However, reductions in the benefits of short-time compensation plan participants are permitted to the extent that the reductions also apply to nonparticipant employees;

* * *

(5) the plan certifies that the aggregate reduction in work hours is in lieu of ~~temporary total~~ layoffs of one or more workers which would have resulted in an equivalent reduction in work hours and which the c~~ommissioner~~ Commissioner finds would have caused an equivalent dollar amount to be payable in unemployment compensation;

* * *

(13) the employer certifies that the plan is consistent with employer obligations under applicable state and federal laws.

(b) In the event of any conflict between any provisions of sections 1451–1460 of this title, or the regulations implemented pursuant to these sections, and applicable federal law, the federal law shall prevail and the provision shall be deemed invalid.

Sec. 15. 21 V.S.A. § 1457 is amended to read:

(2) the individual is able to work and is available for the normal work week with the short-time employer;

(3) notwithstanding any other provisions of this chapter to the contrary, an individual is deemed unemployed in any week for which remuneration is payable to him or her as an employee in an affected unit for less than his or her normal weekly hours of work as specified under the approved short-time compensation plan in effect for the week;

(4) notwithstanding any other provisions of this chapter to the contrary, an individual shall not be denied STC benefits for any week by reason of the application of provisions relating to availability for work and active search for work with an employer other than the short-time employer.

Sec. 18. STUDY; UNEMPLOYMENT COMPENSATION; WORKERS' COMPENSATION; JOB TRAINING

(a) The Department of Labor in consultation with interested parties shall evaluate and make recommendations regarding:

(1) whether the principles of fairness, equity, proportionality, affordability, and fiscal responsibility embodied in 2010 Acts and Resolves No. 124 would be affected if any changes are made to the act. Specifically, the Department shall study the potential impacts to employers, employees, and the trust fund if changes are made to certain aspects of the unemployment compensation system, including the earnings disregard, the one-week waiting period, the weekly benefit amount, and the taxable wage base. The Department shall study these potential impacts as they relate to paying off the trust fund debt and establishing the fund's solvency.

(2) whether the annual report on trust fund solvency required by 21 V.S.A. § 1309 is providing appropriate and sufficient information regarding the long-term health and solvency of the unemployment compensation trust fund, or whether further measures are required to provide information necessary to achieve and maintain solvency.

(3) whether any structural, administrative, or procedural changes should be made to the workers' compensation system, including changes that would increase the affordability and regional competitiveness of workers' compensation insurance for employers while ensuring fairness for beneficiaries.

(4) whether the agencies and departments of state government are in compliance with required workers' compensation and unemployment compensation coverage related to their contracts with designated agencies and other subcontractors.

(5) whether the current workers' compensation system can better incentivize and promote healthy and safe work environments through information, education, and collaboration with employers, insurers, and employees; and whether private and public training programs and enforcement divisions could be better utilized to achieve improved safety in workplaces.

(6) the benefits and feasibility of developing and implementing a job training program for persons collecting unemployment benefits in Vermont that allows the Department to place persons collecting unemployment into job sites for job training and skill development in order to enhance the individual's job prospects and career development. The Department shall examine conformity issues with federal and state unemployment and wage and hour laws. The Commissioner shall solicit public input and engage interested

parties from the business and labor communities in determining the benefits of a job training program.

(7) how workers' compensation cases are resolved under 21 V.S.A. § 624(e), including whether the operation of workers' compensation liens may or may not result in an equitable distribution of third party payments to the employer and employee, and the equities and appropriateness of using third party payments as an advance on any future workers' compensation benefits.

(8) whether there should be any limitations placed on how independent medical examinations are conducted, including their timing and location.

(9) whether school district employees who are not federally exempted from unemployment compensation should be included in Vermont's unemployment compensation system and be eligible for benefits during periods of layoff.

(b) The Department shall examine whether existing state and federal laws would allow a student who is under the age of 18 and enrolled at a regional technical center to gain practical working experience outside the classroom setting. The Department shall make recommendations to enhance the learning experience of students enrolled at regional technical centers by providing practical work experiences while also maintaining adequate health and safety protections.

(c) The Department, in consultation with the Agency of Commerce and Community Development and interested parties, shall evaluate and make recommendations regarding whether the current workers' compensation system and other relevant employment laws are suited to the needs of an evolving workforce. As part of the evaluation, the Department shall consider Vermont's growing knowledge-based economic sector, the future of the Vermont economy, and changing workforce habits. The Department shall make recommendations regarding how to modernize the employment laws to meet employer and employee needs while maintaining employee protections.

(d) The Department shall report its findings and any recommendations to the House Committee on Commerce and Economic Development and the Senate Committee on Finance on or before December 15, 2013.

Sec. 19. WORKERS' COMPENSATION PREMIUMS

The Department of Financial Regulation in consultation with the Department of Labor shall study the issue of workers' compensation premiums increasing as a result of an employee completing a job-related safety course. The Department of Financial Regulation shall investigate how workers' compensation premiums can be decreased or kept at a steady rate for employers who are providing approved safety and health training to

employees. The Department of Financial Regulation shall report its findings and any recommendations to the House Committees on Agriculture and Forest Products and on Commerce and Economic Development and the Senate Committees on Agriculture and on Finance on or before January 15, 2014.

Sec. 20. EFFECTIVE DATE

This act shall take effect on July 1, 2013.

Thereupon, pending the question, Shall the Senate concur in the House proposal of amendment?, on motion of Senator MacDonald, the Senate refused to concur in the House proposal of amendment and requested a Committee of Conference.

(B) For any course that is taught by an instructor who is paid as part of employment by a secondary school, the student's school district of residence shall pay tuition to the postsecondary institution in an amount equal to 20 percent of the tuition rate charged by the Community College of Vermont at the time the dual enrollment course is offered.

(2) Notwithstanding subdivision (1) of this subsection requiring the district of residence to pay tuition, the State shall pay 50 percent of the tuition owed to public postsecondary institutions under subdivision (1)(A) of this subsection from the Next Generation Initiative Fund created in section 2887 of this title; provided, however, that the total amount paid by the State in any fiscal year shall not exceed the total amount of General Fund dollars the General Assembly appropriated from the Fund in that year for dual enrollment purposes plus any balance carried forward from the previous fiscal year; and further provided that, notwithstanding subdivision (b)(2) of this section, the cumulative amount to be paid by school districts under this subsection in any fiscal year shall not exceed the amount available to be paid by General Fund dollars in that year.

(i) Other postsecondary courses. Nothing in this section shall be construed to limit a school district's authority to award credit toward graduation requirements to a student who receives prior approval from the school and successfully completes a course offered by an accredited postsecondary institution that was not paid for by the district pursuant to this section. The school district shall determine the number and nature of credits it will award to the student for successful completion of the course, including whether the course will satisfy one or more graduation requirements, and shall inform the student prior to enrollment. Credits awarded shall be based on performance and not solely on Carnegie units; provided, however, that unless the school district determines otherwise, a three-credit postsecondary course shall be presumed to equal one-half of a Carnegie unit. (D) other financial and programmatic issues related to dual enrollment access by publicly funded students enrolled in approved independent schools.

(2) On or before February 1, 2014, the Secretary shall report the results of the analysis to the House and Senate Committees on Education together with any recommendations for amendment to statutes or rules, including whether it would be advisable to amend or repeal Sec. 1, 16 V.S.A. § 944(b)(1)(A)(i)(III) (eligibility of publicly funded student enrolled in Vermont approved independent school).

An act relating to tax increment financing districts.

Was taken up for immediate consideration.

The House proposes to the Senate to amend the bill as follows:

First: By striking out Sec. 1 (resolution of tax increment financing district audit report issues) in its entirety and inserting in lieu thereof the following:

Sec. 1. RESOLUTION OF TAX INCREMENT FINANCING DISTRICT AUDIT REPORT ISSUES

(a) In 2011 and 2012, the State Auditor of Accounts performed and reported on required reviews and audits of all active tax increment financing districts. However, the tax increment financing laws currently lack a specific remedy to recover amounts identified in the Auditor's Reports or an enforcement mechanism to address issues identified in the Reports. The General Assembly seeks to address issues identified in the 2011 and 2012 Auditor's Reports by clarifying tax increment financing laws and specifying a process for future oversight and enforcement. Accordingly, it is the intent of the General Assembly not to address ongoing issues identified in the 2011 and 2012 Auditor's Reports but to leave those issues to be addressed through the rulemaking process, as described in Sec. 14 of this act. If the rule identifies issues that require corrective action on the part of one or more municipalities, then any identified underpayments to the Education Fund resulting from issues shall begin to accumulate upon the adoption date of the rule and be subject to the enforcement provisions in Sec. 14 of this act.

(b) In order to resolve any disputes over the amounts identified in the Auditor's Reports as owed to the Education Fund, the City of Burlington, the Town of Milton, and the City of Winooski shall, subject to the approval of their respective legislative bodies, pay the State according to the schedule set out in subsection (c) of this section. The General Assembly considers these payments as final settlement of outstanding sums identified as owed to the Education Fund during the period covered by the 2012 Auditor's Reports.

(c) The municipalities with active tax increment financing districts that were audited by the State Auditor in 2012 have entered into the following agreements with the State:

(1) The City of Burlington shall remit the amount of $200,000.00 to the Education Fund in equal installments over a five-year period beginning December 15, 2013 from incremental tax revenues not otherwise dedicated to the repayment of the district's debt obligations.

(2) The Town of Milton shall remit funds as follows:

(A) $22,000.00 to the Education Fund in equal installments over a two-year period beginning December 15, 2013 from municipal revenues other

than municipal tax increment dedicated to the repayment of tax increment financing debt;

(B) $160,000.00 to the Catamount Husky Tax Increment Fund in equal installments over a five-year period beginning December 15, 2013 from municipal nonincrement revenues; and

(C) $17,000.00 to the Catamount Husky Tax Increment Fund for the repayment of debt from the Town Core Tax Increment Financing Fund by no later than December 15, 2013.

(3) The City of Winooski shall remit funds as follows:

(A) the amount of $1,300.00 to the Education Fund from municipal nonincrement revenues by July 1, 2013; and

(B) $62,000.00 to the Tax Increment Financing Fund from municipal nonincremental revenues in equal installments over a five-year period beginning December 15, 2013.

(d) If the legislative body of a municipality with an active tax increment financing district that was audited by the State Auditor in 2012 does not approve the payments described in subsection (c) of this section, then the General Assembly shall consider any amounts identified as owed to the Education Fund during the period covered by the 2012 Auditor's Reports to remain outstanding.

(e) If a municipality does not begin payment of the amounts identified in subsection (c) of this section within 60 days of the scheduled payment date or owes outstanding amounts to the Education Fund, as described in subsection (d) of this section, amounts identified as owed to the State may be withheld from any funds otherwise payable by the State to the municipality or a school district in the municipality or of which the municipality is a member.

Second: In Sec. 3, 24 V.S.A. § 1892, by striking subdivisions (d)(8) and (9) and inserting in lieu thereof the following:

(8) the City of St. Albans;

(9) the City of Barre; and

(10) the Town of Milton, Town Core.

Third: In Sec. 4, 24 V.S.A. § 1894, by striking subsection (a) in its entirety and inserting in lieu thereof the following:

(a) Incurring indebtedness.

(1) A municipality ~~may incur indebtedness against revenues of the tax increment financing district at any time during a period of up to 20 years~~

~~following the creation of the district, if approved as required under 32 V.S.A. § 5404a(h). The creation of the district shall occur at 12:01 a.m. on April 1 of the year so voted. Any indebtedness incurred during this 20 year period may be retired over any period authorized by the legislative body of the municipality under section 1898 of this title.~~

~~(2) If no indebtedness is incurred within the first five years after creation of the district, no indebtedness may be incurred unless the municipality obtains reapproval from the Vermont economic progress council under 32 V.S.A. § 5404a(h). When considering reapproval, the Vermont economic progress council shall consider only material changes in the application under 32 V.S.A. § 5404a(h). The Vermont economic progress council shall presume that an applicant qualifies for reapproval upon a showing that the inability of the district to incur indebtedness was the result of the macro-economic conditions in the first five years after the creation of the district. Upon reapproval, the Vermont economic progress council shall grant a five year extension of the period to incur indebtedness.~~

~~(3) The district shall continue until the date and hour the indebtedness is retired.~~ approved under 32 V.S.A. § 5404a(h) may incur indebtedness against revenues of the tax increment financing district at any time during a period of up to five years following the creation of the district. If no debt is incurred during this five-year period, the district shall terminate, unless the Vermont Economic Progress Council grants an extension to a municipality pursuant to subsection (d) of this section. However, if any indebtedness is incurred within the first five years after the creation of the district, then the district has a total of ten years after the creation of the district to incur any additional debt.

(2) Any indebtedness incurred under subdivision (1) of this subsection may be retired over any period authorized by the legislative body of the municipality.

(3) The district shall continue until the date and hour the indebtedness is retired or, if no debt is incurred, five years following the creation of the district.

Fourth: In Sec. 4, 24 V.S.A. § 1894, in subsection (b), by striking the words "first ten years" and inserting in lieu thereof "period permitted under subdivision (a)(1) of this section"

Sixth: In Sec. 4, 24 V.S.A. § 1894, in subsection (d), by adding a sentence after the final sentence to read as follows:

If no indebtedness is incurred within five years after the creation of the district, the municipality may submit an updated executive summary of the tax increment financing district plan and an updated tax increment financing plan to the Council to obtain approval for a five-year extension of the period to incur indebtedness; provided, however, that the updated plan is submitted prior to the five-year termination date of the district. The Council shall review the updated tax increment financing plan to determine whether the plan has continued viability and consistency with the approved tax increment financing plan. Upon approval of the updated tax increment financing plan, the Council shall grant an extension of the period to incur indebtedness of no more than five years. The submission of an updated tax increment financing plan as provided in this subsection shall operate as a stay of the termination of the district until the Council has determined whether to approve the plan.

Seventh: By adding a new Sec. 12a, after Sec. 12, to read as follows:
