Sec. 1. CRIMINAL OFFENSE CLASSIFICATION WORKING GROUP

(a) Findings:
(1) Vermont’s criminal offense classification structure is minimal. Any offense for which the maximum term of imprisonment is two years or less is a misdemeanor, and any offense punishable by more than two years is a felony. Most offenses have a statutory maximum term of imprisonment and no minimum or recommended average. The sentence for each offense is distinct with regard to both imprisonment and fine amount.

(2) Over time, this structure has resulted in a lack of uniformity among sentences for comparable crimes and too little guidance for the courts with regard to the General Assembly’s policy on an appropriate sentence based upon the seriousness of an offense. For instance, the statutory penalty for embezzlement is imprisonment for not more than 10 years. This penalty applies whether the embezzlement was $5.00 or $5,000,000.00.

(3) In recent years, the General Assembly has undertaken substantial initiatives to provide equal access to justice throughout the State and to employ data-driven policies to reduce recidivism and divert nonviolent offenders from incarceration. A review and subsequent revision of the classification of and penalties for crimes is essential to continue this work and ensure that lawmakers’ policy decisions concerning Vermont’s approach to criminal justice is applied consistently throughout the State.

(b) Creation of Working Group. There is created a Criminal Offense Classification Working Group for the purpose of developing a criminal offense system that is well-organized and reflective of appropriate grading of liability and punishment and increasing uniformity in application of the law throughout the State.

(c) Membership. The Working Group shall be composed of five members as follows:

(1) the Attorney General or designee;

(2) the Executive Director of the Department of State’s Attorneys and Sheriffs or designee;

(3) the Defender General or designee;

(4) a criminal defense attorney appointed by the Defender General; and

(5) a retired trial court judge who shall be appointed by the Administrative Judge.

(d) Powers and duties.

(1) The Working Group shall:

(A) collect the statutory sentencing ranges for all criminal offenses under Vermont law;
(B) examine the sentencing structure of the model penal code, criminal codes in other jurisdictions, and earlier attempts by the General Assembly to revise the criminal code;

(C)(i) develop recommendations for creating a classification of offenses for Vermont that includes consistent sentences that should be no more severe than necessary to achieve the societal purpose or purposes for which they are authorized; and

(ii) develop a sentencing range consistent with the gravity of the offense, the culpability of the offender, the offender’s criminal history, and the personal characteristics of an individual offender that may be taken into account.

(2) The Vermont Center for Justice Research shall staff the Working Group.

(3) In its work, the Working Group shall consult with the Office of Legislative Council.

(e) Report. By November 1, 2014, the Working Group shall report to the Senate and House Committees on Judiciary its proposal for classifying offenses and penalties.

(f) Appropriation. The sum of $6,500.00 is appropriated to the Joint Fiscal Committee from the General Fund in fiscal year 2014 for a contract with the Vermont Center for Justice Research for providing data and staffing necessary for the Working Group’s charge.

Sec. 2. 13 V.S.A. § 2531 is amended to read:

§ 2531. EMBEZZLEMENT GENERALLY

(a) An officer, agent, bailee for hire, clerk or servant of a banking association or an incorporated company, or a clerk, agent, bailee for hire, officer or servant of a private person, partnership, tradesunion, joint stock company, unincorporated association, fraternal or benevolent association, except apprentices and other persons under the age of 16 years, who embezzles or fraudulently converts to his or her own use, or takes or secretes with intent to embezzle or fraudulently convert to his or her own use, money or other property which comes into his or her possession or is under his or her care by virtue of such employment, notwithstanding he or she may have an interest in such money or property, shall be guilty of embezzlement and shall be imprisoned not more than 10 years or fined not more than $500.00, or both.

(b) If the money or property embezzled does not exceed $100.00 in value, the person shall be imprisoned not more than one year or fined not more than $1,000.00, or both. If the money or property embezzled exceeds $100.00 in value.
value, the person shall be imprisoned not more than 10 years or fined not more than $10,000.00, or both.

Sec. 3. CRIMINAL JUSTICE CONSENSUS COST-BENEFIT WORKING GROUP

(a)(1) A Criminal Justice Consensus Cost-Benefit Working Group is established to develop a criminal and juvenile justice cost-benefit model for Vermont for the purpose of providing policymakers with the information necessary to weigh the pros and cons of various strategies and programs, and enable them to identify options that are not only cost-effective, but also have the greatest net social benefit. The model will be used to estimate the costs related to the arrest, prosecution, defense, adjudication, and correction of criminal and juvenile defendants, and victimization of citizens by defendants.

(2) The Working Group shall:

(A) develop estimates of costs associated with the arrest, prosecution, defense, adjudication, and correction of criminal and juvenile defendants in Vermont by using the cost-benefit methodology developed by the Washington State Institute for Public Policy and currently used collaboratively by the Joint Fiscal Office and the PEW Charitable Trust for the Vermont Results First Project;

(B) estimate costs incurred by citizens who are the victims of crime by using data from the Vermont Center of Crime Victim Services, supplemented where necessary with national survey data;

(E) investigate the need for and the most appropriate entity within state government to be responsible for:

(i) revising the statewide cost benefit model in light of legislative or policy changes, or both, in the criminal or juvenile justice systems;

(ii) updating cost estimates; and

(iii) updating throughput data for the model.

(3) The Working Group shall be convened and staffed by the Vermont Center for Justice Research.
(4) The costs associated with staffing the Working Group shall be underwritten through December 31, 2013 by funding previously obtained by the Vermont Center for Justice Research from the Bureau of Justice Statistics, U.S. Department of Justice.

(b) The Working Group shall be composed of the following members:

(1) the Administrative Judge or designee;
(2) the Chief Legislative Fiscal Officer or designee;
(3) the Attorney General or designee;
(4) the Commissioner of Corrections or designee;
(5) the Commissioner for Children and Families or designee;
