## Contraband Reporting Form FY2015 - In keeping with policy, legislative mandates and best practice

VTDOC Definition of Contraband: An item used by an inmate in an unauthorized or prohibited manner or altered in any way; property in excess of allowable property limits; any item that an inmate, staff person, volunteer, or contractor is not specifically authorized to have in their possession in a correctional facility; and/or anything that can pose a danger or risk to the safety and security of staff, the facility, or public.

Directive on Inmate Mail, Publications, and Audio/Video Regulations, 409.05, December 6, 2010

Reporting by sites is limited to items used in an unauthorized or prohibited manner or altered in any way by inmates, staff person, volunteer, or contractor. Does not include property in excess of allowable property limits.

Contraband Review Please do not delete any rows or columns. If you need help correcting an error, please send to Gary or Sandra for assistance.

This is due to information being embedded in some of the cells. Your understanding and cooperation is appreciated. Due with Monthly Reporting Form.

Where drop down cells are indicated, only select from options. Do not write over options. If information needs to be added or considered, please contact the above

	wileit	e drop down ce	ens are mulcated, only se	elect from options. Do no	t write over options. If in		be added or considered, ple	ase contact the above.		
Site Drop Down option only	Date item was seized or discovered - Each item must be logged separately (Marijuana and a razor found together would constitute two separate entries. Whereas several pills would count as one entry.)	Incident Reporting System Log Number - Each incident must be logged within the database	Location item was seized/detected on or within a person, property or place - Drop Down option only	Method of Introduction - Drop Down option only Select the one that best applies only	Description of Contraband Seized - Drop Down option only	Description of Drugs only - Drop Down option only See Drug Type reference list to the right	Count of objects and metric weight of liquids (liters) and powders (grams) (e.g., 10 capsules in a bottle = 10, a blister package of 3 pills = 3, 2 cigarettes in booking = 2, partially filled contained homemade alcohol = weight in liters, or baggie of marijuana = weight in grams)	discovered Drop	Method of Storage at time of discovery Drop Down option only	Drug Types (eithe synthe
