Proposed amendment
to S.239

§ 1776. RULEMAKING; ADDITIONAL CHEMICALS OF CONCERN TO CHILDREN;
PROHIBITION OF SALE

...

(c) Removal of chemical from list. The Commissioner may by rule remove a chemical from the list of chemicals of high concern to children established under section 1773 of this title or rules adopted under this section if the Commissioner determines that the chemical ~~is no longer meets both of the criteria of subdivisions (b)(1) and (2) of this section~~ **considered to present a risk to health to a degree sufficient to warrant inclusion on the list.**
