8 (a) Storage of ballots; assignment of duties.

9 (1) The town clerk shall store all ballots, still in their sealed containers,
10 in his or her vault until the day of the recount.

11 (2) The town clerk shall supervise the recount and may appoint a
12 sufficient number of impartial assistants to perform appropriate tasks that are
13 not practicable for the board of civil authority to perform.

14 (3) The town clerk shall assign members of the board of civil authority
15 to teams of at least four persons, consisting of one caller and one observer,
16 representing different candidates, and one tally person and one double-check
17 person, representing different candidates. Any additional team members shall
18 be additional observers and double-check persons, who shall be assigned to
19 ensure that each candidate has one person assigned as either a caller or an
20 observer and one person assigned as either a tally person or a double-check

1 person. One team shall be designated as the clerk observer team, which shall
2 perform only the functions established under this section for that team.

3 (4) The board of civil authority shall use fresh seals, manila tags, tally
4 sheets, double-check sheets, summary sheets for each polling place, master
5 lists for the entire election to be recounted, and other appropriate material
6 provided by the Secretary of State.

7 (b) Preparation for recount.

8 (1) Before the recount begins, the town clerk shall explain the recount
9 procedures which are to be followed and shall answer questions relating to
10 such procedures.

11 (2) The recount teams established shall recount the contents of one
12 container before another container is opened and shall recount the contents of
13 all the containers relating to one polling place before moving to those of
14 another polling place.

15 (3) For each polling place, the number of containers shall be counted
16 and recorded on the master list.

17 (4) Before opening, each container shall be inspected, and if no tag is
18 present, replacement manila tags shall be affixed, specifying date of election
19 and name of town and polling place. Likewise, each seal shall be examined to
20 see if it is intact, and the clerk shall attach to any bag with a defective seal a tag

1 stating that the seal was defective and containing the information which was
2 contained on the defective seal.

3 (5) Uncounted containers shall be kept in one part of the room and
4 moved to the other side as they are counted. Each team shall have a separate
5 table and the clerk shall have a separate table, all of which tables shall be
6 spaced apart.

7 (6) If there is more than one container from a polling place, the clerk
8 shall open first the container which is identified as containing the checklist.
9 Upon opening the first container in the presence of the clerk observer team, the
10 clerk shall empty the contents onto the clerk's table. The clerk shall ensure
11 that teams are not given unused ballots, early or absentee ballots which arrived
12 after the close of polls, or ballots spoiled by voters and turned in by voters
13 requesting fresh ballots.

14 (c) Examination of checklists.

15 (1) The checklist from the first bag shall be assigned to a team. The
16 caller and observer, each acting independently, shall examine the checklist and
17 determine how many voters voted at the polling place, repeating the process
18 until they agree on a number or until they agree to disagree on a number.

19 (2) Then the checklist shall be examined by the tally person and the
20 double-check person, repeating the process until they agree on a number or
21 they agree to disagree on the number.

1 (3) The results obtained from the two subgroups will be compared and if
2 they do not match, the process shall be repeated until there is agreement among
3 all the members of the team or until team members agree to disagree.

4 (4) The number finally determined by a majority of team members shall
5 be submitted to the clerk in the presence of the clerk observer team, together
6 with an indication of the nature and extent of the disagreement. If one or more
7 team members do not agree with the number submitted, the clerk shall note on
8 the master list the fact that the number of people appearing as having voted on
9 a specified checklist was subject to dispute.

10 (d) Sorting of ballots.

11 (1) Ballots from the first container shall be counted by one team and
12 placed into piles containing 50 ballots each, except where there is a final pile
13 which contains less than 50, in which case, the counting team shall affix to the
14 top of the pile a note indicating how many ballots are contained in the pile. All
15 of these ballots then shall be transferred to another team which shall verify that
16 they are in piles of 50 ballots each and that any remaining pile contains the
17 designated number of ballots.

18 (2) The teams, except the clerk observer team and possibly the team
19 which is processing the checklists, shall proceed to their tables and each team
20 shall get from the clerk one pile of ballots, one tally sheet and one double-
21 check sheet per 50 ballots, unless there are more persons per team who serve as

1 double-check persons, in which case, each such person shall be assigned a
2 double-check sheet. If a team spoils a tally sheet or needs to retally, it must
3 turn in the tally sheet in order to get another one.

4 (e) First tally.

5 (1) The caller shall call the name of the person voted for and any blank
6 or spoiled ballots. The tally person and the double-check person or persons
7 each shall make a suitable mark for that candidate and any blank or spoiled
8 ballots.

9 (2) If the caller and the observer or observers do not agree on how a
10 ballot should be counted, the entire team shall review the ballot and if all
11 members agree, it shall be counted that way.

12 (3) If one member of the entire team does not agree, that ballot shall be
13 set aside as a questioned ballot and a copy shall be made, which copy shall be
14 clearly marked on its face identifying it as a copy. Such copies shall be placed
15 on the top of the other ballots and shall remain together with the other ballots.
16 Each original ballot deemed questionable shall be attached to a note which
17 identifies it by town, polling place, and bag seal number. The originals of
18 these questionable ballots shall be clipped to the summary sheet for that
19 polling place and returned to the board of civil authority for a final decision by
20 majority vote.

1 (4) After the board of civil authority has rendered a final decision on a
2 given questionable ballot it shall be returned to the clerk who shall keep it in a
3 sealed container for a period of two years.

4 (5) Write-in votes for preprinted candidates shall be counted as votes for
5 that candidate.

6 (6) If the tally persons do not agree on the number of votes for a
7 candidate, the ballots shall be retallied until they do agree. Then the team shall
8 notify the clerk that it has completed the first recount.

9 (f) Second tally.

10 (1) The town clerk shall attach to the tally and double-check sheets a
11 note which indicates which team members performed which functions in the
12 first recount, and shall provide the team with a new tally sheet and an
13 appropriate number of double-check sheets to match the number of people
14 serving as double-check persons.

15 (2) The members of the team then shall switch roles, with callers and
16 observers becoming tally persons and double-check persons, as designated by
17 the clerk, and the team shall complete a second recount, following the
18 procedures established for the first recount.

19 (3) When the results of the second recount match those of the first, a
20 note shall be attached to the tally and double-check sheets, indicating which
21 persons provided what functions during the second recount.

1 (4) Then the team shall take its tally sheets, double-check sheets, and
2 ballots, plus a separate pile of questionable ballots, if any, to the clerk.

3 (5) Team members, in the presence of the clerk observer team, shall
4 read the totals to the clerk who, in the view of these observers, shall record the
5 totals on the summary sheet for that polling place.

6 (6) After a team has presented its pile of ballots to the clerk, it shall be
7 assigned another pile of ballots, until all of the piles from a particular polling
8 place have been recounted two times.

9 (g) Completing the tally.

10 (1) After the totals for a polling place have been listed, the town clerk
11 shall add them up in the presence of the clerk observer team, and shall compare
12 the number with the number of voters who voted at that polling place,
13 according to the number obtained from the team that examined the certified
14 checklist. If these numbers differ, the clerk shall note the amount of the
15 difference on the summary sheets for that polling place.

16 (2) The clerk shall return all ballots to the container, seal it, record the
17 seal number on the summary sheet, write “recounted” and specify the date of
18 the recount on the tag, and move it to the other side of the room, making sure
19 that there is never more than one bag open at any one time.

1 (3) This procedure shall be repeated for each container, until the results
2 from a polling place have been recounted, and then it shall be repeated until the
3 results from all polling places in a town have been recounted.

4 (4) The clerk shall add the totals on each summary sheet, affix the
5 clerk's seal, and send the summary sheets for all polling places together with
6 the master list and any questionable ballots to the board of civil authority.

7 (h) Other rules for conducting the recount.

8 (1) The town clerk shall preserve order. If a person, after notice, is
9 persistently disorderly and refuses to withdraw from the premises, the clerk
10 may cause the person to be removed from the premises.

11 (2) The clerk shall designate an area within which the recount shall take
12 place. Persons who are not board of civil authority members or appointed
13 impartial assistants shall be permitted to view a recount in progress, but
14 persons not authorized by the clerk shall not be permitted within the area
15 designated by the clerk.

16 (3) Candidates and their attorneys shall be given the opportunity to
17 present evidence to the board of civil authority relating to the conduct of the
18 recount. If the board determines that any violations of recount procedures have
19 occurred and that they may have affected the outcome of the recount, a new
20 recount shall be ordered. After such hearings or arguments as may be
21 indicated under the circumstances, the board, within five working days, shall

1 issue a judgment, which shall supersede any certificate of election previously
2 issued and shall return to the town clerk questionable ballots which had been
3 forwarded to the board.

4 (i) After the recount.

5 (1)(A) If the recount results in a tie, the board of civil authority shall
6 order a recessed election to be held, within three weeks of the recount, on a
7 date set by the board. The only candidates who shall appear on the ballot at the
8 recessed election shall be those who tied in the previous election. The recessed
9 election shall be considered a separate election for the purpose of voter
10 registration under chapter 43 of this title.

11 (B) If the recount confirms a tie, as to any public question, no
12 recessed election shall be held, and the question shall be certified not to have
13 passed.

14 (C) Warnings for a recessed election shall be posted as required by
15 this chapter, except that the warnings shall be posted not less than 10 days
16 before the recessed election. The conduct of a recessed election shall be as
17 provided in this chapter for local elections.

18 (2) The town clerk shall send a certified copy of the judgment to the
19 Secretary of State.

4 using the Australian ballot system, if the margin by which the question passed
5 or failed is less than five percent of the total votes cast on the question.

6 (b) The request shall be filed with the municipal clerk within 10 days after
7 the vote. The procedure shall be the same as in the case of recount of the votes
8 cast for a candidate at an election.

9 (c) The petitioner and his or her designated representative and a voter
10 representing the other side of the question voted upon and his or her designated
11 representative may inspect the vote and observe the recount under the guidance
