

Sec. E.313 Health – alcohol and drug abuse programs

(a) For the purpose of meeting the need for outpatient substance abuse services when the preferred provider system has a waiting list of five days or more or there is a lack of qualified clinicians to provide services in a region of the State, a state-qualified alcohol and drug abuse counselor may apply to the Department of Health, Division of Alcohol and Drug Abuse Programs, for time-limited authorization to participate as a Medicaid provider to deliver clinical and case coordination services, as authorized.

(b)(1) In accordance with federal law, the Division of Alcohol and Drug Abuse Programs may use the following criteria to determine whether to enroll a state-supported Medicaid and uninsured population substance abuse program in the Division's network of designated providers, as described in the state plan:

(A) The program is able to provide the quality, quantity, and levels of care required under the Division's standards, licensure standards, and accreditation standards established by the Commission on Accreditation of Rehabilitation Facilities, the Joint Commission on Accreditation of Health Care Organizations, or the Commission on Accreditation for Family Services.

(B) Any program that is currently being funded in the existing network shall continue to be a designated program until further standards are developed, provided the standards identified in this subdivision (b)(1) are satisfied.

(C) All programs shall continue to fulfill grant or contract agreements.

(2) The provisions of subdivision (1) of this subsection shall not preclude the Division's "request for bids" process.

(c) The Department of Health shall compile and maintain a waitlist containing the unduplicated number of individuals in the State who are in need of substance abuse treatment.

(d) Of the funds appropriated in Sec. B.313 of this act, \$100,000 in General Funds is intended for increasing the capacity across the continuum of substance abuse prevention and treatment services. The use of these funds shall be determined by the Secretary of Human Services subsequent to the report required in Sec. E.300.1 (Substance Abuse Continuum) of this act. The proposed use of these funds shall be included with the fiscal year 2014 budget adjustment proposal made by the Agency.

(e) The appropriation of funds in Sec. B.313 of this act for an expansion of substance abuse treatment beds shall not abrogate or interfere with the statutory requirements for a certificate of need in 18 V.S.A. § 9434. If the Green Mountain Care Board does not approve a certificate of need under 18 V.S.A. § 9434, the appropriated amount shall be reserved for reallocation by the General Assembly in the fiscal year 2014 budget adjustment process or the fiscal year 2015 budget process.
