

PROPOSED REVISION TO H.62 (SHOWN IN BOLD)

Submitted by Charles Storrow, KSE Partners, LLP, on behalf of AT&T

Sec. 1. 23 V.S.A. § 1095a is amended to read:

§ 1095a. ~~JUNIOR OPERATOR~~ USE OF PORTABLE ELECTRONIC DEVICES

(a) Definition. As used in this section, “hands-free use” means the use of a portable electronic device without either hand and outside the immediate proximity of the user’s ear, by employing an internal function of, or an attachment to, the device; **provided, however, this definition shall not preclude the use of either hand to activate, deactivate, or initiate a function of the portable electronic device.**
