

Sec. 10. RENTER REBATE REPORT

The Vermont Housing Council, with the assistance of the Department of Taxes and the Agency of Commerce and Community Development, shall report to the Senate Committee on Finance and House Committee on Ways and Means with recommendations on how to develop programs to assist renters in lieu of the current renter rebate program at 32 V.S.A. § 6066(b). The report shall consider the current benefits to renters from the renters' rebate program, and propose alternative programs that also benefit low income renters. The report shall assume that the renters' rebate program in its current form would end, and that any alternate proposals shall have approximately the same eligibility and benefit parameters as the current renters' rebate program. The report shall be due on or before January 15, 2015.
