

1 (49) Clean high carbon bulking agents, as that term is used in the
2 Agency of Natural Resources’ Solid Waste Management Rules, used for
3 commercial or on-farm composting, and food residuals used for commercial or
4 on-farm composting or on-farm energy production;

5 (50) Compost, animal manure, manipulated animal manure, and planting
6 mix when any of these items are sold in a form that is not pre-packaged.

7 Second: By striking out Sec. 3 in its entirety and inserting in lieu thereof
8 the following:

9 Sec. 3. STATUTORY PURPOSE

10 The statutory purpose of the exemptions for composting materials, compost,
11 animal manure, manipulated animal manure, and planting mix in 32 V.S.A.
12 § 9741(3), (49), and (50) is to make clear the General Assembly never intended
13 those products to be taxed under prior law, to support the composting industry,
14 and to further the goals of 2012 Acts and Resolves No. 148. The Office of
15 Legislative Council is authorized to place these statutory purposes in the
16 appropriate statutory sections prior to July 1, 2014.
