Dear Budget Conferees,

Please see the forwarded message below regarding language in the budget regarding the Gov.'s Enterprise Fund. It is section E 100.5. Please let me know if you have any questions.

Subject: enterprise fund

All agree with below change to section (D) re Auditor and confidentiality.

Strike the words in (D) that follow "withheld" - that is "under a claim that it is confidential, proprietary, or subject to executive privilege."
