

**S.239, An Act Relating to the Regulation of Toxic Substances
Proposed Amendment to the House Committee
on Fish, Wildlife and Water Resources
Vermont Vehicle and Automotive Distributors Association (VADA)
Marilyn Miller, Executive Director
April 9, 2014**

The purpose of this amendment is to fully exempt motor vehicles and motor vehicle components from the requirements and prohibitions of the bill. ***VADA's AMENDMENT IS IN BOLD & ITALICS***

On Page 16 of the Senate passed bill:

§ 1777. EXEMPTIONS

The requirements and prohibitions of this chapter shall not apply to a consumer product:

(1) that is an electronic device, ~~a motor vehicle~~, an aircraft, or a vessel;
~~(2) (A)~~ in which the chemical of high concern is present solely within the internal components of the device, ~~motor vehicle~~, aircraft, or vessel; and
~~(3) (B)~~ the internal components of which are encased in a housing, compartment, or panel or are otherwise inaccessible to a consumer using the product as intended.

(2) that is a motor vehicle, as defined in 23 V.S.A. § 4(21), or its components.

Thank you for considering this amendment. Please contact Marilyn Miller at (802) 461-2655 or mmiller@vermontada.org for more information.
