

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on General, Housing and Military Affairs to which was
3 referred House Bill No. 791 entitled “An act relating to the Housing First
4 Study Committee” respectfully reports that it has considered the same and
5 recommends that the bill be amended by striking out all after the enacting
6 clause and inserting in lieu thereof the following:

7 Sec. 1. FINDINGS

8 The General Assembly finds:

9 (1) The “housing first” approach is a system of services for people
10 living with homelessness, which includes emergency shelters, transitional
11 housing, and permanent supportive housing. The “housing first” approach is
12 premised on the belief that homeless and at-risk people are more responsive to
13 interventions and social services support after they are in their own housing,
14 rather than while living in temporary or transitional housing programs. The
15 “housing first” approach stresses the immediate return to independent living.

16 (2) Interest in the “housing first” approach has grown recently with the
17 success of the “Utah” model. The “housing first” approach may not be
18 appropriate for every homeless person.

19 (3) There is a program in Vermont that has developed a rural model and
20 has been considered successful by social and financial measures. The State of
21 Vermont and other states have developed supportive housing programs that

1 may provide similar services for individuals and families whose living
2 conditions are unstable and transitional.
