MEMORANDUM

To: Martha Heath, Chair, House Committee on Appropriations
From: Michael Fisher, Chair, House Committee on Health Care
Date: January 16, 2014
Subject: FY 2014 Budget Adjustment

As requested, the House Health Care Committee reviewed the Administration's FY 2014 budget adjustment proposals. The Committee accepts all health care related proposals in the budget adjustment.

At least one member of the committee expressed some concern about using the budget adjustment process to appropriate funds for studies and transfer positions between agencies, believing those items would have been better suited to the FY 2015 budget bill.
