Notes: ARRA FMAP increases are not reflected here.

1/ The District of Columbia's FMAP is frozen at 70% as part of the city's federal financing structure.

2/ Louisiana's FYs 2011-2014 FMAPs reflect the disaster-recovery adjustment as included in section 2006 of the Affordable Care Act (ACA). According to FFIS calculations, the adjustment would not apply in FY 2015.

3/ The table does not reflect the 2.2 percentage point increase that Vermont may receive between January 1, 2014, and December 31, 2015, as a result of a provision in ACA related to expansion states.
