

**Cold Weather Exception Data
FY2014**

DCF has authorized the following average cost for CWE exception nights thus far this year:

October	\$	1,733.00
November	\$	36,826.45
December	\$	132,345.75

If December numbers (28 nights) continue through March, **we will spend a projected \$567,942** from October 25 – March 31 on CWE nights.

- In 2013 the CWE ran through the end of April
- January 2013 had fewer CWE nights than December 2013
- February and March were comparable to the number of nights we saw in December, with April 2013 having 12 nights

FY2013 CWE nights

- January 2013 – 17 nights
- February 2013 – 28 nights
- March 2013 – 27 nights
- April 2013 - 12 nights
