

Pretrial Services (Intercept Point 3)

State Coordinator:

- Works with DOC, Judiciary and Administration to develop framework and guidelines for pretrial services and oversees planning and implementation
- Supervises pretrial monitors/case workers
- Assists in developing local pretrial service teams (see below)
- Coordinates trainings (risk & need, evidence-based practices)
- Works with CJC Core Team to map services (gap analysis) and assess impact of court referrals
- Supervises pretrial monitors
- Coordinates evaluation activities
- Ensures adherence to evidence-based practices (Marlowe/ARK)

Pretrial Monitors / Case Workers:

- Reports to the Statewide Coordinator
- Conducts the ORAS pretrial risk assessment for the Court's determination of bail/release/conditions, and substance abuse and mental health screenings (refer to designated agency/preferred provider if screening indicates a clinical assessment is needed)
- Communicates risk assessment score to Judge, prosecutor and defense attorney
- Makes referrals and monitors compliance according to risk and need (Marlowe/ARK)
- Supports individuals' compliance in meeting conditions of release and appearances in Court
- Maintains accurate data (for case management & evaluation)
- Works with local team to identify community-based treatment, rehabilitative services, recovery supports and restorative justice programs (gap analysis)

Criminal Justice Capable Core Team:

- Maps services, assesses the impact of court referrals and capacity of current service system in each region, considers regional resources (incl: assessment, early intervention, treatment and recovery support)
- Builds on and enhances existing models
- Develops recommendations for a referral system based on risk & need (Marlowe / ARK)
- Identifies existing gaps to optimize successful outcomes
- Funding to be examined by appropriate State departments.

Local Teams:

- Works with CJC Core Team and bullets under that section
- Criminal justice partners (judge, prosecutor, defense attorney, probation)
- Treatment partners (designated agencies & preferred providers)
- Other community organizations (Community Justice Centers, Agencies housing Court Diversion, Recovery Centers, etc.)
- Pretrial Monitor / Case Worker
