

1 Introduced by Committee on Ways and Means

2 Date:

3 Subject: Taxation; statewide education property tax; rates

4 Statement of purpose of bill as introduced:

5 This bill proposes to establish the statewide education tax base rates and
6 base education amount for fiscal year 2015. The bill also requires that the
7 Commissioner of Taxes, when formulating his or her rate recommendations
8 under statute for fiscal year 2016 and after, assume that the applicable
9 percentage base for the purpose of calculating income sensitivity is 1.94.

10 The bill also makes several changes to Vermont's education financing laws.
11 It requires that school budgets be voted in a form that provides information
12 about how spending and rates are linked. It alters the way average daily
13 membership is calculated by eliminating a provision that increased the
14 counting of pupils for fast growing schools. For districts with a
15 student-teacher ratio of less than 15 to 1, the bill increases the annual hold
16 harmless threshold from 3.5 percent to five percent of the equalized pupil
17 count. The bill adds language that, starting in fiscal year 2019, eliminates
18 small school support grants over three years, except for geographically
19 necessary schools. It alters the taxation of municipally owned lakeshore
20 property in another town so that the hosting municipality can vote to exempt
21 such property. The bill allows a homestead to be rented for part of the year.

1 The bill anchors excess spending increases to inflation in a set year, as opposed
2 to current law which ties the increase to the previous year's spending. The bill
3 lowers the calculation of allocable rent for purposes of the renter rebate, and
4 requires a report on how best to support renters in Vermont. The bill extends
5 the slope for people who phase out of receiving income sensitivity payments,
6 and it reduces the total cap on income sensitivity payments from \$8,000.00 to
7 \$6,000.00 for households that do not have a member 65 years of age or older.
8 The bill also requires that one-third of any unreserved surplus over forecast be
9 transferred to the Education Fund, and requires the Emergency Board to
10 determine how much of that amount can be sustainably added to the General
11 Fund transfer in the next year. The bill provides a payment for the school
12 district in Thetford to compensate that community for an error in its excess
13 spending calculation. It appropriates \$6,000,000.00 from the Supplemental
14 Property Tax Relief Fund to help lower property tax rates. The bill creates a
15 study to examine how a reduction in listed property value affects towns, and
16 the costs to towns of defending property tax appeals. It expresses a
17 commitment by the General Assembly to incorporate an education income tax
18 into the current education financing system. And it requires the Agency of
19 Education to file a report on school tuition practices in Vermont.

1 An act relating to setting the statewide education tax base rates and base
2 education amount for fiscal year 2015 and making several changes to
3 Vermont's education financing laws

4 It is hereby enacted by the General Assembly of the State of Vermont:

3 (a) There is hereby created within the General Fund a General Fund
4 Balance Reserve, also known as the “rainy day reserve.” After satisfying the

10 legislative authorization. Monies from this Reserve shall be available for
11 appropriation by the General Assembly.

12 (1) The Emergency Board shall, at the end of each fiscal year ~~2013~~,

14 amount of available general funds that is greater than the amount of forecasted

16 ~~2013~~.

17 (2) Of the amount added to the General Fund Balance Reserve in each
18 fiscal year ~~2013~~, to the extent available, ~~one-half~~ one-third of the amount
19 identified in subdivision (1) of this subsection is hereby appropriated in the

2 appropriation in this subdivision and the appropriation in ~~subdivision (3)~~
3 subdivision (3) or (4) of this subsection, the appropriation in this subdivision
4 shall take precedence.

5 (3) Of the amount added to the General Fund Balance Reserve in each

15 § 4025(a)(2) for the next fiscal year.

16 Sec. 21. THETFORD EDUCATION PROPERTY TAX RATES IN FY2014

18 from the Education Fund to the Thetford School District the sum of
19 \$113,125.00 to be used for the sole purpose of reducing the homestead tax rate,
20 which was artificially too high in fiscal year 2014 due to a reporting error in

1 the district budget that caused the district to exceed the excess spending
2 threshold.

3 Sec. 22. PROPERTY TAX APPEALS STUDY COMMITTEE

4 (a) Creation. There is created a Property Tax Appeals Study Committee to
5 study two issues in regard to the statewide education property tax:

8 (b) Membership. The Committee shall have five members:

9 (1) one current member of the House of Representatives, who shall be
10 appointed by the Speaker of the House;

12 Committee on Committees;

13 (3) the Commissioner of Taxes or designee;

14 (4) a representative of local government appointed by the Vermont
15 League of Cities and Towns; and

16 (5) a representative of assessing officials appointed by the Vermont
17 Assessors and Listers Association.

18 (c) Powers and duties. The Committee shall study the following issues:

19 (1) The Committee shall analyze the process by which towns are
20 compensated for a reduction in listed value under 32 V.S.A. § 5412 and
21 suggest ways to make that process more equitable.

1 (2) The Committee shall analyze the current costs to towns of defending
2 property tax valuations that benefit the Education Fund and suggest ways to
3 make the cost of defending property tax appeals more equitable.

4 (d) Assistance. The Committee shall have the administrative, technical,
5 and legal assistance of the Office of Legislative Council, the Joint Fiscal
6 Office, and Department of Taxes.

7 (e) Report. On or before January 15, 2015, the Committee shall submit a
8 report to the Senate Committee on Finance and the House Committee on Ways
9 and Means with its findings and any recommendations for legislative action.

10 (f) Meetings.

11 (1) The Committee shall meet no more than six times. The Committee
12 shall select a chair and vice chair from among its legislative members at the
13 first meeting.

14 (2)(A) A majority of the members of the Committee shall be physically
15 present at the same location to constitute a quorum.

16 (B) A member may vote only if physically present at the meeting
17 location.

18 (C) Action shall be taken only if there is both a quorum and a
19 majority vote of the members physically present and voting.

20 (D) The Committee shall cease to exist on January 16, 2015.

1 (g) Reimbursement.

2 (1) For attendance at meetings during adjournment of the General
3 Assembly, legislative members of the Committee shall be entitled to per diem
4 compensation and reimbursement of expenses pursuant to 2 V.S.A. § 406 for
5 no more than six meetings.

6 (2) Other members of the Committee who are not employees of the State
7 of Vermont and who are not otherwise compensated or reimbursed for their
8 attendance shall be entitled to compensation pursuant to 32 V.S.A. § 1010 for
9 no more than six meetings.

10 Sec. 23. APPROPRIATION TO EDUCATION FUND

11 There shall be appropriated and transferred from the Supplemental Property
12 Tax Relief Fund a sum of \$6,000,000.00 to the Education Fund.

13 Sec. 24. EDUCATION FINANCING REFORM

14 (a) By January 1, 2017, the General Assembly shall transition to a tax
15 system for financing education in Vermont that incorporates an education
16 income tax. This new education financing system shall have the following
17 components:

18 (1) a property tax structured on the current homestead and
19 nonresidential property categories, but with a much lower homestead property
20 tax rate than set in current law;

1 (2) an education income tax structured as part of the current income tax
2 system, paid by people who pay Vermont income taxes;

3 (3) the education income tax which shall be indexed to a taxpayer's
4 federal adjusted gross income and shall be calculated by dividing the
5 per-equalized-pupil amount of the district's education spending, divided by a
6 State base spending amount, multiplied by the statewide education income tax
7 base rate, and then multiplied by the taxpayer's federal adjusted gross income;

8 (4) the education income tax which shall be incorporated into Vermont's
9 current system for withholding and estimated tax payments; and

10 (5) adjustments for income sensitivity which shall be eliminated.

11 (b) It is the intent of the General Assembly to pass legislation in 2015 and
12 2016 to implement subsection (a) of this section so that the first year the
13 education income tax would be in effect would be calendar year 2017, and the
14 money raised would provide funding for schools in fiscal year 2018.

15 Sec. 25. TUITION REPORT

16 (a) The Agency of Education shall report to the General Assembly on the
17 current system of setting, paying, and receiving school tuition in Vermont.

18 The report shall be submitted to the General Assembly no later than
19 January 15, 2015.

20 (b) The report shall review:

1 (1) the historic practices of Vermont school districts in paying tuition to
2 other schools;

3 (2) the current law and practices for establishing tuition rates, including
4 how tuition is paid to different categories of schools inside Vermont and
