

A UNIQUE OPPORTUNITY TO EXPAND YOUR BUSINESS IN GREATER CHINA

The **DISCOVER GLOBAL MARKETS: Greater China Business Forum** is a two-day conference that will provide numerous opportunities for your company to learn from experts with real-world experience in Greater China markets. Join the U.S. Department of Commerce on October 7-8, 2014 in New York City for a unique opportunity to gain insights and contacts to help you access export opportunities in Greater China.

- Meet one-on-one with U.S. Commercial Service diplomats.
- Acquire practical and actionable market intelligence on the world's fastest-growing major economy.
- Obtain the resources necessary to succeed in the challenging, but rewarding markets of Greater China.
- Any U.S. company that is already an experienced exporter and is seeking to learn about how to successfully sell its products and services in the Greater China region should consider joining the Forum.
